BEHIND THE FUNERAL HOME MALE IN THE WOODS WITH A RIFLE. B/M WEARING A GRAY SHIRT AND A HAT.

SUBJECT: ETHAN TATE 11/02/1986

I, Ptl. Zupancic 532, spoke with an employee of the funeral home who stated he observed a male in a gray shirt in the woods with a rifle. I asked the male if he was sure the suspect had a rifle and he said yes. I asked the male if it could have been something else but the employee was certain it was a rifle because he was close enough to see the barrel of the firearm. While speaking with the employee, I observed a male running through the woods with a gray shirt. I ran after the male and he walked towards me with his hands up. The male advised me he had an airsoft rifle. The male was ordered to the ground and gunpoint and handcuffed. The airsoft rifle was retrieved and photographed for evidence. The male was advised as Ethan Tate and issued a citation (MA 30680) for Possession of an Air Rifle. Tate stated that the last time he was in the woods an animal attacked him so he carried the air soft gun. Ethan was in the woods checking humane traps for nuisance animals that the apartment has set up. Ethan is to appear in MHMC.

Upon our arrival, the caller informed me Lymaria's brother, Darnell Davis, had come next door and told her that Lymaria had taken some pills. When the caller came next door, Lymaria was throwing up. The caller called the Maple Heights Fire Department to report the incident. Lymaria was visibly upset and would not talk to me. She did eventually inform me she had taken some pills from a prescription bottle that did not belong to her. Lymaria stated she threw the pill bottle by her bed. I was unable to locate the bottle. The MHFD transported Lymaria to Marymount Hospital. We were unable to make contact with Lymaria's parents at the scene. Darnell informed me his mother was at a residence on Fernway Drive in Maple Heights and he could show me the house. I transported Darnell to 15504 Fernway Drive where I made contact with Juanita Davis and informed her of the incident. Juanita informed me Lymaria has been dealing with some issues including a past sexual assault. Juanita stated she was going to Marymount Hospital right away. STB514
