Caller: ANNA WOMACK 20008 CLARE AV MAPLE HTS OH 216-432-3588

FEMALE REPORTING THAT SHE CAN HEAR A FEMALE YELLING AND SCREAMING AND SHE IS TELLING SOMEONE TO GET OUT. THE APARTMENT IS GOING TO BE NEAR THE GARAGE.

JESSICA JEWEL HAYES VS MILTON LEONARD WILSON. FEMALE STAYED AT HER RESIDENCE. MALE LEFT AND WENT HOME. (MG)

On Sunday July 21, 2016, at approximately 0703 hours, I, Ptl. Augustyn #536, was dispatched to 20101 Clare Ave for a report of a male and a female yelling at each other. The caller did not know the apartment number. Upon my arrival, I could hear a verbal argument. I approached the patio door and spoke with the parties. Milton Wilson stated that he was on Raymond Street when he received a call that his girlfriend may be cheating on him. He went over to Jessica Hayes' apartment and got into a verbal argument with her. Milton stated Jessica slapped him but did not want to pursue charges against her. Jessica stated she did not slap him and that Milton does not live at the residence and the two are not in a relationship. Milton did not have any possessions over the residence and did not receive any mail at the residence so I determined he did not live there. Milton left the apartment and went to his residence on Raymond. Both parties were advised to stay separated from one another. #536

FEMALE CAME ON STATION REPORT THERE ARE ITEMS ON HER LIBRARY CARD SHE DID NOT AUTHORIZED. THIS HAPPENED APPROXIMATELY 3 WEEKS AGO.

On Sunday, 7-31-16, at 1510 hrs, I, Ptl. Carmine #535, was dispatched to MHPD Lobby for a report of fraud. Upon my arrival I spoke with the complainant, Ryschelle King, who stated she had 12 items that were rented on her library card that she did not authorize to be rented. Ryschelle stated she needed to file a report in order to stop any late fees or other charges from being incurred. I obtained her library card information and took an itemized list to the Maple Heights Library to check their system for the items and who rented them. I was able to determine the items were rented on 7-13-16 at approximately 1820 hrs. I checked the security camera footage for that time period and I was able to positively identify Ryschelle with her children checking out items at the library using the self checkout station. I attempted to make contact with Ryschelle at 1618 hrs from the squad room telephone but there was no answer, I left a message. AC535

ELDERLY FEMALE CALLER IS REPORTING HARASSMENT BY SOMEONE WHO HAS BEEN DOING WORK FOR HER.

On 08/01/2016, at approximately 2246 hours, I Ptl. Wilson #534, responded to 5182 Anthony St. for a report of a female that is being harassed by a male that has been doing work for her. Marie Moore stated that she went to the doctor earlier on this date and returned home at approximately 1300 hours. Marie stated she went to bed at approximately 2200 hours, and while lying in bed, her bedroom door cracked open. Marie then got out of bed and walked into the kitchen and observed the kitchen light was on. Marie checked all of her doors and her doors were locked. Marie stated that she believed the neighbor kid across the street, Javier Scott, broke into her house and stole her cigarettes. When asked if she observed anyone in the house, she stated "no, but I know Javier broke in". Marie then stated Javier knows where she keeps her spare key, and he stole the key to get into the house. I was able to locate the key where she advised it was, and I gave her the key. I spoke to a neighbor next door, and she advised that Marie had a couple family members over, and they may have left the light on in the kitchen. She also advised that Marie normally leaves the kitchen light on.

I advised Marie that if she believes someone is in her house to call us right away. It did not appear that anyone had been inside her home, and Marie continues to change her story about the incidents when she calls us. It appears that Marie is having a decline in mental status, and is unsure what is going on. Marie was advised that this incident would be documented. cw534

While at the passenger window speaking with the front seat passenger, I could smell the odor of burnt marijuana coming from the vehicle. I observed ashes on the driver's lap. I asked the vehicle occupants if there was marijuana in the vehicle. I then observed a marijuana cigarette piece in the ash tray. I asked for the ash tray and retrieved the marijuana. As he picked up the ash tray, I observed a clear plastic bag that commonly contains marijuana. The driver handed me the bag and it had an unmeasurable amount of raw marijuana pieces in it. The driver Mr. Sanford Jr. stated the marijuana was his. Mr. Sanford Jr. was issued a citation for possession of marijuana. The marijuana and the piece of marijuana cigarette was collected and entered into evidence. CWF528

Complainant stated that yesterday (08/01/2016 at 1800 hrs.) 3 unidentified black males came into the store and attempted to steal 40-50 cans of redbull (valued at \$3 per can) by hiding the cans in multiple back packs. At one point one of the males went into the rear storage area of the store and went into the manager's office. The complainant did not notice anything missing from the store and stated that when the suspects were found stealing they dropped the merchandise and left through the front door. I checked the backpack that was left on scene, but was unable to locate anything of evidentiary value.

I spoke with the Rodnika and Cherish and learned that "Curtis" who is the brother of "Jay'Quan" (unknown last names) called the Cherish tonight (08/02/2016 at 2230 hrs and 2300 hrs.) and told her that if she did not come outside he would release an explicit video of her engaging in sexual activity. The Rodnika stated that in April of 2016 Cherish was raped by 4 males (MA16-0027874/ NOTE: the suspects were not identified in this incident), she believed that one of the males that raped her is the one that called her tonight. Cherish stated that when Curtis called, she met him in the backyard of her home, and told him to come back at 0030 hrs. I asked Rodnika what she wanted done about tonight's event. Rodnika told me that she simply wanted me to contact Curtis and tell him not to contact Cherish and that he was not allowed to come over her home. I called the phone number and spoke with a female who identified herself as Deshante Abrahams. She stated that Curtis was not home and that the phone belonged to her brother Donte Abrahams. Curtis used Donte's phone to contact Cherish. I was unable to obtain any further information.

FEMALE REPORTING HER PURSE WAS STOLEN FROM GIANT EAGLE LAST NIGHT.					
<p>On Wednesday, 8-3-16, at 1913 hrs, I, Ptl. Carmine #535, was dispatched to the MHPD Lobby for a report of a stolen purse. Upon my arrival I spoke with the complainant, Cecelia Harkness, who stated she was at Giant Eagle, located at 5321 Warrensville Center Rd. where she accidentally left her purse in the shopping cart she was using at approximately 1800 hrs on 8-2-16. Cecelia stated she noticed her purse was missing when she returned home. She went back to Giant Eagle to look for her purse but she did not find it even after speaking to the store employees. Sometime this morning Cecelia's son arrived at her residence with her phone that an anonymous male returned to him after he stated he found it in an empty parking lot in Cleveland. Cecelia stated they then spent the day closing her accounts and while doing so she found out that her US Bank card had been used somewhere in the area of Lee Rd. and Harvard Rd. in Cleveland to make fraudulent transactions. Cecelia also stated her PNC Bank card, driver license, medicare card, \$20.00 in cash, spare car key, and prescription medication; Gabapentine and Januvia were all in the purse when it was taken. Cecelia stated she would advise me if there was any further information that she could provide me when the bank contacted her regarding the incident. I contacted Giant Eagle and spoke with Loss Prevention who stated they would contact me if they found any security camera footage of the incident. I provided Cecelia with the report number for her records. AC535</p>

SUB CED PEYTON 1/20/1990 - NOT FOUND IN LEADS / CAD.

On Thursday, 8-4-16, at 2359 hrs, I, Ptl. Carmine #535, was dispatched to 5222 Cato St. for a report of a theft. Upon my arrival I spoke with the complainant, Dashia Reynolds, who stated she was supposed to buy a cell phone from a male she knew from Facebook. That male was later identified as Ced Payton (1-20-90). Dashia stated Ced told her he could not find the phone before he arrived but he would come over anyway so they could smoke marijuana. Dashia stated Ced needed change for a \$100 bill and he stated she could give him \$80 for it and keep the extra \$20 so he could go buy the marijuana. Dashia stated they exchanged the money but then Ced left in a hurry stating he was in a stolen vehicle. Dashia stated she looked at the \$100 bill and it was a fake with the words "for motion picture use only" on it. Dashia stated she texted Ced telling him to bring her money back or she would call the police. Ced texted her back saying "what happened?" but did not respond to anything else she sent him. I called the last known number for Ced to advise him to return the money but there was no answer and the voicemail box was not set up yet. I placed the fake \$100 bill into evidence. Dashia stated she did not wish to pursue charges at this time. AC535

The victim is a juvenile, Lachana Colbert. Lachana's mother, Tandalaya Colbert, did not want to speak to officers and left prior to arrival. I tried contacting Tandalaya multiple times however Lachana's grandparents stated Tandalaya will not want to pursue criminal charges. Lachana's arm was not broken however she was transported to the hospital. At this time all attempts to contact Tandalaya to see if she wishes to pursue charges have been unsuccessful.
