Davonta stated on Friday, 10/21/2016, he and a male, Tyshune Bender got into a verbal argument on the bus because Tyshune was disrespecting Davonta's sister, Mikayla Thomas. When Davonta reurned to school on Monday, 10/24/2016, Davonta was approached by a group of friends, one named Soloman. Soloman told Davonta that Tyshune put a "hit" out on Davonta. I asked Davonta what did a "hit" mean and he stated he believe Tyshune was going to shoot him. The security at the school searched Tyshune and his locker, no weapon was located on Tyshune. The information came from a third party and no one heard Tyshune say directly, he was going to shoot Davonta. DF#540

<p>Vehicles Involved: GXK5785 OH WDBNG83J84A409642 MERZ</p> <p>I, Ptl. Zupancic 532, initiated a traffic stop on a vehicle for window tint. The driver was identified as Deandre Hunter. While speaking with Deandre I could smell an odor of marijuana emitting from the vehicle. I performed a probable cause search of the vehicle and located 13 grams of raw marijuana and half of a smoked blunt. I also located a digital scale with marijuana residue in the glove box. Inside of the center console I located a clear plastic baggy with a paste/wax like substance. It smelled like marijuana and after researching the wax online, it appeared to be a THC based substance more potent than marijuana. The substance was NIK tested and tested positive for Marijuana. All evidence was photographed and entered into evidence. Deandre was issued three citations, one for window tint, drug possession and drug paraphernalia. Bodycam footage of this incident was recorded and downloaded to the POV drive. It can be burned to a DVD at a later time if it is needed for evidence.</p> <p>DZ532</p>
