UNKNOWN PARTY JUST BROKE OUT HIS WINDOW WITH A BRICK

A few minutes prior to the time of call three black male juveniles came onto the property. One male juvenile wearing a blue t-shirt with black jogging pants that had a white stripe along the verticle seam had a medium size rock. The other two males were wearing white t-shirts and black shorts. Both males that had white shirts were wearing red shoes. All three males were dark skinned and had short hair. They all appeared to be between 15-17 years old and between 5'06" and 5'08" with thin builds. The male in blue threw the rock and all three ran westbound across Broadway. A single glass block window on the west side of the residence was broken as a result of the rock having been thrown. The complainant was provided the incident number and officers checked the area. The males were GOA/UTL.
