CALLER SAYS NINA DEFFENBAUGH IS IN THE HOUSE AND HAS CHANGED ALL THE LOCKS TO LOCK THE CALLER OUT. CALLER DOESN'T KNOW HOW SHE GOT IN, AND WILL BE WAITING IN A MAROON MAZDA. SHE STATES HER BROTHER DOMINIC DORR IS LIKELY EN-ROUTE AS WELL AND THERE IS A PROTECTION BETWEEN HIM AND NINA. SHE'S FEARFUL OF HER BROTHER BECAUSE HE TRIED TO HIT HER YESTERDAY AND SHE'S 22 WEEKS PREGNANT.

Upon arrival I spoke with Jacqueline. Jacqueline stated Nina somehow has gained access to the residence and changed the lock so Jacqueline could not get in the residence. I attempted to make contact with Nina. I knocked on the door several times and announced myself. Nina did not answer the door. Jacqueline provided me with a copy of the lease that named her and Dominic as the tenants. Jacqueline stated she gave Dominic a key since he is back out of jail. Jacqueline stated Dominic must have given Nina the key. Jacqueline was advised that she lives in the residence and we would stand by why she gained access. Jacqueline walked to the front door and began to kick the front door. After five or six kicks the door opened with minor damage to the door. As soon as the door opened, Nina began to yell that her child was hit by the door. Jacqueline did not intentionally hit the child. Nina did not cooperate and answer the door when officers knocked. Nina was standing behind the door holding the baby instead of moving out of the way. The baby's face was red from crying but I did not see a mark from being hit by the door. Jacqueline retrieved enough belongings to stay away for a few days until she can get ahold of the landlord and eviction notices can be issued. Jacqueline is not moving out. This is settled at this time. CWF528

On Monday December 12, 2016, at approximately 2233 hours, I, Ptl. Augustyn #536, was dispatched to the lobby for a report of menacing. Upon my arrival, the complainant stated a former boyfriend whom she dated in 2013 sent her a card in the mail. The complainant advised me this was an annual occurrence and the party has been advised in the past to cut off all contact with them. I contacted the party again and he stated he would have no further contact with her. #536

FEMALE CAME ON STATION TO REPORT 49 YEAR OLD ARNOLD BLACK IS MISSING AND HAS HER VEHICLE. ARNOLD TAKES MEDICATION FOR SCIZOPHRENIA. 8 4 67. THE VEHICLE IS A BLACK FORD VAN WITH NO WINDOWS TEMP TAGS

DISPATCH COULD NOT LOCATE ANY BLACK FORD VAN IN LEADS REGISTERED TO ERYCA.

On Wednesday December 14, 2016, at approximately 0547 hours, I, Ptl. Augustyn #536, was dispatched to the Maple Heights Police Department for a report of a missing person. Upon my arrival, I met with Eryca Bey. Eryca stated that her boyfriend, Arnold Black, with whom she lives with, left the residence on December 6, 2016 at approximately 0700 hours.

He was driving a black Ford E350 that allegedly belongs to Eryca. At this time no Ford E350 is showing up in LEADS that belongs to Eryca. The vehicle has a temporary tag. He and Eryca run a self-owned landscaping company.

Arnold recreationally uses marijuana and crack cocaine and Eryca believed that he is currently using.

I contacted Arnold's cell phone (216-527-7551 and 216-538-7757) and left him a voice mail advising him to contact the police department and Eryca. I contacted Cornelia Black, Arnold's mother, and she stated she spoke with Arnold approximately four days ago. Arnold stated he was doing "OK." She did not know where he was or who she was with. I contacted Valerie Blanchard, Arnold's sister, and she stated she talked with Arnold via text two days ago. He stated he was doing ok. She did not know who he was with or where he was at.

Arnold is a 5'8" black male weighing 190 lbs. He has a bald head and beard with grey on his chin. He was diagnosed with schizophrenia. He was last seen wearing blue jeans and a black winter vest. He has two scars on his head from barin surgery in 2015 and a lion tattoo on his left bicep.

Eryca completed a missing person packet.

On 12/15/2016, at 1216 hours, I Ptl. Wilson #534, responded to Speedway 16400 Rockside Rd. for a report of a male attempting to pass a counterfeit \$100 bill. Upon arrival, I spoke to Fred Clay, who stated he received the \$100 bill from an unknown male at Food Mart in Maple Heights last week. Fred stated he won \$100 on a lottery ticket and an unknown male in line offered to give him his \$100 in exchange for the five \$20 bills he received from the clerk, and Fred took the \$100 bill. Fred paid for his items, and the \$100 bill was collected and entered into evidence. cw534

THE MALE DRIVER OF BLACK CADILLAC HAS HIS HEAD DOWN. THE CALLER CANNOT WAKE HIM UP.

On Thursday, December 15, 2016 at approximately 1600 hours, I, Ptl. Stolarik, was dispatched to 17399 Broadway Ave. for a report of a male who fell asleep while driving. Upon arrival, I pulled 4427 in front of the suspect vehicle, a black 2007 Cadillac DTS bearing OH GQH7648, to block it from entering into traffic when attempting to wake the driver. The operator of the vehicle, Adonis Horne, was eventually awoken by beating on his driver window. Upon waking up, Horne let off the brake and the Cadillac made contact into the rear of 4427. Horne depressed the gas pedal and spun his tires while pushing against 4427. It is unknown if there was any new damage to 4427 as it had previously reported damage to the rear bumper. When Horne opened his driver's window a moderate odor of alcoholic beverage could be smelt emanating from Horne's person. Horne was directed through a series SFST's that I completed and I did not believe him to be impaired. Horne was found later to have fallen asleep due to being extremely tired. Horne cited for impeding the flow of traffic and disorderly conduct for alarming the persons reporting the incident. JGS542

RE: 160090886 FEMALE REPORTING SHE NEEDS TO REPORT SOMEONE BROKE INTO HER APT ON 11/23/2016 AND STOLE SOME ITEMS. SHE BELIEVES IT IS THE MAINTENANCE MAN. WHEN OFFICERS ARRIVED THE CALLER HAD ALREADY LEFT AND THEY SPOKE TO HER SISTER. SHE WAS ADVISED TO HAVE THE CALLER MAKE A REPORT WHEN SHE RETURNS HOME.

The complainant advised that she had already called to report the incident on November 23, 2016. She stated that she was unable to wait for officers on that day and then forgot to contact the police later. She stated that there was no forced entry and that an xbox 1 valued at \$500.00 was taken and a broken 60 inch television (unknown make) was taken. She stated she did not have the serial number for either items. The complainant advised that her boyfriend was talking to one of the maintenance people, James, had asked her boyfriend if they learned anything else about the break in. The complainant wanted to advise the police of this because she found it suspicious that the maintenance guy would ask about a break in. I spoke to the owner of the property who advised me that James does not have a set of keys for the apartments. The complainant wished nothing further at this time. PH520
