89YO FEMALE--COMPLAINT IS A FAMILY MEMBER AND SHE FEELS THE ELDERLY FEMALE IS BEING ABUSED BY OTHER FAMILY MEMBERS THAT LIVE WITH HER.

I spoke to the caller who related the following: She is concerned about Elizabeth Morrow's living conditions. She stated Elizabeth lives with her son, Kurt Morrow, and his wife, Patricia Morrow. Elizabeth pays for all of the bills for the household and takes care of Kurt and Patricia, The caller states that there is no running water in the bathroom and they keep the inside temperature set at their comfort level, regardless if Elizabeth is cold or hot. The caller is concerned that Elizabeth is being taken advantage of. Elizabeth has been given the option of moving out, but has refused. The caller stated Elizabeth is sound of mind. Officers responded to Elizabeth's address and spoke to her. Elizabeth stated she is happy and feels safe at the residence. Elizabeth informed officers that she is not being taken advantage of any way. Elizabeth did not appear to have any mental issues nor was she confused. There were no signs of abuse. I contacted the Senior Center and informed them of the situation and requested they also check on Elizabeth, they stated they would. STB514

MVA NO INJURIES - THE CALLER STATES THE OTHER VEHICLE LEFT THE SCENE AND CONTINUED ON 480

Comp. stated a semi truck turned right onto IR 480 from the left hand land striking his vehicle. The damage to the Comp.'s vehicle is not consistent with that movement. It appears the Comp. struck the rear of the semi. As it was turning. The Comp.'s vehicle had right front damage. There were marks on the hood consistent with the rear of a semi. Comp. stated the semi continued onto IR 480 and it is possible the semi never knew he was hit. The comp. contacted his insurance company and needed this incident documented. No information was obtained for the semi truck. Photos of the damage were taken and downloaded into the call for service report. CWF528

(REPORTING BY MANAGER SHANITA 216-587-5218)

On 5/17/17 at approximately 1956 hours, I, Ptl. Moore #538 was dispatched to the area of Lee Rd and Broadway Ave for a call regarding two juveniles who had taken items from Dollar General, located at 15818 Broadway Ave and were now walking towards Lee Rd. While en route, dispatch put over the radio the description of two male juveniles; one wearing a blue stripped shirt and another wearing a black shirt and a pink head band, one of the juveniles had a book bag. Det. Hally stopped two juveniles matching the description in front of McDonald's, located at 15629 Broadway Ave. When Det. Hally #505 originally

spotted the juveniles, they were walking with another unidentified male. The male split from the group prior to being stopped. Officers were unable to locate that male. The juveniles, later identified as Darell Horges and Tredon Thomas. The juveniles did not appear to be carrying anything and had no book bag on their person. Ptl. Carmine #535 drove one of the Dollar General employees to the scene for identification. The employee stated that Darell was a look out for another male not with the group; however, neither Darell nor Tredon stole any items. A Juvenile Intake Form was written up for Darell and given to Dollar General.

On 5/17/17 at approximately 2141 hours, I, Ptl. Moore #538 was dispatched to Politics Bar, located at 5120 Warrensville Center Road for a call regarding a male who's vehicle was just stolen from him. Upon arrival, I spoke with Security Officer Mansel Baker. At the time, Baker stated that a unidentified male walked up to the bar asking to use a phone. When asked what was wrong, the male stated that he was car jacked somewhere on Libby Road. The male appeared to have blood on his clothes. The male used a phone and was picked up by a unidentified individual in a unknown vehicle. The male stated that he was going to the police department and left the scene prior to officer arrival. Dispatch called the number used by the unidentified individual; however, the phone was picked up then hung up. Upon a second call, the phone went to voice mail. Officers checked the area; however, neither the male nor vehicle was found.

I was able to get in contact with the owner of the vehicle, Dennis Robinson, who stated that he was a undisclosed Scorchers in Cleveland drinking. Dennis stated that he was so intoxicated that he doesn't remember most of the night. Dennis stated that he left his keys on the bar while he was drinking and his gun was in his vehicle. Dennis doesn't recall being attacked, but stated that he was given a ride and dropped off on Libby Road. He then went to Politics and made a phone to get picked up. Dennis was advised to go to Cleveland Police to report his vehicle and weapon stolen.

The complainant/ Guardian, Mary Ramsey, stated her nephew, Donald Westly (14 y/o black male DOB: 11/08/2002), got in trouble at his school (Milkovich Elementary) yesterday. Therefore Westley was supposed to stay home today (at 5243 Joseph Street). Ramsey said she last saw Westley today, Thursday, May 18, 2017 around 1000 hrs. Ramsey told Westley to go outside and take the trash to the backyard of the residence. Ramsay said she went to the backyard to tell Westley to come inside for lunch. When she checked on Westley he was not there. Ramsay said Westley has a twin sister that resides in the home with her. The sister told Ramsey that Westley ran away and said he was not going to come back. Neither the sister nor Ramsey know any of Westley's friends or where they live. Ramsey said she knew Westley wanted to go to his father's house in Dayton, Ohio, but stated he is not welcome there. Ramsey described Westley as a 5'5", 160 lb, black male with a thin build, brown eyes, short black hair and braces on his teeth. Westley was last seen wearing a black t-shirt, dark blue pajama pants and tan boots. Westley left in an unknown direction. Ramsey completed a missing juvenile packet and recently photograph of Westley. The packet was sent to dispatch. Westley was entered into LEADS (#NIC M093933567)

At approximately 0130 hrs., Dispatch advised the guardian called dispatch and said her son was located at Milkovich School and he was okay. I arrived at the school and spoke with Westley. He said he told Ramsey he was going to school today. Westley was found to be in good health and was taken out of the system as missing.

<p>FEMALE IN THE LOBBY TO REPORT HER SON'S GIRLFRIEND RECEIVED A MESSAGE ON INSTAGRAM DEMANDING RANSOM MONEY . THIS IS REFERENCE MA170033377</p> <p>OFFICER WILL TYPE IN DISPO (VA)</p> <p>The messages did not contain ransom demands. Jamel's girlfriend, Jenay Dean, received an Instagram direct message from an unknown person using a fake account with the usernames, veken_flood_09 and godgirl443. Both accounts have no followers and are not following anyone. The person sending the messages does not demand money for Jamel's safe return, nor are they saying they are holding him hostage. They do talk about getting Jamel help and Janey asks if Jamel needs money. She also included her identifying information and photos of their kids. The person does not identify himself as Jamel, but stated they were a friend of Jamel and they sent him an older picture of Jamel and stated Jamel was okay. Later in the messages after Janey offers to send money so that Jamel can make it home safely, they tell her she can meet Jamel at Walmart. But, later stated Jamel changed his mind and he no longer wanted to meet. The messages continue for hours with Jenay giving vital information and the other party giving updates on Jamel. The messages could have possibly come from Jamel.</p> <p>Jamel's mother stated she had not heard from him since his older brother direct messaged him on 04/15/17. Ms. Patrick also stated that she heard from another family member that Jamel has been staying in Akron. Ms. Patrick stated Jamel is still having extreme paranoia also he is still telling family members that he believes that she is trying to make a plot to kill him. The last contact any family had with him by electronic messaging was 04/15 or 04/16/17. Worksheet will be updated. GRA519</p>

EMPLOYEE: LASWASHA GOOD 04/10/1981

On 05-19-17, employees observed minor damage to the door into the office. Checking the security camera footage, they observed a light skinned black male wearing a multi colored striped shirt and denim shorts walk into the back storage area. The unknown male was able to shoulder the office door open (the lock was not secured tightly and it does not take much force to open the door). The male was observed to check the office, but nothing was taken. This occurred on 05-18-17, at approximately 1755 hours. The male was observed exiting the store. At this time, there is no information available on the male. The store wanted it documented at this time. If they need further, they will contact Cpl. Basiewicz. STB514

SHOPLIFTER IN CUSTODY, SHOPLIFTER IS IN THE OFFICE NEAR THE EXIT AT THIS TIME.

SUBJECT WAS CITED FOR THEFT AND ADVISED OF TRESPASSING FROM GIANT EAGLE.

I was dispatched to Giant Eagle for a report of a shoplifter. Upon my arrival, I spoke to Loss Prevention Officer Josh Metheny who stated the male, Marlin Butler, had picked several items of seafood, steaks, and ribs and placed them in his cart. Marlin walked around the store, as if to make sure he was not being watched and even went into a checkout line. Marlin exited the checkout line and walked around the store for a couple of minutes, while he placed a green canvas bag over the items in the child seat of the cart, before he passed the cash registers and started to exit the store. Marlin was stopped in the exit vestibule and explained why he was being stopped. Marlin stated he had not stolen anything. Marlin was escorted to the loss prevention office. Josh signed theft charges against Marlin. Marlin was given a summons and Maple Heights Mayor's Court date. STB514

The male at the residence stated there was commotion coming from the front lawn of 5478 Oakwood. He went outside and yelled at the parties and they yelled back. A heated verbal argument ensued however no physical altercation occurred. All parties were spoken too and advised to stay separated. This is an ongoing neighbor dispute. OWNER/COMPLAINANT: BERNITA JOHNSON-SMITH 01/18/1982

Incident originally occurred in Cleveland, near 141st and Kinsman. Johnson-Smith stated she was backing out of a driveway after dropping her aunt off. She stated she was pulling forward when a vehicle hit her from behind. Johnson-Smith got her driver's license and insurance card out and approached the other vehicle to exchange information. The other driver seemed agreeable to exchanging information. The male passenger jumped out while they were exchanging information and pointed a gun at Johnson-Smith. Johnson-Smith stated she got scared and jumped back into her vehicle and drove away from them. Johnson-Smith stated the other vehicle followed her and every time she stopped, they would hit her from behind. Johnson-Smith stated she called Cleveland Police Department to report the incident, but was told by Cleveland to call Maple Heights Police Department because she was heading our direction. Johnson-Smith then called the Maple Heights Police Department. Multiple Maple Heights Police Department Units responded, trying to locate the two vehicles. Dispatch remained on the phone with Johnson-Smith, getting updated direction of travel. Maple Heights Units were in the area and attempting to locate them and were unable to. Dispatch advised Johnson-Smith to head to the Maple Heights Police Station and was provided directions on how to get there.

Once she explained that the incident began in Cleveland, we advised her she would need to file a report with Cleveland. She was provided the location of the 4th district Cleveland Police Department.

Minor scuffs were noted on her rear bumper.

No information obtained on the "Black" vehicle by the victim.

Comp. stated she has been having issues with her neighbors. She believes they are damaging her solar lights in her yard. She also stated they start the lawnmower early in the morning and late at night. Comp. brought in a piece of her rose bush that she believes was killed and burned by a laser pointer. The piece of bush appeared to be old dead and mold/moss on it. It did not appear burnt. The Comp. was also upset over receiving several phone calls late at night back in September of 2016. Comp. was advised to call the police when the incidents are happening so they can be addressed at that time. Comp. was satisfied with that and will contact the police if she sees anything. CWF528

On May 24, 2017, at approximately 2103 hours, I, Ptl. Moore #538, was dispatched to

Upon arrival, I spoke with Desiree Jones, who stated the following: On May 24, 2017 at  
 approximately 1748 hours, Marquita Walford, Desiree's neighbor at 5141 Camden

 daughter called Diamond a "Fat Bitch." Soon after the comment was made, Marquita  
 stepped into Desiree's yard and attempted to hit Diamond. The two began to fight and it  
 was eventually broken up by two unidentified males. Desiree then left the residence
