Dear Ms. Dragga:

I am excited to tell you that you are now free to publically announce Maple Heights is a MyCom Neighborhood.

Maple Heights is one of four neighborhoods the Network is expanding to this year. The neighborhoods are:

Neighborhood	Lead Agency
Buckeye Woodland	East End Neighborhood House
Lee Harvard	Harvard Community Services Center
Maple Heights	Cuyahoga County Library
Ohio City	Ohio City Incorporated

You join a Network of 17 other neighborhoods working together to ensure our youth are able to connect to quality programs in their neighborhood and beyond so that they can develop 21<sup>st</sup> century skills and maximize their talents to **connect, navigate and be productive**. Enclosed is a list of the seventeen communities and their lead agencies.

As a member of the Network you are required to participate in 4 mandatory onboarding sessions. At these sessions you will learn about the network, the neighborhood planning process to create your Community Youth Development Plan, reporting protocols, marketing, etc. The onboarding dates are: May 23, June 6, June 20 & 27.

If you have questions please contact Beverly Burks at 216-812-8700.

Sincerely,

A handwritten signature in blue ink that reads "Kevin McDaniel".
