MALE AND FEMALE FIGHTING IN APT 206. PHYSICALLY FIGHTING. ANONYMOUS CALLER STATES HE DOES NOT HAVE A WORKING PHONE  
FD REQUESTED TO GAIN ENTRY INTO THE BUILDING. ASSISTED.  
(JKP)

Upon Officer's arrival into the building we remained outside of apartment 206 for a few moments. Officers did not hear any yelling or fighting. There was no noise from inside of the apartment. Upon knocking on the door, a female yelled "Who is it." We identified ourselves and she replied, "I am fine, go away." We continued to converse with her through the closed door and she refused to open the door. She stated nothing happened and Michael is gone. After several minutes, she still refused to open the door. Due to the history at the residence and the allegation of a physical fight, she was advised that Officers were going to force entry into her apartment. I, Sgt. B. Kevern was finally able to convince Ms. Thompson to open the door. Once she opened the door, it was clear that she had no marks on her person that would indicate a physical altercation. She assured us that she was fine and was safe. Mr. Thompson still would not allow us into the apartment. I continued to question her about what occurred and she stated nothing physical occurred and she is fine. She stated she felt safe in the apartment because Michael had left. With the lack of physical evidence of a physical altercation and no caller to speak to, Ms. Thompson was allowed to remain in the apartment and Officers did not make entry. She was advised to call the police if she has any further problems. BK508
