On Sunday January 1, 2017, at approximately 1716 hours, I, Ptl. Augustyn #536, was dispatched to 18319 Highland Drive for a report of an animal that was not
chained and running in neighbor's yards. Upon my arrival, there was a black dog on the front stoop of 18319 Highland Drive. The dog was not chained and the
owner, Michelle Jones, stated she does not chain the dog when it goes to the bathroom. I spoke with complainant and she stated it is an ongoing issue of the
dog defecating in her yard. She advised me the dog was in her yard when she called. She wished to sign a citation against Michelle. Michelle was served with
the citation and advised to keep her dog restrained at all times. #536

On January 1, 2017, at approximately 1719 hours, I, Ptl. Moore #538, was dispatched to the lobby for a missing persons call.

Upon arrival I spoke with Belinda Rounds, who stated the following: On December 30, 2016, at approximately 1030 hours, Belinda's son, George Rounds II, left the residence located at 16825 Gerard Avenue. Belinda stated that George had recently gotten out the shower and gave no notice of where he was going. On December 3, 2016, at approximately 0330 hours, Belinda received a call from George stating that he was at Jack Thistledown Racino, located at 21501 Emery Rd, North Randall, OH 44128. Belinda stated that George's phone may have been stolen because when she last called a "drunk women" answered stating that "didn't have time for this" and hung up. The phone now goes to voicemail whenever called. George drives a black 1999 Chrysler LHS with faded paint marks on the trunk and rust spots above the rear passenger's side tire.

George was described as a 33-year-old black female, approximately 6' 5" and 210 lbs., with a short black afro, brown eyes, and a beard. Belinda stated that George could possibly be wearing a tan and burgundy plaid shirt.

Belinda stated that George was diagnosed with epilepsy. However he has not had a seizure since 16 and does not take medicine. George also suffers from slow comprehension.

George was entered as a missing adult. NIC: M113673724

On January 1, 2017, at approximately 2139 hours, I, Ptl. Moore #538, received a call from dispatch stating that Belinda had called stating that George had returned home. I was able to see and speak with George, who stated that he was fine and had simply lost his phone, which is why he didn't call home. George appeared to be in good health.

VM

On January 2, 2017 at approximately 1039 hours, I, Ptl K. Moore 538, was dispatched to 5151 Camden Road for a call regarding a burglary. Upon arrival, I spoke with the home owner, Darlene Adams. Who initially stated that she had received a call from a friend stating that someone had kicked in her door. Adams then returned home, with Beasley, to search the residence. Adams stated that nothing had been taken and that only a table and Christmas tree in the living room had been disturbed. When asked how long she had been away from home, Adams stated that she had been gone all weekend. While at the scene, officers overheard Adams and Beasley arguing, stating that "they don't know what actually happened". When Adams was confronted about this, she changed her story. Adams stated that Beasley had kicked in her door. When asked if she would like to sign charges against Beasley, Adams stated that she was unsure. Adams stated that she would be returning on January 2, 2017 before 2300 to either sign charges or a waiver of prosecution.

Upon arrival, I spoke with Nina Darmond, who stated the following: On January 1, 2017, at approximately 1400 hours, Nina involved with an argument between her son, Ni'Que Lee, her daughter, Da'Nasia Nunn, and herself. Ni'Que and Da'Nasia were upset because Nina would not allow them to order breadsticks from Georgio's Oven Fresh Pizza Co. Nina stated that Ni'Que took Da'Nasia's phone and the two proceeded upstairs. Nina stated that she called for Ni'Que and Da'Nasia, however they didn't answer. When Nina went upstairs to check on Ni'Que and Da'Nasia, she noticed that they weren't there. On Wednesday, 1-4-16, at 1032 hrs, I, Ptl. Carmine #535, was dispatched to 15039 Janice Dr. for a report of a missing juvenile. Upon my arrival I spoke with the complainant, Katurah Johnson, who stated her foster daughter, Karyna Quinones, ran away between the hours of 0630 hrs and 0920 hrs. Katurah stated she observed Karyna in her bedroom sleeping at 0630 hrs and when she went back to wake her up at 0920 hrs she was gone Katurah stated Karyna was supposed to be taken to a different foster home due to violating rules that were emplaced by the foster system. Katurah stated Karyna had ran away before but had always returned. Prior CAD sheets confirmed that. Karyna also left a note stating that she was running away because she did not want to be sent away and she would be back at a later time. Karyna is a 14 year old hispanic female born on 9-26-02. Her nickname that she sometimes goes by "Kiki" and is approximately 503 feet tall and weighs 146 lbs. Karyna has long straight black hair and brown eyes and has two navel rings and hoop earrings. Karyna was wearing a black winter coat and black work boots. Katurah gave permissions for the Facebook submission to the county site and the dental form. I checked Stafford park due to past incidents that Karyna ran away she stated she had been at the park. I was unable to find anyone in the park. I attached a copy of the note to the missing person packet and I entered the original into evidence. Katurah contacted the school to advise them that Karyna was missing. Karyna was entered into LEADS as missing NIC #M073668667. AC535

On Wednesday, 1-4-16 ,at 1158 hrs, I, Ptl. Carmine #535, was dispatched to 19821 Stockton Ave. for a report of a theft. While I was en route to the address dispatch advised me that the complaint was related to an earlier call to the residence, reference MA17-0000846. Upon my arrival I spoke with the complainant, Tanisha Murphy, who stated while she was gone at court after the police left her residence the first time, her boyfriend, Michael Mixon, returned to the residence and took multiple boxes and other items without her permission. Tanisha stated the items that he took were not his and she wanted them returned. Tanisha provided me a phone number for Michael and I attempted to make contact with him. There was no answer, however I left a message on his voicemail. Tanisha stated Michael has a key to the residence and it was already determined that Michael was a resident there previously. Tanisha stated the key only opened one lock on the front door and two locks on the side door and that was why the side door had minor damage to the lock on the storm door. Tanisha stated the other items she noticed that were missing included a 32" television from her daughter's room on the second floor valued at \$179.00, a sound bar type speaker valued at \$130.00 and a DVD player valued at \$50.00 that were both located in the living room of the first floor. Once I make contact with Michael this report will be updated. Tanisha also stated she did not wish to pursue charges if she had her items returned. AC535

RICHARD MILHOAN IN LOBBY WITH A TRAFFIC CITATION HE RECEIVED ON NOV 17 SEE MA160089255. HE SAYS HE WAS NOT IN MAPLE HTS THAT DAY. On 01/06/2017, at approximately 1012 hours, I Ptl. Wilson #534, responded to the Maple Heights Police Department for a report of fraud. Richard Milhoan stated he received a notification that his license was being suspended due to a traffic citation. Richard stated he has not been in Maple Heights and did not receive a citation from Maple Heights PD. I located the sheet MA160089255 and discovered that the stop was initiated by Ptl. Jividen on 11/17/2016 at 1344 hours. I was able to look up the footage from the stop on the POV computer, and the driver provided a social security number to Ptl. Jividen. The social security number that was given to Ptl. Jividen came back to Troy-Avhonte Davaughn Alexander out of Cleveland. Ptl. Jividen did not write down the correct number, and wrote the citations to Richard Milhoan. Troy was a dark skinned black male, and Richard is a lighter skinned white male. It was clear that Richard was not the subject on the traffic stop. It was also determined that the driver did not provide Ptl. Jividen with any false information. This information will be forwarded to the Maple Heights Mayors Court in order to have Richard's license corrected. cw534					
***** Records note: Mr. Milhoan's information was removed from the original CAD entry as well as the Citation module. All information was forwarded to MHMC so that the case could be dismissed. kb210

I spoke with Kourtney who was uncooperative. She stated she did not want to get her child's father arrested and just wanted to ask how she could keep him from seeing the child once it is born. She would not provide me with the male's name. Kourtney did not want to explain that happened to her two months ago and did not provide any hospital paperwork. She stated the incident occurred in Maple Heights. Kourtney has no further contact with the male and that was what she wanted information on so he did not contact her when the child is born. Kourtney stated she will consider providing details of the altercation at a later date. Kourtney did not provide any information to me about the suspect or the assault. She provided dispatch of the male's name but they were unable to locate him. No other information was provided. Kourtney will speak with me if she decides to file a report. CWF528

JOHNNY WOODSON THE OTHER PARTY INVOLVED IS NOW IN THE STATION LOBBY WANTING TO SPEAK TO AN OFFICER.

DISAGREEMENT ABOUT A SNOWBLOWER. WOODSON ADVISED TO GO TO SMALL CLAIMS COURT. (MG)

I spoke with Dan Gorsuch at D&D. Dana stated Johnny came and picked up a snow blower he worked on two days ago. He came back with machine today and accused Dan of switching parts on it. Johnny was highly upset and threatened to take Dan to court. Johnny did not threaten violence. Dan stated Johnny was still allowed to do business with him. Both parties were advised that this was a civil issue. Dan denied the accusations and Johnny was still upset with the business practice. This is documented FOI. CWF528

FEMALE STATES A MALE PUNCHED OUT HER HOUSE WINDOWS. MALE LEFT IN A WHITE JEEP TOWARDS MAPLE HTS BLVD. FEMALE KNOWS THE MALE AS "R.J." THIS WAS OVER A DISAGREEMENT OF MONEY OWED.

Stopar stated the male she buys crack from has told her in the past that he will break out her windows because she owes him \$1400.00 in past due crack fees. She stated that today, she watched a black male, wearing all dark clothing, park a white jeep a few houses down, walk to her house and break out her living room and dining room windows the male then ran back to the vehicle and fled up Beechwood. Stopar stated the male was carrying a backpack with the rock he used to break her windows. Stopar was not able to identify the male, but believes it was her crack dealer, whom she only knows as "R.J." She gave a telephone number of (216)322-1768, which returned with no history attached to it. She also stated that she believes R.J. lives on Elmwood. Officers checked the area, including Elmwood and could not locate any white jeep in the area. Stopar called police to inform us of what occurred so that we can have R.J. pay for her windows to be replaced, in spite of her extremely large crack debt. This information will be passed along to SEALE. GRA519.

On 01/07/2017, I Ptl. Wilson #534, responded to 5128 Catherine St. for a report of a stolen temp tag and vehicle title. Raymond Potts stated on 01/06/2017, at

approximately 2130 hours, he observed a black car (unknown model) pull into his driveway, and left a short time later. Raymond went outside at 2200 hours and observed the Ohio temp tag D287507, was missing from his grandmother's 2005 Kia in the driveway.

Raymond also stated the vehicle was unlocked and the glove box was rummaged through. Raymond stated he checked the glove box and the title to the car was also taken. Raymond advised his grandmother, Mary Rodgers, was in a nursing home and could not report the incident. Raymond was provided the OCA, and the temp tag was entered as lost or stolen. cw534

On 01-09-17 Megan Turner called to report her 14 year old son, Deonte Bonaparte, missing. Turner advised at about 1730 hours, Bonaparte wanted to go outside to play but she did not want him to go. She came downstairs to find Bonaparte but he was not in the house. At about 1930 hours, Bonaparte still had not returned home and she began looking for him. Bonaparte is known to leave the residence and wander the Greater Cleveland area.

Bonaparte is 14 years old, black male, about 5'8", 105 lbs., thin build, short haircut, black hair, and gray eyes. Bonaparte was last seen wearing a green jacket, possibly wearing a gray hoodie, gray jogging pants, and black Timberland boots. Bonaparte is MRDD, none verbal, and has the mindset of a small child.

Officers checked the area for Bonaparte but were unable to locate him. Turner has also checked the area of Shaker Heights, Lee Harvard Plaza, the area of Lee Rd. and Miles Ave., and the area of Warrensville Center Rd. and Harvard Ave. She will contact the police when he is located.

Turner completed a Missing Person packet which included a dental form and giving permission to add him to the CCSO's Facebook page as missing. THE MALE THEN GOT ON THE FEMALE'S PHONE AND SAID THAT HE IS A STORE SECURITY MEMBER (ALONZO WRIGHT). HE WAS CALLED BY A MANAGER BECAUSE THE MALE WAS SEEN ATTEMPTING TO STEAL.

THE FEMALE CALLER, SABRINA SEARS IS EWW BEDFORD HTS AND MIDDLEBURGH HTS. BEDFORD HTS PICKED THE FEMALE UP AT FOREMAN MILLS. THE FEMALE TURNED OVER HER PURSE AND ITS ENTIRE CONTENTS TO HER BROTHER. SHE WAS TURNED OVER TO BEDFORD HTS UNIT 1415 ON HER WARRANT.

An employee observed the female's purse looking "overly large" while inside the store. The female was with a juvenile male. The employee informed management and notified loss prevention who happened to be in the store shopping off duty. Loss prevention stopped the male but the female slipped outside before she could be stopped. According to the employee, the female's purse looked much smaller after she re-entered the store. There was no proof the female or male took anything. The cameras could not be reviewed as there was no staff that knew how to rewind the tapes. Security will review the tapes to see if anything was taken. Management will then decide if they wish to sign charges depending on the outcome of the video review. JGS542

CALLER IS ELDERLY AND STATES HER CHILDREN ARE MOVING OUT OF THE HOUSE AND THEY HAVE BEEN BEATING HER AND SHE IS SCARED OF THEM. THE KIDS ARE NOT CURRENTLY THERE AS THEY WENT SHOPPING. SHE BECAME VERY EMOTIONAL ON THE PHONE IN ASKING FOR HELP.

On Friday, 1-13-17, at 1320 hrs, I, Ptl. Carmine #535, was dispatched to 19300 Stafford Ave. for a report of a female who had an argument with her adult children. Upon my arrival I spoke with the complainant, Carmella Genova, who stated her two adult children, James Genova and Patricia Genova, were living with her rent free and she was sick of being taken advantage of by her children. Carmella stated she found a picture of an add for a new place that Patricia and James were moving too. Carmella stated the new residence they were moving to was over \$1,000.00 a month. Carmella stated she took the advertisement and hid it so she could give it to her attorney in order to file a civil suite against them so she could be compensated for the rent that they have not paid. Carmella receives social security as her primary source of income and without the added income from rent money she has been facing undue hardship. Carmella stated she confronted James and Patricia about the rent money this morning and while she was speaking with them Patricia became angry and pushed her, Carmella admitted that she pushed Patricia back and James separated them. James left with Patricia and no further incident occurred before my arrival. Patricia and Carmella were not harmed in any way and Carmella stated she did not feel Patricia was trying to harm her. I advised Carmella to call the police if there was any problems between her and her children. Carmella stated she was going to contact her attorney again and proceed with the court. I also advised her of the eviction process. AC535

Om Friday, 1-13-17, at 1603 hrs, I, Ptl. Carmine #535, was dispatched to the MHPD Lobby for a report of harrasment. I spoke with the complainant, Lauren Johnson, who stated she was working during the incident on 1-12-17 with a female who was stopped in connection with a male for possible shoplifting at Foreman Mills. Lauren stated she was outside smoking when the female left the store and when the female returned to the store she made rude comments to her. Lauren stated she was unsure what to do so she wanted to speak with an officer. I advised her that if the female returned to the store we could advise her or trespassing. Michael have lived at the address since his early childhood. On January 15, 2017, at approximately 2339 hours, I, Ptl. Moore #538, was dispatched to 18902 Fairway Ave. for a call regarding a vehicle that had driven onto someone's treelawn.

Upon arrival, I observed tire tracks in the front lawn of 18902 Fairway Ave. I spoke with Michael Jones, who stated that while pulling his car into the driveway of his residence at 18818 Fairway Ave., he made a mistake and drove onto the treelawn of his neighbor, hitting a bush in the process. Michael's family stated that he is grieving from the loss of a family member this morning and may be attempting to harm himself. Michael stated that he was ok and not attempting to harm himself. Michael's family stated that they will contact us if Michael attempts to harm himself. Officers spoke with the neighbor who owns the bush that was struck. He wished nothing done against Jones.
