Justin stated he was not injured and refused to pursue charges against the males. The juvenile females (LaCole and her sisters) stated that Justin had a gun in his waistband when he was fighting with the two males. I spoke to LaCole's mother, Nicole Monrman on the phone and advised her of the situation. BARKING DOG AT THE RESIDENCE. DOG SOUNDS AS IF IT IS IN DISTRESS. ONGOING ISSUE

DOG OWNER WAS CITED

I, Ptl. Zupancic 532, arrived on scene and the dog was not barking. As I walked around the rear of the residence, the dog began barking and appeared to be tangled around a block of cement with a 4x4 coming out of the cement. It appeared as if the dog was squealing and appeared to be in distress. The dog had fly's around it's legs but it did not appear that the fly's had gotten to the animals flesh. The dog appeared to be of weight and did not appear to be malnourished however, the dog had no food or water outside. I observed two bowls for the dog but they were tipped over and not within reach of the animal. I was at the residence for approximately 30 minutes until the homeowner showed up and the call came in approximately an hour and a half prior to officer arrival. It was approximately 84 degrees and sunny out according to www.weather.com. I was able to get the dog noose around the animals neck and I cut the leash off the dog and walked him to my vehicle. The homeowner, Donta Clark arrived on scene and I was walking the dog out. He was issued a citation (MA 21472) for animal neglect. The dog was turned back over to the Donta.

CALLER REPORTING KIDS FROM HER NEIGHBORHOOD WERE IN HER DRIVEWAY SO SHE COULD NOT PULL IN. THE CHILDREN ARE NO THERE NOW. CALLER WAS VERY IRATE. SHE SAID THE NEXT TIME THIS HAPPENS SHE WOULD SHOOT THEM WITH HER GUN. KIDS ARE NOT THERE NOW.

Dispo:

Call held due to numerous other calls JJ178

Complainant stated that kids blocked the roadway and refused to move when she was driving down the street. In an unrelated incident, she stated that two kids were on the sidewalk in front of her house when one pushed the other onto her lawn. She yelled at them to go. She complained that she is routinely being picked on by these kids, but these are the only instances she could cite. She stated that some of the kids that hang out across the street do not even live there and therefore shouldn't be over there. I explained that I would speak with the juveniles, but she was not satisfied with that. I explained that we've have cited hundreds of kids over the last 20 years for walking in the street and blocking traffic. I also explained that Mapleboro is one of the more traveled streets by Maple Hts. Police and so Mapleboro recieves lots of police attention.

She felt that she was being singled out and picked on by the juveniles. I explained that we have juvenile complaints across the city every day and she is not being singled out. I told her I would go speak with the juveniles about their indiscretions but she was not satisfied with that. I then addressed the issue of her telling dispatch that she would shoot them. She stated she would do what she needed to do to live in peace. I tried explaining that even threatening a child with a gun may result in her getting arrested. After a brief discussion about it, she finally stated that she didn't even have a gun. Female stated she was a blockwatch captain. She further stated she was not satisfied with the response and would be calling the mayor.

I went across the street to 18300 Mapleboro Ave. and spoke with 5 juveniles approximately 10-14 years of age. They denied blocking the street. They stated that as they were crossing the street at the crosswalk, the complainant sped up her car to try and hit them. They did admit to some horseplay while walking past the complainant's house and consequently one child stumbled into her front lawn, but they quickly left. I advised them of the jaywalking laws and to try and stay away from her property. They all said that they would comply. All of the juveniles were very polite, respectful and cooperative.

As I was leaving the juvenile house, an unidentified adult female approached me. She stated she was a neighbor of the complainant and the complainant was bitter and rude to other neighbors and cusses at the children. I explained to her the complaint and my advice to the kids.

MALE IN LOBBY WANTS TO REPORT HIS FRONT PLATE STOLEN.

COMPLAINANT WISH NO REPORT. HE ADVISED OFFICER THAT HE WOULD JUST GO GET NEW PLATES. (MM)

The complainant told me that he last saw his license plate on his red pickup truck (unknown OH Reg) on 06/23/2016 at 1000 hrs., he discovered his front plate missing this morning 06/25/2019 at 0900 hrs. The complainant is unsure of where he lost his plate. He believed that someone removed the plate from his vehicle. While filing out a written statement, the complainant asked me if he had to replace his missing plate. I advised him that Ohio law indicates that he must have 2 plates on his vehicle. The complainant asked me if he would be able to get out of a ticket if he got stopped for not having a front license plate. I explained to him that filing a police report for a missing front license plate would not protect him against a citation. The complainant threw his hands in the air and said "forget it, I'll get a new license plate." The complainant did not want any police action taken, and failed to provide me with his registration number upon leaving the Maple Heights Police Department.

SHE IS NOW AT HER RESIDENCE AT 14660 PEASE RD.

The complainant stated that she just got back from Saridakas Auto and spoke with George, who was supposed to hook her vehicle up to a machine and conduct a diagnostic test for \$75. The complainant paid George \$75 in cash. The complainant stated that George never hooked her vehicle up to a machine to conduct a test. She said that George got into a verbal argument with his wife in front of her and left the area. The complainant later made contact with George and requested a full refund. George did not give her a full refund, he only returned \$35. George stated to stop wasting his time. George refused to refund the complainant's money and stated that he was done with her. The complainant provided us with 2 voice recordings from George pertaining to this incident. The first call was to set the vehicle up for an inspection (prior to argument). The second recording was when the complainant made contact with George after the argument. All of these recordings were captured on the complainant's cell phone. The complainant was advised that this was a civil issue and was provided instructions on how to file a civil complaint. Cpl. Rhodes, Ptl. Fraiser, and I arrived at Saradakas Auto. We spoke with George's daughter who advised that George was not home.

13 YO KA'NAZIA CHANDLER HAS BEEN GONE SINCE 12:30PM TODAY. SHE IS A B/F LAST SEEN WEARING GREEN/BLACK/YELLOW LEGGINGS, LIGHT GREEN SHIRT AND RED SANDALS.

-- 06/25/2016 23:54:30 Disp AR --

Mary Johnson informed me juvenile Ka'nazia Chandler is in foster care and she was at Mary's house for a respite visit. On 06-25-16, at approximately 1230 hours, Mary gave Ka'nazia permission to take the bus to visit her grandmother in Cleveland with instructions to be back by 2130 hours. When Ka'nazia did not return, Mary gave her time in case she missed a bus or if they were running late. When Ka'nazia did not return, Mary called the Maple Heights Police Department to report the incident.

Mary did not have any other information for the grandmother. Mary called foster care to obtain the information and was advised they did not have access to that information at this time.

Ka'nazia is described as a 13 year old black female, approximately 5'05" weighing approximately 120 pounds with a medium build. Ka'nazia was last seen wearing green and yellow leggings, a light green t-shirt, and red sandals. Ka'nazia has brown eyes and black ear length hair worn straight. Ka'nazia does not have any piercings, tattoos or scars. Ka'nazia does were a yellow colored ring with 2 white stones on her left hand. Ka'nazia does not have a cellphone. When Ka'nazia left the residence she was carrying

a small black purse. According to Mary the purse is only big enough for a few items of makeup and could not carry any extra clothing.

Ka'nazia takes medications for ADHD which she takes as prescribed.

Mary did not have a phot of Ka'nazia. THE CCSO Facebook page was not completed.

Due to Ka'nazia being a respite child in her home, Mary does not know who her friends are. Mary also does not know which dentist Ka'nazia uses which prevented the dental form from being completed.

KAEVON MOORE WHO KEEPS RUNNING AWAY.

Lisa Moore, stated she has been having problems with her 14 year old son, Kaevon Moore. Kaevon has recently become defiant and not following rules around the house. Today, Lisa put Kaevon on punishment and told him to go upstairs however Kaevon ran out of the house. Lisa got into her vehicle and followed Kaevon but Kaevon refused to get into the vehicle and started going through backyards. Lisa completed a missing persons packet but did not have a photo of Kaevon to attach. Kaevon is described as a black male, 5' 8" weighing 130lbs. Kaevon has short dark brown hair and brown eyes. Kaevon was last seen wearing a white t-shirt, camo shorts with black ankle socks and black/white Nike flip flops. Kaevon was located prior to being entered as missing and returned to his mother
