The cell phone was a Samsung Galaxy S6 Edge valued at \$750.00 through T-Mobile. The phone case on it had his Driver License, SSN Card and debit card. Cardale already got a new DL and SSN card reported his bank card to his bank as stolen. Cardale stated after his phone was stolen that someone posted inappropriate photographs of his girlfriend, Lisa Wofford, on his social media sites. Cardale stated he took them down but wanted it documented that he and Lisa did not give permission for the photographs to be posted. I checked with Dollar General and spoke with the manager and looked at the cameras. There was no evidence on the cameras and the manager did not remember the incident. AC535
