06/04/2017 12:57:08 5569 WATERBURY AV CUSTODY DISPUTE 170041715

FEMALE IN PD LOBBY REPORTING THE FATHER OF HER CHILD WILL NOT RETURN THE BABY. NO CUSTODY PAPERWORK HAS BEEN FILED. (NO WORKING PHONE NUMBER).

Female has a common child Aleah (age 2) with Brandon Williams who lives in Euclid. They have never been married, custody has never been established through court, and Brandon is not on the birth certificate.

About ten days ago Brandon picked up the child at the above residence for a visit. The mother agreed to let Brandon have the child for a few days. She has been calling Brandon to bring the child back for about a week and he keeps telling her he will bring her back in a couple of days. After a couple of days he tells her again in a couple of days.

I (Lt Gazer) spoke with Brandon by phone. Brandon admitted that he has never went to court and has not ever been married to the mother. He was advised per Ohio Law the mother is sole guardian in this case unless he establishes custody or visitation through the courts. He stated he was the father and would do whatever he wanted and was not bringing back the child till Tuesday.

I advised the Female of this and informed her I would contact a prosecutor in regards to possible charges against Brandon for Custody Interference if she is willing to prosecute. She stated at this time she is not willing to prosecute but if he does not bring her back by Tuesday she is willing to prosecute. MG503

MALE REPORTING HIS 17YO GRANDSON IS BEING IRRATIONAL POSSIBLY UNDER THE INFLUENCE OF SOMETHING. POSSIBLY HURTING HIMSELF. NO WEAPONS.

SUBJECT: DAESEAN WILFORD. GRANDPARENTS WILL NOTIFY MOTHER JEANNETTE WILFORD. AE.

MAS1 RESPONDED. TRANSPORTED TO SOUTHPOINTE.

The male juvenile, Daesean Wilford, located in the bathroom was in the shower. I located a razor blade on the sink and removed it from the room. I spoke with Daesean and he stated he only cut his left arm. The cuts were superficial and not life threatening. Daesean slurred his words and was slow to react to my questions, so I searched the room to try to locate anything that would be the cause of his behavior. I located a prescription pill bottle on the floor wrapped in Daeseans clothing. The prescription was for Clorazapan for his grandmother Gail Wilford. Gail stated there were approximately 30 pills in the bottle the last time she saw it earlier in the day. The bottle was currently empty. I asked Daesean multiple times if he took the pills but he evaded the question. I asked Daesean why he would cut himself and take that many pills and he stated he was not looking for attention and things at home with his mother and her boyfriend had become strained and he felt depressed because of it. Melvin Wilford called Daesean's mother, Jeannette Wilford, who stated she would meet the rescue squad at the hospital. Daesean was taken to Southpointe Hospital for treatment and evaluation. AC535

MALE IS EWW WITH SHAKER. SHAKER CONFIRMED THE WARRANT BUT WERE UNABLE TO PICK UP. MALE WAS ADVISED ON HIS WARRANT.

On Tuesday, 6/6/17, at 2020 hrs, I, Ptl. Carmine #535, was dispatched to 5140 Catherine St. for a report of a male who kicked in the door to a residence. Dispatch advised that the male involved was the son of the resident. Upon my arrival, I spoke with the complainant, Ronald Green, who stated his son, Jason Miles, was walking northbound on Catherine St. in a blue shirt and white pants, Ptl. Russo #530 and Ptl. Frazier #540, stopped him and spoke with him. I spoke with Ronald and his wife, Joyce Miles, who stated that Jason used to live at the residence and had been staying in other places with girlfriend's for most days, however, Jason never relinquished his rights to the residence and kept his clothing there and stayed there from time to time. Ronald and Joyce stated the incident was a heated verbal argument and when Jason stepped outside that Ronald locked the door. Jason told Ronald that he would kick the door in if no one opened it. Ronald refused to let him back inside the residence so Jason kicked the door down. Jason told Ptl. Russo that he was arguing with Ronald and stated he thought Ronald was going to grab his firearm that was in the bedroom, which was why he left the house. Ronald did not have the firearm in his possession at anytime nor did he threaten Jason with the gun. I asked Ronald about the firearm and he admitted having one but that it never left the bedroom and he did not touch it during the argument, Joyce confirmed Ronald's story. Neither parties wanted anything further. Jason left for the night to stay with a friend. I advised him of his warrant with Shaker Heights and he stated he would call them tomorrow. AC535

The female and three children all exited the residence. Dowell was called out of the residence. He at first tried to climb out the rear window but when he saw officers went back inside. He then came to the front door but would not come out outside. Eventually after several attempts he came outside and was detained without further incident.

The female stated that she has never been assaulted by Dowell today or any other day. She had no visible injuries. She stated that they were playing around and he threw water on her. She does not fear for herself or anybody else in the house because of Dowell. The female stated her son has ADHD and exaggerates.

The juvenile caller stated he called because he was scared due to Dowell being very upset. Dowell was angry and threw ice water at his mother. He stated he did not hit her today but has in the past with the last time being a couple of weeks ago. Upon hearing this his 10 year old sister said no it was last year. The juvenile caller was highly upset and crying. Ptl. Augustyn called Children and Family Services (intake number 13177507), the DV Hotline and Children Who Witness Violence Program. MG503

4429 OUT AT BP

Kellee Porter stays at 18103 North Blvd. and is upset that the residents at 18107 North Blvd. keeps walking across her grass. When Kellee saw the parties on the grass today, she went outside and confronted them. An argument ensued and parties from both residences came outside. William Johnson stated Kelyn Shadwick punched him from behind. Kelyn Shadwick stated William Johnson had a baseball bat, so Kelyn tried to take the bat away from William. During that struggle, William fell to the ground, but Kelyn denied punching him. All parties on scene stated that William did not threaten them with the baseball bat. Kelyn and William were issued citations for disorderly conduct. The baseball bat was entered into evidence. Kallee Porter was advised to call the police instead of confronting her neighbors. BK508

On 06/09/2017, at approximately 0019 hours, I Ptl. Wilson #534, responded to Marathon 5012 Warrensville Center Rd. for a report of a customer trying to pass fraudulent money. Upon arrival, I made contact with the customer, Terrence Williams, who was standing in the parking lot waiting for me to arrive. Terrence stated that he was working security at Kings and Queens and was paid \$75.00 in cash for his services. Terrence stated he was paid with a \$50.00 bill, a \$20.00 bill, and a \$5.00 bill. Terrence stated he went into the store to purchase gasoline and paid with the \$50.00 bill. Terrence stated the clerk looked at the bill and told him he was good. Terrence went out to his vehicle and began to put fuel into his vehicle.					
As Terrence was putting fuel into his car, the pumped stopped after only putting in \$5.85 and he requested \$20.00. Terrence stated that is when the clerk came out and told him the \$50.00 bill he gave him was fake. Terrence stated he did not believe the money he gave the clerk was the money he came out of the store with.					
Ptl. Ponyicky went inside and spoke with the clerk, Mohammad Odetallah. Mohammad allowed Ptl. Ponyicky to look in the cash register, and he did not locate any other \$50.00 bills. Mohammad stated that was the first \$50.00 bill they took in that day. Mohammad stated he did not realize it was fake until after he activated the gas pumps which is why it was shut off. Mohammad stated the owner, Adnan Wadnan, was enroute to view the security cameras. Adnan arrived on scene shortly thereafter, and I viewed the camera with him. The video clearly showed the \$50.00 bill Terrence gave was the one Mohammad showed him.					
I advised Terrence, and he stated that he would repay the store for the loss, which he did in my presence, and he would advise Kings and Queens about the issue. The fake \$50.00 was taken and entered into evidence.

FEMALE IN THE LOBBY WOULD LIKE TO REPORT HER GRANDCHILD HAS A BURN MARK ON HIS EAR

GRANDMOTHER: GINNELL SINGLETON 05/02/1974
GRANDSON: JAVIER TAYLOR 02/15/2013
MOTHER: JAILEEN NOEMI CARTAGENA 06/21/1992

I met with the complainant and her grandson. The complainant was concerned her 4 y/o grandson may have a cigarette burn to the tip of his left ear. The complainant stated the mother of the child dropped him off at her residence. She later observed a lightly colored black and blue mark to the tip of the child's left ear. The child stated "Byrin" did this to him. Neither the grandmother nor mother knew of a "Byrin." I asked the child to describe "Byrin" to me. The child said he was a man that was his size (approximately 4 ft tall), with multi-color eyes and brown hair. I looked at the mark on the child's ear and observed two small bumps which may have been caused by an insect bite. I advised the complainant I did not see any signs that would indicate the child was burned with a cigarette. The child appeared in good health and did not appear concerned over his ear. The complainant stated she simply wanted the incident documented.

Sean and his female friend, Cornasia Sanford were walking at Stafford Park near the baseball diamond, near their vehicle. A white 4 door sedan pulled up from the Mayville Road entrance and pulled up near them. The driver of the 4 door sedan began asking questions such as "who else in the vehicle" and if they had a gun on them. He also asked if they wanted to buy anything, possibly drugs. The driver did not ask them for any property. He then asked them if they wanted to "hear what this bitch sounds like". They assumed he was talking about a gun and they ran away. The guy did not follow them and he was GOA/UTL when we arrived.

4422 AND 4429 OUT WITH A MALE IN A BLUE SHIRT AT 15509 NORTHWOOD

On Sunday, 6/11/17, at 2025 hrs, I, Ptl. Carmine #535, was dispatched to the area of Tabor Ave. and E 146th St. for a report of juveniles that had a gun. Upon my arrival to the area, I could not locate anyone matching the description given. Sgt. Berger #512 observed a male wearing a blue shirt with blue shorts riding a bicycle with two other males in front of 15509 Northwood Ave. We spoke with the males, Elyric Bell-Collins, Tyshyne Caver, and Jamere Sheron. They stated they were stopped by a group of juveniles ranging from the ages of 9-12 who showed them two pellet guns. Jamere stated he held one and told the male who handed it to him that he should get rid of it so no one got hurt or in trouble. Jamere returned the pellet gun to the male and the three of them left the area to go back to 15509 Northwood Ave. We were unable to locate the other juveniles and the three males we stopped did not have the pellet guns on them. On Monday, 6/12/17, at 0333 hrs, I, Ptl. Carmine #535, was dispatched to the area of 5070 Philip St. for a report of gunshots. The caller stated the shots came from the back yard of 5070 Philip St. Upon my arrival, I began checking the back yard and surrounding area for any evidence of gunshots. Other officers began checking the outlying area and backup addresses. We could not find any evidence of gunshots. I made contact with the residents at 5070 Philip St. and they stated they heard the shots but they sounded more like "pops" and they did not know where they came from. While searching the back yard I looked into the window of the garage and noticed a large marijuana plant growing in a white 5 gallon bucket. I spoke with the resident's of 5070 Philip St. again and asked Mia Montgomery and Marcquis Montgomery what they knew about the marijuana plant. Marcquis stated the plant was not illegal because "it doesn't even have any buds on it!" I advised him that it was illegal to have any part of a marijuana plant. I asked Mia if she would allow us to enter the garage to retrieve the plant and she agreed. Marcquis was cited for illegal cultivation of a marijuana plant and I took the plant as evidence. The plant had three large stems and was approximately 30 inches tall. AC535

I was briefed by a FF that the female they were currently loading into the stretcher was being transported to Marymount Hospital. They were unsure why she was acting strange and they stated she did not admit to taking any intoxicating substances. I spoke with the caller, Alexis Croson. Alexis stated she calls her mother, Yarek Colon, every day around noon to check in. When she called today, her mother was slurring her words and sounded intoxicated. She became nervous and came home from work and called EMS. Alexis observed an empty 101 proof liquor bottle in the driveway and an almost empty bottle of Ambien inside the residence. The prescription bottle of Ambien was only prescribed a few days ago and should be almost full. Yarek was transported to Marymount. #536

FEMALE IN THE LOBBY REPORTING HER EX HUSBAND THREATENED TO KILL HER

On Monday, 6/12/17, at 1800 hrs, I, Ptl. Carmine #535, was dispatched to the MHPD Lobby for a report of a female who was being threatened by her ex-husband. Upon my arrival, I spoke with the complainant, Rachel Payne, who stated her ex-husband Johnny Payne, told her he was going to kill her. Rachel stated she did not believe Johnny was serious about his threats and that he was angry because she left him and was leaving the state. Rachel asked for details on a protection order, I advised her of the process and how to handle obtaining a CPO. Rachel stated she had blocked Johnny's phone number and was cutting off all contact from herself and their children until she was out of state and the CPO was in place. AC535
