OFFICERS WILL BE CONTACTING CHILDREN & FAMILY SERVICES ABOUT THE DEPLORABLE LIVING CONDITIONS OF THIS CHILD. (MG)

On 02/16/2017 at approximately 1603 hours, I, Ptl. Frazier #540 and other officers responded to 19269 Stockton for a report of an autistic female walking outside without a shoes or a coat on.

Upon officers arrival, we spoke with a male at 19272 Stockton. He stated his mother called him and told him their neighbor, Leanna Carter was walking Westbound on Stockton, Leanna did not have on shoes or a coat. The male approached Leanna and he was able to keep Leanna in his vehicle until officers arrived.

I responded to 19269 Stockton to speak with the guardian of Leanna. The front door was wide open and the smell of feces was over bearing. I knocked on the door several times and I identified myself as Ptl. Frazier with the Maple Heights Police Department, I did not get a response. Ptl. Faunce #528 and Sgt. Voll #188 did a protective sweep of the residence. Inside the residence, they located a bedroom in the Northeast corner of the residence. On the front door of the bedroom, there was a name that read Leanna. The bedroom was covered in feces. Photographs were taken of the bedroom and attached to this sheet.

Leanna's mother, Theresa Carter responded to the residence. She stated Leanna was left with her daughter, Leekaya Carter. Leekaya allegedly went to the second floor for a short period of time and when she returned to the first floor, Leanna was gone from the residence. Leekaya allegedly went outside searching for Leanna, however, when I spoke with the neighbor, he stated his mother saw Leanna walk out of the front door of 19269 Stockton Ave, he immediately approached Leanna and put her in his vehicle and called 911. He did not see anyone else leave from the residence. Theresa was asked about the feces in Leanna's room and she stated Leanna does not sleep in the bedroom, instead she sleeps in the basement, however, there is not a mattress in the basement.

Leekaya responded to the residence, she was dropped off by an unknown party in a white SUV. Leekaya stated she turned her back for a short period of time and Leanna left the home. I asked where Leekaya was coming from and she said Southgate plaza. I asked her was she there for the entire time officers were at her residence, which was approximately for thirty minutes and she said yes. This is consistent with Leekaya leaving Leanna alone in the residence, and Leanna leaving the residence while Leekaya was gone.

The Maple Heights Rescue Squad responded to the scene and transported Leanna to Marymount hospital. Ptl. Faunce responded to Marymount hospital and informed the nurses and doctor of the situation. They are going to notify the Board of MRDD. DF#540

The complainant advised that her daughter, Cashae L Anderson, left their residence yesterday (02/16/2017) sometime after school. She stated she never returned home. She called Cashae's friend's, Tariana, mother, Ebony, and spoke to her. She stated late last night Ebony advised her that Cashae was at her residence. Cashae was supposed to come home in the morning. The complainant advised that Cashae called her today at approximately 1130 hours from a private number and advised her that she was at Kalahari. The complainant advised that Cashae does not have a cell phone at this time because she took it away for bad behavior. I spoke to Ebony, who advised that Cashae left her residence this morning and told her that she was going home. Ebony advised that she did not have any contact information for Cashae. I contacted the Erie County Dispatch Center and requested that Sandusky Police check Kalahari for Cashae. The complainant completed a missing persons packet for Cashae Anderson. REF#170008664

The complainant advised that when she woke up she saw that her daughter, Desiree Davenport, was not at home. She stated she had to take her other child to the dentist office so she didn't call the police. She stated she recieved a call from an unknown male telling her that Desiree was with him and his wife. She advised that the male advised that he would bring Desiree home at 3 pm when there was supposed to be a social worker at the residence. The complainant gave me the number that the male had called from. I spoke to a male who advised me that his wife could explain the situation better. I spoke to Lakysa Mack, who advised that Desiree Davenport had arrived at her house at approximately 0100 hours. She stated Desiree advised her that her mother was abusing her and asked to stay at her house. Lakysa stated she called desiree's mother and advised her that Desiree was at her house. She stated that Desiree's mother told her that she didn't want her to bring Desiree home. Lakysa then called Desiree's probation officer to tell her that she was at her house. She stated the probation officer was unable to pick up Desiree. Lakysa advised me that Desiree was still with her at 4264 E. 124th St. in Cleveland. Cleveland Police were requested to go the residence to check on the welfare of Desiree. The complainant's grandfather, Todd Love, was advised to respond to the residence to pick up Desiree. PH520

On Sunday, 2-19-17, at 0825 hrs, I, Ptl. Carmine #535 was dispatched to 20617 Raymond St. for a report of a female harrassing the complainant. Upon my arrival I spoke with the complainant, Shawntee Greene, who stated the mother of the male who robbed her son was at her residence and she did not know why she would come bother her. Shawntee stated the female, later identified as Yolanda Russel, stated she did not know why anyone would accuse her son of a crime because he was at home on the day of the incident. Shawntee stated Yolanda did not make any threats but what was going on and made her feel threatened. I asked Shawntee if she wanted me to advise Yolanda of criminal trespassing. Yolanda was currently at the Maple Heights Jail visiting her son, I arrived while she was still in the jail and I advised her of criminal trespassing as well as everyone else in the residence. I also advised Yolanda that she could be charged with crimes if she continued to contact Shawntee and her family. AC535

MARCELL PERKINS CAME INTO THE LOBBY AND REPORTED HER TELEVISION TAKEN BY RENT A CENTER BY MISTAKE. THE TELEVISION WAS TAKEN LAST FRIDAY 2-17-2017.

Compl states Rent A Center came to her home while she was not there to repossess a 40" RCA flat screen TV (Model# PLD40A45NPS, Serial # PL40A45A204802). Perkins was not at home at the time and her friend who did not have knowledge of which television they were to take and the employees grabbed her 42" RCA television which belonged to the compl. She contacted Rent A Center and they confirmed that their employees took the wrong TV, but stated they would not return her TV until they got their TV from her. Compl stated she will be taking the 40" TV belonging to Rent A Center to them on 02/20/17 and attempting to get her TV back from them. I attempted to contact Rent A Center to make sure both parties have a mutual understanding, however, got no answer. She was advised to contact Ptl. Allen if they do not return her TV when she gives them their TV and further investigation will be conducted. For now Compl wants this documented. GRA519

On February 19, 2017 at approximately 2225 hours, I, Ptl K. Moore 538, was dispatched to 20612 Hillgrove Avenue for a call regarding residence which just had a brick thrown through it.

Upon arrival, I spoke with Delbert Artis, who stated that while he was downstairs in the basement he heard a loud crash as if glass had been broken. Dover went upstairs to find two large rocks on the living room floor and two large holes in the living room window. Delbert stated that his two-year-old son, Miles Artis, was lying on the couch just in front of the window where the rock had been thrown. Miles was not hurt. Officers spoke with the neighbor at 20615 Hillgrove Avenue, who stated that she observed to small framed juveniles laughing and fleeing the area heading westbound on Hillgrove Avenue. Officers checked the area but were unable to locate the juveniles. Delbert stated that it was possible that the mother of his child, Christina Artis, could have "paid someone" to throw the rocks through his window. However, there was no evidence supporting this.

DRIVER/OWNER: CHRISTINA D. BALDWIN 07-12-78
PASSENGER: LAURIE S. WALLER 04-23-67

On 02/21/2017, at approximately 1034 hours, I Ptl. Wilson #534, observed a dark colored Volvo (OH Reg GXR-4637) travelling westbound on Broadway Ave. from Libby Rd. with a cracked windshield. I conducted a traffic enforcement stop on the vehicle and spoke to the driver, Christina Baldwin, and the passenger, Laurie Waller.

Christina stated she knew the windshield was broken, and thought she would be pulled over for it. While speaking to Christina she was visibly nervous and shaking. I asked Christina if she had anything illegal in the vehicle and she stated "no, you can search if you want". A short while later Ptl. Ponyicky arrived on scene. I conducted a search of the vehicle and I located a red straw in her purse with a white residue on it. (indicating drug abuse)

I asked Christina about the straw, and she stated the white powder was Adderall. Christina stated that it belonged to her sister who was not there, and she could not explain how the straw ended up in her purse. I asked Christina if she had any other contraband on her person, and she stated she had another straw that she put in her bra when she was getting pulled over. Both straws were collected and entered into evidence.

Christina was issued a citation for Drug Paraphernalia, and was advised of the cracked windshield. cw534

MOTHER/ LAVETTE M. COGBURN 03-07-81
DAUGHTER/ HAYVEN CRAWFORD 04-22-10

TEACHERS: ELIZABETH ROWAN AND ROCO COVELLI (MC)

On 02/21/2017, at approximately 1051 hours, I Ptl. Wilson #534, responded to the Maple Heights Police Department for a report of an assault.

I spoke to Lavette Cogburn, who stated on 02/15/2017, her 6 year old daughter, Hayven Crawford, was assaulted by a teacher at Abraham Lincoln Elementary School 6009 Dunham Rd. in Maple Heights. Lavette stated she was given a letter by a bus driver on 02/17/2017, that her daughter had to be restrained due to being physically aggressive and hitting a teacher. Lavette stated that Hayven had a bruise on her left arm and a mark on her forehead.

I spoke to Hayven and asked her what happened, and she stated she was being bad at school and was held with her arms across her body by teachers. Hayven denied assaulting the teachers. Lavette was highly upset with the school because she felt that the school should have notified her right away her daughter was physically restrained and she did not believe the school should have physically restrained her daughter. I explained to Lavette that I would speak to the teachers and ask what happened, and Lavette stated she wanted a police report. I explained to her that the incident would be documented, but she needed to follow up with her concerns to the school board. I explained to Lavette that if her daughter was being physically violent and the teacher restrained her to protect her and the students, the school board would need to determine if the teachers acted within policy. If the teachers did not, the school would contact police. Lavette was not happy with that answer and gathered her belongings to leave. Lavette would not allow me to take pictures of her daughter, or make a copy of the letter she was provided by the school about the incident. I informed Lavette I would contact the school, and she advised me that I did not need to, and that she would let her lawyer handle it. Lavette did not mention taking her daughter to any medical facility from reported injury. Ptl. Wilson recorded interview with Lavette and Hayven on POV.

I then made contact with the Principal of Abraham Lincoln Ms. Besteder. Ms. Besteder stated that the date the incident occurred she attempted to contact Lavette several times but the phone went right to voicemail and she could not leave a message. Ms. Besteder advised the teachers involved were Elizabeth Rowan who is the school psychologist and Rocco Covelli the gym teacher. Ms. Besteder advised that both teachers acted appropriately to handle the situation and that they did not leave any marks on Hayven. Ms. Besteder advised she would make the situation known to Superintendent Dr. Keenan. Ms. Besteder was provided the report number of this incident. cw534

On Thursday, 2-23-17, at 1328 hrs, I, Ptl. Carmine #535, was dispatched to Circle K, located at 5270 Northfield Rd., for a report of a male that was acting disorderly bothering customers. Upon our arrival I spoke with the employee, Tawana Knight, who stated her daughter, Mercedes Conkle, was being harrassed by the male, later identified as Donald White. Tawana stated she observed Donald trying to take a can of beer from the cooler and she told him to put it back and to leave. Mercedes stated she went outside of the store and Donald asked her for money. Tawana told Donald to leave the property at that time. Ptl. Hobart #520 located Donald in front of Rainbow Muffler, located at 5130 Northfield Rd., and found a 24 oz. can of Ice House Beer valued at \$1.10 in his shirt. Upon viewing the security camera footage at Circle K I observed Donald placing the 24oz. Ice House Beer in his shirt and exiting the store without paying for the item. Donald was arrested for disorderly conduct while publicly intoxicated and theft. Donald also admitted to Ptl. Hobart that he was asking customers for money while at Circle K. AC535

I arrived on scene and met with the bus driver and grandfather who were standing on the sidewalk talking. The bus driver stated she stopped at Raymond and Lee Road to drop off a student. The bus driver stated she has a system of dropping the students off. This consists of stopping at the location, speaking with the parent or guardian and asking which child they need to pick up. She does this because too many kids get off the bus at one time when it is not their stop. The grandfather had a disagreement with the bus driver about the system and boarded the bus. The grandfather got into a verbal altercation with the bus driver, but did not make any threats of violence. The school's business supervisor arrived on scene. The supervisor stated they would review the bus footage and deal with the matter accordingly. All parties left the scene.

15YR OLD FEMALE HIT HER HEAD ON THE PAVEMENT BECAUSE THE CALLER TRIED TO FORCE HER IN THE CAR. CALLER IS THE FATHER AND SAYS SHE'S ON PROBATION. FEMALE IS NOT BLEEDING.

On Friday February 24, 2017, at approximately 1940 hours, I, Ptl. Augustyn #536, was dispatched to 5144 Stanley Avenue for a report of a female lying in the roadway. Upon my arrival, Martiana Foster (16 y/o) was lying on the shoulder of the roadway. Next to her were her two parents. Martiana's mother stated Martiana was walking down Stanley Avenue. She approached Martiana and advised that she was on probation and she could not run away. Martiana's mother grabbed her coat jacket and she unzipped her coat and attempted to run away. Martiana tripped over a stick and fell on the ground hitting her head. Martiana did not have any visible injuries but appeared to be confused. EMS was called to the scene and transported her to Marymount. #536

CALLER REPORTING HER HUSBAND IS THREATENING HER WITH A CLOTHING IRON. HE IS NOW IN THE BASEMENT. WIFE REPORTED SHE THREATENED HIM WITH THE IRON FIRST, THEN ADVISED HE CHOKED HER. WIFE REPORTS THERE MAY BE A GUN IN THE HOME, SHE DOES NOT KNOW WHAT KIND OR WHERE IS, POSSIBLY IN THE BEDROOM.

SPEAKING FURTHER WITH THE WIFE SHE ADVISED THE HUSBAND ATTEMPTED TO SEXUALLY ASSAULT HER PRIOR TO CALLING 911.

HUSBAND IS ON THE PHONE WITH A FAMILY MEMBER AND NOT CAUSING A DISTURBANCE, WIFE IS UNCOOPERATIVE.

HUSBAND KYLE LEWIS 11/27/1968

Upon officers arrival I, spoke with the caller Tashira Hester. She related the following: prior to officers' arrival, her husband, Kyle Lewis choked her and attempted to put his penis in her mouth. I asked Tashira if she would provide detail as to what led to the incident and she stated she was not going to speak with me about the details to this event. She told Cpl. Basiewicz that she was seeing things and is in touch with the spirits around her. I asked Tashira if she took her medications for her mental disorder and she stated she was not prescribed medications. I asked her again and she stated she was prescribed medications, but she did not feel the need to take them because she was not crazy.

I spoke with Kyle. He stated he and Tashira were in their upstairs bedroom. Tashira grabbed their iron off of the dresser and stood still and stared at him. Tashira put the iron down and sat on the bed next to him. Tashira got off of the bed and picked up the iron a second time. Kyle stated he stood up and asked Tashira if she was thinking about hitting him with the iron. Her response was, you're going to die tonight. Kyle stated he restrained her by guiding her down on the bed, and then he took the iron away from Tashira. I asked Kyle if he choked Tashira and he stated no. I also asked him if he put his penis in her face and he denied the accusations.

I asked Tashira if she attempted to hit Kyle with the iron and she said no. I asked Tashira if she told Kyle that he was going to die tonight and she said yes, because her spirit overcame her. I asked her if she was seeing spirits at the moment and she stated she is always in touch with the spirit.

Tashira did not have bruises showing signs of a struggle. Her clothes were neat. Cpl. Basiewicz went to the upstairs bedroom with permission from Kyle, there was no sign of a struggle.

I asked Tashira if she wanted to pursue charges against Kyle and she stated no. I asked Kyle if he wanted to pursue charges against Tashira and he stated no. To keep the piece, Kyle left the residence for the night until things calmed down. DF#540

MALE IN THE LOBBY REPORTING THAT HIS BROTHER LIVES THERE AND IS BEING HARASSED BY JUVENILES THAT LIVE SOMEWHERE DOWN THE STREET.

PTL. CARMINE GOING TO CONVENIENT ON DUNHAM FOR FURTHER INFORMATION @ 1709HRS

On Monday, 2-27-17, I, Ptl. Carmine #535, was dispatched to the MHPD Lobby for a report of a male who was being harrassed by juveniles that lived down the street from him. The complainant, James Szoke, stated his brother, Robert Szoke, is disabled and has been continually harrassed by juveniles that reside somewhere on the western portion of Reddington Ave. James stated that Robert goes for walks as part of his therapy and that is his only means of transportation. James stated during the walks a group of juveniles in the area follow him and throw things at him, and they have kicked the door to Robert's residence and broke it. James stated they did not know where the juveniles lived specifically but that he would try to find out. James stated he wanted to make sure the issue was documented in order to try to stop the problem from escalating.

I also spoke with the employees at the Convenient located at 5514 Dunham Rd. because Robert was involved with an incident there on 2-25-17 at approximately 1430 hrs involving the juveniles in question. I viewed the security camera footage and could observe 2 juvenile black males approximately 10 years old. The males could not be positively identified but the employees stated they would call back if they identified the juveniles. James asked that the area be watched for the juveniles causing problems as well. AC535

On Monday, February 27, 2017, at 1958 hrs., I, Ptl. Jividen #537, along with other officers was dispatched to 5138 Thomas Street for the report of a male, Eric Mattox (DOB: 12/06/1990,23 y/o male) who was reported to be acting abnormally.

The complainant, Antoinette Mattox, stated over the past two years Eric's (her son) demeanor has gradually changed and he has said things that do not make any sense. Eric recently stated "he has a million dollars in his room, Antoinette is not his mother, and he owns several houses." Tonight, Eric continued this behavior but in addition became very angry and got into a verbal altercation with his brother. Antoinette stated Eric needs a mental evaluation.

Officers found Eric's bedroom locked when they knocked on it. Antoinette stated Eric was in his room. Officers announced their presence to Eric several times, and asked him to come to the door but did not get a response. Officers made forced entry to Eric's door. Eric was not inside. Officer's believed Eric left through the back door that was connected to his bedroom.

Antoinette stated Eric has a friend, Tyler Clark, who she believed Eric may have gotten a ride from. Clark was reported to be driving a black SUV with Ohio temp tags. Dispatch ran Clark through LEADS and showed Clark at the following addresses which officer's checked, 5165 Arch Street, 5114 Thomas Street, 144 Talbot Street (Bedford) 16000 Shirley Avenue. Officers were unable to locate Eric or Clark.

Antoinette filled out the missing person's packet, but did not complete the facebook release or dental information due to not knowing the required information. Antoinette provided officers with a current picture of Eric. The picture was printed and attached to the missing persons packet. The packet was forwarded to dispatch. Eric was entered into LEADS as a missing and endangered person (LID# 08152176). Eric was described as a 5'6", 190 lb, black male with brown hair (short afro) and brown eyes. Eric had a moustache with scruff. Eric does not have any distinguishing marks. Eric was last seen at 2000 hrs., at his address (5138 Thomas St) in his bedroom. Eric was wearing grey pants and a red hoodie.

Officer's obtained Eric's cell phone number (216-640-1821) and contacted the carrier, Sprint. I spoke with Robert from Sprint and he stated Eric's phone was shut off and they were unable to ping it.

Upon my arrival, I spoke with the complainant, Yasmin Guzman, who stated while she was working a black male approximately 6'02" with a white and black beard, a winter hat that said "Cleveland Security", a black uniform with a black bullet proof style vest, a pistol on his belt walked in and stated he was there to be the security for the store. Yasmin stated she asked to see his credentials and the male refused to show any identification. The male exited the store in a hurried fashion and immediately entered a vehicle, a white 1980's model Chevy Blazer with heavy amounts of rust to the body and a green oscilating light on the roof bearing OH license #FUM1451. The male left traveling southbound on Northfield Rd. Officers checked the area but did not locate the male. The license came back to a Nissan sedan, however. <p>Vehicles Involved: DPD8202 OH 1G1ZC5E15BF312398 CHEV LT GROSSMYER OUT ON A CITIZEN COMPLAINT MR. BRANTSCH OF THE MAYOR'S OFFICE INDICATED THAT A FEMALE LATER IDENTIFIED AS GWEN MILLINER CAME TO CITY HALL AND COMPLAINED ABOUT THE REFUSE COMPANY THAT PICKS UP IN THE CITY. MS. MILLINER LATER CALLED THE SERVICE DEPARTMENT AND MADE THE SAME COMPLAINT WITH THE SERVICE DEPARTMENT SECRETARY. DURING THEIR CONVERSATION, MS. MILLINER MADE THE COMMENT THAT SHE WOULD HAVE TO GO OUT AND PURCHASE A GUN.</p> <p>I Lt. D. Grossmyer #165 responded to 5318 Thomas Street and made contact with Ms. Milliner. At that time she again indicated that she felt that the "garbageman" was placing her garbage can in the middle of her driveway apron. It was at this time that I advised her that she would have to contact the refuse company regarding her complaints. She stated that she has in the past and would continue.</p> <p>When asked about the comment regarding the handgun, Milliner stated that at no time did she make any threats to anyone or stated that she would get a gun regarding this matter. Ms. Milliner stated that she had made several comments and indicated that she stated that she feared for her safety and would be going to attend a CCW class so that she could obtain a handgun for her personal protection. I gave her advice on how to document each incident and how to present her complaint to the refuse3 company. DMG165</p>

On Tuesday, February 28, 2017 at 2228 hrs., , Ptl. Jividen #537, was dispatched to 5574 Dalewood Avenue for missing juvenile report.

Upon arriving on scene I met with the stepfather, Joseph Eff, who stated his step-son, Terrell Ligon (DOB: 09/19/2004, 12 y/o male), has not returned home. Eff stated it is unusual for Terrell to be gone without calling and letting his family know where he is. Eff stated Terrell has no reason for running away or not returning home. Eff is unsure where Terrell could be.

Eff stated Terrell was last seen at 1700 hrs., walking northbound on Dalewood Avenue towards Mapleboro Avenue. Eff stated Terrell was supposed to go and play basketball with his friends. Eff does not know any of Terrell's friends or where they live. Eff said he was going to get in contact with other family members that live in the area to see if he may have gone to one of their houses.

Terrell was described as a 5'5", 120 lb black male, with short low cut black hair and brown eyes. Terrell was last seen wearing blue jeans, black shoes and a grey hoodie. Terrell does not have any scars or distinguishing markings. Terrell does not have any medical or mental conditions.

Eff completed a missing person's packet, but did not fill out the facebook waiver because Terrell does not have a facebook. Eff provided me with a current picture of Terrell. The picture was printed out and attached to the missing person's packet.

Terrell was entered into LEADS with a LID # 08154021. Eff was advised to contact the Maple Heights Police Department if/when Terrell returns home.
