FEMALE IS AT HOME. SHE HAS A RESTRAINING ORDER AGAINST HER HUSBAND, ERICK SHARP. ERICK PICKED UP THIER SON ON WEDNESDAY FROM SCHOOL. ERICK'S CELLMATE'S GIRLFRIEND ADVISED THE CALLER ERICK LEFT THE STATE WITH HER CAR AND HER SON. SHEREE HAS NO PROOF ERICK LEFT THE STATE.

Sheree went to Cuyahoga County Domestic Relations Court on 04/29/16 and petitioned for a DVCPO, which was temporarily granted, ex parte, until they have a hearing for issue and service of the order on 05/10/16. Erick has not yet been served with the temporary order.

Sheree called Erick while I, Ptl. Allen, was there. I spoke to Erick and he stated that he removed Erick Jr from school on Wednesday 04/27/16, because of the problems going on in their home. He stated he would be returning Erick Jr to school on Monday 05/02/16 and that they had a meeting with CCDCFS on 05/02/16 after Erick gets out of school. He denied being out of state. I advised Erick that since I informed him of the DVCPO being active until their hearing on 05/10/16, he would be in violation of the order if he did not return Erick to Sheree immediately. Erick agreed to bring Erick Jr to the police station so he could be TOT Sheree. His mother dropped Erick Jr off at our station at 1830hrs and I transported him back him home and TOT him to his mother. GRA519.

Ptl. Zupancic stopped a vehicle for a traffic violation on Warrensville Center Rd. near Fire Station #1. He discovered that the passenger had a gunshot wound and was being rushed to the hospital by a family member. They pulled into Station #1 where the MHFD took the victim into the squad and transported him to Metro Hospital. The victim called a family member who picked the victim up in that area and transported to the home of a family member at 19330 McCracken Rd. in Maple Hts. Another family member then put him in another car and started rushing him to the hospital. No one at any time notified authorities or emergency personnel of the incident until they were stopped by Ptl. Zupancic. It was later determined that the incident occurred in Shaker Hts. After the squad transported the victim, MHPD officers responded to McCracken and awaited the arrival of Shaker Hts PD to take possession of the vehicle that he was transported from Shaker Hts to Maple Hts in. The incident was TOT Shaker Hts. P.D.

FEMALE IN THE LOBBY REPORTING SHE LOST HER WALLET WHICH CONTAINED HER CREDIT CARDS WHICH WERE USED AT THE SPEEDWAY AND THE WENDYS IN OUR CITY

On Monday, 5-2-16, at 0940 hrs, I, Ptl. Carmine #535, was dispatched to the MHPD Lobby for a report of a stolen wallet. I spoke with the complainant, Denetrius Fleming, who stated she lost her wallet on Saturday, 4-30-16, at 5435 Beechwood Ave. and on Sunday, 5-1-16, she noticed it was missing. Upon noticing it was gone she began to search for it. At approximately 1900 hrs, Denetrius stated she received an email from her bank stating her bank card had been used at the Speedway, located at 16400 Rockside Rd. and again later at Wendy's, located at 5360 Warrensville Center Rd. Denetrius stated there was also a transaction made in Warrensville Heights at a Chick-Fil-A. I advised her to make another report with Warrensville Heights PD. Inside the wallet was also approximately \$85.00, her SSN card, 4 other bank cards that did not function, her Ohio Driver License, and insurance cards. The bank card that was used was through Woodforest Bank. There was no times of day given for the transactions. Denetrius stated she would call with the times if she could get them from her bank. Ptl. Carmine will follow up to check store video if times are available. FOI at this time. AC535

WAYNE BRNICEVIC STATES HIS NEIGHBOR'S DOG, A CANE CORSO, IS PUNCHING HOLES IN THE FENCE. CALLER STATES HE CAN'T GO IN HIS BACKYARD. HE IS AFRAID THE DOG WILL GET THROUGH THE FENCE.

On Monday, 5-2-16, at 1344 hrs, I, Ptl. Carmine #535, was dispatched to 15054 James Ave. for a complaint of a fence that was in disrepair allowing a dog to come through. Upon my arrival I spoke with the complainant, Wayne Brnicevic, who lives at 15004 James Ave. who stated that the hole in his fence was from the dog in his neighbor's back yard. I also viewed a video of the dog at the hole in the fence, which showed that the dog could get through the hole. I viewed another video of when the dog broke the fence and made the hole. I advised Wayne to build his own fence or continue to call the police if the dog comes through and a citation would be given to the owner. I photographed the fence and added the photographs to the sheet. I made contact with the owner of the dog, Julia Houston. While I was speaking with Julia trying to advise her of the complaint, she continually talked over me and did not want to listen to what was being said. I advised Julia that she was responsible for the dog and anything that happened because of the dog. Julia stated it was the owner of the residence who would have to fix the fence. I advised her that if she let the dog out before the owner fixed the fence then it was either her responsibility to fix it first or to ensure that her dog did not violate the ordinances of the city. I also advised Julia that if the Law Department ruled that mediation would take place that she should participate and resolve the matter. Julia did not want to cooperate or listen to the information being provided. AC535

COMPLAINANT IN THE LOBBY TO REPORT HER TEMP TAG WAS STOLEN OFF HER VEHICLE. THIS RESULTED IN THE VEHICLE BEING TOWED. RE: MA160032508

The complainant didn't know what the temporary plate number was. She advised that the dealership put it on the car when she purchased it. Dispatch looked up the vehicle identification number but was unable to locate the plate information. I spoke to the dealership, J D Byrider, who advised that the plate might possibly be C622649 but that they didn't have the paperwork to show that the plate was actually issued to the vehicle. The complainant advised that her friend used the car on 5-2-16 and that her friend told her that the plate was on the car when she parked it in the street on that night. At this time this is for documentation purposes. The complainant was advised what was required to retrieve her vehicle. PH520

Viola stated her daughter, Chiemale was walking with a friend, Journee, in the area of 16160 Friend Ave. The two were approached by an unknown black male estimated to be approximately 30 years old. The male asked the two to "come over here" and the kids walked away. Viola did not feel comfortable with a male approximately 30 years old speaking to her 14 year old daughter and thought it was strange. A description of the male is a shorter black male wearing a blue jacket and light jeans. The unknown male did not make any sexual explicit remarks or approach the two. The suspect was not located and Viola will call us if the male returns to the area. DZ532

On May 3, 2016, at approximately 2006 hours, I, Ptl. Augustyn #536, was dispatched to 5200 Miller Avenue for a report of a dog that was running loose in the area. Upon arrival to the area, I was walking in the backyard of 5200 Miller Avenue. I witnessed a black and white pit bull run out of a backyard on Greenhurst Drive and toward my direction. The dog was not friendly and would not let me get near it. I spoke with the caller and she stated the dog lived at 5200 Miller. The dog was eventually cornered into the garage and Ptl. Russo had to pepper spray the dog as it was growling and approaching us. The garage door was then closed causing the dog to be locked in the garage. The dog owner, Alexis Crowell arrived home and was notified about the incident. The animal warden was notified about the dog. Crowell was issued a citation for animal at large and was given a Maple Heights Court date of May 17, 2016 at 4530 hours. #536

On 05/04/2016, at approximately 0642 hours, I Ptl. Wilson #534, responded to 16515 Maple Heights Blvd. for a report of a missing TV. Upon arrival I spoke to the homeowner, Janice Jackson. Janice stated she woke up at approximately 0630 and realized her 43" Seiki TV was taken from the living room. Janice stated her nephew, Kevin Walker, lives in the house with her. Cpl. Berger and myself, checked the outside of the house and all windows and doors were secure, except for two. A back bedroom window where Janice sleeps was open, but Janice stated she opened it and was sleeping by the window all night. A front living room window was also unlocked, but was blocked by a table inside the house and nothing was disturbed. The outside of the window had no fingerprints, and was covered in cob webs. Everything else was locked. Janice stated that when she woke up, all of the doors were even deadbolted. I spoke to Kevin and asked him if he took the TV and he stated he did not. Kevin also stated he was up till 0200 hours, and did not hear anyone come into the house. Kevin had a warrant out of the North Randall Police Department and when confirmed he was placed into custody. Janice was advised that it did not appear anyone broke into her house, and she stated she knows but did not believe Kevin would take the TV. The TV will be entered into LEADS as lost or stolen. Kevin was turned over to North Randall PD on his Theft warrant. cw534

05/04/2016 17:37:32 17150 BROADWAY AV ENDANGERING CHILD 160032986 160032986

FEMALE IN THE LOBBY TO REPORT SHE PICKED UP HER GRAND DAUGHTER WHO SHE HAS CUSTODY OF FROM DAYCARE, AND SHE HAS A SECOND DEGREE BURN ON HER FOOT THAT WAS NOT THERE WHEN SHE DROPPED HER GRANDCHILD OFF. THE DAYCARE COULD NOT EXPLAIN WHY SHE HAS A BURN.

Grandmother and legal guardian, Michelle Miller, states she dropped her granddaughter, Royal Hasan (7/1/15), off at Heavenly Kids Child Care Center, located at 17150 Broadway Ave, on 05/02/16 at 0650hrs, as she does on a daily basis. Michelle picked Royal up at the center at 1945hrs and employees asked her about a large blister on Royal's left pinky toe. The blister covered the entire toe and the pad underneath the toe. The blister apparently popped the same day center. After Michelle picked Royal up from day care, she took her to Marymount Hospital ER for treatment later that night. Michelle stated that Marymount ER staff would not classify her injury as a burn, even though she believed that it was. Michelle gave me Royal's discharge paperwork from Marymount, which stated that her diagnosis was an infected blister of the fifth toe on her left foot. The infection indicated that the wound did not happen a few hours prior to her being seen. Michelle stated that Marymount's ER doctors referred her to MetroHealth Medical Center, the next day, for follow up with their pediatric burn unit. Michelle took Royal there, but Metro refused to see Royal because Marymount did not classify her wound as a burn. Michelle stated she took Royal to Dr M Malinowski of Pediatritians of Greater Cleveland. Michelle stated that Dr Malinowski removed the bandages and Royal's skin had completely peeled off the nail and the toe appeared to be very badly infected. Michelle also brought up that she was concerned because the staff at Marymount informed her that Royal had dried feces and severe diaper rash which led to bleeding of her intergluteal cleft when staff cleaned her buttocks. Michelle did not have any paperwork from the hospital. Michelle took photos of Royal's wound after she picked her up from daycare, at Marymount Hospital, and again the next day at Pediatritians of Greater Cleveland. The next day photos revealed extensive damage to Royal's skin, as all of the skin and the nail fell off the wounded toe. I noticed in the photos that it appeared that Royal's feet were not clean, as debris and or dirt could be seen underneath her toe nails and between some of her toes. Michelle spoke to the owner of the daycare, Connie Thomas. Connie confirmed with her that none of the employees saw the wound previously or knew how Royal received the wound. I spoke with Royal's mother (and Michelle's minor daughter) Janayah Hasan, who also stated that she had not noticed any wounds on Royal's feet prior to 5/2/16. Janayah did state that she had known Royal to have diaper rash.

I went to the daycare center and spoke with all employees who were working on 05/01 when the staff brought the wounds to her attention. Octavia Paul, Tyesah Johnson and Ashlie Upchurch all gave consistent statements that Ashlie had just put Royal down to crawl when Tyesha noticed something on Royal's

foot. She brought it to everyone else attention. They also stated that the toe was initially blistered, but the blister popped before Royal was picked up by Michelle. Octavia stated that there have been times when Royal has had diaper rash and at various times, Royal is dropped off while wearing no shoes or shoes with no socks.

Even though Michelle is concerned with Royal possibly being injured at the center, she did return Royal and her three younger children, Lyric Miller (2yrs), JayV-onne Miller (7yrs) and Jordan Martin (10yrs) to the center on 05/03/16.

Although there is no evidence that the wound was obtained while at the daycare center, Michelle still wanted this incident to be documented. I contacted 696-KIDS and advised Intake Case Worker Felicia Lee of the incident. She was not able to provide me with an intake number because their cpu system was malfunctioning. GRA519

<p>MALE AND FEMALE IN THE LOBBY TO REPORT THAT THEIR FRIEND IS BEING ABUSED BY HIS PARENTS AT THIS ADDRESS. THE SUBJECT HAS MENTAL ISSUES.</p> <p>On Thursday May 6, 2016, at approximately 1628 hours, I, Ptl. Augustyn #536, was dispatched to the Maple Heights Police Department for a report of suspected abuse. Upon my arrival I met with Lyteka Solomon and Durrell Moton. Lyteka stated her boyfriend, George Rounds II (32 y/o) is not being allowed to leave his mother's house at 16825 Gerard. Belinda Rounds is George's mother. Lyteka stated she is pregnant with George's son and that George has mental disabilities. When asked what type of disabilities George has, Lyteka could only say that he is epileptic. George and Belinda came to the Maple Heights Police Department later that day and I spoke with both parties. Belinda stated that George has a mental age of 6 years old and that his friends often take advantage of him. Belinda has power of attorney over George. George stated he is not being held against his will but he thinks his mother may be a little too strict about his protection. George and Belinda were advised of the complaint. It is unclear whether George is the father of Lyketa's unborn baby. #536</p>

I activated my overhead lights and sirens to make my way over to the southbound lane to stop Joseph. I observed Joseph throw his cardboard sign and begin running southbound into Maple Heights. I was then able to get through traffic and apprehend Joseph at the I 480 E exit ramp to Northfield Rd. I then instructed Joseph to walk with me back to where he dropped his cardboard sign. We located the sign in the bushes near the on ramp.</p> <p>Joseph was cited for soliciting twice on 04/26/2016, on 04/27/2016, and 04/29/2016. NEWBORN FELL OUT OF HER CARSEAT AND FELL DOWN THE STAIRS. SQUAD IS ENRT BUT THERE IS A HUGE FIGHT OCCURRING. THE BABY'S FATHER IS ON SCENE AND IT SOUNDS LIKE A CUSTODY DISPUTE IS OCCURRING .

Lakasha Williams informed officers that the father of the child, Lenny Lamar, was in the basement and asked her to bring the child, Yenell Lamar, to him. Lakasha stated that Yenell was sleeping inside of the car seat. She picked the car seat up by the handle. Lakasha thought she had locked in the car seat but is must have not fully locked in. She began to walk down the basement stairs and the car seat's handle moved forward into the lock position. This caused the car seat to shift forward and the baby fell out of the car seat. The baby rolled down the stairs to the basement. Lenny picked up Yenell and they began to argue. Lakasha called for the rescue squad and police. For precautionary reasons the baby was taken to University Hospital.

On 05-08-16 officers followed up with Lakasha. Officers were advised that Yenell was released at 1800 hour and was unharmed, and recommended to follow up

with her pediatrician doctor. DF#540
