CALLER WENT HOME IN WHITE MITS GALLANT. OFFICERS SPOKE WITH THE COMPLAINANT AT 21603 LIBBY RD. (KD)

The male stated the female had been driving the wrong way down the aisle and cut him off which caused the accident. The female started yelling profanities at him which is why he left. The female stated she had not driven the wrong way down the aisle and had not cut the male off. The female denied making any comments to the male and when the male had returned to his vehicle he had driven away. The female was able to get the male's license plate as he was driving away. The female stated she had been inside the store when her vehicle had been struck. The female only became aware of the accident when a witness, Carrie (216-338-7481), approached her and informed her the white truck parked next to her had struck her vehicle. Cpl. Basiewicz responded to Giant Eagle and reviewed the security camera footage. I observed the female did drive the wrong way down a marked travel lane in the parking lot. The female did turn into a parking spot that the male was approaching to turn into. However, the female's turn did not cause the male to stop quickly to avoid an accident. The male then drove down the aisle made a right turn and drove back around into the same aisle. When the male located another parking spot, next to the female, he pulled into the spot. The turn was short enough that the passenger's side of his vehicle struck the driver's side rear corner of the parked vehicle. The male backed up and repositioned his vehicle. The male exited the vehicle and walked away without checking on the damage. The male made no attempt to leave any information for the accident. When the female returned to her vehicle, she was looking around her vehicle. As the female was checking, the male returned to his vehicle and drove away, again without attempting to leave any contact information. I observed the female's vehicle did move when the male's vehicle struck it.

The male was cited for leaving a scene of an accident and given a Maple Heights Mayor's Court date. A copy of the Giant Eagle security camera footage was entered into evidence. Both parties were given each other's information for insurance purposes. STB514

CALLER STATES THE VACANT LOT NEXT TO HIS THERE ARE JUVENILES AND THEY SET THE GRASS ON FIRE

The caller stated he observed some children playing in a vacant lot. The children were playing at the back of a garage for a residence on Krems Avenue. When the caller heard some yelling, he observed there was a fire in the grass next to the garage. The caller yelled at the kids and called the fire department. The caller stated while he was calling the fire department the kids did get containers of water and attempted to put the fire out. Upon my arrival, MHFD informed me juvenile Rotez Lawrence had started the fire. Another juvenile on the scene, Michael Harris, was also at the scene. Michael admitted he was in the backyard when Rotez used a lighter to light a piece of paper on fire. I spoke to Michael's mother, Michelle Thomas, and explained the situation to her. Michelle stated she was not aware of who Rotez was and had not seen him in the neighborhood. Michelle stated Michael is at an age where he follows older boy and this was what the case was. Michelle and I spoke to Michael about being a follower and how this put him in a position of possible being arrested. Michelle stated she would speak to Michael further about this. Michelle also asked that I inform Rotez's mother that he was not welcome at her residence or around her son anymore. I transported Rotez back to his residence and spoke to his mother, Joanna Lawrence, and explained the situation to her. Joanna asked questions as to Rotez's involvement. After answering Joanna's questions she stated she would handle discipline and that she would not allow Rotez back over to the residence. The garage was of brick construction and only had minor paint damage to it. STB514

On 04/17/2016, I Ptl. Wilson #534, responded to 5190 Milo Ave. for a report of a burglary. Chanel Brooks stated she left her house at approximately 1630 hours and returned home at approximately 2230 hours. Chanel noticed a chair propped up against the back of her house and the living room window that was left unlocked was opened. Chanel stated she went into the house and there was nothing missing, but someone had thrown her cereal boxes in the kitchen. Chanel stated that her juvenile daughter was caught throwing rocks at someones house a couple days prior and she believes they retaliated by destroying her kitchen. There was no evidence to collect on scene, and no suspect information. Chanel just wanted the incident documented in case there were any further problems. cw534

Keyana Blakely saw Shana Latimer and called her "midget butt". Craig took offense to that and thought it was sexual harassment. Shana's mother was also present when Keyana stated that and she thought it was said in a joking manner. Keyana was not home but I advised Craig to tell Keyana that he does not want his daughter to be called that. #536

FEMALE IN THE LOBBY REPORTING THAT SHE WAS ASSAULTED TODAY WHILE HER FRIEND GOT HER CAR FIXED

\*\*\*\*\*

Shelly Hilbrand came to report an assault. She advised that she was dropping off an acquaintance, Brianna Dorcsak, at a vehicle repair shop near Sterling Ave. When Dorcsak went inside to get her vehicle her 8 year old daughter followed behind her. Brianna's daughter did not make it in the shop and was standing outside. Shelly then started to leave the area. Brianna got upset at Shelly because Brianna thought Shelly was leaving her daughter outside of the shop. Brianna ran up to Shelly's vehicle and stuck her multiple times on the left side of her face and Shelly drove away. Shelly had a slight red mark on the left side of her face. At this time Shelly wants to make the police of the incident and does not want any further contact with her. Ptl. Ponyicky left a voice message for Brianna about this incident. JP#513

OFFICER CALLED OUT WITH A JUVENILE IN THE AREA.

19 W/ 1 MALE JUVENILE WHO REFUSES TO PROVIDE OFFICERS WITH HIS INFORMATION.

I, Ptl. G. Allen #519, located a juvenile on Mapleboro at the intersection of Clement, walking away from the high school. I asked him was he supposed to be in school and he stated no and continued to walk away. I ordered him to stop so I could speak with him. I asked his age and he stated he was 14. I again asked him why he was not in school. He stated that he went to school online and had to take a test at the high school. I again, asked his name, so that I could verify his status with the high school, and he refused to give his name. The male tried to walk away from me again, so I secured him in handcuffs because he attempted to flee after being told to stay with me multiple times. Once again I told the male that if he did not identify himself, he would be arrested. The male still refused and said that he did not have to tell me who he was. He was transported to the Maple Hts Jail. Once at the jail, the male identified himself as Xavier Treece. I contacted Maple Hts High School to confirm his status. The school confirmed that Xavier did take a test at the school and had been released 10 minutes prior to my contact with him. Xavier was transported home and TOT his dad. GRA519.

Chandler had been drinking alcohol, but not to the point that he could not function and endanger himself. He stated he was going to walk to the bus station and catch the bus home. The manager, Pardeep Rahil, stated he was advised by another customer that Chandler told him and other customers that he had a gun in his bag. Rahil asked Chandler to leave the premises and he initially refused to do so. After Rahil told him he was calling police, Chandler left the facility. Ricky Chandler was located sitting on the bench in front of the Cuyahoga County DCFS building. Chandler denied telling anyone that he had a gun on his person, but did admit to having conversations with several other customers inside of OctaPlasma. No weapons were located on Chandler. He was issued a citation for Disorderly Conduct, which was counter-signed by Rahil, and sent on his way to catch the bus home. GRA519

DRIVER CITED FOR POSSESSION OF MARIJUANA

On 04/21/2016, at approximately 2145 hours, I Ptl. Wilson #534, observed a dark colored Chrysler travelling southbound on Broadway Ave. at what appeared to be faster than the posted speed limit of 25 mph. While stationary I was able to use a LIDAR laser unit at approximately 312.15 feet on the vehicle showing it moving at 44 mph. I activated my overhead lights and sirens and conducted a traffic enforcement stop on the vehicle. The driver, Dwayne Fudge, had a failure to reinstate license status. In plain view in the center cup holder, I observed a plastic baggie containing marijuana (2 grams). While conducting a tow inventory of the vehicle, I located loose marijuana bud in the center console (1 gram). Dwayne was issued a citation for Speed, Failure to Reinstate, and Possession of Marijuana. The vehicle was towed by Kelly's Towing. cw534

CALLERS DAUGHTER IS MISSING SHIRELLE REED 25 YEAR OLD FEMALE

On 04-21-2016, at approximately 2306 hours, I Ptl. Wilson #534, responded to 5210 Henry St. for a report of a missing person. I spoke to the caller Shirley Reed, who stated that she was worried about her 25 year old daughter Shirelle Reed. Shirley stated her daughter was at a school at Southgate Plaza and faceted her at approximately 2130 hours. Shirelle was in class to be a home health aide, and had a test tonight. Shirelle faceted Shirley to tell her she passed the test. Shirley stated it was unlike her to not come home, and stated she has a female friend from school drive her home. Shirley stated Shirelle does not have any medical or mental conditions, and does not take any medications. Shirley also called Shirelle, and it rang once than went to voicemail. Shirley stated that she was just worried because she normally comes right home. Shirley was advised that the incident would be documented, and if Shirelle did not come home to advise the Police Dept. On 04/25/2016, I Ptl. Wilson #534, along with Sgt. Kevern, responded to 21411 Kenyon Dr. for a report of a suicidal male. Maple Heights Dispatch advised that the caller, Shaundre Gordon, had a knife and also had guns inside the house. Upon arrival, I was able to make contact with Shaundre and talk to him through an upstairs window. Shaundre told me he had a gun, and he wanted to talk to his teacher from the Maple Heights Hight School Ms. Jefferson. I made contact with Dispatch and had them attempt to contact the teacher. I advised Shaundre that I was trying to get the teacher, but I needed him to come downstairs and talk to me through a window. Shaundre stated no, then stopped talking. Approximately 2 minutes later I observed Shaundre looking through a window. I asked Shaundre to open the window so I can see him and talk to him. Shaundre opened the window, and I observed him holding a large kitchen knife in his left hand. It was at that time, Sgt. Kevern and I checked the Less-Lethal and had it on standby. I continued to talk to Shaundre, and I asked him if he would drop the kife out of the window. Shaundre pushed out the screen and dropped the knife out of the window. I then observed Shaundre walk towards the front door. I checked to see if the door was unlocked and it was. Sgt. Kevern verified that Shaundre had nothing in his hands, at which point I opened the door and was able to detain Shaundre in handcuffs without incident. Shaundre was transported to Marymount Hospital for evaluation by the Maple Heights Fire Department. Upon trying to secure the open window that Shaundre was talking to us through, the window fell off the tracks and into the residence. The front door was already locked and we could not gain access into the residence to fix the window. The window was propped up, but was unsecure. cw534

FEMALE REPORTING SHE WITNESSED A TEACHER BY THE NAME OF MS. PERKINS PINCH AN AUTISTIC CHILD WHO IS IN THE 4TH GRADE NAME ARIONNE (COMPL DID NOT KNOW THE CHILD'S LAST NAME) . THE INCIDENT OCCURRED YESTERDAY. THE ANONYMOUS FEMALE ALSO REPORTED THAT THE TEACHER IS VERBALLY ABUSIVE TOWARDS THE CHILD.					
I spoke with Ms. Perkins who advised that the student was throwing a temper tantrum in class yesterday and needed to be escorted from the classroom. Ms. Perkins held onto Arionna's arm and shoulder and escorted her from the classroom. Arionna then sat down and had to be carried out of the classroom. Ms. Perkins documented the incident per the school policy. The principal found no signs of excessive force by the teacher. I met with Arionna and did not observe any visible marks. Arionna also advised me that she had not been hurt yesterday, but is extremely autistic and most likely not culpable. This incident will be FOI due to no signs of trauma. MR#526
