On Sunday December 18, 2016, at approximately 1954 hours, I, Ptl. Augustyn #536, was dispatched to 5237 Theodore Avenue for a report of a missing juvenile.

Upon my arrival, I met with Jason Goodner and Kristina Goodner. They advised me their son, Timothy (TJ) Goodner. They stated Krisinta and her daughter, Lydia, were home at their residence. TJ was home and was walking throughout the house. Kristina told TJ to take the dog out. TJ did not respond. They went to look around and Kristina saw an older model black Toyota Camry slowly pulling away from the residence on the roadway. She believes that TJ was in the vehicle.

Jason and Kristina are currently having issues with TJ as he was expelled from school for selling prescription Adderall. He has also bragged about taking other drugs such as ecstasy. TJ's friend, Alex, lives in Cleveland at 4919 Pleasantdale Drive in Cleveland Ohio with his mother Roxanne. Kristina advised me that Roxanne will let TJ stay at her residence and gives him items (cellphones) that she does not approve of. I called Roxanne (216-754-9626) and advised her of the situation. She began to yell at me over the phone and told me TJ was not at her residence. TJ was reported missing approximately one week ago at 5237 Paine Ave. Ptl. Frazier checked the residence and he was not located.

TJ is a white male, 5'6", and 140 lbs. He has straight brown hair approximately shoulder length. He was diagnosed with ODD and ADD.

He was entered into LEADs as missing with NIC#M353666263.

Prior to me completing the report, TJ returned back to the residence. I spoke with TJ and he refused to state where he was. TJ was taken out of LEADs as missing.

Ashley Green states that she went to her boyfriend's, David Brown, house on Saturday, 12/17/16, and he had another female there. They began to argue and Ashley pushed David out of frustration. David responded by grabbing her by the hair and dragging her to the door, trying to put her out of the house. Ashley also stated he grabbed her throat and began to strangle her and punched her in the face. Ashley did have a bruised left eye and scratches on her neck. They					

have no children together and do not live together, so this does not meet the criteria for Domestic Violence. Ashley stated she did not call the police at that time, but wanted the incident documented now. Ashley stated she did not wish to pursue Assault charges against David. Waiver signed. I spoke to David on the phone and he denied any physical altercation taking place between them. He stated that Ashley scratched several words into his vehicle, including "LIAR", and told him that she was going to tell the police that he assaulted her. David stated he did not want to pursue Criminal Damaging charges against Ashley and that he would file a claim with his insurance company. No further police action required from either party. DEBORAH LAMB IS IN THE LOBBY TO MAKE A REPORT ABOUT HER APT MANAGER PUTTING HER STUFF IN THE DUMPSTER. SHE WILL BE STANDING IN THE FRONT OF THE BUILDING. SHE IS VERY UPSET.

On Wednesday, 12-21-16, at 1013 hrs, I, Ptl. Carmine #535, was dispatched to the MHPD Lobby to speak with the complainant, Deborah Lamb, about a matter between her and her landlord. When I spoke with Deborah she stated she did not want to speak with me because I had given her a citation in the past. I told her I would find another officer to speak with her. Ptl. Hobart #520 attempted to speak with Deborah but she had already left. I asked Dispatch for her phone number and Ptl. Hobart spoke with her on the phone. This report will be updated by Ptl. Hobart. AC535

Ptl. Hobart then called Deborah and asked her to come back to the police station to make the report. Deborah then asked to speak with Lt. Gazer. Lt Gazer spoke with her and Deborah stated she did not want to speak with Ptl. Carmine because he gave her a ticket. Lt Gazer told her if she came in he would assign it to another officer. Deborah started rambling about the Maple Hts. Police Dept. stating we should "remove all the Jesus stuff at the police station replace it with Satan." Deborah was advised if she wanted the report she came come to the station. MG 503

OIC ADVISED @1610

On Wednesday, 12-21-16, at 1601 hrs, I, Ptl. Carmine #535, was dispatched to the MHPD Lobby for a report of a missing juvenile. Upon my arrival I spoke with the parents, Tamika Cannon and William Green. Tamika stated that their daughter, Nakeiyha Cannon (12-09-00) had been staying with William at 5441 Grassmere Ave. and she was last seen and heard from Tuesday, 12-20-16, at approximately 1130 hrs while she was at school. Nakeiyha has ran away from home before and has answered text messages from William's niece stating she was alright. Tamika stated Nakeiyha currently attends Glenville High School and she will call the school to inform them to contact the police if Nakeiyha shows up for class. Nakeiyha is a 16 year old black female approximately 508 tall and 130 lbs. She was last seen wearing a grey polo shirt (Glenville High uniform), khaki pants, black socks and a dark green/plaid coat. Nakeiyha also goes by the names "Keiyha" or "Shay Shay" and has black hair in curly braids with brown eyes. I contacted Nakeiyha's cell phone and spoke with a female who stated she was Nakeiyha's friend. I advised her that Nakeiyha needed to come home immediately and I needed to speak with her. The female hung up the phone before I could talk to her about anything else. William and Tamika gave permission for Nakeiyha to be put onto the County Facebook page for the missing persons and they signed the dental records form. Nakeiyha was entered into LEADS as a missing person NIC #M133653526 AC535

On Wednesday December 21, 2016, at approximately 2302 hours, I, Ptl. Augustyn #536, was dispatched to 15818 Turney Road for a report of harassing phone calls. Upon my arrival, I met with the complainant. He stated that he was messaging a female on Omegle (an online chat website that allows users to text/voice/video chat with strangers). The complainant was paired up with "Sarah Koiani." She asked him to message her on Skype @sarahkoiani@ (gmail or Hotmail.com). The two chatted which lead to her asking him to show his abs. He then stated he received a video which showed a photo of his stomach and then a video of a male masturbating. He stated the male was not him, however, it was a person that looked like him. The extortioner stated their name was "Mouad Daoud" and was from Morocco. They told him to send \$750 through Western Union or else they would post the video to his friends Facebook accounts. The extortioner showed screen shots of the complainants Facebook friends. As of the completion of this report, no video was posted and no fee was paid. He was advised of the incident number and advised to contact the Ohio Attorney General "Report a scam" website page for further assistance. #536

JUVENILE ENTERED INTO LEADS BY TR. (M373637064)

On Wednesday December 21, 2016, at approximately 2340 hours, I, Ptl. Augustyn #536, was dispatched to 15508 Glenwood Avenue for a report of a missing juvenile. Upon my arrival, I met with Ordella Johnson. Ordella stated she took in Shanija Moorer (16 y/o) approximately 15 days ago. The county placed Shanija as an emergency placement due to her troubled behavior. Shanija staying with the complainant is temporary.

Ordella completed a missing juvenile form and stated at approximately 2320 hours, Shanija entered the living room of the residence wearing a coat and carrying her purse. Ordella asked where she was going and she stated "With my uncle." Ordella told her she couldn't leave but Shanija left through the side door. Ordella walked out the front door and saw a white Honda SUV bearing registration GUB6631 in the street parked in front of her house. She approached the vehicle and stated a black male was the operator. She could not get a further description due to it being dark outside. The male stated he was Shanija's uncle. Ordella went back to the house to speak with Shanija. Shanija snuck around the house and got into the vehicle. The vehicle then left the area.

The vehicle came back to an older female in Cleveland near E. 55th. Cleveland PD responded to the residence. The vehicle was not there and no one answered the door.

Shanija is a black female, 16 y/o, 5'8", 300 pounds. She has a bob hair style that's shoulder length with black and green hair. She has brown eyes. She has a cell phone (216-315-3356). I contacted the number and left a voicemail to contact the police. She was last seen wearing blue jeans, a black jacket, and white shoes. She left with a bag so it is possible she had a change of clothing.

Shanija takes medication for PTSD, depression, and anxiety.

Ordella allowed the county to use a photograph of Shanija.

Ordella had no dental information on Shanija.

Ordella has no photographs of Shanija.

Ordella spoke with her social worker and they stated Shanija will be sent to DH when she returns.

Shanija was entered as missing and given NIC#M373637064

On Thursday, December 22, 2016 at approximately 1238 hrs., I, Ptl. M. Russo responded to the lobby of the police station to speak with a female, Ta Shonda Terrell, who reported that her boyfriend, Devonte Brown, assaulted her in the driveway of 5103 Joseph St. Terrell advised that she and Brown were engaged in a heated verbal argument regarding Terrell going through Brown's cell phone. Brown became increasingly upset and as Terrell made her way to her vehicle parked in the driveway, Brown assaulted her. Brown struck Terrell with a closed fist on the left side of her face which caused swelling and a small laceration to the left side of Terrell's left eye. Terrell and Brown do not live together and do not share any children in common. Terrell did not wish to pursue charges and wanted the incident documented. Terrell does wish to obtain a protection order against Brown and was provided the incident number and documentation on how to obtain a protection order. Terrell made a written statement and signed a waiver of prosecution, both of which were attached to the complaint sheet. Photo were taken and entered of Terrell's injuries. (MPR530)

(JS)

On 12/24/2016 at approximately 1114hrs, I. Ptl. S. Smith #539, responded to 5334 Hollywood for a 911 hang-up call. Upon my arrival, I spoke with Rodney Carter (6/8/2007) who stated he had accidentally called 911. I asked Rodney if his parents were at the home with him, he replied that he was home alone and that his mother, Debra King, was at the hospital. Rodney provided me with Debra's cellphone number (216-554-0849).

Lt. D. Grossmyer #161 attempted to make contact with Debra however was unsuccessful.

Lt. D. Grossmyer contacted Child and Family Services and advised them of the incident. Child and Family Services advised that they would begin an investigation as a result of this. Child and Family Services report number (12353241).

Upon Debra's arrival, she stated she had been gone for approximately 45 minutes at South Pointe hospital for a family emergency. Debra stated she was in route to her residence upon receiving the call from Lt. D. Grossmyer. I advised Debra of the incident and how Rodney was not able to be home alone due to his young age. No further action needed. SAS539
