On Sunday April 8, 2016, at approximately 1225 hours, I, Ptl. Augustyn #536, was dispatched to the Maple Heights Police Department for a report of a motor vehicle accident. Upon my arrival I met with Christopher Clemence. Clemence stated he was inside Barona's Bakery on Libby Road. A female came into the

store and stated she struck his truck. Without getting her name or number, Clemence left Baronas and came to the Maple Heights Police Department. Clemence had minor damage on his rear driver side tire and small scratches on the body next to the wheel. Clemence took a photograph of the suspect plate. I went to Baronas and located the suspect vehicle. Tonisha Russell was in the driver seat and she stated she was the party who struck Clemences' truck. The vehicle she was driving had scuff marks on the front passenger side bumper. Russell was cited for driving w/o a valid license. The accident occurred in the private parking lot and I exchanged information for both parties. Photographs were taken and uploaded to the incident report. #536

COMPLAINANT ON STATION STATING DANIEL ROBINSON ILLEGALLY GAINED ENTRY INTO HER HOUSE AND STOLE CAR KEYS TO HER DAUGHTER'S VEHICLE THIS EVENING WHILE OTHER MEMBERS OF HER HOUSE WERE OUT IN THE BACK YARD.

NOBODY SAW THIS MALE TAKE THEM HOWEVER HER DAUGHTER STATES SHE WITNESSED HIM IN THE HOUSE AND NOW THE KEYS ARE MISSING.

Deborah and Dianca stated that Daniel was over their house earlier to visit with his children while a party was going on. They believed that Daniel stole the keys to Dianca's friend's vehicle, because he was mad at her. No one saw Daniel take the keys. Dianca and Deborah said they last saw the keys, they were on a dresser in Dianca's room. I told Dianca that the vehicle owner would have to pursue theft charges against Daniel. Dianca stated that Daniel kept texting her and was harassing her. Dianca did not report any threatening messages from Daniel. Deborah and Dianca stated that they do not want Daniel over the house any more. I advised Dianca on the procedure for filing for telecommunication harassment. I also advised Dianca and Deborah that I could call Daniel and advise him of trespassing. Dianca and Deborah did not want me to call Daniel, they said they are going to file for protection order against Daniel in Garfield Court. Dianca was given the report number and advised to contact the Maple Heights Police Department if further assistance was needed.

OWNER OF THE DOG AMANDA BRADLEY WAS SLEEPING AND FINALLY WOKE UP. SHE BROUGHT ONE DOG IN AND WAS CITED FOR THE ANIMAL AT LARGE. (KZ)

On May 12, 2016, at approximately 2237 hours, I, Ptl. Augustyn #536, was dispatched to 14809 Rockside Road for a report of an animal at large. Upon my arrival, I spoke with the complainant, Christina Sprungl. Christina stated the dog running in the neighborhood belonged to Amada Bradley at 14805 Rockside Road. Christina has security cameras on her house and she showed me the footage. On security camera, I witnessed Amanda's dog being let out of the garage without a leash or restraint. The dog ran in Christina's yard multiple times. I went to 14805 Rockside Road to speak with Amanda. The dog was sitting on the front porch to the residence and it was not restrained. I knocked on Amanda's side door multiple times and she did not answer the door. The dog was restrained Ptl. Jividen. A male came to the door and took the dog inside. Amanda was issued a citation for animal at large and was given a Garfield Heights Municipal Court date of May 25, 2016 at 0830 hours. #536

GAS STATION OWNER WAS SCAMMED OUT OF 50.00 ABOUT A HOUR AND A HALF AGO BY A TALL WHITE MALE BALD OLDER HE IS 40-50 YEARS OLD WITH A BEARD AND DRIVING A BLACK MUSTANG. THE MALE DROVE TOWARDS WALTON HILLS. MICHAEL AGUSTA IS THE NAME THE MALE GAVE THE STATION OWNER.

Mohit stated a bald white male, mid 30s-40s, came into his store at around 5pm and stated he worked for Astorhurst Golf Club on Dunham Rd in Walton Hills. Suspect male stated he was locked out of the club and could not get back in. He stated he called a locksmith to get him into the business, but the locksmith would not do the job without being paid upfront (\$50). He asked Mohit if he could borrow \$50 and told him that he would bring it right back to him once the locksmith got him inside the club. The male told Mohit his name was Michael Augusta and showed him the registration for the vehicle he was driving, a black

Ford Mustang (mid 2000s model), and stated he did not have his driver's license on him. He allowed Mohit to take a photo of him before he gave him the money. Photo attached.

As of the time of call, the suspect had not returned to One Stop to return Mohit the money he loaned to him. Mohit is going to contact Astrohurst to see if the male is really their employee. FOI GRA519.
