BILL WITH SERVICE CALLED REPORTING A VEHICLE PARKED AT THE PARK POSSIBLE OVER NIGHT WITH SCREW DRIVERS IN THE WINDOW

Officer Crawford #546 responded to Stafford Park for a report of a car that appeared abandoned. The vehicle was in poor condition; however, the registration was current. The vehicles ignition was unmolested and had no broken glass. The vehicle had screw drivers shoved on the inside of the driver's window to lock the window in the up position. The vehicle was parked in a handicap parking space. When Officers ran the registration, via MDT, it showed that it had been checked by run by OTPD. OFFICER AND MR RICHIE RESPONDING TO MS KNOWLES RESIDENCE TO SERVE HER WITH A NO TRESPASSING NOTICE.

On Thursday September 21, 2017, I, Ptl. Augustyn #536, was dispatched to the lobby for a report of a teacher assaulting a juvenile. Upon my arrival, I met with Michelle Knowles and her son Adreon Duhaney (9 y/o). Michelle stated her son shoved a boy named Xavier and the two then got into a fight. A large crowd formed and teachers ran over to break it up. She advised several teachers restrained Adreon and continued restraining him even after he had already calmed down which upset Michelle. She was especially concerned over a possible concussion he sustained a week prior. I spoke with the principal of Barak Obama Elementary School and he advised Adreon shoved Xavier and then began to run around the hallways and was out of control. He caught up to Adreon who continued to attempt to get away from him. Principal Bryant used Crisis Prevention Intervention restraint techniques in order to stop Adreon from running away or assaulting another student. I viewed video which corroborated Principal Bryant's version of the events. Principal Bryant also advised when Michelle was notified to pick up Adreon, she began to cuss and threaten him. She was advised she needs to notify the school whenever she needs to go on school grounds in the future. #536

She admitted that she and the manager spoke to each other. The only reason she stated she stayed in line was to wait for the police because she assumed the manager was going to call them. After a few minutes, she left because the police did not come. I explained to her what Taco Bell wished as far as trespassing, which she was advised of trespassing. Shamuira understood. I advised her she could call the owner or cooperate to handle this further. She was satisfied with that. MB512

FEMALE IN THE LOBBY REPORTING HER SONS FATHER KIDNAPPED THEIR 14YO SON. RE:MA170070006					
Spoke with Tajee Glenn. She claimed her son's father came to her residence and took their son to his residence in Cleveland. I asked if there was a custody arrangement in place and Tajee stated there was nothing through the court systems, but the father has had very little contact with his son. Earlier today, the son had contacted the father and asked him to come pick him up. (REF MA17-0069827). Tajee went to the father's residence and picked her son up, but wanted to file a complaint against the father for taking the son without her permission. I advised Tajee that because there is no custody agreement in place through the courts, her son's father is allowed to see him and still has parental rights. I advised her to go to family court and have a custody arrangement put into place. MW543

(VA)

While responding to MA17-0070134, I observed a young female walking on the sidewalk. The girl was later identified as Jolee Albrecht (10-24-15). I was able to determine the child resides at 5239 Anthony St. When I went to make contact with an adult, I was able to see that a chair was pushed by the door so it could be opened. The back door was left open when Jolee left. Jolee stated she was going to walk to Giant Eagle to get treats for her dog. Jolee was in her pajamas and when she put her shoes on they were on the wrong feet. I spoke with her father John. John stated he was asleep and did not know that Jolee was awake either. John stated he works nights and is usually awake to watch Jolee. I advised John of other security features he could get to ensure this does not happen in the future. John was issued a citation for Child Endangerment. CWF528

The manager describes the male as a homeless looking black male with a beard and a thin build. Officer reviewed the Southgate video and the male can be seen walking and wearing a light blue hooded sweatshirt and carrying a red duffel bag and blue jeans. Due to the distance of the video the subject's face could not be scene and a it could not be determined if there was a gun in his hand. Dollar Tree and Southgate will call if the male returns. Complainant left the house this morning at approximately 0810 hrs and when he returned, the trailer and his lawn mower were gone. Upon my arrival Walter was on the phone with the bank who owns the property at 19264 Stockton. The bank advised Walter that they had towed the trailer with the lawn mower because they were not aware who it belonged to. I attempted to make contact with the bank, but they did not answer or return my phone call. Walter was advised to continue to follow up with the bank to find out where the trailer was towed to and not to park on property not owned by him. MH547

Kara Decker reported that she is going through Chemoteropy and is a recovering heroin addict. On 09-23-17, she allowed her "drug dealer", Stevan Hunter to driver her to her chemo appointment in her husband's 2016 Ford Focus. Kara then allowed Hunter to take the vehicle to Chuckie Cheese with his children, while she was at chemo. Hunter picked her up and drove Kara to her friend's house in Garfield. He then left again. She called him and stated she wanted the vehicle back. He came back with his three kids in the car and drove Kara to the Prime Station. While at Prime station, the two argued over Kara owing Hunter \$150.00 for drugs. Kara stated she had the money, but could not pay at this time. Hunter stated he was going to Chuckie Cheese again and drove off in her vehicle. Kara stated she wants her husband's vehicle back from Hunter. Kara stated she will call Hunter and tell him to return the vehicle and if he doesn't, she will come to the station with the registered owner, Joseph Rittenberger, to report the vehicle unauthorized use. Kara claimed she married Rittenberger in May 2017, but has not legally changed her name. Her name is also not on the registration for the vehicle. At this time, MHPD was not able to confirm that they are legally married. BK508

Driver side front window of vehicle was busted out and the vehicle had been searched. Unknown if anything is missing at this time. Vehicle owner, Tiffany, needed a police report number for insurance purposes. Tiffany also pointed out the vehicle parked a few spaces ahead of her had also been broken into. As I approached that vehicle, I noticed a lot of broken glass on the side where no car was currently parked, but it appeared as if a third vehicle had been broken into but was already gone.

The plate on the vehicle that was still parked on Franklin was GZY2462.

I walked up Franklin to Warrensville Center Road and counted a total of six spots where vehicles had been broken into. The other four unidentified vehicles were already gone, but the broken glass remained on the side of the street. I reviewed the residences located in the area and none had any video surveillance.

DISPATCH ATTEMPTED TO CONTACT THE FATHER TO GET FURTHER AND IT WENT TO VOICEMAIL

Ptl. Allen searched the area for the juvenile female, with no success. He also spoke with her mother, Jill, who stated that her mother saw her 15yr old daughter,
Ananda, trying to sneak back into her home while she was supposed to be in school. Jill stated she had been dealing with her daughter, Ananda's, behavioral
issues for the past few months. Jill asked Ptl. Allen to stand by while she continued searching her daughter's room because while searching it earlier, Jill located
a cup filled with 15 rounds of live SIG .380 ammo. The ammo was old and had corrosion on it. No weapons were located in the room. She did located cigarette
butts and wanted info on filing unruly charges. Jill also wanted to turn the ammo over to the PD. The ammo was collected and will be turned over to EOD for
disposal. Jill was advised to contact PD if Ananda does not return home by the time of day she usually would, so that she can be entered as missing. GRA519.

09/25/2017 11:29:47 20803 RAYMOND ST MISSING JUVENILE 170070865

CALLER IS REPORTING HER 16 YO SON LEFT WITH A MALE NAMED "BAMA" ON SATURDAY. MALE DOES NOT HAVE A CELL PHONE. HE DID NOT
SHOW UP TO SCHOOL TODAY.

Myah Evans stated her 16yr old son, Tahj Evans DOB 09/10/2001 (16yr old B/M, 6'2", very thin build, black thin dreadlocks, brown eyes) left home at
approximately 2000hrs. He told his mother that he was going to stay with his half-sister and her family on Beechwood St in Cleveland and left with a bookbag
with clothing inside. Myah contacted the sister and her family and they stated that Tahj had not been there. She also contacted the school, who confirmed that
Tahj did not come to school today. Myah stated that on Friday, Tahj told her that someone had stolen his cell phone on Thursday.
Myah made contact with Tahj's best friend, Dominick Robinson, who told her that he called Tahj on his cell phone at 1133hrs this morning after Myah told him
that Tahj was missing. Dominick's mother brought Dominick to Tahj's home to speak with Myah and officer's to attempt to locate Tahj. Dominick stated Tahj
would not tell him where he was, but Dominick believed he might be somewhere with a female he was trying to start a relationship with. Dominick showed me
when the call came through from Tahj on his phone. We attempted to call Tahj's phone again, however, it went straight to voicemail. Dominick called some of

their mutual friends, however, all stated they had not seen Tahj. It appeared that Tahj lied to his mother about where he was going and losing his phone so she could not contact him and he is purposely avoiding her. She was advised how to file unruly charges and wanted Tajh entered as missing. She was advised to contact our department when he returns home.

Missing person packet completed. CCSO Facebook permission granted. Dental form completed.

Complainant stated on September 04, 2017 at approximately 1600 hrs., she was at her daughter's residence 5081 Cato Street. An argument broke out between family members. Joseph Crawley became upset, got into a vehicle and left the area. In the process of backing out of the residence (5081 Cato Street) he backed into the left rear portion of the complainant's vehicle, which was also parked in the driveway. This caused minor damage to the complainant's left rear bumper. Joseph was aware he struck the vehicle and on September 06, 2017 Joseph and the complainant spoke and made arrangements to be reimbursed for the bumper. As of today (09/26/2017). Joseph has not made an effort to pay for the bumper. I spoke with Joseph on the phone and he stated he did not have all of the money together, but would give the complainant what he had and would make payments. The complainant was satisfied and provided with the case number. The complainant was also advised this would be a civil issue if Joseph failed to repay her for the bumper.

FEMALE IN THE LOBBY TO REPORT MELVIN BARNES, HER EXBOYFRIEND HAD HER PERMISSION TO USE HER VEHICLE A COUPLE OF MONTHS AGO. NOW THE TAGS ARE EXPIRED AND SHE IS TRYING TO GET THE VEHICLE BACK AND HE WILL NOT COMPLY.

On 9/26/2017 at approximately 1328 hours, I, Ptl. K. Moore #538 was dispatched to the lobby for a call regarding unauthorized use of a motor vehicle. Upon my arrival in the lobby, I spoke with Leilani Holland. At that time, Leilani explained to be that in January of 2017, she leased a vehicle for her boyfriend at the time, Melvin Barnes, to use. Leilani and Melvin had a verbal agreement to allow Melvin to use the vehicle, a blue 2017 Nissan Altima (License: HAP7736, VIN: 1N4AL3AP0HC150795). However, Leilani and Melvin have since split up and she no longer wishes for Melvin to used the vehicle. The registration for the vehicle as also since expired. According to Leilani, she and Melvin have never lived together. Previously, Melvin stayed at 400 Clarkwood Parkway, Warrensville Heights, OH 44128; however, he has since moved to an unknown location. Leilani explained that Melvin refused to give the vehicle back and tha that she was seeking advice on how to deal with the situation. I advised Leilani that she could seek to purse criminal charges for unauthorized use of a motor vehicle or that I could try and contact Melvin to convince him to give the vehicle back. I spoke with Melvin and advised him of the situation. While speaking with Melvin, the line went dead. Leilani stated that Melvin would likely attempt to call her about the situation. Leilani stated that she will attempt to convince Melvin to turn the vehicle back over to her. If that is unsuccessful, she will be contacting her Nissan dealership about the situation. Leilanai expessed that she was satisfied with the information she recieved and if necessary, she will return at a later date to pursue charges.

Mianca wanted to report that Lonnie Jones has been menacing her son, Maurice Coleman, for the past two weeks. Today after school, Lonnie approached Maurice in the high school parking lot and they had a mutual fight that was broken up quickly when security spotted them and Lonnie took off running. Mianca stated approximately ten minutes after her son got home, Lonnie came to the corner of Maple Hts Blvd and Clement, which is right across the street from their residence. Lonnie stood on the corner and was taunting Maurice for several minutes before Mianca told him to leave and she was calling the police. Mianca already contacted Lonnie's mother about this incident today and the adults agreed to handle discipline themselves. Mianca did not want to do anything other than make sure the incident was reported. MW543

CALLER STATES THERE IS A LIGHT SKINNED BLACK MALE WHO HAS BEEN PASSED OUT IN THE LOBBY SINCE 10 PM. HE IS WEARING A BLACK T-SHIRT AND GREY SHORTS. HE HAS A WHITE VAN IN THE PARKING LOT LIC/GJE5740.					
Officers responded to Gyro George at 5170 Northfield Rd. for a report of an unwanted male. Officers approached the male, later identified as Carloes Johnson, and woke him up. Carloes had a large puddle of urine on the ground and his shorts were wet. When Carloes woke up he sat up on the coach and a plastic bag with a green leafy substance, consistent with marijuana, fell out of his shorts. When asked what was in the bag he responded weed. Carloes was cited for possession of marijuana and advised that Gyro George did not want him sleeping in the restaurant. ASC546

WARRANT REMOVED FROM LEADS AND CAD, COPY TO THE PRINTER.

Upon our arrival the male was sleeping in the driver seat of the vehicle. The vehicle was not running and the keys were not in the ignition. Ptl. Powell made contact with the male through the passenger side door. He stated he was just sleeping because he went out with his girlfriend and some friends earlier and he was tired. (GF is Sharea Dove who lives on Summit, two houses from this vehicle was parked). Shawn admitted to drinking three alcoholic beverages throughout the evening. He advised us the vehicle belonged to his cousin. I asked where the keys were and he said his cousin had the keys and they were gone. Ptl. Powel asked how the vehicle got where it was and Shawn advised that his friend had driven it there. Shawn told his cousin he wanted to spend the night at his GF's house. He stated he was just waiting till her kids were sleeping. His cousin told him he would leave the vehicle there for him to wait in but would not leave the keys with him because the friend thought Shawn had too much to drink. Ms. Dove came out to check on him and she said Shawn could stay at her residence for the night. They both walked back to Ms. Dove's residence. MW543

FEMALE IN THE LOBBY TO REPORT THAT LIBERTY FORD LOST HER LICENSE PLATES

Madelyn came in to report that she had purchased a new vehicle from Liberty Ford several days ago. They took possession of her old vehicle as a trade in. The financing did not go through on the new purchase so she went to return the new vehicle and pick up her old vehicle. However, Liberty Ford advised her they were not able to locate her license plate. They had removed it and began prepping the old vehicle for re-sale and they are unsure if it was shredded or misplaced. In order for Madelyn to get a replacement license plate, she had to make a police report. She was provided the report number. MW543

On Friday, September 29, 2017 at approximately 0638 hrs, Reonna Monroe, was walking southbound on Milo Avenue. Reonna observed a small two door, bronze pickup truck turn onto Milo Avenue from Maple Avenue and turn its headlights off. An unidentified male parked near trash cans and got out of the vehicle. COMPLAINANT TOLD THE SUBJECT TO GET TO WORK BECAUSE HE WASNT DOING ANYTING AND THE SUBJECT THREATENED TO KILL THE MANAGER. SUBJECT ALSO TOOK A PHOTO OF THE COMPLAINANT AND STATED HE WAS GOING TO HAVE HIM KILLED. SUBJECT IS AN OLDER BLACK MALE "JAMES WALKER" WHO IS WEARING A BLUE HOODIE, GREY SHIRT, GREY PANTS, WHO THEN WALKED OUT OF THE BUSINESS. SUBJECT POSSIBLY LEFT IN A DODGE CALIBER, BUT THE CALLER IS UNSURE IF THE MALE LEFT THE PROPERTY OR NOT.

Spoke with the complainant Andres Mendoza who is the second shift supervisor. Upon speaking with him he stated that James Walker showed up to work a half hour late and was under the influence. Mendoza told him he needed to leave and that's when Walker became upset and stated that they were messing with his money and lively hood. Walker then told Mendoza that he was dead and that he had something for him along with his friends. Walker then took a picture of Mendoza's vehicle in the parking lot and drove away. Mendoza wanted me to call Walker and advise him to stay away from the property and to advise him that he needed to contact the manager on Monday about keeping his job. I attempted to contact Walker but he did not pick up, however it was his name on the voicemail. James Walker was advised of the complaint and what he needed to do. No further police action is requested at this time.

WHILE BEING BOOKED IN TO THE JAIL A CRACK PIPE WAS LOCATED IN THE MALES BOOT.

SUBJECT: MAURICE RICHARDSON 07/16/1981

While booking Maurice Richardson into the Maple Hts Jail, he was asked to remove his work boots during the search process. When Richardson stepped out of his left boot, a small wooden pipe flew out of the boot. The pipe contained steel wool and was burnt on both ends, all characteristics consistent with that of a crack pipe. Richardson uttered that the boots were not his but belonged to his uncle and that he did not smoke crack. The pipe was collected and placed into evidence. Richardson was cited for Drug Paraphernalia and given the next available GHMC court date to be in conjunction with his appearance for his capias. GRA519
