On Tuesday, September 12, 2017 at 1926 hrs., I, Ptl. Jividen #537, along with other Maple Heights Units, were dispatched to 19002 Fairway Avenue for the report of two Pitbull dogs that attacked a smaller dog. While enroute dispatch advised they received a 911 call for shots fired in the area. Dispatch was unsure if the calls were related. Upon arriving on scene we spoke with the complainant, Annette Davis, and the dog owner, Yolanda white. Officers learned that White's two female Pitbull dogs broke out of their backyard, attacked and killed Davis' brown Shih Tzu dog. Davis tried to scare the dogs away by firing her 380 caliber semi-automatic hand gun into the air. A report was taken.

I spoke with the complainant, Asia Gates. Asia stated she had left the house this morning around 0800 hours with both doors to her apartment locked and secured. When she returned home at 1900 hours, both of her doors were closed and secured, however, she stated one of the doors, the secondary door to her apartment, appeared to have been tampered with. While the door had no visible damage, Asia claimed the door knob would no longer turn, and therefore the door would not open at all. I checked the door and the door knob would not turn. Asia has already been in touch with her landlord to have the door fixed.

Asia believes someone had picked the lock to get into her apartment. However, the keyhole on the door knob did not appear to have been tampered with from the outside. There were no visible scratches or markings to suggest someone had attempted to pick it. Asia went inside of her apartment approximately an hour before calling the police and nothing appeared abnormal or disturbed. Asia checked all of her belongings and did not find anything to be missing. I advised Asia to notify MHPD if something does turn up missing.

On Wednesday September 13, 2017, at approximately 1333 hours, I, Ptl. Augustyn #536, was dispatched to the Maple Heights Police Department for a report of harassment. Upon my arrival, I met with Alma Avery. I spoke with Alma in April (170044271) about the same incident. Alma advised her ex-husbands wife, Linda Avery, contacted her on June 19th, stating threats such as she was going to kill her. Linda called from a blocked number but Alma recognized her voice. On September 12, Alma received another call from Linda. This time, Linda began yelling phrases such as "bring it" due to her frustration with the situation. Alma advised she did not give Linda the time to say anything. Alma did not have a DOB for Linda and I was unable to locate the identity of Linda. I contacted Willie Avery but he hung up on me before giving me any information on Linda. The situation stems from a divorce between Alma and Willie. Alma was advised to not answer any calls from unknown numbers. #536

CALLER REPORTS SOMEONE THREW A BRICK AT HIS BACK WINDOW AND BROKE IT. HE THINKS IT WAS NEIGHBOR KIDS.

COMPLAINANT WAS GIVEN THE INCIDENT NUMBER FOR INSURANCE PURPOSES.

Upon my arrival at the residence, I observed that a brick had been thrown through one of the side windows of the house. The brick penetrated both panes of the window and was lodged inside of the window. The window was not completely shattered, but the brick made a large opening in it. I spoke with the complainant, Windy Cunningham, who stated she believed the juveniles responsible lived in the house behind them on Mapleboro. I visited the residence, 18212 Mapleboro, and spoke with the juveniles' mother. The mother stated her kids had been inside all night and could not have been involved. She told me a boy that lived across the street from her usually comes over and plays basketball on her hoop and that he may have seen her. I visited the residence and spoke with the boy over the phone, as he had left the house with his mother. The boy, Jabari Savage, told me the boy responsible for breaking the window lived five houses down from 18212 Mapleboro near South Blvd. I checked that residence and found no juveniles living there, only an elderly woman. The identity of the juvenile boy responsible for breaking the window is unknown and no party I spoke with was able to give me any descriptions of the boy besides the fact that he had a lighter complexion. I gave Windy the report number for this call so that she could reference it when filing a claim with her insurance for the window. Photos of the broken window are attached to this sheet. Windy's husband boarded up the broken window to secure it until it can be replaced.

CALLER STATES THE DOG ACROSS THE STREET CAME OVER AND ATTACKED HER DOG. ANIMAL WARDEN NOTIFIED. (MG)

@ 1345 HOURS, COMPLAINANT CALLED REPORTING THE ANIMAL WARDEN NEVER CONTACTED HER OR RESPONDED TO THE RESIDENCE, PER PTLM FAUNCE, A PATROLMAN IS TO BE DISPATCHED.

BLACK CANE CORSO WAS LOCATED IN THE YARD OF 16000 EVENING STAR WHERE THE OWNER ROBERT TERRANCE RESIDES. MESSAGE WAS LEFT FOR THE ANIMAL WARDEN TO FOLLOW UP REGARDING THIS INCIDENT.

On Thursday September 14, 2017, at approximately 1213 hours, I, Ptl. Augustyn #536, was dispatched to 16000 Evening Star for a report of an animal that was but at 16001 hours. The original call came in at 1140 hours but the animal warden did not respond to the call. Upon my arrival, I met with complainant Timothy Olschewsky. He advised he was outside in his driveway with his dog when a large black/grey Cane Corso ran into his yard and bit his dog. Timothy got the Cane Corso away from his dog which suffered a laceration. He transported his dog to his veterinarian. As of the typing of this, I am unsure if the dog lived. While speaking with Timothy, the Cane Corso and two puppies were running around 16001 Evening Star. I eventually got into contact with Robert Terrance, the owner of the dog, and he responded back to his residence and put the dogs inside the house. Robert advised me his dog's name was "Hitler" and believed the dogs were secured in the back yard. He was issued a citation for vicious dog and was advised to keep the dog inside for ten days. A message was left with the animal warden to follow up at the residence. #536

On Thursday September 14, 2017, at approximately 1208 hours, I, Ptl. Augustyn #536, was dispatched to the Maple Heights Police Department for a report of a theft. Upon my arrival, I met with Anthony Hall. Anthony stated he was in his vehicle with his two friends, Shaq and Davarius Wade. He stated when he dropped off both parties and returned home, his phone was no longer in his vehicle. He advised at several points during the trip he exited his vehicle to purchase some items and he believes that is when the phone was taken. He was advised by Davarius that Shaq took the phone. Anthony described Shaq as a dark skinned black male, 5'7", with a medium build, and a tattoo sleeve on his right arm. He does not know his last name or DOB. Davarius is currently incarcerated. The phone is a red Iphone 7+ with serial number F2MTC6GOHXpF and IMEI i355835085110278. The approximately value of the phone is \$800.00. He did not wish to press charges and only wanted it documented. #536

THERE IS A OLDER WHITE MALE BLUE JEAN JACKET TALL THIN OLDER THAT DROVE UP IN A BLUE CAR. THE MALE THEN DROVE ACROSS THE STREET AND NOW THE MALE IS BACK ON THE CORNER WITH A VIDEO CAMERA

I spoke with the complainant, Patricia Robertson, who stated an old, tall, white male wearing a blue varsity jacket with a white t-shirt and blue jeans parked his vehicle in the daycare parking lot. Patricia identified the male's vehicle as a blue 2002 Toyota Camry with license plate number ERH 3855. Patricia stated after he parked, the male exited his vehicle with a video camera in his hand and began walking around the front of the building. Patricia went outside to confront the male, but he got back into his vehicle and left the area. Several minutes later, Patricia saw the male park his car across the street and walk over to the bushes on the side of the daycare parking lot near Old Granger Rd. He had a video camera in his hand and appeared to be recording the outside of the daycare facility. This creeped Patricia out, so she once again attempted to confront the male. Seeing Patricia caused the male to go back across the street, get into his vehicle, and leave the scene. Patricia stated this is the second time this male has lingered around the daycare with a video camera.

The owner of the Toyota Camry involved in the incident is Rostyslav Vasylynyuk. According to his BMV records, he resides at 3003 Archwood Avenue Apartment C3, Cleveland, OH 44109. I looked at his BMV photograph and it is very similar to the description Patricia provided. I was unable to find any contact information for Rostyslav. Patricia wanted him advised of trespassing and wanted him to stop filming the daycare. I advised her to call MHPD if the male returns.

I asked Tijere what his parent's name and phone number was and he stated Donald Brooks and provided a phone number. Dispatch was unable to contact anyone and left a message. I spoke with Mr. Ritchie from the Maple Heights Schools who arrived on scene and he stated the principal was making contact with Tijere's mother. I advised them he was being transported to Marymount Hospital to be evaluated. While I was on scene no one who was there could identify the other individuals who were involved in the fight. Tijere had minor swelling to his mouth and a small scratch on the left side of his face by his ear. AC535

CALLER STATES A LIGHT COLORED DOG IS TIED UP TO THE TREE IN THE BACKYARD. CALLER STATES ITS BEEN THERE OVER 24 HOURS.  
CALLER DOESNT SEE ANYONE HOME.

I arrived at the residence and spoke with the owner, Mioshi Cunningham. She stated she had been home all day and that her dog was tied up in the backyard. Mioshi told me she is still trying to potty train the dog so she keeps it outside as long as the weather isn't bad and brings him inside at night. Mioshi took me to where the dog was tied to show me that the dog was OK. As we approached it was apparant that the dog had tangled its long leash in the trees in her backyard. Mioshi freed her dog and brought it inside the house. There was a bowl with food and a bowl with water in it near where the dog was tied up originally. The dog appeared to be in good health and seemed to be content. Mioshi was advised of the complaint.

The complainant, Melissa Fort, stated she had not heard from her 23 year old daughter, Bianca Fort, for 3 days and was beginning to become worried. THE CALLER WILL CALL BACK IN THE MORNING AT A MORE APPROPRIATE TIME OF DAY, TO FOLLOW UP WITH AN OFFICER AND THE ANIMAL WARDEN (ANB)

Upon arriving on scene the dog's did not begin to bark until I walked up the driveway to the residence. I located two small female Pitbull dogs in the back yard of the residence. The Pitbulls appeared to have a good disposition, although one of the dogs was very skinny. I observed a notebook piece of paper that was attached to the dog's fence. The note stated "To any concerned white person both of the dogs were reported to be rescues." There was a phone number that was left on the note with the name Ali. I had dispatch try and make contact by using the phone number. No contact was made. I tried to look around the property to see if food and water was left out for the dogs, but I was unable to gain access to the backyard where the dogs were staying. I spoke with the complainant who stated the owner of the home's son (unknown), fed the dogs and put them outside approximately 2 hours ago and never returned. I advised the complainant that I would have day shift and the animal warden follow up on the dog's condition.

DISPO: On September 18, 2017 at 2107 hours, I responded to 19212 Fairway Avenue for a missing juvenile report. Upon my arrival I spoke with the complainant, Shani Dixon who wanted to report that her son, Shamarr Montrel Dixon left the residence without her permission.

According to Shani, her son Shamarr was upset that he got in trouble for not coming home right after school. Shani stated while Shamarr was in his room, located on the second floor, he jumped out of his bedroom window and was last seen running westbound on Fairway Avenue by his brother. Shani explained Shamarr has several friends in the area, but did not have any addresses or names for any of the friends. Shani also explained this would not be the first time Shamarr has run away.

Shamarr is 16 years old, approximately 5'6", 150 lbs. with black hair and brown eyes. Shamarr's hair style is a flattop with small curls. Shamarr was last seen on September 18, 2017 at approximately 2030 hours at his residence. Shamarr was last seen wearing a grey, short sleeve hooded sweatshirt, blue basketball shorts and white/red tennis shoes. According to Shani, Shamarr does not have any body piercings, scars marks or blemishes, but does have a tattoo on his right shoulder. The tattoo is a crown with the name "Shani". Shamarr does not have any physical/mental condition and does not take any medication.

Shani completed a Missing Persons Packet that included a dental release form, which was completed. Tracie refused to sign the permission for Facebook Submission.

Shani was entered into LEADS as missing. NIC/M464155762 LID/08432244 NS541

On Tuesday September 19, 2017, at approximately 1506 hours, I, Ptl. Augustyn #536, was dispatched to 14905 Brunswick Avenue for a report of a male that was passed out and not breathing. Upon my arrival, the male, Rosston Vanhorn, was already en route to Marymount per Maple Heights EMS. Rosston has been staying with Darius due to financial troubles. Darius heard Rosston wheezing from the other and a few moments later he checked on him. Rosston was unconscious and not breathing. Darius began CPR and called 911. Once at Marymount, the hospital staff ran code and he entered cardiac arrest multiple times. He was then life flighted to Metro Hospital. I spoke with the hospital staff who advised they observed no signs of foul play or trauma. His status as of the typing of this is unknown. #536

CALLER STATES THERE ARE TWO PITBULLS TIED UP IN THE BACK YARD AGAIN. 9/17 OFFICERS RESPONDED AND HAD NO LUCK CONTACTING AN OWNER

Upon my arrival, several dogs could be heard barking loudly even prior to my approach to the residence. As I approached the gate in the driveway, both dogs continued to bark. We have responded to this residence twice now in response to the barking dogs and in the past, there was a note left on the fence with the dog owner's name and phone number. I searched for such a note and there was none. I asked dispatch if they still had a record of the name and number, they did not. Dispatch did leave a message for the home owner that we have on record. Approximately one hour later, I received a call from the dogs owner. His name is Quinn Nettles, and his phone number is 216-338-9590. He was advised by myself and Sgt. Voll that the neighbors have complained multiple times of the barking dog complaints. Quinn insisted it was heresay and the neighbors were making things up. I informed him that upon my arrival, the dogs could be heard barking continuously and they could not even see me, so my presence was not what caused them to bark. Quinn was advised to purchase bark collars for the dogs or leave them inside so they did not disturb the neighbors with their barking. He was also advised that if the barking continues we will issue a citation. Quinn inquired as to the hours his dogs were allowed to bark, and he was advised of them being a nuisance, regardless of the time of day. He was advised to look up the City ordinances regarding the rules of nuisance dogs barking.

I spoke to the neighbor at 5248 Anthony, Jim Hutchinson. He stated that the dog owner will leave the dogs outside for hours on end and the slightest thing will cause them to bark non-stop. If they see a squirrel, or a cat, or someone simply walking down the sidewalk, they bark. Jim stated that the residence used to belong to the grandfather. When he passed away, the parents purchased the residence, but no one actually resides there. The two grandsons stop over occasionally, one of them mows the lawn and cleans up the property, the other one takes care of the dogs.

The animal warden will be notified to follow up with this residence to speak to the dog owner and advice him of the nuisance laws in the city.
