OFFICER WILSON TO COMPLETE DISPO. THE SIDE DOOR IS KICKED IN. NO ONE WAS LOCATED INSIDE. THE HOMEOWNER ARRIVED ON SCENE.					
On 05/15/2016, at approximately 0004 hours, I Ptl. Wilson #534, responded to 21410 Clare Ave. for a burglar alarm. Upon arrival, I observed the side door to the house was open, and the door had been kicked in. When other officers arrived, we checked the inside of the home but did not locate anyone inside. It was at that time, the homeowner Demetrius Thompson, arrived on scene. Demetrius went though the residence and he stated nothing was taken. Demetrius stated that him and his wife had been renting out the house and the tenants moved out approximately a month and a half ago. He then stated that he has been bringing other female company into the house and believes it was a particular female because of comments that were made. Demetrius did not want to provide the name of the female. Demetrius stated did not want to have an investigation completed, because he did not want to have a problem with his wife. Demetrius was advised the incident would be documented, and if he needed anything further to contact us. cw534

CALLER IN THE LOBBY WANTS TO SPEAK TO A OFFICER THINKS HE 2YO DAUGHTER MAY HAVE BEEN TOUCHED. STATES HE CALLED THE MOTHER WHO WAS SUPPOSE TO MEET HIM AT THE HOSPITAL BUT WHEN THEY ARRIVED THE MOTHER DROVE OFF WITH THE CHILD. HE DOES NOT KNOW WHERE SHE LIVES.

Yesterday the male had his daughter. While the daughter was with the complainant, she started itching quite a bit in her pubic area. The complainant checked his daughter to see why she was itching. The complainant stated he saw old scratch marks in her pubic area and saw a fresh scratch that was slightly bleeding. The male called the child's mother to ask her what was going on with their daughter. The mother came over and they were suppose to take their daughter to the hospital together. Mother just left with their daughter and did not wait for the complainant. The complainant stated he did not have any type of visitation rights but his child's mother allows him to see their daughter. He suspects something might be going on with his daughter at her mother's house but the complainant did not know where his child's mother lived. I looked up the complainant's child's mother, she lived in Cleveland. I advised the complainant that he would have to go to 1st district Cleveland to report anything suspicious that he thinks might be going on at his child's mother's house. MB512

(MCS)

I spoke to Helen over the telephone and she now stated that Nicole is living with Helen's husband in Miami Florida. Helen then proceeded to tell me a story from the night she was "forced" to leave Maple Hts. because her husband was involved with sex trade, the Mafia, harvesting children and transporting illegal immigrants. Throughout the story the murder victim changed from Nicole to Nicole's husband Jay Crawford. Helen never was able to be sure who was murdered because the victim was rolled up in a carpet, because that is how the Mafia gets rid of bodies. I was able to determine that Helen was 10-96 and her version of events did not make sense. Upon checking the residence, there is no indication that a murder was committed. The residence was secure. This is for our information at this time. BK508

(TR)

On Monday May 16, 2016, at approximately 2001 hours, I, Ptl. Augustyn #536, was dispatched to 15911 Friend Avenue, for a report of a missing juvenile.

Upon my arrival, I spoke with Tanisha Parker. Tanisha stated her daughter Janell Owens (15y/o), ran away from home at approximately 1930 hours. Tanisha stated Janell was on punishment and has mentioned to her sister that she has been planning to run away. Tanisha was speaking with Janell about her recent behavior. Janell then told her mom she was leaving and Tanisha stated if she left she was going to call the police. Janell then left the residence and Tanisha called the police.

Janell is a black female, 5'4", 146 pounds, and has black hair and brown eyes. She has two French braids in her hair and usually wears glasses.

Janell has no medical needs.

Andre Smith advised his friend, Radford Macon, located the firearm in the street and gave it to him due to him being a Police Officer. Smith advised he removed the loaded magazine from the firearm but there was not one in the chamber. Smith stated he was wearing gloves at the time he unloaded it.

I made contact with Macon who stated he was driving westbound on Libby Rd. approaching Lee Rd. on 05-16-16 at an unk. time. He was following a silver four door vehicle with a black female driving. MALE IN THE STATION LOBBY TO REPORT SOMEONE USED HIS CREDIT INFORMATION TO OBTAIN A LOAN ONLINE.

Upon my arrival on scene I spoke to the complainant, Steven Davis. Steven stated he tried to obtain a pay day loan from Advance America online. This turned out to be a fake website. Steven was told to obtain a \$ 250.00 Apple Itunes card and give it to "Michael Williams" on the phone. Steven gave "Michael Williams" the information on the Itunes card. Michael also deposited around \$ 2500.00 into Steven's account then withdrew the money. Steven then contacted 5/3 Bank and found this to be a fraudulent website. Steven lost a total of \$ 250.00 and his account is overdrawn. Steven needs this documented for 5/3 Bank to refund his account. KP 522

MANAGER MATT WITH DRIVETIME REPORTING A VEHICLE WAS STOLEN SOMETIME BETWEEN MONDAY AND TODAY. THE GPS ON THE VEHICLE PLACES IT AT SUNNYSLOPE APTS. DRIVETIME CHECKED AND CONFIRMS IT IS THERE.

Mathew Zulant, stated the owner of the vehicle was unsatisfied with the vehicle and brought the vehicle back to Drive Time on Saturday and has been contacting Drive Time's corporate office for a return. Mathew went to process a return for a vehicle and the vehicle was no longer in the parking lot. The vehicle was pinged and they checked the area of where the vehicle was pinged to and the vehicle was located at the Sunnyslope Apt's. The vehicle had no damage on the outside or inside of the vehicle (ignition/column). It is believed the customer had taken the car back because the money has not been returned to them. The vehicle was never entered as stolen and Mathew arranged for a tow to have the vehicle towed back to the lot. FOI.

Upon officer's arrival on scene I spoke to the complainant, George Stamos. George stated he had told his employee, Franklin Laister, to leave for the day due to his behavior. Franklin became upset and went into George's office and began to go through file cabinets he was not supposed to go through. George then closed one of the bottom file cabinets with his foot. Franklin picked up George's foot and moved it away from the cabinet and gently pushed George away. Franklin then told George to fight him. Franklin then left the business in his vehicle. We located and stopped Franklin on Warrensville Ctr. Rd. George stated he wished to have Franklin advised of trespassing and sign a citation against Franklin for Disorderly Conduct. Another employee, Karl Owens, witnessed this event and his statement was similar to that of George. George signed the citation against Franklin for DC and I advised Franklin of Trespassing. George was not injured in this event. KP 522

FEMALE REPORTING A JUVENILE FROM 5148 CLEMENT PUNCHED HER SON IN THE MOUTH AND KNOCKED OUT HIS TOOTH.

Amber stated her son, Nakarya (9 years old) had been punched in the face by a neighbor boy, Isaiah Flowers (12 years old), causing one of Nakarya's teeth to be knocked out. Speaking to Isaiah and his mother, Kyana Zebbs, Isaiah stated he had gone down to tell Nakarya to stop picking on Nakijah Pippens (a neighbor). While Isaiah was talking to Nakarya, Nakarya attempted to punch Isaiah. Isaiah pushed Nakarya backtold him not to punch him. When Nakarya attempted to punch Isaiih again, Isaiah admitted that he punched Nakarya in the mouth. After punching Nakarya, Isaiah returned back to his house. A witness, Daronn Black (10 years old), gave a verbal statement that was consistent with Isaiah's statement. I observed Nakarya was missing a lower left side tooth. Nakijah's mother, Nakisha Pippens, and Isaiah's mother, Kyana Zebbs, both agreed they would take care of Nakarya's dental bills. Speaking to other neighbors, who did not wish to be identified, officers were informed that Nakarya is a neighborhood bully who picks on other kids. STB514

Sherman stated an unknown female, who was at 5217 Catherine St., had threatened to hit his 12 year old son Isia with a baseball bat. We made contact with a female, Anira Younger, who resides at 5217 Catherine St. Anira stated that Isia, along with other residents at 5200 Catherine St., had previously broken into her house a few months ago. Anira stated today, she observed Isia and a few other kids in the neighborhood (unknown exactly who) climbing a tree to get onto her roof. Anira believes the children were possibly going to break into her residence but Anira yelled at the children before they were able to attempt to break in. Anira stated her sister told Isia if he came onto the property again he was going to get messed up but Anira declined anyone made a statement in regards to a baseball bat. Sherman was advised of this information and Sherman declined his son would attempt to break into anyone's residence. Sherman was advised to keep his children away from Anira's residence. Christopher Forts, stated his sixteen year old daughter, Armoni Crenshaw, was dropped off at her grandmothers house at 18305 Knoll Dr., today at approximately 1500 hours. Christopher has tried calling Armoni but Armoni had blocked his number so he can no longer call her. I tried calling Armoni (216)-482-6913, but the phone went straight to voicemail. Armoni is described as a black female, approximately 4' 8" weighing 175lbs with short curly black hair and brown eyes. Christopher does not know what Armoni was last seen wearing but believes she does not have a change of clothing. COMPLAINANT STATES HER DAUGHTER WAS ASSAULTED ABOUT TEN MINUTES AGO BY A BLACK MALE JUVENILE WEARING A BLUE HOODIE, WHO HAS DREADS. SUBJECT LEFT THE AREA HEADING NORTH ON GARDEN.

On Friday May 20, 2016, I, Ptl. Augustyn #536, was dispatched to 5661 Lafayette Avenue for a report of an assault. Upon my arrival, I met with Kellena Dolin, Demarcus Vance, Destini Vance, and James Wiley. All of the parties were juveniles. They stated they were at the park when a group of black males approached them and began to call them "whitey." The two groups started to verbally argue and James stated one male approached him and held his arms behind his back and struck him in the face causing a minor cut to his upper lip and a scratch under his right eye. The juveniles described the suspects as three black males. One of the males had black and red dreads. The parents of the juveniles were notified of the incident. They wanted the incident documented. Photographs of the injuries to Wiley were taken and attached to the incident report. #536

CALLER STATES SOMETIME OVERNIGHT, SOMEONE RANSACKED HER DARK BLUE 2012 CHRYSLER 200 IN THE DRIVEWAY AND KICKED OUT ONE OF THE WINDOWS. SHE ISN'T SURE IF ANYTHING IS MISSING.

The female stated sometime after 022 hours, the front passenger window of her vehicle was broken out. Missing from inside the vehicle was her daughter's (Cierra Roan's) purse. Cierra received an alert from her bank that her debit card was used at the Maple Hts. Marathon on Warrensville Center Rd. She received the alert at 0351 hours. I responded to the Marathon and reviewed security footage with the employees. There were no transactions around from 0200 hours until 0351 hours for that amount inside the business. The employees were unable to access the transaction history from the gas pumps. Cierra stated she was going to her bank to try and obtain a more accurate time and determine if it was inside or at the pumps. FOI for now. MR#526

FEMALE IN THE LOBBY SAID LAST NIGHT SHE WAS AT THE ABOVE LOCATION READY TO LEAVE WHEN A VEHICLE PULLED UP NEXT TO HERS AND A MALE GOT OUT AND TOOK HER PURSE

The female stated a male who was at the bar named "JR" from the 131st area, was sitting in a grey Jeep Cherokee with 30 day temp tags. The comp's purse was sitting on her passenger seat while her window was open. The Jeep pulled alongside and "JR" got out of the vehicle and took her purse. The purse was a red handbag containing her wallet, ID, checkbook, 6 credit cards and \$2,000 cash. The female has already cancelled all of her accounts. The female did not obtain a license plate and described "JR" as a black male with medium build. She followed the Jeep onto Miles Rd. but lost it. The comp. reviewed video footage with the Bar owner but the theft could not be seen. I spoke with the owner who advised me that he did not have any footage of the male, and none of the employees knew the male other than his nickname.

The Comp. was advised to contact the dept. if she sees the male again so he can be identified.

 2 YOUNG BLK MALES WEARING DRK CLOTHING
 UNK DIRECTION OF TRAVEL--FEMALE WAITING INSIDE.

When I arrived on scene, the victim, Melissa Riccardi was sitting inside McDonald's eating ice cream. Melissa stated approximately thirty minutes ago, she approached three black males to ask them for directions. While speaking with the males she looked away and the males then left the area. Melissa was sitting down for a while and when she went to grab her purse she realized her purse was gone and believes the unknown males grabbed the purse. She could only describe the three males as three black males around 16-18 years of age one wearing possibly all red. Melissa had approximately \$25 cash in her purse along with her children's (Carmella Weseman 10-16-2001 & William Weseman 06-21-2004) SSN Cards in her purse. Melissa stated she didn't have a cell phone or anything else of value in her purse but was concerned about her Klonopin and Seroquel that she had just filled in her purse. Melissa was very concerned about her medication because she has mental illness and will get sick without her medication. DZ532 dm

On Wednesday May 25, 2016, at approximately 2026 hours, I, Ptl. Augustyn #536, was dispatched to 5134 Arch Street for a report of a dog that bit a juvenile. Upon my arrival, Deshaun Sarwee, stated he was bitten in the buttocks area by a dog that lives in a house behind his. Deshaun was not injured and did not have any bruising. A witness and family friend of the Sarwee's, Ishmael Dues, saw the incident occur. I spoke with the owner of the dog, Randle Thomas, at 5133 Cato Street. Thomas stated the dog did get loose from the property because it broke the chain in the back yard. Dues signed a citation against Thomas for vicious dog. Thomas was advised to keep the dog quarantined for ten days and was advised the animal warden will follow up with him about the incident. #536

I, Ptl. Zupancic 532 was driving northbound in the 5100 block of Clement Ave. I heard three distinct pops that sounded like gunshots or firecrackers and approximately 15-20 seconds later, I observed a silver vehicle driving westbound on Raymond St., with the vehicle lights off. The vehicle was driving approximately 5 mph and when the driver observed me he sped away at a high rate of speed and turned southbound on Anthony St. When I turned southbound onto Anthony St., it was obvious the vehicle was trying to elude me because the vehicle was already near Libby Rd. I activated my emergency lights and sirens and attempted to catch up to the vehicle however the vehicle ran the stop sign at Anthony St., and Libby Rd., and continued westbound on Libby Rd. The vehicle turned northbound onto Theodore Ave., and eventually went northbound on Lee Rd., into Cleveland. I lost the vehicle near Lee Rd., and Judson Ave.,

and never got close enough to the vehicle to get a license plate. The vehicle was a silver vehicle, possibly a Chevy Monte Carlo or a Pontiac Grand Am/Prix. Officers spoke with residents in the area and checked near where the vehicle was first seen and officers were unable to locate any evidence of a shooting. DZ532

On 5/28/16 at approximately 2014 hrs Ptl. G. Allen #519, and I Ptl. S. Smith #539, responded to a call of unauthorized use of a motor vehicle at 19409 Raymond St. Upon speaking with Tommie, he stated on 5/25/2016 between the time of 1830 and 1910, while he was upstairs sleep his "housekeeper Esterga"

took his car keys and car. He stated he came downstairs to go play lottery when he noticed his keys were not on the table where he originally left them and his car was no longer in the driveway. He stated he tried making contact with Esterga, however he said he avoided him and used the excuse of "I'm going to the hospital because of cramps" when she did finally respond to one of his text messages.

After coming to MHPD to fill out a statement form, Tommie notified me of Esterga making contact with him via text messages stating "You let me know when you want to come get your car". Tommie stated he will not press charges as long as there is no damage done to his car upon its retrieval and nothing is missing out of it.
