While on patrol, I observed several aerial fireworks coming from the area of Garfield Avenue. As I turned onto Garfield Avenue, I observed more fireworks being set off on the street in front of 5902 Garfield Avenue. As I pulled up to the residence, I observed a male carrying a box of fireworks marked "Fire God" away from the street. I also observed several spent fireworks containers on the street blocking the street. When asked who was responsible, Mr. Markey stated he was. Mr. Markey was issued a summons for setting off fireworks in the city to be heard through the Maple Heights Mayor's Court. The fireworks were confiscated and turned over to Sgt. Voll to be destroyed by the SEALE Bomb Squad Unit. STB514

I, Ptl. Zupancic 532 responded at spoke with Tracie Singh. Tracie stated her two daughters, Martina Foster (15) and Mantriana Singh (13), have run away again. I looked through CAD in history with this residence and it shows that this is the 15th time officers have responded to this residence in within a month for the two running away. Both Martina and Mantriana are habitual runaways and often return home when they are done running the streets. Mantriana ran away yesterday, 07-05-2016, at approximately 1300 hours and Martina ran away approximately 15 minutes prior to Tracie calling officers today. Martina is described as a black female, medium build with short black hair and brown eyes. Martina is 5'3" weighing 140lbs and has her ears pierced and a nose ring. Tracie does not know what Martina was last wearing. Mantriana is described as a thin black female with short yellow hair and brown eyes. Mantriana is 5' tall and weighs approximately 150lbs and has her nose pierced. Neither child has any mental or physical conditions and neither take any medication. Two missing person packets were completed however no photos were attached. I drove around the area and asked people outside if they had seen anyone matching the description. I spoke with people who stated they believed the saw females matching the description with unknown males walking eastbound on Friend Ave., near Dare Park. I checked the area however was unable to locate anybody out. Both children were entered into LEADS as missing (NIC: M833361463 & M303377220).

The complainant, Tyrone Rogers stated that within the past few months he lost his wallet, which contained several credit cards, a debit card, and an ID. Rogers does not know where he lost his wallet. In approximately March, Rogers discovered that roughly a total of \$300 was charged to various businesses in Maple Heights (Mr. Chicken, Prime Station off Lee Rd). There were 16 other fraudulent episodes on his account. I asked Rogers why he waited so long to report the incident, he told me that he did not think anything of it. Rogers does not know who was using his identity. Rogers simply wanted the incident documented so he could file a complaint with his credit agencies. Rogers was provided with the report number, no further police action was required.

FEMALE REPORTING SOMETIME OVERNIGHT SOMEONE SLASHED ALL THE TIRES TO HER VEHICLE. COMPL BELIEVES IT IS THE CHILD'S					
MOTHER OF A PARTY SHE IS DATING					
Nacore stated that sometime between 2200 hours last night and 0700 hours this morning, she believes that her boyfriend's, ex-girlfriend, Raven (unknown last name), slashed her tires. Nacore did not see Raven slash her tires. After looking at the tires, three tires were deflated, but did not appear to have punctures. One tire still had air inside. We were unable to locate any witness and there are no surveillance cameras in the area. I called Raven and did not receive an answer. I left a voicemail and asked if she could contact MHPD. \*\*\*\*\*

Dispo:

Complainant stated that around 1930 hours this evening, two vehicles arrived at her home with four unidentified people in each vehicle. They were looking for her adult son London who no longer resided there. They began arguing with her. They believed he did live there because they had picked him up from there on a previous occasion. One of the males exited the car and told the complainant that her son has a death wish on him. They told her to be prepared to bury her son. All the males appeared to be in their twenties. The complainant felt uncomfortable and threatened by their presence and comments. She was advised not to engage them in the future, but to lock herself in her residence and call 911 immediately next time. She was also advised that any threats against her son would need her son's cooperation to investigate further. FOI JJ178

While conducting basic patrol, I noticed a silver Pontiac parked in the rear of the Walgreens parking lot with it's headlights on, after the business had been closed for a few hours. After I turned my patrol vehicle around, the vehicle pulled out of the parking lot and went westbound on Libby Rd. (This parking lot is known to be a spot where drug activity is frequently conducted.) After stopping the vehicle and identifying the occupants, I noticed the passenger was sweating profusely and the driver was visibly shaking. I also noticed track marks on their arms. I asked the couple if there was anything illegal inside the car and requested permission to search the vehicle and each of their person for drugs or weapons. Both consented to searches of their person and the driver/owner, Suzanne Mabe, consented to a search of the vehicle. While exiting the vehicle, Mabe grabbed a black handbag/makeup bag. I asked what was inside the bag. Mabe eventually admitted that the bag contained used syringes. Mabe turned the bag over to me and it was discovered to be a makeshift heroin user kit. The kit contained 6 used, but empty, capped syringes; 3 spoons (including one micro-spoon used to scoop small amounts of powdered substance, lighters, razor blades, bands and a cord used as tourniquet, several pieces of cotton and several bandages. These are all items that heroin users use to prepare and administer heroin. No heroin was discovered during the search. Mabe was cited for Possession of Drug Paraphernalia. GRA519.
