We walked through the house with Shawntee who pointed out a pile of clothes had been moved to a different area in the house. The house is in generally unkept and it was unable to be to be determined if items had been gone through. 08/31/2017 19:00:10 18408 HIGHLAND DR CRIMINAL DAMAGING 170065254

FEMALE STATES HER EX HUSBAND CAME OVER AND BROKE HER LAWNMOWER.

I spoke with Tamaisha Hallon at her residence. Tamaisha informed me of the history between herself and her husband, Alonzo Rustin. The two have a long

history of marital problems. Tamaisha stated Alonzo has a drug problem that is the main cause of their issues. Tamaisha told me her and Alonzo were involved in a similar incident a few weeks ago in which MHPD was called. Alonzo left the house and took some of his belongings with him. Alonzo returned today to pick up the rest of his belongings. During his time at the residence, the two began arguing and Alonzo repeatedly stomped their lawn mower, causing functional damage to it. Tamaisha is aware that the lawn mower is shared property between her and her husband. At no time during our conversation did she mention being afraid for her safety or the safety of her family. Nothing physical occurred between Tamaisha and Alonzo. Tamaisha plans to file for divorce and wanted to have the incident documented so she could use it in court.

On Friday September 1, 2017, at approximately 0018 hours, I, Ptl. Augustyn #536, observed a white Dodge Ram bearing registration P JL4426 travel northbound on Warrensville Center. I witnessed the vehicle turn left into the Shell Gas Station parking lot (5300 Warrensville Center Road). Without stopping, the vehicle continued through the lot and approached the exit apron on Libby Road. The vehicle then turned onto Libby Road. I pulled the vehicle over and spoke with operator, Lameir Lavonte Latimore Bibbs. I advised him why I stopped him and while speaking with him, I observed a clear plastic cup in the center console. I asked to see the cup and he gave it to me. Inside was a clear alcoholic beverage. I requested a K9 unit and Garfield Heights assisted. A free air sniff was conducted and the K9 indicated there was contraband in the vehicle. A probable cause search was conducted. Inside a back cup holder was a clear plastic cup with an alcoholic beverage inside. The liquid smelled like tequila. Bibbs was issued a citation for shortcutting and a ticket for open container. He is scheduled to appear in GHMC on September 13, 2017 @ 0830 hours. #536
