COMP IN THE LOBBY REQUESTING AN ESCORT TO PICK HER DOG UP FROM HER EX BOYFRIEND'S HOUSE (MCS)

The complainant was having a foster family watch her dog in Hideaway Hills, OH. The family told her that the dog had run away when she went to pick it up. When she was looking for her dog, she ran into neighbors of the foster family, who stated that they gave the dog to a neighbor, who happened to be the parents of her ex-boyfriend, who she lived with on Pease Michael Holiday. The complainant assumed the dog would be at the above Pease address. We knocked on the door but no one answered. The complainant was given options as to what she could do if she thinks he has the dog such as speaking with the PD for Hideaway Hills or taking Michael to court. MB512
