FEMALE IN THE LOBBY REPORTING HER 32YO SON ANGELO IS MISSING. HE HAS NOT SHOWN UP FOR WORK AND SHE HAS NOT SEEN HIM SINCE WEDNESDAY.

On 11/06/2016, I, Cpl. K. Pozek # 522 took a missing person report from Rose Sgro. Rose stated the following. On 11/04/2016, she was informed her son, Angelo Sgro, was not at his residence at 21202 Hillgrove Ave. Angelo lives with his 85 year old grandfather, Richard Sylvester. Richard stated on 11/04/2016 at 0300 hours Angelo came home and took a ladder off of the truck he was driving (OH. Reg. PIU9967, registered to Ohio Reo Property Services.). Angelo took the ladder off the truck put it on the side of the residence and left the area in the truck to an unknown location. Angelo is a 32 year old white male approximately 5'07, 160lbs with brown eyes and brown hair. The company Angelo took the truck from was surprised he took the truck and had Boston Heights PD follow up with this matter. Boston Heights PD had me check the residence for this male on 11/05/2016. Angelo's phone number is 440-915-2527 (Boost Mobile is his provider). Angelo has two children with two different women. I called April Bowman (Lives in Warren, OH DOB 10/27/1985, 330-937-7480) she stated Angelo was supposed to pick up their son on 11/03/2016 but did not show up. April stated she has called him but has not been able to reach him. I left a message for the other child mother, Sierra Baxter (918-568-3123, Sherman Texas) to call me back. The phone cannot be pinged by CECOMs because the phone is shutoff. All parties I contacted do not know where he would be going. Rose speculated he might be heading to Sherman, Texas to visit his child's mother. Officer called Angelo's cell number on 11-06-16 and the mail box is full. KP 522

MALE IN THE LOBBY REPORTING THAT HIS WIFE AND DOG WERE ATTACKED BY ANOTHER NEIGHBORHOOD DOG.

From: SECC 4428 11/06/2016 21:12:20

On Sunday, 11-6-16, at 1842 hrs, I, Ptl. Carmine #535, was dispatched to the area of 20150 Raymond St. for dogs fighting in the street. Upon my arrival I spoke with the complainant, Patricia Juhasz, who stated she was walking her dog, a small Beagle, on it's leash when a tan pitbull came out from behind 20150 Raymond St. ad attacked her dog. Patricia was i front of 20040 Raymond St. when the incident took place. While Patricia was fighting with the pitbull to get it off of her dog her neighbor, Mark Adamik, came to help and they both worked to separate the dogs. The pitbull pulled the beagle out of it's collar and into the street

before they could be separated. Patricia's dog was severely injured and was taken to the veterinarian hospital by her husband before I arrived. Patricia and Mark were both bit by the pitbull as well and they were both taken to Southpointe hospital for their injuries. The owner of the pitbull, Jerome Jones, arrived and took the dog into his residence for the quarantine and he was also cited for animals at large. Mark stated Jerome has over ten dogs and breeds them. The animal warden was advised of the quarantine for follow up and that Jerome is breeding the dogs. I observed three pitbulls in the back yard of the residence. The cage that Jerome's pitbull was in was not secured at the top and that was how the dog got loose. AC535

On 11/07/2016, at approximately 1222 hours, I Ptl. Wilson #534, responded to 14817 Brunswick Ave. for a report of Unauthorized Use of a Motor Vehicle. Upon arrival, I spoke to Jacqueline Brazis who stated that she came to Maple Heights from Arizona to watch her brother Dominic Door's house, belongings, and children while he is in jail. Jacqueline stated that his child's mother, Nina Deffenbaugh, came to the house on 11/5/2016, and took Dominic's car. Jacqueline stated that she had power of attorney over Dominic, but she did not have any paperwork. Jacqueline was advised she could not press charges until she has that paperwork, or Dominic would have to press charges because he is the vehicle owner. cw534

FEMALE REPORTING A MVA INVOLVING A BLUE TOYT AND WHIT HYUN. THE DRIVER OF THE WHITE HYUN DID NOT STOP. THE CALLER CHASED HIM DOWN AND NOW BOTH PARTIES ARE IN THE PARKING LOT OF SUNOCO.

Unit #1 was stopped in traffic, facing south, on Northfield Rd. in the right lane. Unit #2 was traveling behind unit #1. The driver of unit #2 turned left to go around the line of traffic that unit #1 was in. the driver of unit #2 did not leave enough room when making the lane change. Unit #2 made contact with its right rear door area into the left rear bumper area of unit #1 causing minor damage to both vehicles. Unit #2 continued driving until unit #1 was able to catch up to him and notify him of the accident. It is likely that the driver of unit #2 did not know the contact occurred due to the minor amount of damage to both vehicles. Information was obtained and exchanged between both drivers. FEMALE IN THE LOBBY TO REPORT THAT HER UHAUL WAS STOLEN. IT WAS IN A FRIENDS DRIVEWAY, HELPING HER FRIEND MOVE AND THE VEHICLE WAS GONE. THE TRUCK WAS LOADED WITH HOUSEHOLD GOODS. OCCURED 1530 TODAY. FEMALE WAS DRIVING AROUND LOOKING FOR THE VEHICLE AND WAS NOT ABLE TO LOCATE. FEMALE DOES HAVE PAPERWORK

The complainant, Lekisha Brown, stated she rented a U-Haul truck for her brother, Mitchell Brown, and his girlfriend that she knows as Sade. Lekisha stated she left the truck at 17073 Libby Rd. so they could use it and when she returned at approximately 1730 hrs it was no longer there. Lekisha stated the only people who had access to the vehicle were Mitchell, Sade and her other brother Jermaine Brown. Lekisha stated they all told her they did not have the vehicle and did not know who took it. When I was speaking with Lekisha she was speaking with Mitchell on the phone and he stated the vehicle was "with her" and when I asked him about it he stated he tried to call the person who had the truck but they were not answering. I advised him that if the vehicle was returned that the incident would be resolved and Lekisha confirmed that she would not pursue charges if the vehicle was returned to her. I provided Lekisha with the report number and my contact information in order for her to contact me to advise if the vehicle was returned. This report will be updated once I have received more information from Lekisha. AC535

11/09/2016 22:26:26      5358 SOUTH BL      MISSING JUVENILE      160087429

CALLER REPORTING HIS SON HAS BEEN MISSING SINCE 12:00 PM THIS AFTERNOON. LAST SEEN WEARING BLACK COAT

BLACK MALE 5'4 145LBS

SON: STEVEN J GARDENER - 03/25/2005

FATHER: STEVEN J GARDENER SR 09/27/1985

Steven Gardener Sr. called to report that his 11-year-old son, Steven Gardener Jr. voluntarily left the residence. Steven Sr. advised that Steven Jr. got suspended from school today and was picked up by his mother, India Gardener, at about 1200 hours. The mother dropped him off at their residence, 5358 South Blvd., and was told to stay at home. At about 1630 hours, the mother returned home and Steven Jr. was not there. She noticed that a box of cereal was missing and some left over pizza was taken from the refrigerator. They also noticed that his new Nike Air Jordan's were at the residence and he took another pair of walking shoes from the residence. Steven Jr. also took the hidden spare key and locked the residence before he left. Steven Sr. and India checked the residence including the garage for Steven Jr. but he was not there. Steven Jr. has run away from the home multiple times in the past and they gave him a chance to return.

At about 2215 hours, Steven Jr. had not returned home so Steven Sr. called to make a police report and India started driving the areas he was last found when he ran away. This include Bedford City playgrounds and Bedford Heights Police Station. However, she was unable to locate him. The parents could not provide any other place that Steven Jr. could be that they have not already checked.

Steven Jr. is described as an 11-year-old black male, about 5'4", 145 lbs. medium build, gold and black hair cut in a Mohawk style, and brown eyes. He was last seen wearing a red and white checkered shirt, blue jeans, a black jacket, and possibly carrying a red bookbag. India advised that Steven Jr. has been diagnosed with seizures and was supposed to take his medicine at night. She does not know if Steven Jr. took any medicine before he left the residence.

Steven Sr. completed a Missing Person Packed which included a Dental Records Form and gave permission to put Steven Jr. on the Cuyahoga County Sheriff's Office Facebook page as missing. Officers in Bedford and Bedford Heights were notified about Steven Jr. being missing because he has ended up in their cities in the past. The parents were advised to contact the police if and when Steven Jr. returns home. JP#513

FEMALE IN THE LOBBY TO REPORT HER 17 YO DAUGHTER ZAKAYA GRIER HAD A WALLET STOLEN BY AN EX FRIEND NAMED DIAMOND. DIAMOND'S MOTHER CALLED ON THE PHONE AND TOLD THE COMPLAINANT'S DAUGHTER SHE WAS GOING TO SHOOT HER.

I spoke to the complainant, Denise Grier. Denise stated she was concerned her daughter, Zakaya Grier, and a girl at the school "Dymond." Zakaya lost her

wallet in the backseat of "Dymond's" boyfriends vehicle. Zakaya blames "Dymond" for this. Zakaya and Dymond have been feuding and threatening each other for about a week. Denise stated she is concerned "Dymond's" mother would get involved. I contacted "Dymond's" mother (216-972-0310) who identified herself only as "Ms. Curvy." "Ms. Curvy" stated she would be going to school for mediation and would not retaliate against Zakaya. KP 522

I, Ptl. Zupancic 532, initiated a traffic stop on a vehicle for no front plate, no license plate light and not using a turn signal. While speaking with the driver, Brandon Dubose, I observed a brown paper bag on the passenger seat in plain sight that appeared to have a liquor bottle in it. Brandon stated there was an open bottle inside of it but he was not drinking. The bottle was a 750ml bottle of Hennessy Cognac. Brandon was cited for Open Container (MA 20841). The bottle was photographed and that photograph was downloaded into this sheet. This incident was captured on bodycam video and downloaded to a secure server and can be used for evidence at a later date.
