I Ptl Wilson #534, observed a dark colored car parked next to Subway 17203 Broadway Ave. near the dumpster, occupied by a black male. The business was closed and no one was supposed to be there. The male, Tavaris Moon, stated he parked the car there and was waiting for his girlfriend so she can drive because his license was suspended. While speaking to Tavaris, I was able to smell the odor of raw marijuana coming from the vehicle. Tavaris stated he did not believe there was any marijuana inside the vehicle. I conducted a probable cause search and located a red, metal grinder with marijuana residue in the glove box. Tavaris was issued a citation for possession of drug paraphernalia. The vehicle was turned over to his girlfriend who had a valid driver's license. cw534

On Wednesday April 13, 2016, at approximately 1829 hours, I, Ptl. Augustyn #536, was dispatched to Philip Street where the caller stated her daughter lost her cell phone and tracked it to a nearby location. Upon my arrival, I met with Taneice Johnson. Jalynn continued to ride her bike for a few moments prior to noticing her phone was missing. When she did notice her phone was missing she turned around and saw a black male approximately 5'8" tall with a short afro wearing a blue jacket and grey jogging pants pick up the cell phone and leave the area. Jalynn notified her mother and Johnson tracked the phone using a phone application. The application tracked the phone to 5070 Philip. Cpl. Pozek and I checked the area but the residence was vacant. Johnson described the phone as a white Iphone 5c with a pink and white case with a serial # of 013838002953741. The phone was entered into LEADS as stolen. #536

The complainant, Cecil Wingard, called to report that his son, Seven Wingard who is 15 years old, had walked away from the residence. Cecil advised that he returned home from work on 04-14-16 at about 0130 hours, and he checked on his son, Seven. Seven was not in his room. Cecil asked his 17 year old daughter where Seven was. She said she started taking a shower at about 0100 hours, and Seven was in his bedroom. The daughter said the last time she saw Seven he was wearing basketball shorts and no shirt. Cecil said Seven was supposed to take out the garbage but did not. Seven may have felt he was going to get punished for not doing this chore. Seven does not have a cell phone and there is no other way to get in touch with him.

Seven is a 15 year old, black male, about 6'0", 170 lbs., brown eyes, black twisted hair, and does not have any medical needs. Cecil could not say what Seven was wearing at this time.

Ptl. Ponyicky checked the Maple Heights Library and McDonalds in case Seven was attempting to get free WiFi service. He also checked 5069 Stanley Rd. for Seven. The resident there allowed officers to check the house but Seven was not inside. Cecil advised that Seven voluntary walks away from his home often. Cecil will call the police when Seven is located. Cecil did complete a Missing Person packet which included the Dental Form. Cecil does not have any photographs of Seven that he could provide. JP#513

Terry was unable to provide any information pertinent information on Karrienne's whereabouts. Marcie was unable to get the address of the home on Waterbury. She simply stated that the home is near Mr. Z's on Waterbury. FEMALE WANTS TO CHECK ON HER GRANDMOTHER CAROLYN HARRISON 2-17-41. CALLER DOES NOT APPROVE OF THE WAY GENERAL TAKES CARE OF HER GRANDMOTHER. SHE STATES HE ALSO MISUSES HER GRANDMOTHER'S FUNDS. UNKNOWN WEAPONS

This was a verbal argument between General, Carolyn's husband and Melinda, Carolyn's granddaughter. Melinda stated that General will not let her come over to see Carolyn who is bed ridden. Melinda was also concern that General is taking money from Carolyn's bank account, and her welfare.

Ptl. Russo, Ptl. Augystun, and I spoke with General, he said that he does not want anyone to come over because the house is messy. We told General that he can not tell Carolyn who she can and can not have over to the home.

We stood by for approximately 10 minutes while Melinda visited with Carolyn. We observed the interior of the home which was unsanitary. There was trash lying around the house, blankets on the windows, and it smelled of human waste. These were not conditions that are suitable for an ill person such as Carolyn. Melinda advised us that she was going to contact an agency to investigate Carolyn's living conditions.

We advised Melinda that because General and Carolyn are married they have shared property and that includes bank accounts. Melinda stated that she has paper work stating that General is not supposed to have control over her bank account. Melinda advised us that she was going to look for the paper work. Melinda was advised to contact us if General continues to deny her from seeing Carolyn.

Upon my arrival, I met with employee Sierra Delarge. Sierra stated a male who visits the store frequently came into to store and began causing a disturbance. Sierra stated the male has stolen from the store in the past and is a nuisance. Sierra stated the male has threatened to assault her for asking him to leave the store. Sierra does not know the male by name but stated he is a black male approximately 35 years old with face tattoos and drives an older model beige Toyota and lives on Benhoff. I checked the area for the vehicle but was unable to locate it. Sierra stated she wanted the male to be advised of trespassing and I advised her to call if he returns. FEMALE IN THE LOBBY WOULD LIKE TO REPORT HER SON WAS BEING HARASSED

From: SECC 4427 04/14/2016 19:53:53

- On Thursday, 4-14-16, at 1814 hrs, I, Ptl. Carmine # 535, was dispatched to the MHPD Lobby for a report of two male juveniles being harrassed. The males, Albert Townsend (5-4-00) and Clifford Kinney (6-1-01) , stated they were riding their bicycles on Cato St. at approximately 1600 hrs, when they went by 5104 Cato St. and a female in a vehicle bearing OH license #GTZ4628 began to call them names like "bitch". They stated a male came out of 5104 Cato St. and began to yell at them as well and that was when they rode away. Albert and Clifford matched the description of the males on bicycles that allegedly had a gun for two previous calls in the area, reference sheet #160027365 and #160027349. The caller of 160027365 did not leave his information and the first caller stated she only saw the two males as she was driving. There are no other witnesses at this time and no criminal actions by the parties that called Albert and Clifford names. AC535

SECURITY REPORTING THREE SMALL CHILDREN IN THE CAR BY THEMSELVES IN THE PARKING LOT. A 7 YO, 2 YO, AND 14 MONTH OLD THAT HAS AN IV

On 04/15/2016, at approximately 1853 hours, I Ptl. Wilson #534, responded to Giant Eagle 5321 Warrensville Center Rd. for a report of 3 small children left inside a vehicle unattended. Upon arrival, I spoke to Off-Duty Officer Ed Carlile who stated he was approached by a customer who alerted him to the children. He attempted to contact the guardian over the store loudspeaker and she did not come out to the car for approximately 10 minutes. The guardian, Cierra Conners, stated she did not think there was anything wrong with leaving the kids in the car for a minute, because she had 3 kids with no help. The children were ages 7, 2, and 1. The 1 year old had a medical condition that required a feeding tube that was attached to her. I asked Cierra if she thought something happened to that child if any one of the other children would be able to take care of her, and she stated no. She was issued a citation into the Garfield Heights Municipal Court for Endangering Children. Cuyahoga Children Services was also contacted and advised of this incident. cw534

WHILE HANDLING PREVIOUS CALL AT THIS ADDRESS (CAD#160027862) , FEMALE REPORTING HER JUVENILE DAUGHTERS MISSING. (KZ)

Mom, Tracie Singh, states at around 1440hrs on 04/15/16, her daughters, 13yr old Mantriana Singh and 14 yr old twins, Martina Foster and Martiana Foster were fighting with one another and she heard the commotion. Mom went to break up the arguing and the three daughters all turned on her and started to yell at her. The 3 girls then left the house heading to an unknown location. Tracie states all 3 daughters are frequent runaways and are unruly. She attempted to file unruly charges against them, however, she stated that juvenile told her that she could not file unruly because they have already been entered into the system and juvenile status offenders. Tracie does not know exactly where the girls went, she knows they hang out in different areas in Maple Hts, Garfield Hts and Cleveland. I checked several areas including McDonald's, Dare Park and Granger Prime Station, which are all spots I know the girls to frequent, all without success. No photos available per mom.

Mantriana is ~ 5ft tall, 129lbs, bro and bro. She was last seen wearing her school uniform, a white shirt with Khaki pants and a black jacket.

Martina is ~5'3" tall, 160lbs, bro and bro. She was last seen wearing her white school uniform shirt, light blue jeans and a black jacket.

Martiana is~5'6" tall, 153lbs, bro and bro. Her hair is currently dyed green. She was last seen wearing a black tank, Khaki pants and a black jacket.

The girls are of mixed decent, Black and Indian, and all 3 wear glasses.

Missing juvenile forms completed by mom were faxed to SECC so the girls could be entered as missing. The missing juvenile spreadsheet was updated.

696-KIDS was contacted and advsided (#11566462). GRA519
