FEMALE IS WALKING ON BEECHWOOD TOWARD LIBBY AND A BLACK TRUCK POSSIBLY A TOYOTA HAS DRIVEN PAST HER A COUPLE OF TIMES AND SLOWED DOWN AS IT PASSED HER. WHEN SHE GOT ON THE PHONE IT SPED OFF TOWARD LIBBY. OCCUPIED BY A BLACK MALE. NO PLATE OR FURTHER DESCRIPTION. TIME LAPSE ABOUT 5 MINUTES

WHITE MALE WITH BLONDE HAIR IN HIS LATE 40'S TO EARLY 50'S.

The complainant, Gabrielle Lamar, stated she was walking from her residence to her job when a white male with blonde hair in his late 40' to early 50's in a black Toyota or Chevy truck stopped on the street in front of her and watched her as she walked. Gabrielle stated the male began following her until she said she was calling the police, the male sped off at that point. Gabrielle stated she continued walking after she called the police and before officers arrived, the male passed her again. Gabrielle stated she flagged me down shortly after that. Other officers searched the area but were unable to locate the vehicle. Gabrielle stated she did not know the male, but she knows her biological father, Richard Winterich, was recently released from prison and she believes he may be involved. I provided Gabrielle with the information for a protection order and transported her to her place of employment. Gabrielle stated she would call the police if anything else took place. AC535

MALE WAS ADVISED TO EXIT THE RESIDENCE AND WENT BACK INSIDE.

On Tuesday, 7/4/17, at 0957 hrs, I, Ptl. Carmine #535, was dispatched with other officers to 21407 Hillgrove Ave. for a report of a male and female arguing in a garage behind the residence and several gunshots. Upon my arrival, I observed a male in a white shirt, later identified as Carlton Hoey Jr., walk from the side of the residence to the front door. I advised Carlton walk to Lt. Grossmyer #165 away from the residence in order to control the situation, protect Carlton in the event someone else had a gun inside the residence, and to determine Carlton's involvement, if any. Carlton went back inside the residence despite that. We were able to get all of the resident's out of the residence and detain them in order to maintain the safety of everyone involved. No firearms were located and no evidence of gunshots were located. Speaking with the residents that we removed from the residence they all stated Carlton had an argument with Sheyanna Herron and he hit the garage wall multiple times in order to vent his frustration instead of escalating the situation. Carlton was cited for disturbing the peace and everyone was released. AC535
