CALLER STATES A WINDOW IN HER LIVING ROOM HAS A BB HOLE IN IT AND THE PELLET IS STUCK IN THE WOODWORK

Denise Prybor heard a cracking noise sometime after 0000 hours on Sunday 08-21-2016. Denise wasn't sure what the noise was at the time but when she woke up today, she noticed her front window had a small hole in the screen and window that appeared to be from a bb gun. Denise believed she noticed the bb lodged in her woodwork. I looked at what Denise thought the bb was and I believed it was a finishing nail used to hold the woodwork together. Denise will have her husband look at it when he gets home because he put all the wood trim on the house. Unknown suspects at this time. FOI. DZ532

SANE NURSE FROM RAINBOW BABIES AND CHILDRENS HOSPITAL CALLED TO REPORT AN INCIDENT. KRYSTAL BLAIR BROUGHT IN HER DAUGHTER GABRIELLE BLAIR-DELOACH FOR AN EXAMINATION. THE CHILD WAS ALLEGEDLY ABUSED AT SCHOOL OF THE LITTLE ONES. THE MOTHER WAS NOT SURE OF EXACT DAY THIS INCIDENT TOOK PLACE. KATHY GOELLNITZ WAS ADVISING THE POLICE, BUT HAS NOT STARTED HER EXAMINATION YET.

I spoke with SANE Nurse Kathie Goellnitz. She stated she woke the victim when she arrived to complete her examination at approximately 0100 hours. While speaking with the victim, the victim indicated her "CooCoo" (vagina) hurt. The victim stated Miss Michelle put her foot in her vagina. Miss Michelle was sitting in a chair when her toes went in her vagina. The victim indicated to other hospital staff that a stick was also inserted in her vagina. The victim did not explain that situation to Kathie prior to our conversation. Kathie stated she hoped that during her examination the victim would be more awake and alert enough to explain the stick incident more clearly. I asked Kathie how long she would need to complete her exam and sexual assault kit. Kathie stated that both the victim and her mother were emotionally drained. They were crying and tired. Kathie stated if officers tried to interview the victim at such an early hour she would not be a good historian. Kathie stated since they were in a safe place she felt it best from the victim and her mother to spend the night at the hospital and sleep that way they will be rested before being questioned by the police. Kathie stated she would make contact with MHPD once her report and sexual assault kit were complete. CWF528

At 0430 hours I spoke with Kathie again. Kathie advised she had completed her examination and found injuries. She stated she was working to complete her report. Kathie stated that after she completed her examination, she discharged the victim. Kathie stated the victim was too exhausted and she would not be able to withstand being interviewed by the police. Kathie stated the mother advised her she was going to take the victim home to sleep and once they wake up they will respond to the Police department to be interviewed and file a report. Kathie stated she will place the completed SANE kit in the security officer for safe keeping and the police can pick up in the morning. CWF528

FEMALE CAME ON STATION TO REPORT ISSUES WITH HER NEIGHBOR AND HIS DOG. CALLER REFUSED TO GIVE DISPATCH HER INFORMATION. CALLER THINKS HER NEIGHBOR LIVES AT 5716 DUNHAM. SHE STATES HER NEIGHBOR LETS THE DOG RUN LOOSE IN THE AREA AND DOES NOT TAKE CARE OF THE DOG.

From: SECC 4429 08/24/2016 08:19:50

The complainant, who didn't want her information on the report only identified herself as "Kathy" would like the animal warden to follow up with 5716 Dunham Rd. Kathy believes the resident there intentionally let the dog go. Kathy picked the dog up and met the animal warden and the animal was placed in the cages. The animal warden did not follow up with the resident at that time and I advised Kathy I would advised the animal warden to follow up. Citations may be issued if the animal warden feels it necessary.

CAME IN THRU UN-LOCKED BATHROOM WINDOW.
POSSIBLE IT WAS A FRIEND OF HER HUSBANDS THAT HE WAS ALLOWING TO STAY THERE.

Valerie Miller called and reported a TV and a laptop is missing from her cousins house. Valerie's cousin is in the hospital right now and she believes the cousins ex roommate had taken the TV and laptop. At this time Valerie was unable to get a hold of her cousin to get details about the missing items. There was no forced entry to the residence and that is why it is believed the roommate had taken the tv and laptop. She was provided my information to pass along to the victim so a report can be made. DZ532

ELBA MILLER STATES SHE WAS SEXUAL ASSAULTED 3 DAYS AGO AT WORK

Elba stated she has been sexually assaulted everyday for the passed 34 days at the adult learning center. Elba is mentally handicapped and stated her ex-boyfriend, Jermaine (unknown last name) had sexually assaulted her by having sex with her after she broke up with him. Elba stated she didn't report it previously but is now reporting it because she wants money from Jermaine. Elba has often alleged she has been sexually assaulted in the passed however the allegations have turned out to be false. I am going to follow up with the adult learning center to see if Elba is supervised or if an employee named Jermaine works there to check the validity of Elba's statement. Depending on the information provided to me, this may be made a report.

SQUAD REQUESTED FOR FEMALE THREATING TO HARM HERSELF.

On Wednesday, August 24, 2016 at 1548 hours, I, Ptl. Stolarik #542, responded to Giant Eagle for a report of a shoplifter. Upon arrival, I met with Giant Eagle security who had Michele Toensing detained in their office. Michele was observed taking \$29.48 worth of merchandise (deodorant, shaving cream and coffee) past all points of sale without presenting payment. Michele was issued a summons for theft in the Garfield Hts. Municipal Court. Michele had made a statement to a security officer prior to our arrival that she was going to kill herself. Due to this Michele was transported to the hospital for evaluation. JGS542

KNIFE FOUND IN CAR, HER HUSBAND JUST ARRIVED BACK HOME FROM GETTING THE VEHICLE REPAIRED

Compl states he parked his jeep in the driveway around 2330hrs last night. He went to take his grandson to school and discovered that the driver's side rear window had been broken and the column had been damaged. Unknown who might have done this. A screwdriver was found on the ground next to the car, but it had dried mud covering it and was recessed in the mud, rendering it unusable as evidence. Compl also had already taken the car to a glass shop to have the window fixed. He wanted the incident documented.

Mike Zelasko stated he left his vehicle unlocked and his cell phone, along with cigarettes and a lighter on the dash of his vehicle. Mike was on the roof of a house doing an estimate and observed two black males in the area on bicycles with bookbags. Mike never saw anybody enter his vehicle however when he came back to his vehicle, his phone, cigarettes and lighter was gone. WINSTON WAS CITED FOR POSSESSION OF MARIJUANA AND OPEN CONTAINER.

While conducting a bar walk through at Politics, located at 5120 Warrensville Center Rd., Ptl. Jividen #537, observed a male in a vehicle with a plastic cup with what appeared to be an alcoholic beverage. When we asked the male in the driver seat, later identified as Jeremy Winston, what was in the cup, he stated "liquor." While speaking with Jeremy Ptl. Jividen noticed two small plastic baggies in the center cupholder as well. Those baggies were found to contain marijuana. Jeremy was cited for open container and possession of marijuana. The marijuana weighed 2.8g and 3.5g and both were entered into evidence. AC535
