MALE REPORTING THAT HE WAS SELLING HIS OLD CELL PHONE ON CRAIGSLIST. HE MET WITH TWO BLACK MALE JUVENILES TO SELL THE PHONE. THE JUVENILES PUSHED THE COMPLAINANT AND TOOK THE CELL PHONE. THEY LEFT ON FOOT TOWARDS GIANT EAGLE. NO WEAPONS WERE INVOLVED. ONE MALE HAS A GRAY JACKET WITH A BLACK BAG. THE OTHER HAD PAJAMAS AND A HOODIE. THE COMPLAINANT IS IN A BLUE GMC IN THE PARKING LOT.

NO ONE AT THE RTA BUS STOP MATCHES THE DESCRIPTION.

Complainant stated that he agreed to meet a male in the area of Watercrest by Drivetime Car Sales to sell an Apple iPhone 7 that he received as a present for Christmas. The agreement was made through an app on his phone where items are posted for sale. Once the complainant met with the male, he handed the phone over so the male could see that it worked. Once the male had the phone and turned it on, he shoved the complainant and took off running towards Liberty Ford with his friend. The complainant could not add any more detail to his description of the males than what he provided to dispatch. The cell phone was rose gold in color and valued at \$794.99. The area was initially checked and no persons matching the description were found. As the complainant and officers were pulling onto Warrensville Ctr. Rd. a male matching the description was observed. The complainant was shown the male who was stopped and stated he was not the male who took the cell phone. The complainant did not have the serial number of the cell phone as his mother had purchased it. The male who was to purchase the phone gave a name of David Abernathy and a phone number of 216-264-7711. Due to a call of an armed robbery this call was not followed up on with the male's name. follow up will be conducted on 01/03/17. The phone number is not listed in the computer system. JGS542

On Friday, 12-30-16, at 1034 hrs, I, Ptl. Carmine #535, was dispatched to the MHPD Lobby for a report of an accident. Reference MA16-0100216. Upon my arrival I spoke with the complainant, Raite Thomas, who stated the accident took place at Libby Rd. and Prayner Rd. He stated he wanted to report that the other Unit was at fault. Raite explained that he had a green light while traveling eastbound on Libby Rd. at the intersection and the other Unit pulled into the roadway with no headlights on and no regard for the stoplight. Raite stated he hit the rear left corner of the other Unit and it was facing westbound on Libby Rd. which would suggest that the other Unit was trying to turn left onto Libby Rd. and not right as stated while they were on scene. I observed pictures of the damage to both vehicles and the other Unit's position on the roadway. I advised Raite that I would update the report and he could contact his insurance and they could continue the investigation and take the case to civil court if the driver of the other Unit disagreed. I reviewed the Southgate Management Security Camera footage which viewed the area for the intersection (camera: entrance from Libby at D&R meats) and observed a vehicle with no headlights on turn right through a red light and a collision occur during the same time frame that the call for service was recieved. CALLER IS REPORTING HER KEYS MISSING FROM HER MAILBOX WHERE SHE LEFT THEM. SHE IS ALSO CONCERNED THAT THERE IS A UHAUL VAN IN THE LOT THAT IS GETTING COVERED WITH SNOW. SHE THINKS THAT THE TWO MAY BE RELATED.

SGT VOLL ADVISED

On 12-29-16, at approximately 1259 hours, the caller left her extra apartment keys in her mailbox to allow a furnace repairman, Billy, access to her apartment while she was not at home. On 12-29-16, at approximately 1500 hours, she returned home and discovered the keys were not in the mailbox. She contacted Billy and he informed her he had already worked on the furnace and placed the keys back into the mailbox. The caller stated Billy has done work in the apartment building for some time and there has never been a problem. The caller stated she has left her keys in her mailbox on several occasions for Billy with no issues. The caller has contacted Billy who checked to make sure he didn't put the keys in his pockets by mistake. She also contacted the post office to see if the mail carrier had picked them up, he hadn't. The caller stated her mailbox does not lock and there are no security cameras. The caller had already changed her locks and only wanted this documented in case there are other issues. STB514

This was not a hit skip accident. I spoke to the driver, Shawnay Hardway, of vehicle # 1 at 16009 Walvern. She related the following: On 12-29-16, at approximately 2020 hours, Vehicle # 1 had been slowing to a stop on Turney Road to make a left turn into the Turney Dunham Plaza. Vehicle # 2 had been traveling at a slow rate of speed, but due to the road conditions, slid into the rear bumper of vehicle # 1. Both drivers exchanged information and checked for damage. The rear bumper of vehicle # 1 had a small scratch and vehicle # 2 did not have any damage. NOTE: Vehicle # 1 works for a group home and had 2 clients (Michelle Corp and Katie Murrell) in the vehicle at the time of the accident. She stated since her passengers were clients at the home and was in the vehicle at the time of the accident, their protocol was to transport both the hospital to be checked. Shawnay stated she just wanted the scratch repaired. I observed a very minor scratch on the rear bumper of vehicle # 1. I responded to 14416 Granger Road # 101 where I spoke to the driver, Krystal Blair, of vehicle # 2. Her statement was consistent with Shawnay's statement. I did not observe any damage to vehicle # 2 and Krystal also stated there was no damage. Later in the shift, I contacted Shawnay. She informed me both clients were not injured and were back at the house. The damage to the vehicle is under the state minimum for reporting purposes. STB514
