On February 2, 2017, at approximately 0119 hours, I, Ptl. Augustyn #536, was dispatched to 16109 Edgewood Avenue for a report of an assault. Dispatch

advised me that the suspect had already fled the scene. Upon my arrival, I met with Kadasia Hudson. Kadasia stated that her ex-boyfriend, Brandon Moore, was over her residence. While he was over, he was asking her for forty dollars that she owes him. Kadasia stated she did not have the money. Brandon then took an Amazon Firestick and an Apple Iphone that belonged to Kadasia. He left the residence and Kadasia followed him outside. Brandon got into his vehicle and Kadasia reached inside in an attempt to get her items back. Kadasia stated Brandon then grabbed her by the neck and choked her. Kadasia suffered a scratch on her wrist on the incident. She stated she wished to pursue charges and I advised her to respond to the station to complete a statement. Kadasia did not respond to the station. As of now, this incident will only be documented. #536

Dispatch did not advise Officer Augustyn of the warrant until after he cleared the scene. We were unable to make further contact with her, so she was not arrested for her warrant at this time. BK508

On Thursday February 2, 2017, at approximately 0139 hours, I, Ptl. Augustyn #536, was dispatched to 5065 Cato Street for a report of an auto theft. Upon my arrival, I met with Courtney Ward. Courtney advised me that Allyssa Hall-Jordan, a resident at the house, had her vehicle stolen while it was warming up in the driveway. While speaking with Courtney, dispatch advised me that the vehicle in question was involved in an accident in Garfield Heights and the owner was on scene. I advised Courtney that only the owner of the vehicle could report it as stolen. Allyssa responded to the Maple Heights Police Department at approximately 0345 hours. I spoke with her about the incident. She stated that earlier in the day she returned home and parked her vehicle in the driveway. She went back outside at approximately 0030 hours and noticed her vehicle was missing. She then went out with her wife to attempt to locate the vehicle. She stated she saw fire engines in Garfield Heights and stopped to see if they were with her vehicle. Garfield was with her vehicle. I spoke with an officer from Garfield Heights Police and they advised me the ignition was not peeled and that they observed no physical evidence indicating it was stolen without keys. I asked Allyssa about how she believed it was stolen and she stated she believed she either dropped the keys in the parking lot or accidentally left them in the vehicle. The vehicle was not entered stolen because Garfield Hts. PD towed it. At this time there are no other witnesses to this incident. #536

OWNER OF THE PIZZA STORE IS REPORTING SOMEONE IS CALLING THE STORE, HARASSING EMPLOYEES AND PLACING FAKE ORDERS.

Papa Johns received a call for a large order and was asked to deliver it to the Suburban Vet Clinic at 5257 Warrs. Ctr. Rd. When the driver got there two other pizza delivery persons were there. The two female receptionists did not order the pizza. The complainant stated it was a male that ordered the pizza. The order came from cell phone number 216-413-1161 and gave a call back number of 216-835-8546. I called the 413 number and spoke to a person identifying herself as "Anna." She stated that she had lent her cell phone to a neighborhood kid and said they lived on Beverly Avenue. When I asked her for her address and the kids addresses she would not give them to me. She could only tell me that his name was "Steven" and his mother's lastname was Chapman. She gave me a telephone number for Ms. Chapman 216-990-6991. "Anna" then said hold on a second and hung up the phone. Upon call back it went to voicemail. I could not find anything on Steven Chapman or the telephone numbers. Upon calling the 835 number, it went to voicemail and it stated it belonged to a Harold but the voicemail box was full. I was not able to locate anything on the 835 number as well. MB512

FEMALE IN THE LOBBY IS A WORKER WITH THE MENTAL HANDICAPPED AND WOULD LIKE TO SPEAK TO AN OFFICER ABOUT AN INCIDENT THAT TOOK PLACE BETWEEN 2 CLIENTS. THEY ALREADY HAVE AN INTERNAL REPORT DONE FOR COUNTY MRDD BUT SHE WANTS ONE ON FILE ALSO.

On Wednesday, 2-8-17, at 0947 hrs, I, Ptl. Carmine #535, was dispatched to the MHPD Lobby for a report of an incident that took place at the Maple Heights Adult Activities Center, located at 14775 Broadway Ave. I spoke with the complainant, Ashley Thomas, who stated her client, Tracey Nelson, who is mentally retarded and suffers from multiple other mental illnesses, reported to her that on or around Thursday, 1-19-17, she was assaulted by a male named Brandon Shaw at the MHAAC while outside eating lunch. Tracy stated Brandon cut the side of her neck with a knife. Tracy had two small scratches according to her mother, Trudy Ward. Trudy reported the incident to Ashley on Thursday, 1-26-17, and a report was sent to an MIU worker by Ashley. Ashley stated when she spoke with Tracey she told her they were inside of the building in the work line when the incident occurred. Ashley stated Tracey changed her story again when speaking with the MIU worker and told them she was inside eating lunch when it happened. Ashley stated when she spoke with Tracey after she spoke with the MIU worker that she recanted her story and told her she scratched herself accidentally and that Brandon never assaulted her. Ashley stated she simply needed the incident documented. AC535

UPON APPROACHING THE VEHICLE THERE WAS A STRONG ODOR OF RAW MARIJUANA COMING FROM THE VEHICLE. MR JONES WAS CITED FOR POSSESSION OF MARIJUANA AND DRUG PARAPHANELIA (ANB)

The license plate on the vehicle showed in LEADS as nothing in file. The license showed GBI1205. The driver was identified as Lugene Jones III. Lugene was the only occupant in the vehicle. A strong odor of marijuana was emanating from the vehicle. After being asked if there was marijuana in the vehicle Lugene advised that he had smoked it already. Lugene was advised that due to the strong odor of marijuana a probable cause search would be done on the vehicle. At that time Lugene handed me a mason jar containing 47 grams of marijuana and a plastic container with 3 grams of marijuana. After i spoke to Lugene and smelled the strong odor of marijuana I learned that the license plate was specialized and was actually GBI 12(O)5. during the probable cause search of the vehicle a digital scale with marijuana residue and a marijuana grinder were located. Lugene was summonsed to appear in Maple Heights Mayors Court for Possession of Marijuana and Drug Paraphernalia. PH520

MALE IS IN THE LOBBY TO REPORT A STOLEN WALLET

The complainant suspects that he lost his wallet in the parking lot of the Sunnyslope apartments last night when he was walking from his car to his apartment. The complainant's bank, Fifth/Third Bank called him and advised him that there were several charges on his Fifth/Third credit card and debit card at GetGo, two separate Walgreens and Magic Hair and Beauty. The complainant told them that he did not make those purchases. The only paperwork the complainant had was what he wrote down from what the bank told him. I advised the complainant to fill out the affidavit that the bank sends him and to bring in his bank statements showing the exact date and time the cards were used. The complainant stated he would do as I advised. The complainant will contact me when he has his bank statements so I can follow up further. MB512

ALARM COMPANY REPORTING EMPLOYEES ON SIGHT AT THE BANK HAVE SOME GLASS BROKEN AND NOTIFIED THE ALARM COMPANY REQUESTING POLICE ASSISTANCE.

There is broken glass to the side of ATM that appears to have been cause by a bullet. The side of building also appears to have strike marks from the bullet and also All Stars appears to have a strike mark under the window. No casings or bullets could be located. The bank believes this occurred before the bank opened this morning. In speaking with Adonis Horne at All Stars he claims they had no trouble last night and was unaware of any gun fire. He saw the strike mark but thought it was a pry mark from a crow bar. The bank security is going to check surveillance video as well as All Stars. They will call if they find anything. Photos were taken of damage and downloaded into the call for service report. MG503

On 02-11-17 at 0106 hours, dispatch advised that the male subject in question left the residence and went toward Northfield Rd. I was Northfield and Gardenview and observed the vehicle. The vehicle turned North on Northfield Rd. and then west onto Kenyon. I activated my overhead lights, but the vehicle did not stop. I then activated my siren, but the vehicle still did not stop. The vehicle finally stopped at the stop sign on Kenyon and Prayner, but then turned southbound on Prayner. It stopped again at the stop sign on Prayner at Gardenview and then turned east bound on Gardenview. I activated my siren once again, but the vehicle did not stop. I realized that the driver was driving back to his residence on Gardenview. I continued to follow the vehicle with my overhead lights on until it pulled into the driveway of 21409 Gardenview. The driver (later identified as Mardell Christian) began exiting the vehicle. I ordered him back in the vehicle, but he refused to listen to me. He asked why and continued to exit. The side door to the residence was about 3 feet away and I did not want Mr. Christian to flee into the residence. I grabbed him by the left arm and escorted him to my patrol vehicle. Mr. Christian was arrested for fleeing from police officers. I did not observe any obvious signs that Mr. Christian was to intoxicated to drive. He was not slurring his speech and did not have an odor about his person of an alcoholic beverage. Mr. Christian was just being rude and uncooperative. He was issued a citation for Fleeing, DUS and failure to wear his seatbelt. His bond was set at \$3500.00. BK508

MALE IS REPORTING MISUSE OF HIS CREDIT CARD BY HIS 27 YO SON. CARD IS IN THE COMPLAINANTS NAME.

On Monday, 2-13-17, at 0849 hrs, I, Ptl. Carmine #535, was dispatched to 19313 Beverly Ave. for a report of fraud. Upon my arrival, I spoke with the complainant, Thomas Simmons Sr., who stated while he was incarcerated from 3-15-16 until 2-12-17, his son, Thomas Simmons Jr., misused his bank accounts and credit cards while he was incarcerated. Thomas stated he gave his fiance, Joyce Bartu, permission to handle his accounts while he was in prison, despite the fact that they were not to be in contact since he was arrested for domestic violence. Joyce stated she was unable to handle the burden of dealing with the finance while Thomas was in prison because of her father's death. Joyce stated she delegated the finances to their son, Thomas Jr. The financial documentation that Thomas presented to me did not have any information to follow up on other than what banks and creditors that were involved. I called Thomas Jr. on the phone and spoke with him regarding the incident. Thomas Jr. stated he only payed the bills for the utilities and other bills that were always paid by the account his father allotted for those expenses. I looked over that account and the only transactions that took place for that account were to pay the bills that were paid prior to Thomas Sr.'s incarceration. I advised Thomas to contact the banks and creditors that were involved and start an investigation with them and if more evidence was obtained that a report would be filed at that time. AC535

Anthony was upset because his mother was physically discipling his younger sister. The sister had no physical signs of abuse and stated she was being disciplined. Anthony wanted to leave his home and live elsewhere. His mother allowed him to stay with his cousin, Diane Berry, for the night to alleviate Anthony arguing with her. Parties were advised parental disciplinary rights and on DV law. Mom was also advised on filing unruly charges and following up with Anthony's juvenile probation officer for his pending cases. OFFICER AUGUSTYN TO COMPLETE DISPO. GOA/UTL ON THE MALE

On Tuesday February 14, 2017, at approximately 1837 hours, I, Ptl. Augustyn #536, was dispatched to 14129 Pease Road for a report of a male assaulting a female. Dispatch advised responding officers that the male left the scene and was walking toward Granger Road. Upon my arrival, I spoke with Brittany Cooper, the victim. Brittany stated her boyfriend, Stanley Scott (4-23-81), assaulted her over an argument. Brittany had a small laceration above her left eye. She advised me Stanley does not live with her and they have no kids together. Both of Brittany's parents witnessed the assault. Brittany did not wish to press charges but did want police to advise him of criminal trespass. I contacted Stanley (216-225-2738) and advised him of criminal trespass. Brittany signed a waiver of prosecution form. #536

CALL HELD DUE TO 170011907

HNH

On February 15, 2017 at approximately 1645 hours, I, Ptl K. Moore #538, was dispatched to Longwood Beauty, located at 5234 Northfield Road, Maple Heights, OH for a follow up investigation regarding a theft.

Upon arrival, I spoke with Chongwoo Son, a Longwood Beauty employee.

Chongwoo stated that on 2/13/17 at approximately 1821 hours, 4 unidentified juveniles came into the store and stole several items (Reference: 17-0011371). At that time Chongwoo was unable to identify any of the juveniles. However, Chongwoo stated that she asked around and was able to identify one of the juveniles as Anthony Robinson, who lives at 20609 Hansen Road. Chongwoo stated that she drove to the residence and spoke with Anthony's mother, Yolanda Russell. Yolanda stated that Anthony wasn't at the residence and was transported by Ptl. M. Russo #530 to 9914 Way Ave, Cleveland, OH 44105, on 2/14/17 (Reference: 17- 0011460). Yolanda stated that Anthony did not have a cell phone and that she could not contact him. Chongwoo stated that she did not wish to pursue charges against Anthony. However, Anthony's description matches one of an individual who has stolen items from several beauty stores in Maple Heights.

POV footage of Chongwoo's statement was burned to a DVD and placed into evidence. The store did not want to prosecute at this time but was advised of procedure to file theft charges with juvenile court.

The driver, Barbara Lundy, originally provided me with the license number UB964646, Shaleshean Strickland. After reproaching the vehicle and having the driver stope out due to the odor of burnt marijuana coming from the vehicle. While searching the vehicle, I located multiple, Ohio license's in the driver's wallet. The driver admitted she was Barbara and she provided false information. I located a marijuana cigar and an marijuana grinder in the center console. Barbara was issued multiple citations. CWF528
