--Update From Unit 4427 10/07/2016 04:40:12--

On 10/07/2016, at approximately 0414 hours, I Ptl. Wilson #534, responded to Mapletown Plaza 15840 Broadway Ave. for a report of broken business windows. Upon arrival, I located two broken window in the plaza. The first was Work Smart Clothing 15840 Broadway Ave. The main front window was shattered. There were no items located showing how the window was broken, however small drops of blood were located on the sidewalk near where the window was broken. The business manager was contacted and responded to secure his business. It did not appear any entry was made into the store.

Another window that was found broken was a vacant storefront at 15780 Broadway Ave. We were unable to get in contact with the management company. A message was left for Howard Hannah regarding the vacant storefront. Photographs of the damage were taken and entered into this report. There is no suspect information at this time. cw534
