Mark came to the station to report he has received two pieces of mail at his address with other people's name on it. One of the pieces is a car magazine to a "Mark Devor" and the other is Capital One credit card application addressed to Ronisha Bailey. Ptl. Ponyicky was able to make contact with Ronisha who said she lived on Catherine St. in about 2008. She denied applying for any credit card and was advised of the complaint. Ptl. Ponyicky was unable to locate anyone by the name of "Mark Devor." Mark feels this could be the start of identity theft. He will be checking on his EMT credentials and his finances. JP#513

Upon searching the phone number for the complainant, we discovered it to be for a Jazmine Garnder. Jazmine called using a fake name on 07/18/17 and reported a similar complaint. Jazmine stated she lived at 14418 Corridon. I called an spoke to a female that identified herself as Jazmine Jones. I asked her about what was going on. She again claimed she lived at 14418 Corridon and reported the DV. I advised her that Officers made contact with the resident at 14418 Corridon and he knew no one named Jazmine. Jazmine now stated that she lived across the street. I advised Jazmine that she needed to come outside and talk to Officers. She refused. I advised her to stop calling in fake complainants to the police or she will be charged. Jazmine hung up. Further research shows, Jazmine may be the niece of the subject and is trying to have him arrested. An alert was added for possible fake calls for this residence. BK508

On 07/21/17, I spoke to Fanny Love, who is Donald's mother. Fanny stated she does have a granddaughter by the name Jazmine, but Jazmine does not talk to the family. Ms. Love stated they have been having issues with Donald's ex-girlfriend whose name is Dana. Ms. Love does not know Dana's last name, but her phone number starts with 219. Ms. Love is going to have Donald contact me with more information. John Love (Donald's father) called back and asked if the number that was calling is 219-0793. I immediatly asked him who's number that was and he stated that it was Dana Johnson's number. After speaking to Love's, it seems consistant that Dana is the one calling in these false complaints. Dana has a new born child and while I was speaking to "Jazmine" there was a child screaming and crying in the back ground. Dispatch attempted to locate a Dana Johnson (about 30 years old) to add to this sheet. BK508

THEFT from AUTO OCCURRED OVERNIGHT

On Sunday, 7/23/17, at 1554 hrs, I, Ptl. Carmine #535, was dispatched to 16009 Steinway Blvd. for a report of a vehicle that was broken into overnight. Upon my arrival, I spoke with the complainant, Quevetta Tinsley, who stated she left her vehicle unlocked overnight and she noticed the driver door was ajar when she went outside. She stated an Apple laptop, an Apple iPad, approximately \$350 cash, and a purple tazer, she did not have a serial number for it, were taken from the vehicle. Quevetta had security cameras on the outside of her residence which I viewed the footage from. Three black male juveniles approximately

between the ages of 15 and 18 walked into the back yard from the northeast corner of the yard near the residence. They made their way around the residence to the vehicle and rummaged through the interior and the trunk before leaving by walking down the driveway toward the street. The time of the incident was between 0419 hrs and 0426 hrs. The only camera angle with enough light from the infrared lighting system used for the nightvision cameras was on the northeast corner. I was able to see the males in that angle, however they did not stand still facing the camera and when the video was paused the image was too blurred to make a positive identification. Quevetta stated she needed the incident documented for insurance purposes and would call if they obtained any further information. AC535

FEMALE IN THE LOBBY TO REPORT HER FOSTER CHILD ALICIA BRYANT 4/16/2000 MISSING.

JUVENILE WAS ENTERED INTO NCIC/LEADS  
NIC/M934045160

On Monday, July 24, 2017, at approximately 1055 hours, Gloria Jackson contacted the Maple Heights Police Department to report Alicia Bryant, a foster child she was watching, missing. Gloria is watching Alicia for Sharia Maclin, Alicia's foster mother, while she is out of town. Gloria told officers she had last seen Alicia before she left the house voluntarily, located at 5316 Arch St, at around 1300 hours on July 23, 2017. Alicia told Gloria she would be back later. Alicia has run away from home on multiple occasions. Gloria was not surprised that Alicia was gone and did not seem to be overly concerned about the matter.

Officers contacted Kaitlin Konicek, a social worker from Pressley Ridge, and were able to acquire more information about Alicia. Kaitlin advised she would attempt to contact Alicia via cell phone. Kaitlin will notify MHPD if she able to speak with her.

Alicia is a seventeen year old black female, she is approximately 5'9" tall, has a heavier build, wears a long black wig, and has brown eyes. Alicia was last seen wearing a black dress and was carrying a back pack.

Gloria has attempted to contact Alicia via cell phone but has been unable to. She believes Alicia is at an apartment complex in Parma or Middleburg Heights, but does not know any addresses or people Alicia may be with. Gloria said Alicia has had unruly charges filed on her in the past. She is known to run away for long periods of time but usually returning after a few days.

Officers attempted to call Alicia as well and left a voicemail. No calls have been returned.

It is unknown if Alicia has any access to a vehicle. Alicia has a public Facebook account and has been active on her profile since the time she was last seen by Gloria. Gloria completed a Missing Person's Packet for Alicia. Officers were able to print a current photo of Alicia from her Facebook profile. A dental release form was not signed because Gloria is not Alicia's legal guardian. Gloria was advised to notify MHPD if Alicia returns.

CALLER STATED THAT SOMEONE BROKE INTO HER VEHICLE LAST NIGHT. SHE DOES HAVE A SURVEILLANCE CAMERA. SHE BELIEVES THAT THEY MAY HAVE TAKEN ABOUT FIVE DOLLARS FROM THE CAR. THE DOORS AND TRUNK WERE LEFT OPEN.					

On Tuesday, 7/25/17, at 0917 hrs, I, Ptl. Carmine #535, was dispatched to 15804 Corkhill Rd. for a report of a theft from an automobile. Upon my arrival, I spoke with the complainant, Kimberly Luther, who stated at approximately 0400 hrs someone entered her unlocked vehicle and stole approximately \$5.00. Kimberly stated her doorbell on the east side of the residence by the driveway where her vehicle was parked had a camera installed in it. I viewed the footage, which was 30 seconds long. There were 3 males who appeared to be black around the ages of 16-18. One male faced the camera, however the camera was in night vision mode and was blurry. There was no way to positively identify the male. I made a copy of the footage and entered it into evidence in the event that anyone is located breaking into other vehicles to try to compare them to the footage. There was no other evidence located at the time of the report and Kimberly stated she just wanted to make sure the police were aware of what was going on in the area. AC535

HEA9601 WAS STOPPED AT MCDONALDS, DETERMINED NOT TO BE INVOLVED. DRIVER WAS CITED FOR DUS. VEHICLE WAS TOT OWNER.

Upon my arrival, I spoke with the complainant, Chuckie Davido, who stated he did some work on the subject's vehicle. Chuckie stated the other male's name was Dion Brown, however he did not have any other information on Dion. Chuckie stated he finished the work on the vehicle and confronted Dion about the payment he was owed. Dion refused to pay him and when he asked why Dion asked Chuckie if he wanted to fight. Chuckie stated he did not want to fight, Dion then grabbed something out of the glovebox of the vehicle and put it in his waistband. Chuckie stated he did not observe the item but thought it was a gun because of how Dion handled it. Chuckie stated Dion asked him if he wanted to fight again then told him he had a gun and he was "from the streets" and would shoot him. Chuckie stated he got away from Dion and called 911. Dion was gone upon arrival and was unable to be located. I asked Key Bank for any more information on Dion Brown, they stated there was information provided by Dion when he went inside the Bank, I asked if I could obtain that information for the purpose of the investigation, however they refused stating they had a privacy policy and I would need a search warrant. I advised Chuckie of the newly found circumstances and he stated he was content with being safe and no longer being in the presence of Dion. AC535

FEMALE IN THE LOBBY REPORTING ANOTHER FEMALE ATTEMPTED TO FIGHT HER OVER HAIR SERVICES

-- 07/28/2017 12:36:09 Disp KCZ --  
DISPO BY 513 (KZ)

Roslyn came to report she had a poor experience at Hair Pro. While getting her hair done there, she sustained a tear in her scalp due to the braids being so tight. Roslyn made arrangements with the employee, Ashley Bridges, to get her hair redone. They agreed to re-due the hair today. However, when Roslyn tried to confirm the appointment Ashley got upset with her and told her to come to the store. Once at the store Ashley asked Roslyn to come outside and she started to yell at Roslyn. Roslyn felt Ashley was going to punch her but she did not. At this time Roslyn was advised of the Better Business Bureau and small claims court. If a problem persists Roslyn will consider a CPO. JP#513

A DOG CHASED THE COMPLAINANT'S SON DOWN THE STREET AND BIT HIM IN THE FACE. THE CHILD DOES NOT NEED MEDICAL ATTENTION.  
THIS IS AN ONGOING PROBLEM WITH THIS LOOSE DOG

Marcia Johnson stated her son, Bronson Green (7), was bitten by a neighbors dog. Bronson stated he was riding his bike and saw the neighbors dog loose so he rode his bike into the neighbors yard where the dog lived. While Bronson was in the neighbors yard, the dog bit Bronson on his left arm and left side, Bronson was not bitten in his face. I made contact with the dog owner, Chie Pupo, who stated he came into his backyard and saw Bronson climbing his fence. Chie asked Bronson what he was doing back there and Bronson told Chie that his dog bit him. Chie put his dog inside and walked Bronson to his residence and spoke with Marcia regarding the incident. I photographed Bronson's injuries and they were downloaded into this report. A message was left with the animal warden to follow up with Chie to see if Chie is current with his dogs shots. Citations may be issued to Chie at that time. Chie was advised to quarantin her dog onto her property until the animal warden follows up with her.

I, Ptl. Zupancic 532, initiated a traffic stop on a vehicle for no rear lights and expired license plates. While speaking with the driver, Ryan Doctor, I observed a clear plastic cup in the center console and a brown paper bag laying next to the cup. I asked Ryan what was in the cup and he picked it up to show me the cup was empty. I asked what was in the brown bag and Ryan showed me nothing was inside. I advised Ryan due to my training and experience, I know liquor is sold in a brown paper bag and the clear plastic cups are often used to consume alcohol. Ryan advised me he had a bottle of liquor in his glove box he had just purchaed. Ryan handed me the bottle of Svedka .375ML bottle that was opened. Ryan was not intoxicated and did not smell of an odor of an alcoholic beverage. Ryan was issued citations for rear lights, expired tags and open container. The open container was photographed and downloaded into this report. DZ532

ON OUR ARRIVAL THERE WERE NO WEAPONS INVOLVED.

Officers arrived on scene and spoke with the individuals. The male, Norman Johnson, and the female, Victoria Milligan, were verbally arguing with one another. The two were recently divorced, but Norman still resides at the residence. Their daughter, Jahnae Strozier, spoke with officers as well. During the argument, Norman broke out three of the windows on Victoria's car: both passenger side windows and the rear window. Victoria broke out the rear driver side window of Norman's car and threw all of his belongings onto the front lawn of the property. Neither party wished to file charges against one another. Victoria left the residence with her mother. Norman remained at the residence to collect the rest of his belongings and leave. Nothing physical occurred.

THE CELL PHONE SHE HAS IS GOING STRAIGHT TO VOICE MAIL. RHIANNON ILUZZO 9/14/1984 LEFT WITH A MALE SHE MET ON FACEBOOK A COUPLE MONTHS AGO. MALE GOES BY THE NAME "CJ SPARKS" ON FACEBOOK.

Susan Iluzzo stated her thirty three year old daughter, Rhiannon Iluzzo, went to Oklahoma City, Oklahoma for a music festival on 07-26-2017. She was supposed to be back in Ohio as of today however Susan has not heard from Rhiannon. Susan's daughter contacted Oklahoma City PD and reported Rhiannon missing. Susan advised me Oklahoma PD last saw Rhiannon at 1100 hours earlier today (07-30-2017) when she was getting ready to head back to Ohio. A missing persons packet was completed by Susan in the event Rhiannon does not return. Susan will contact the police department if Rhiannon doesn't return home by 07-31-2017, at approximately 1200 hours, which would give Rhiannon enough time to travel from Oklahoma City to Ohio. DZ532

HOLD UP ALARM

EMPLOYEE ADVISES HE LOCKED 4 MALES INSIDE THE STORE BECAUSE THE MALES WERE PUSHING EACH OTHER. 4 B/M ARE ALL WEARING BALL CAPS, AND LEFT ON BIKES HEADED TOWARDS THE MIDDLE SCHOOL. ONE HAS A BEIGE TOP, KIDS APPEAR TO BE YOUNGER KIDS. FATHER OF ONE OF THE KIDS OPENED THE DOOR FROM THE OUTSIDE. NO DAMAGE WAS DONE BY THE FATHER OPENING THE DOOR AND LETTING THE KIDS OUT. THE FATHER WENT UP THE DRIVEWAY OF 19908 STOCKTON.

Store employee advised that four juveniles came into the store and began to argue. The juveniles got into a fight knocking over shelves and merchandise. The store employee locked the doors so the juveniles could not leave. An adult came to the gas station and opened the door so his son could get out of the store. The father and juvenile were identified along with a second juvenile. Damage was caused to a refrigerator and the store wishes to pursue criminal charges for Ciminal Mischief. The juvenile stated he was not involved in the altercation and that is why his father let him out of the store. At this time, the store employee was unable to view video footage. Due to conflicting stories, officers were unable to tell if the juvenile was actually involved in causing the damage. The store employee was provided with my information and will call me when video footage is available.
