DRIVER / OWNER CITED FOR DUS. AE.

While searching for the suspect vehicle from MA17-0019817, I observed a black vehicle pulling out of a driveway on Nitra. I was traveling on Maple Hts. Blvd and continued across Raymond. I slowed to watch to see where the black vehicle was going. The vehicle turned off of Maple Hts. Blvd onto Raymond and failed to stop at the stop sign at Raymond. I turned onto Warrensville Center and went back towards Raymond to confirm this was not the vehicle in question. As I approached the intersection, I observed the vehicle slow on Raymond, but not stop for the red traffic light at Raymond and Center. The vehicle also did not use it's turn signal. Once on Warrensville Center Rd., the vehicle accelerated rapidly, greater then the posted the speed limit of 25mph. I was finally able to catch up to the vehicle on Center at Clare. The driver, Justin Stich, stated he was going the speed limit and did stop for the stop sign. Mr. Stich stated he was trying to make it to Wendy's before it closed. Mr. Stich was issued a citation for driving under suspension. He refused to take his citation and argued about his car being towed. After about 10 minutes of being confrontational with Officers, the female that came to pick him up, stated she will take the ticket and make sure Mr. Stich

On Friday, March 17, 2017, I, Ptl. C. Faunce #528, and other officers responded to the area of Lee Rd. and McCracken Rd. for a report of a male lying in the street. While responding, dispatch stated the male had been placed into a back dodge charger. I located the charger in the driveway of 5062 Lee Rd. The passenger was highly intoxicated and could not provide his information. The driver stated the male would not stay in the car and continued to try to get out. The unidentified male continued to try and get out while we were attempting to identify him. The male was eventually brought back to the Maple Heights Police Department. Once the male was in light we were able to see a mark on his head and a lump from hitting the ground. The injury occurred in Cleveland when the male got out if the vehicle on Lee Rd. at McCracken. LT GROSSMYER RECEIVED A CALL FROM A COUNCIL PERSON STATING THAT IT'S BELIEVED THAT THERE IS NO WATER AND ELECTRICITY AT THE ABOVE HOUSE. REQUESTING WE CHECK ON THE CHILD'S WELFARE AT THIS HOUSE.

On Friday, March 17, 2017 at approximately 1532 hrs., I, Ptl. M. Russo responded to 5529 Thomas St. for a report that the residents there were living there

without running water or electricity. Upon arrival, I made contact with the male resident, Wilbur Herbert, who advised that they were living there with electricity and gas; however, they did not currently have running water. The juvenile, Xavier Herbert, appeared to be in good health and stated that he was ok. In speaking with Tammie Beal, she also stated that they were ok. I verified that they had electricity and gas. Wilbur allowed me to enter the residence and verify the gas stove turned on and operated correctly, that the heat was turned on and the inside of the house is warm. I also watched as lights inside the house were turned on and worked. The residents currently purchase fresh water from the store and use the water for drinking and bathing. The inside of the house was in overall disarray. The inside of the kitchen smelled of feces and was filthy. There were large amounts of trash piled up throughout the kitchen. Wilbur further advised that Children and Family Services had previously been out to the residence and they were currently working with the agency to have all utilities in working order. I attempted to contact CPS to verify if their agency was working with Tammie and Wilbur in regards to this matter; however, CPS stated that they would not provide that information to me. MPR530

A FEMALE CAME OVER TO THIS RESIDENCE TO START A VERBAL ARGUMENT. SEVERAL PARTIES ARE ON SCENE. NO WEAPONS. THE ARGUMENT, IS ABOUT MONEY

On Saturday, 3-18-17, at 1537 hrs, I, Ptl. Carmine #535, was dispatched to 14120 Summit Ave. for a report of a disturbance. Upon my arrival, I observed a group of adult females outside the residence arguing. I ordered everyone to separate and I asked what the issue was that caused the argument. A female, Lakeisha Barnhill, stated when she was out the night before, money totalling \$600.00, was stolen from her purse. Lakeisha stated the other female, Sharray Dove, took the money when they were at the Sunoco gas station, located at 5270 Warrensville Center Rd., however, she did not observe Sharray take the money and there was no other witnesses or evidence to corroborate the story. Sharray stated Lakeisha still had the money when they were at a bar in Bedford. Lakeisha stated she did not take the money and she did not know who did. This report will be FOI at this time due to lack of evidence. AC535

The complainant stated she used the upstairs restroom and stepped on a single baggie that contained one piece of what looked like crack cocaine. The complainant confronted her son about his drug use. The complainant and son got into a verbal altercation over the course of two hours. The complainant stated she went upstairs to go to bed and her son remained downstairs. During the course of the argument the complainant misplaced the single baggie which contained the crack rock. The complainant got a text from her son which stated "I wish I were dead." The son did not cause physical harm to the complainant nor did he threaten to cause her harm. The complainant wanted officers to speak with her son at her residence 21902 Clare Ave. Officers spoke with the son and arrested him on an active warrant out of Cuyahoga County Sheriff's Office. The son was transported to the Maple Heights Police Department where he was held for the Sheriff's Office. The mother was advised to continue to look for the suspected crack cocaine and if she found it, to bring it to the station.

Latisha stated the IRS advised her that she already had filed a tax return and received an amount of approximately \$8,000. Latisha denied filing the return and stated she believes the person who did her taxes for the 2015 tax season, Eianna Pique with Winners Tax Service, filed her 2016 return without her permission and received the return. Latisha did not have any paperwork with her at the time of reporting, and advised that the IRS was investigating the incident. Latisha will contact 534 when she receives the paperwork from the IRS. DISPO:
On March 20, 2017 at 1500 hours, I responded to 5260 Cato Street for a missing person's report. Upon my arrival I spoke with the complainant, Elizabeth Safady. Elizabeth wanted to report that one of the house residents by the name of Carol G. Goss went missing.

According to the Elizabeth, Carol was last seen at the group home on March 19, 2017 at approximately 0602 hours. Carol left stating she was going to church, located on the west side of Cleveland (unknown name). When Carol left she had her medication for that Sunday. Elizabeth stated as of March 20, 2017 Carol has not returned. Elizabeth stated after learning Carol did not return to the group home, she contacted Carol's legal guardian, Theresa DeMarco at approximately 1330 hours. Theresa was able to make contact with Carol on her cell phone. When Theresa spoke with Carol, Carol was yelling and not making any sense. Elizabeth stated shortly after Theresa spoke with Carol, Carol called the group home. Elizabeth believed Carol called around 1430 hours. Elizabeth stated when she spoke with Carol, Carol explained she took a ride with a veteran who raped her. Carol also stated she was on her way back to the group home via bus and that she was in the area of the casino.

Carol is 65 years old, approximately 5'2", 120 lbs. with brown/grey shoulder length hair and brown eyes. Carol was last seen at approximately 0600 hours at the group. Carol could possibly be wearing a long brown quilted coat, black boots, a beige hat and is known to carry a small black purse. According to Elizabeth, Carol does not have any tattoos, scars marks or blemishes. Carol was diagnosed with schizophrenia and bipolar disorder and is currently taking the following

medication; Ergocalciferol (50000 units), Furosemide (20mg), Hydrochlorothiazide (6.5 mg), Meloxicam (15mg), Oxcarbazepine (300mg), Trihexphenidyl HCl (2mg), Ziprasidone HCl (80mg), Aspirin (81mg) and Ibuprofen (200mg).

Note: Carol is known to have extreme mood swings and is very delusional.

Elizabeth completed a Missing Persons Packet that included a dental release form, which was not completed due to not knowing any of the information. Elizabeth did not sign the permission for Facebook Submission. She only printed "maybe" Carol Goss was entered into LEADS as missing. NS541

Taylor came to report that someone used her information to get electricity in her name from February of 2014 to March of 2015 at 5121 Lee Rd. The deed appeared to be transferred to Carolyn's business, Granting New Opportunities, in May of 2014. Carolyn then sold the residence in March of 2015. Ptl. COMP STATES A VEHICLE JUST PULLED ALL THE WAY INTO HIS DRIVEWAY AND STATES HE IS HIDING FROM THE POLICE

I, Ptl. Stolarik #542, observed a tan Buick traveling north on Dunham Rd. and I was able to observe a black male driving it. A random registration verification showed that the plate, GWS9737, was actually registered to a Chevrolet. As the Buick turned left onto Rockside, it immediately turned left into the first driveway in front of a long line of traffic that then blocked me from conducting a traffic stop. I then turned around and sat in the Board of education parking lot while observing the Buick. I observed a tall black male exit the passenger side and walk east on Rockside Rd. I then observed the driver, Clifford Williams, exit the vehicle with his daughter and walk to the front of the residence where they sat on the front steps. I observed the front door open and could observe Clifford speaking to the resident. A short time after this dispatch stated the male from the residence had called stating a male he didn't know was in his yard. At this time I made contact with Clifford who stated he was having car problems. It was found that Clifford was DUS and had two capias' (Warrensville Hts. and Macedonia). Clifford was cited for DUS and Fictitious plates and TOT Warrensville Hts. The Buick was towed by Kellys. The complainant was satisfied with our findings and wanted no further action. JGS542

Ray Cogburn was followed home today by Javian Lane while he was walking home with Marchantea Gordon, Javaria Gordon (Marchantea's younger sister) and Dajanay Royster. Ray stated that Javian told him that he was going to fight him. Ray did not want to fight Javian. Marchantea tried to keep Javian from fighting Ray.
Ray went straight home and shut and locked the door and remained in the house. He heard someone knocking on the door, and he saw Javian at the door but ignored it. Ray was upstairs and sometime later he heard glass break. He did not see anyone at the door, and he did not see who broke the glass pane on the side door. Nobody else saw who broke the glass.
Ray's mom, Morgan Sutton, does not wish to pursue charges at this time. She was able to locate Javian's mother on Facebook and she advised us she would be contacting her directly for compensation. No further police action is required at this time.

Dispo:

Ms. Hodge stated she held a meeting at the above address with the supervisors of the house today. She discussed that she wanted all the clients at the house to have the supervisor's phone numbers in their cellphones in case they get lost when they are out of the house. When she asked one of the clients, Vincent Smith, if he had the phone numbers in his cellphone, he stated he did not because he had an old phone. Ms. Hodge asked her employees why he had an old cellphone. They advised Ms. Hodge that he should have a new one. Ms. Hodge checked the log sheets that show what funds and supplies the clients get. The log for Vincent showed that an ex-employee, Callie Wood, wrote out that on 11/20/2016 Vincent received a new cellphone for \$60.00. Ms. Hodge checked with Vincent's cellphone provider, Metro PCS, to see if a new cellphone had been purchased for Vincent. They stated that a cellphone had not been purchased. Ms. Hodge needed this documented so the County could start their investigation. If and when the County discovers anything further, they will contact me for anything further. MB512

CALLER IS WORKING AT HEAVENLY KIDS DAYCARE CENTER. SHE IS REQUESTING AN OFFICER TO STOP OUT. SHE WAS ASSAULTED LAST NIGHT AT THE DAYCARE AND SHE WOULD LIKE TO FILE A REPORT. THE SUSPECT IS NOT ON SCENE. NYESHA JOHNSON AND EXERA LINTON

ADMITTED TO FIGHTING.

On Thursday, 3-23-17, at 1119 hrs, I, Ptl. Carmine #535, was dispatched to 17150 Broadway Ave. for a report of a fight that took place on Wednesday, 3-22-17. Upon my arrival I spoke with the complainant, Nyesha Johnson, who stated two other employees "jumped" her while they were at work on 3-22-17. I asked Nyesha if she participated in the fight and she stated she did. Next I spoke with the other female involved, Ezera Linton, who stated she confronted Nyesha about her saying things that she did not like to her. Ezera admitted to fighting with Nyesha. I asked who else was involved and she stated her sister, Ezandra Linton, was just trying to break it up. I viewed the security camera footage during the incident. The time of the fight was 1734 hrs on 3-22-17. I could observe Nyesha and Ezera fighting and Ezandra was trying to stop the fight. I cited both Nyesha and Ezera for disorderly conduct. This matter will be heard in the Garfield Heights Municipal Court. AC535

The complainant stated she last saw her vehicle in its original condition around 1700 hrs. The complainant found her friend's vehicle to be leaking motor oil and her vehicle to be leaking gas. The complainant's friend believed someone tried to gain access to her vehicle because she was having difficult with her ignition. I checked the vehicle and did not observe any signs of criminal damage to the vehicle, that would lead me to believe someone gained access into the vehicle. The complainant stated she has been having issues with an ex boyfriend that she has a restraining order for. The complainant believed the ex was responsible for the gas and oil leaks, due to a confrontation that occurred two days ago between her brother and the complainant. There was no evidence to support this claim. I conducted a canvas of the area and was unable to obtain any further information on who may have caused the damage.

Marrio Galloway stated that he has been receiving phone calls from his ex-boyfriend Le'andre Wit'cher regarding money that Marrio owes him. Marrio stated that over the course of the year, they have had physical altercations with each other, and he wanted to have it documented that Le'andre was calling him. On Friday March 24, 2017, at approximately 2007 hours, I, Ptl. Augustyn #536, was dispatched to Rascal House Pizza (5220 Northfield Road) for a report of a female that used a counterfeit bill. She was given five twenty dollar bills in exchange for the one hundred. After she left, it was determined the bill the female gave was fake. I observed the security footage and it showed the suspect as a medium skin black female with black dread locks past her shoulders. She was wearing a grey and green Boston Celtics flat brim hat, a Kelly green jacket, and grey sweat pants. There were no exterior cameras. MARYMOUNT ER REPORTING A PARTY IN THEIR ER WAITING ROOM HAS BEEN ASSAULTED WITH A POOL STICK. UPON ARRIVAL VEHICLE POSSIBLY FITTING THE DESCRIPTION OF THE CAR THAT FLED WAS FOUND IN THE PARKING LOT. THIS

Upon arrival multiple vehicles were leaving the parking lot. One patron pointed out a car to Ptl. Frazier and she attempted to catch up and stop the vehicle. (See Ptl. Frazier's pursuit form) I responded to the scene and spoke with two males that stated they were injured. One male had a cut to his hand and the second had a cut to his arm. Cryil was transported to the hospital where he received stiches. All parties on scene stated they were trying to keep peace and were not involved in the confrontation. A short time later Marymount ER advised Robert Whittsette arrived with a head injury from the altercation. I responded to speak with Robert. Robert was intoxicated. Robert stated he was hit with a pool stick at the bar. He did not know who struck him. Video was obtained from the bar and shows an altercation taking place. Robert and another male could be seen arguing and attempting to fight. The unknown male eventually hits Robert with the pool stick followed by a brief altercation. All parties then left the bar. Robert was advised to complete a statement and provide medical records one he is released. At this time no one was willing to pursue charges. CWF528

CLARENCE POLLARD CAME INTO THE LOBBY FOR A THEFT REPORT. JAMIE BENNETT STOLE HIS PERSONAL CHECKS FROM 14183 PEASE ROAD.

Comp. stated in December, Jamie wrote a total of six checks to herself out of Clarence's check book. The total of the checks were \$593.00 but with all the overdraft fees the total was \$2,000.00. Clarence stated he also purchased a tablet computer from T-Mobile in his name that he gave to Jamie. Clarence wanted the tablet returned. Clarence stated he initially allowed Jamie to repay the money and use the tablet. Now that the money has not been returned, Clarence wanted to pursue charges against Jamie. Clarence was advised due to them living together and him allowing her the time to pay him back and that she has not fulfilled her payments, he would have to file a small claims court. Clarence was advised that the incident will be documented for future court cases. CWF528

Joy called to advise that she got in a verbal argument with Kenneth over their relationship. Joy said that she does not live with Kenneth and does not have any children with him. During the argument, Joy said Kenneth threw a plastic bottle of ranch salad dressing at her. The bottle hit her in the lower back and she was not injured. He also threw things around the apartment. Joy showed Ptl. Ponyicky that there was a stain on the back of her jacket but it could not be determined if it was ranch salad dressing. Joy said that Kenneth was still intoxicated from last night and he has a handgun in the apartment. In the past, Kenneth has threatened Joy with a gun by racking a round into the chamber. He had not done this today but was still afraid he may do that, so she took his gun out of the apartment call called the police while she was in the hallway. Joy initially wanted to pursue criminal charges. Officers spoke with Kenneth who did not appear to be intoxicated. He said they got into a verbal argument and he denied throwing anything at Joy. Ptl. Ponyicky asked if officers could check the condition of the apartment to verify Joy's allegations. Kenneth allowed officers inside the residence and a bottle of ranch dressing was located in the living room but there did not appear to be any signs of items being thrown around. While in the apartment, Kenneth had a clear plastic sandwich bag of marijuana on his coffee table. He admitted the marijuana was his and he was cited for the same. Both parties were advised of trespassing and not to contact one another. Joy was transported to the police station to wait for a ride home. She changed her mind about pursuing criminal charges and signed a waiver of prosecution form. JP#513

On 03/25/2017, at approximately 1412 hours, I Ptl. Wilson #534, responded to the Maple Heights Police Department for a report of a Domestic Dispute between a boyfriend and girlfriend. Jamie Bennett-Bane stated that on 03/24/2017 she was in a dispute at her residence with her boyfriend, Clarence Pollard. Jamie stated that during the argument, Clarence took her phone and she left and went to another residence to call police. (See 170022066) Jamie stated that she went across the street from where she called from and waited for police, but did not speak to an officer. (I spoke to the person who allowed her to use the phone, and she advised that she told dispatch that she had left and the male had left) Jamie stated she went and stayed the night at a friends house for the night and when she came home, her clothes were missing out of her closet and believed Clarence took them.

I made contact with Clarence over the phone and he advised he did not steal the clothes, he moved them from the closet to the basement under the steps. Jamie stated that nothing physical took place and that she was concerned her clothes were gone. Jamie advised she was moving out Wednesday and would no longer be involved with Clarence. cw534

On 03/26/2017, at approximately 1320 hours, I Ptl. Wilson #534, responded to the area of Broadway Ave. and Maple Heights Blvd. for a report of a black male, approximately 6-00, wearing a black jacket and jeans that had shoplifted items from Dollar General 15818 Broadway Ave.

I observed a male matching that description at the bus stop on Maple Heights Blvd. in between Broadway Ave. and Lee Rd. When I observed the male, he had car fresheners falling out of his shirt and a bag full of candy and air fresheners that had fallen over onto the ground at the bus stop. The male, identified as Ramano Peagler, stated he stole the items because he had no money. The items included, misc candy, lighters, and air fresheners totalling \$257.30. Ramano also had 2 warrants for his arrest out of other cities. Romano advised he had a heart condition and was just released from the hospital which he had hospital bracelets for.

Ramano was issued a citation for theft, and advised of his warrants. cw534

Ramano had hospital bracelets on him when contact was made. He stated he was just released from UH for heart problems. Ramano stated he has cancer and heart problems recently having a heart attack. Ramano was cited due to medical conditions.

Officers arrived on scene and attempted to make contact with the resident by knocking on the front and back doors. Officers did not detect any movement from inside the home. Officers spoke with the surrounding residents that normally check on the home owner. The neighbors stated they have not seen the resident and were concerned for his welfare. One of the residents had an emergency key for the home. Officers caused damage to a locked screen door in order to enter the home. The neighbor unlocked the back door of the home by using an emergency key that she was given by the home owner. Officers located the homeowner in a back bedroom. He stated everything was fine. Upon speaking with the home owner, Officers had no reason to believe otherwise.

GRANDMOTHER REPORTING HER 15 Y/O GRANDSON JADAKISS LAWRENCE 08/26/2001 TOOK HER VEHICLE WITHOUT PERMISSION. 30 MIN TIME LAPSE, BELIEVES HER GRANDSON IS HEADING TOWARD THE WEST SIDE. THE GRANDSON IS WEARING ALL GRAY WITH TAN TIMBERLANDS.

SUBJECT/GRANDSON:JADAKISS LAWRENCE 08/26/2001

JUVENILE WAS ENTERED INTO LEADS LID/08194455 NIC/M013812801

On Tuesday, March 28, 2017 at approximately 2212 hrs., I, Ptl. M. Russo responded to 15502 Edgewood Ave. for a female, Angela Lawrence, who reported that her 15 year-old grandson, Jadakiss Lawrence, took her 1996 tan Toyota Camry bearing OH registration: D415760 and VIN: 1NXBA02E5TZ468653 without her permission.

Upon arrival, I spoke with Angela who advised the following: She was babysitting her grandkids and went into her bedroom to lay down around 2120 hrs. At that time Jadakiss was in the living room watching television. She got up around 2210 hrs. and noticed that Jadakiss was not in the residence. She then realized that her keys were also missing. Angela looked out of the living room window and observed that her vehicle was no longer in the driveway. It was at that time that Angela called police.

Angela described Jadakiss as being approximately 5 foot 9 inches tall, weighing approximately 140 pounds with short brown hair which was styled similar to a flat top. Jadakiss was last seen wearing an all gray jogging suit and tan colored Timberland brand boots. Jadakiss does have both of his ears pierced but Angela was unable to recall if he had earrings in.

I asked Angela if Jadakiss had a cell phone and she stated that he did; however, it was not currently activated and only worked on WiFi. I asked Angela if Jadakiss has been known to do things like this in the past and she stated that he has never done something like this before; however, lately he has been getting into trouble and he was recently suspended from school for not listening to teachers. Angela further stated that she did not want Jadakiss to get in trouble that she only wanted her car and Jadakiss to be located. I asked Angela where Jadakiss may have gone and she stated that he does not have any friends in Maple Heights and that he has a few friends in the area of 105th St. and Lorain Ave. on the west side of Cleveland. Angela could not provide a specific address or a name of any friends that Jadakiss would be meeting up with.

Angela completed the Missing Persons statement form and signed the Facebook submission. Angela attempted to locate a current photograph of Jadakiss in her phone but was unable to locate one. Angela contacted her daughter, Jadakiss' mother, to advise her that Jadakiss was entered as missing and to contact the Maple Heights police department if he was located.

Jadakiss was entered into LEADS as missing and the vehicle information was attached to the entry (NIC/M013812801).

On 03/29/2017, at approximately 2054 hours, I Ptl. Wilson #534, conducted a traffic stop on OH Reg GTZ-2580, for a equipment violation (License Plate Light) on Lee Rd. South and Ramage Ave. The driver, Devin Hookfin, stated that his drivers license was suspended. Devin was issued a citation for DUS, Rear Plate Illumination, and Seat Belt. I asked Devin to step out of the vehicle to explain the citation to him, and I observed a plastic baggie with an unknown white powder next to the driver side seat. Devin stated that it was baking soda, but he was going to sell it as "Molly" also known as MDMA. Devin was detained at that time. While conducting a tow inventory of the vehicle, I located a box of Baking Soda in the driver side door. I also located a metal marijuana grinder in the center console. Devin was issued a citation for possession of Drug Paraphernalia. A report was taken and Devin was released. The vehicle was towed by Kelly's Towing. cw534

I spoke with a female, identified as Akia Givens. Akia stated she lives in a group home and she was upset because a staff member named Jewel woke her up five minutes earlier than she should have. Akia stated she is suppose to wake up at 0730 hours, but instead Jewel wakes her up at 0725 hours. Akia stated that she is disturbed because Jewel yells and screams at her while banging on the dresser saying "get your ass up out of bed". Akia stated she does not like the way she is being treated at the household. Another staff member, who brought Akia into the station informed me that the staff's supervisor was going to handle the accusations that are being made against Jewel, they wanted the incident documented. I advised Akia that I would document the incident and she was provided the call number. Akia stated there were no threats to cause harm to her and there was no physical harm caused to her. DF#540
