MALE REPORTS THAT HE WAS JUMPED BY TWO JUVENILES DOWN THE STREET. HE IS INJURED BUT IS REFUSING A RESCUE SQUAD.

On 07/18/2016, at approximately 1953 hours, I Ptl. Wilson #534, was dispatched to the area of 19501 Raymond St. for a report of a male that had been assaulted. A juvenile male stated that throughout the day he was having an issue with a couple kids in the neighborhood but does not know who they are. He stated while he was on Raymond he was jumped by one male, and got a scrape on his right arm. While speaking to him, he pointed out a large group of juveniles standing near Raymond and Tatra, but could not point out which person jumped him. Due to him not being able to tell me who jumped him, the male was transported home, and he was advised that the incident would be documented. He was also advised that if he obtained any further information on the other male, to advise police. cw534

JUVENILE DETENTION HAS ADVISED THEY WILL ACCEPT HER IF SHE IS LOCATED.

On 07/19/2016, at approximately 2131 hours, I Ptl. Wilson #534, responded to 14633 Janice Dr. for a report of a juvenile female that had cut off her court issued monitoring bracelet. Upon arrival, I spoke to the juveniles foster mother, Cherria Maclin, and she stated at approximately 2100 hours, she heard a beeping noise coming from the ankle monitor and her foster daughter, Senaida Soto, was gone and the ankle bracelet was lying on the floor. Cherria then left the home to locate her but was unable to find her.

Senaida is described as a hispanic female, approximately 5'2", 100lbs, with blonde hair and brown eyes. She was last seen shortly before 2100 hours, wearing a green t-shirt, blue jeans, and white shoes, when Cherria went into her bedroom to do homework. Cherria stated Senaida was previously entered missing by our department, and was told at juvenile court on this date that she would be removed as missing. Currently Senaida is still entered missing with our department and has not been removed from LEADS. The missing person folder was updated to reflect the last contact made with Senaida.

Cuyahoga County Juvenile Court advised to leave the ankle monitor with the foster mother, and she was advised to turn it in to the court. cw534

CALLER IN THE LOBBY TO REPORT THEFT OF MONEY BY AN EMPLOYEE.					
Elana Benton stated an employee of hers, Kyla Penland, had changed the times she worked to make it appear she had worked more hours than she was actually working. Kyla was paid \$911.23 that she was not supposed to be paid due to her lying about the hours she worked. Elana stated she made an agreement with Kyla and it was signed by both Elana and Kyla that Kyla would repay the money to Elana. Elana came into the police department approximately two months ago to have this incident documented but did not wish to pursue charges. The officer contacted Kyla at that time and Elana and Kyla entered into a civil agreement. Elana provided me with a document that was typed and signed by both Elana and Kyla showing Kyla agreed to repay the money. Since the document was signed, Elana stated Kyla has failed to make payments as the agreement states. I advised Elana this was a civil matter and to contact a civil attorney to move forward in civil court. Elana was provided my information and the report number. DZ532

On Thursday, 7-21-16, at 0119 hrs, I, Ptl. Carmine #535, was dispatched to 19705 Gardenview Dr. for a report of a suspicious male in the yard of the complainant, Michelle Angelo. Upon my arrival I checked the area for the male. There was no one in the area. Other units also responded and checked the area. No one was found in the area. Michelle stated the male was a black male wearing a balck shirt, black shorts, and white shoes. He ran through the back yard after her son and his friend observed him through the side window in the driveway. Michelle stated she heard a noise at the window while in her bathroom and believed he was there before the children saw him. Michelle stated she thought it may have been related to another incident with a dark blue Jeep that drove by her residence multiple times a couple of weeks prior. Michelle stated she found out that the person who drove a Jeep like that worked at one of the bars in the area. There was no way to identify the male either time or positively say he was the same male in both incidents. AC535

FEMALE REPORTING HER FOSTER DAUGHTER, TIMIRA STEVENS, MISSING. SHE WAS LAST SEEN YESTERDAY AT 11:00 A.M

Mary Johnson called to report that her foster child, Timira Stevens, voluntarily walked away from her residence on 07-20-16 at about 1100 hours. Johnson advised that Steven had voluntarily walked away from home a few days ago and was just returned home by the police on 07-19-16. On 07-20-16 Johnson told Stevens that she was going to call her case worker and Stevens got upset. Johnson then told Stevens that she was going to call the police. At this time Stevens voluntarily walked out of the residence towards Raymond St. Johnson did not attempt to stop Stevens and was told to file a runaway report with the police. Johnson said that last time Stevens was found was when she was causing a disturbance at the Maple Heights Library. Johnson does not know anywhere else Stevens would go and she does not have a cell phone. Stevens has only been staying with Johnson for a few days.

Ptl. Ponyicky responded to the library in an attempt to locate Stevens. The staff advised that Stevens is well-known to them but she has not come into the library today. They will contact the police if she located there.

Stevens is a black female, 17 years old, about 5'1", about 170 lbs., black braided hair with some red, and brown eyes. She was last seen wearing a red shirt, cut off jean shorts, and she had a red colored bag. Johnson advised that she did have a change of clothes but did not have a description.

Stevens takes medication for ADHD and bi-polar disorder. She does not have any body piercings or tattoos. Johnson completed a Missing Persons packet which included a dental form, a photograph, and she authorized the use of Stevens' photograph to be posted by the Cuyahoga County's Sheriff's Department.

Stevens was entered as missing in LEADs and given NIC# M173392246 & LID # 07840272

16 YEAR OLD SON, KISHAUN STRATFORD JR MISSING SINCE LAST NIGHT. KISHAUN LEFT HOME WHILE EVERYONE WAS SLEEPING.

COMPLAINANT HAS A WARRANT WITH SHAKER HEIGHTS PD, IT WAS CONFIRMED BUT THEY WERE UNABLE TO PICKUP DUE TO MANPOWER ISSUES.

JUVENILE WAS ENTERED INTO LEADS, NIC # M813354046, LID # 07840428

(JP)

Shirlynn Williams called to report that her child, Kishaun Stratford Jr., voluntarily walked away from her residence on 07-20-16 sometime after 2300 hours. On 07-20-16 Williams advised she was in an argument with Stratford over him being sentenced today, 07-21-16. Williams woke up at about 0930 hours, and discovered Stratford was not in his room. Stratford's sister told Williams that he came into her bedroom during the night and said that he was leaving the residence. She did not believe him at this time and went back to bed. Williams called a former neighbor when she lived in the area of Miles Ave. and E. 111th St. and asked if he was there. The neighbor told her that Stratford was not there and that her son was missing too. Stratford's sister went to 5052 Tatra St. but Stratford was not there. Williams does not know where else Stratford could be and he does not have a cell phone. She will call the police when he returns to the residence.

Stratford is a black male, 16 years old, about 5'8", about 142 lbs., short black wavy hair, and brown eyes. Williams does not know what Stratford was wearing when he left the

residence because she was sleeping.

Stratford does not take medication but Williams said he has bi-polar disorder, ODD, and emotionally disturbed. She said medicines only make him worse. He does not have any body piercings or tattoos. Williams completed a Missing Persons packet which included a dental form, a photograph, and she authorized the use of Stratford's photograph to be posted by the Cuyahoga County's Sheriff's Department.

Stratford was entered as missing in LEADs and given NIC# M81335446

MALE CAME ON STATION TO REPORT HIS EX-WIFE HAS OPENED NEW CREDIT CARDS IN HIS NAME. COUPLE HAS BEEN DIVORCED FOR TWO YEARS NOW.

On Thursday July 21, 2016, at approximately 1720 hours, I, Ptl. Augustyn #536, was dispatched to the Maple Heights Police Department for a report of identity theft. Upon my arrival, I met with Robert Miller. Robert stated his ex-wife, Jacqueline Manning-Miller, was attempting to open up lines of credit in his name. He stated the two have been divorced for approximately a year and a half. Robert stated he received multiple credit alerts from his bank advising someone attempted to open credit accounts in his name. The alerts were from Chase Bank, Continental Financial Company, Barclays Bank, SYNCBTJX PLCC, SYNCBTJX Company Dual Card, and Target. The alerts stated the address they were originated from were his ex-wife's address at 4693 Wolverton Drive in Warrensville Heights. The accounts also had his ex-wife's contact number of 216-972-2690. I contacted his wife and left her a voicemail and she has not returned my call. I was unable to determine where the crime took place and Robert wanted the incident documented. No credit cards or lines of credit were opened. #536

I spoke to the complainant, Kelly Rucker. Kelly stated her vehicle was towed by Kelly's
Towing Inc. on 07/13/2016 (Reference report 16-0053573). Kelly stated when she
picked up her vehicle she stated her LG Headset (valued \$ 200.00) is missing. I
viewed the POV footage from this stop and viewed Ptl. Jividen # 537 execute the
inventory of the vehicle and I did not observe him take the item. The LG Headset was
not documented on the tow slip. I called Kelly's Towing and spoke to tow driver # 4.
He stated he did not go into the vehicle after he placed it in the garage. I advised Kelly
of this information. This report will be FOI. KP 522

MALE COMPLAINANT STATES THAT HIS WIFE WAS ON HER WAY TO THIS ADDRESS AND SAW A GROUP OF MALES STANDING IN THE DRIVEWAY. THE COMPLAINANT JUST PURCHASED THE HOUSE AND NO ONE SHOULD BE THERE.

AT 2108HRS, ANTHONY HANDED THE OFFICER HIS MARIJUANNA.

On 07/22/2016, at approximately 2058 hours, I Ptl. Wilson #534, responded to 5074 Philip St. for a report of a group of suspicious males in the driveway. The caller, Brad Johnson, stated he just purchased the home, and drove by to check on it, and observed the males in the driveway. Upon my arrival, I observed 2 males in a 2010 Chevy Malibu parked in the driveway. I asked the driver if he lived there and he stated no, he was at his buddies house next door. The driver was identified as Ellison Donerson III, and the passenger was identified as Anthony Jordan. While speaking to them, I was able to smell the odor of raw marijuana coming from inside the vehicle. I asked if they had anymore marijuana, and they stated no. I explained to them that I had probable cause to search them and their car, and the driver provided me with 2 small plastic baggies of marijuana, and the passenger had 2 small paper baggies with marijuana. Both parties were cited for possession of marijuana, and were advised to move the cars out of the driveway. cw534

dm

On 07/22/2016, at approximately 2243 hours, I Ptl. Wilson #534, responded to 15413 Raymond St. for a report of a female that had been bit by a dog. Upon arrival, I spoke the victim, Semaj Pruitt (DOB 12-30-2000) who had deep puncture marks to her right calf. The dog owner, Antonio Hardway, stated he left the house to pick up his son and Semaj from the movies. Before leaving they locked their 2 year old American Terrior male in the house. When they arrived home, Semaj went into the part of the house the dog was in and the dog bit her. Semaj was transported to Marymount Hospital for treatment and to have a bite report done. Antonio was advised to quarantine his dog, and that the animal warden would follow up with him. cw534

Ms. Beck also reported that she receives several calls from a private number and believes it to be Marvin. Ms. Beck's voicemail is full so no one can leave a message. I advised Ms. Beck to free up space on her voice mail, so Marvin can leave a message. Therefor that is proof for the court that Marvin is contacting her. I also advised Ms. Beck to call the police when she believes Marvin is outside of her residence. Ms. Beck is satisfied and will call when she sees Marvin. BK508

She stated her and her husband, Kevin Tate, were getting into his Corvette in the driveway to go to a family barbeque. I spoke to Kevin outside, and he stated that they were arguing, and she opened the door as they were driving down the driveway. Kevin stated he went to reach over Adrienne to grab the door from striking the fence, and accidentally hit Adrienne in the lip. I went back in and spoke to Adrienne and asked her if she felt Kevin hit her on purpose, or on accident. Adrienne stated she believed it was an accident. MANTRIANA SINGH RAN AWAY FROM HOME VIA THE UPSTAIRS WINDOW.

Tracie Singh-Vega stated that Mantriana was at home in her upstairs bedroom before noon today. Around noon, she called for Mantriana and she did not answer. Tracie went upstairs and discovered that Mantriana had jumped out of the upstairs window. Tracie is not sure what Mantriana was wearing when she left. She changed her night clothes into something unknown. Tracie was not able to tell if Mantriana took a change of clothes with her. No photo available. Officers checked a residence on Williams St where Mantriana has been located in the past. We were given permission to search the residence for her by Laquilla Hicks. Mantriana was not there, neither was Laquilla's son, Darell Hardges. We also had GHPD check an address 5381 E.134 St, which is another address where the Singh girls have been located. Spreadsheet updated.

Mantriana is approximately a 13 year old, 5'00" tall, 140 lbs., Indian female. She has ear length black hair and brown eyes. Mantriana is a frequent runaway. Her mother has called to have her entered as missing 9 previous times this year. Mantriana constantly runs away when her mother is not literally watching her.

(Officer's Note: This officer recommends that officers contact Jane Edna Hunter to advise that she refuses to stay home when ordered to by her mother and consistently runs away possibly to have Cuyahoga County Child and Family Services take her into temporary emergency custody. Tracie has been advised that CCCFS will be contacted when Mantriana is located.) GRA519
