CALLER STATES THERE IS A MALE/FEMALE PHYSICALLY FIGHTING. HER EX-BOYFRIEND (BRIAN EVANS) WHO LIVES WITH HER IS FIGHTING WITH HIS CHILD'S MOTHER WHO DOES NOT RESIDE THERE. CALLER DOES NOT KNOW WHO THE FEMALE IS.

-- From 10/01/2017 10:14:01 To 10/01/2017 10:14:03 Disp KCZ --  
HEATED VERBAL DISPUTE - BOTH DENY ANYTHING PHYSICAL. ALL WERE ADVISED OF DOMESTIC VIOLENCE LAWS. JASMINE GANAWAY WAS CITED FOR CHILD ENDANGERING. (KZ)

While on the call for domestic dispute, I was inside the residence speaking to one of the involved parties, Jasmine Ganaway. Jasmine went to her child's father's (Brian Evans) house and saw an unknown vehicle in the driveway. Jasmine found Brian inside with another female. Jasmine went into the house and started arguing with Brian. Their argument grew heated and Jasmine started throwing food and dishes around Brian's kitchen. After being inside the house for a few minutes, Jasmine "remembered" she left their child in her vehicle parked in the driveway. Cpl. Basiewicz went outside to check on the child (Jacob Evans D.O.B. 01-27-16) and observed the vehicle was running with the keys in the ignition. Jacob was kneeling in the driver's seat playing with the controls on the dashboard. He removed Jacob from the vehicle and escorted him inside the residence where he turned Jacob over to Jasmine. Both parties stated their was no violence or fear of violence and Brian did not want to pursue any charges against Jasmine for damaging his kitchen. Jasmine was cited for child endangering and given a MHMC date then sent on her way. Brian did not want Jasmine advised of trespassing at this time, he hopes to resolve the issue at a later date. DISPO BY 519 (KZ)

Compl came into the station seeking mental health and or information on filing unruly charges on her daughter, Javaria Gordon. Chandraeia stated that her daughter has been acting out since reaching her teens. Today, she stated that Javaria was banging on her older brother's door trying to wake him up. Javaria was still standing on the steps and started to yell at her mother. While yelling at her, Javaria spit in her mother's face inadvertently. When Chandraeia yelled at her for spitting on her, Javaria jumped on her and the two of them began to tussle on the floor. When I asked Chandraeia to elaborate on the incident because it had the makings of an incident of domestic violence, she became uncooperative and refused to elaborate any further. Chandraeia refused to cooperate in any prosecution of her daughter and stated that she did not want her daughter arrested. She stated that she specifically sought our help in learning how to file unruly charges and how to seek counseling for her daughter. I gave Chandraeia numbers for the DV Hotline, Cuyahoga County Mental Health Board, Cuyahoga County Juvenile Court and Garfield Hts Muni Court Juvenile Intake. She stated she will be contacting Juvenile Court tomorrow to file unruly charges. She was advised of the guidelines of DV law and advised to contact our department if she needs us. Javaria will be staying with a friend for the night. Chandraeia would only advise that the friend stays somewhere in Maple. GRA519

CALLER STATES HER FOUR YEAR OLD CHILD WAS PLAYING IN THE YARD AND THE CHILDS BALL WENT IN THE NEIGHBORS YARD. JUVENILE  
WENT TO GET THE BALL AND THE NEIGHBOR HIT THE COMPLAINANTS CHILD WITH HIS HAND. COMPLAINANT ASKED THE NEIGHBOR WHY HE

DID THAT, BUT HE DIDNT SAY ANYTHING.

OFFICERS FOLLOWING UP AT 5061 GREENHURST.

Officers spoke with the parents, Kieran Jackson and Dandra Tyree. They advised their children had come home from playing at their friends house complaining that a man had hit them when they attempted to get their ball out of a yard. The parents did not see or hear anything occur. We spoke with their children, Johnathan Tyree, and Kayla and Kieriana Jackson, who stated they had been playing basketball at their friend's house when their ball rolled over into the yard of 5061 Greenhurst. When they attempted to retrieve the ball, a male in the backyard became upset and began swinging at them. The two girls, Kayla and Kieriana, were struck in the arms once each, and Johnathan managed to avoid being hit. None of the children had signs of harm or complained of being hurt. The parents stated they believed the male to be mentally ill because that house is known to be a group home.

We went to 5061 to make contact with the male and identified him as George Harper. George appeared to have a severe mental disability and was unable to hold a conversation with us. He could only repeat what we said to him. Brandon Reese, the male who runs the group home, was on scene and was able to give us information about George. He stated George had a severe form of Autism and took medication daily for it. Brandon advised George had taken his medication today. He stated George usually stays outside most of the day and plays with a basketball in the backyard. We advised Brandon of the incident and he stated he would try to monitor George more closely when he is outside. Brandon suggested that in the future the children should notify him before going into the backyard to get any stray toys to avoid an encounter with George.

Kieran and Dandra were notified of George's condition and situation. They stated they did not wish to pursue any charges against George. They only wanted to ensure that this type of incident does not occur again. I advised the children to either notify Brandon or to get their parents if they need to retrieve a ball out of 5061 Greenhurst's yard. The parents were satisfied with this.

MALE IN THE LOBBY REPORTING THAT HIS SON WAS ASSAULTED

On 10/3/2017, at approximately 0845 hours, I, Ptl. Moore #538 was dispatched to the lobby for a call regarding a juvenile who had been assaulted. Upon arrival, I spoke with the victim, Darney Dunn Jr., and his father, Darney Dunn Sr. Dunn Jr. explained to me that while walking to Milkovich Middle School, at 0800 hours, he was "assaulted" in the area of Stafford Avenue. Dunn Jr. stated that while he was walking, an unknown male came from behind him and grabbed a hold of his hoodie, pulling it back. As Dunn Jr. turned, the unidentified male knocked Dunn's phone to the ground. Dunn Jr. was not injured. Dunn Jr. then grabbed his phone and fled to Milkovich Middle School, where he initially reported the incident. Dunn Jr. wanted to notify Maple Heights Police Department of the incident,

as well. Dunn Jr. was unable to identify the male who grabbed him, Dunn Jr. described the unidentified male as approximately 6'1", wearing a black hoodie and air force ones.

OIC ADVISED

Ptl. C. Faunce and I, Ptl. Konieczka spoke with Shavaugn Henry in regards to suspicious phone calls received from 1-888-222-4227 since June of 2017. She has never answered the calls but she did have voice messages that were left on her cellphone. The messages were for a male named DaJohn Woods. She stated that she does not know this male on a personal level, but had an incident happen in Warrensville Heights in which she was the victim and testified against him last year. She stated a male also came to her house looking for DaJohn Wood's car. She was concerned that Mr. Woods may have somehow gotten her personal information and was using her address for his personal business. Ptl. Faunce called the number ( 1-888-222-4227) and spoke with a representative from Santander Bank. The representative's name was Jemite. Ptl. Faunce advised Jemite that Mr. Woods had no relation to Miss Henry. She was advised to report any other problems with this mater but was also advised that no criminal activity was suspected. It is believed that the information may have been picked up off of the Warrenville Heights police report. AJK544

Ms. Reed was just returned from her earlier transport to Marymount Hospital due to her Bi-polar condition and aggressive behavior. Ms. Reed became upset because the staff at Broadway Care had taken away items that she could use or break to hurt herself. Ms. Reed was upset about the phone they took. She was being pinned in a chair in her room upon my arrival by 2 nurses.

I took over for the nurses and used a wrist lock on Ms. Reed to hold her down in the chair. I spoke to her the whole time and tried to keep her calm. Every time I loosened the lock, Ms. Reed would again attempt to get up from the chair to attack the staff due to her phone. She also attempted to bite me a few times.

A 3 man rescue squad arrived on scene with a gurney. Ms. Reed was moved from the chair to the gurney and was restrained forcibly by me and the 3 Maple Hts. Fire personnel. She was not injured. We were able to secure her and get her to the squad for transport back to the hospital.

Upon speaking with the bartender, the subject did not actually tell anyone he wanted to fight or assault the bartender, he just keep telling parties that he was waiting for the bartender outside. The male was issued a citation for disturbing the peace (MA18883) by being loud and making obscene jesters to parties in the bar and causing bar patrons to leave and go else where. The bar also wanted the subject advised of criminal trespassing. The male had to be warned three times to not only stay away from the bar but to leave the property and go home. The male is now sitting on the sidewalk of Dunham Road near his house. No further police action is required at this time.

Emily Chaloupek is a white female, 5'2" 110lbs, brown eyes, platinum blonde hair with her natural brown roots showing. After an argument with her family, she left her home on Morningstar Ave, alone, last night around 2000hrs, heading in an unknown direction, on foot. It is not know exactly what she was wearing, however she had not bag with her to carry additional clothing. Emily has a heart tattooed on her right abdomen, the Roman numeral III on her lower left calf and an unknown design on the foot. Emily has been in contact with her older sister via text message throughout the morning. In text messages Emily stated that she "wanted to leave the earth" and did "not have the will" to continue. She last messaged her sister that she just wanted to be "left alone. I'm fine." Emily's family believes she is going through a change in mental status. They were advsied on the probate process.

Emily has a history of disappearing for long periods of time. Earlier in the year, she disappeared and family found out she was staying with a male named "Chris" (possible last name of Holder) in Colorado. Her sister flew to Colorado and brought her back home. A few weeks ago, she left again and went to Colorado with "Chris" and then went to his parent's home in Massachussets. The older sister stated that Emily contacted her when "Chris" kicked her out of his parent's house and she paid for an Uber to pick Emily up and transport her to the airport and had her flown home. Family does not know if she has been in touch with Chris since he kicked her out of his parent's home. The only other friend the family knew of was a Rachel Grabowski. Rachel has a Garfield Hts address. Emily was entered as a missing/endangered person. CART team responded and Emily's phone was pinged within a half mile of 3926 Vally Rd, Cleveland OH 44109. CART will be responding to the area and following up in an attempt to contact Rachel to see if she knows of Emily's whereabouts. TOT CART Team.

The driver of this vehicle, had a parked vehicle in his lane and went around the parked vehicle to beat a school bus that was coming from the opposite direction. I initiated a traffic stop on the vehicle. Upon approaching the vehicle, I could smell the clear distinct odor of marijuana emitting from the vehicle. The driver, Norman Jones, was the only occupant of the vehicle. He was arrested for his active warrant with Broadview Hts PD. During an administrative inventory of the vehicle, Ptl. Hietzer located loose marijuana and a marijuana roach (total weight .22g) on the driver's side floorboard. He was able to collect some of the loose marijuana and it was entered into evidence. Jones was cited for traffic violations and Possession of Marijuana and TOT Broadview Hts PD. GRA519

COMP IS THE HOMEOWNER AND STATES THE TENANTS MOVED OUT ON 9/30 AND LEFT 2 DOGS IN THE BACKYARD. TENANTS HAVE NOT RESPONDED TO ANY MESSAGES REGARDING THE DOGS

BOTH DOGS WERE RETREIVED AND TAKEN TO THE CAGES. ONE PIT-MIX AND ANOTHER SMALLER DOG WITH BROWN HAIR. AW ADVISED.

CM

Complainant stated the owner of two dogs moved out and left the dogs at 5078 Thomas Street unattended to. Upon my arrival, the house appeared to have been vacated. The dogs seemed to have been outside for some time as their fur was matted and dirty. One dog had an open wound on its neck that looked as

though it needed treatment. Dispatch was unable to locate any contact information for the parties who used to live at the residence and the complainant did not know the individuals well enough to get their contact information. I checked the fenced in backyard to see if there was food and water for the dogs. I found two empty aluminum tins and two empty tubs where food and water may have been sometime in the past. I removed the animals from the backyard and transported them to the Maple Heights Dog Cages due to the conditions they were living in at 5078 Thomas Street.

FEMALE IN LOBBY TO REPORT HER VEHICLE WAS STRUCK BY ANOTHER VEHICLE AND THEY LEFT THE AREA THE COMPLAINTANT STATES THE

PARTIES LEFT WITHOUT GIVING HER INFORMATION INCLUDING THEIR LICENSE PLATE, DRIVERS INFO AND PHONE NUMBER

I responded to the lobby for a report of a hit skip accident that occurred in the parking lot of Discount Drugmart. The complainant reported she was in her vehicle, not moving, when an unknown make or model car side swiped the front left portion of her front bumper. She did not obtain a license plate and only knew that a female was driving the car. The female driving the suspect vehicle, told her that she would take care of the damage and left the scene, stating that she would return to the scene. Complainant stated that when she did return to the scene she had a male claiming to be her uncle, and another female with her. The male told the complainant that he would take care of the damage of their car and proceeded to leave with the two females. No information was obtained by the complainant at that time. She had very minor scrapes to her left front bumper. The complainant wanted the incident reported in case the other party attempted to file a report and claim that she was at fault. She wanted it noted that she was not the at fault party. AJK544

CALLER STATES HER EX-BOYFRIEND TOOK HER AUTO CHRISTOPHER WHITE 12-08-85

Shonte Brown came into the lobby to report her ex-boyfriend, Christopher White, who still lives with her, took her car earlier this morning without her permission. At approximately 1000 hours, they got into a verbal heated argument and he grabbed her keys and her dog, and left. She had been trying to contact him all day and he refuses to answer her calls or respond to her text messages. She did advise me that her ex is currently DUS. She stated she did not wish to pursue charges against him, she only wants her vehicle back. Shonte said she did not want him arrested at this time and would not sign charges. She stated she would give Christopher until either later today or tomorrow for him to return the vehicle. MW543

Officers responded to 5684 E. 141 St. to find Brooklyn Figueroa (DOB 11/20/08). Brooklyn stated that her mother, Yaritza Figueroa, and her boyfriend, Corey Johnson, left prior to police arrival. She also told police she saw Corey push and hit her mother. While officers were speaking with Brooklyn, Yaritza arrived back at the residence. Yaritza stated Corey pushed and punched her. She had a bloody/cut lip but declined a rescue squad. Yaritza stated that her boyfriend had her rental car and was using it to drive around another female. She called and told him it was disrespectful and asked him to bring back the car. He did and that is when the altercation occurred. Corey then left on foot but still had the vehicle's car keys. Yaritza left the residence to get the key back. After she retrieved the key she came back. Yaritza refused to press charges. Yaritza stated Corey did not live with her and they do not have any children together. Yaritza signed a waiver of prosecution form. Children who witness violence hotline was contacted. Officers checked area for Corey but could not locate him. Dispatch was unable to locate Johnson's information that matched info provided by Yaritza. FEMALE IN THE LOBBY REPORTING A MALE VIOLATED A PROTECTION ORDER THAT SHE HAS AGAINST HIM					

-- From 10/10/2017 10:03:40 To 10/10/2017 10:03:48 Disp VM --

On 10/10/17 at approximately 1001 hours, I, Ptl. K. Moore #538 was dispatched to the lobby for a call regarding a protection order violation. Upon my arrival, I spoke with Chantel Fuller. Chantel initially explained to me that on 10/9/17 at approximately 1630 hours, Chantel was stopped at a red light at Libby road and Lee Road intersection. While at the light, Chantel observed her child's father, Charm Gray, in the passenger's seat of another unidentified vehicle. Chantel told me that the vehicle was honking it's horn as if it was trying to get her attention. As Chantel drove away from the intersection, the vehicle turned around and got parallel with her vehicle. The front passenger's side window of that vehicle rolled down and Charm began speaking towards Chantel, asking to see his son. Chantel was able to present a copy of the criminal protection order she placed against Charm, included in the protection order were several others, including the son they have in common. Chantel wished to pursue charges against Charm for violating the order. Upon further questioning of the incident. I was able to uncover a more accurate location for the incident. After being shown a map of the area, Chantel pointed on Granger Road at the I-480 exit ramp in Garfield

Heights as the correct location. Chantel was given a copy of the incident number for this sheet, along with my information, and advised to contact Garfield Heights Police Department if she wished to pursue charges against Charm. Chantel expressed her satisfaction, stating that she will be contacting Garfield Heights Police Department tomorrow.

FEMALE IN THE LOBBY TO REPORT HER PHONE NUMBER WAS STOLEN FROM BOOST MOBILE.  
OFFICER TO COMPLETE DISPO.  
LD

I spoke with the complainant, Kathlean Marle Schofield-Bens, who advised she had recently lost service to the phone number linked to her business. Kathlean advised she uses Boost Mobile as a service provider for all five phones associated with her family and the business. She stated only the business phone is experiencing issues. She contacted Boost Mobile, who advised the number had been "ported" to another phone carrier. The customer service representative she spoke with for Boost Mobile was unable to locate why the phone number had been ported. Kathlean then spoke with a manager for the customer service department and he advised they would launch an investigation into what happened to her phone number. Kathlean is particularly upset by this mismanagement of her phone number because it is affecting her business. I advised Kathlean to stay in contact with the manager she spoke with and acquire more information about what happened to her number. I called the phone number Kathlean advised was stolen and an automated voice message system advised the number was no longer available. At this time there is no evidence to suggest this is a criminal matter. I advised Kathlean she could attempt to handle this matter in civil court at Garfield Heights Municipal Court. I gave Kathlean my MHPD contact information in the event Boost Mobile's investigation discover's someone had stolen her business cell phone number so she can make a report.

I spoke with the juvenile's mother, Velma Singleton, who stated her daughter, Nevaeh Singleton (1/2/04), had not returned from school. Velma stated this was not the first time Nevaeh had stayed out after school for an excessive amount of time. I asked her where Nevaeh would go and she stated she did not know. Nevaeh is a 13 year old black female with long black hair in braids, with brown eyes and is approximately 507 tall, and weighs approximately 140 lbs. Nevaeh does not have a phone and was not wearing the glasses she normally wears. Nevaeh does not have any physical or mental conditions and does not have any piercings, tattoos, or any other distinguishing traits. She was last seen wearing a burgundy sweater, beige pants and white shoes at approximately 0645 hrs this morning before getting onto the school bus for school. Nevaeh does not have any other clothes but she did have a backpack with her. She does not have access to a vehicle and Velma did not sign off permission for Nevaeh to be placed on the county Facebook page. Velma did sign the release for dental records form. COMPL REPORTING SOMEONE SPRAY PAINTED 2 VEHICLES AT THE RESIDENCE SOMETIME OVERNIGHT

BETWEEN 1000 AND AM. DOCUMENTED FOR INSURANCE PURPOSES

-- From 10/11/2017 10:34:32 To 10/11/2017 10:35:04 Disp MK --

On 10-11-17, at approximately 1016 hours, I was dispatched to 17720 Libby Road for a report of cars being sprayed painted. The caller stated that he had parked his vehicle next to his girlfriend's vehicle on 10-07-17 at approximately 2230 hours. On 10-11-17 at approximately 1000 hours, he discovered both vehicles had been spray painted and the driver's side rear tire of his vehicle had been slashed. I observed both vehicles had been painted with 3 different colors along with the word "ho" spayed several times and that the driver's side rear tire was flat. The victims did not know who would do this and that as far they knew nobody was mad at them. Photographs of the damage were taken and attached to the sheet. At this time, this is documented for insurance purposes.

On Wednesday October 11, 2017, at approximately 1201 hours, I, Ptl. Augustyn #536, was dispatched to 5224 Theodore Street to assist the animal warden on an animal abuse/neglect incident. Upon my arrival, the animal warden stated he received a complaint of a dog in the garage of the residence living in unsanitary conditions. Upon my arrival, I spoke with Sheena Crayton. She stated she was watching a dog for a friend and stated the dog was inside the garage. She gave consent to me to look into the garage and observe the dog. I opened the side door to the garage. It was difficult to open the door due to the amount of garbage and trash that was inside. Inside I witnessed a tan pit bull breed dog that was tied to a refrigerator. There was no ventilation inside the garage. The garage was filled with garbage and there was a strong odor of feces. The dog had no visible food or water. Sheena was issued a citation (MA32915) for animal neglect due to the dog being left in her care. Photographs of the area the dog was kept in were taken and attached to the incident sheet. #536

MALE HAD RUN OUT OF GAS. CITED ONCE

(JKP)

On Thursday October 12, 2017, at approximately 0700 hours, I, Ptl. Augustyn #536, was dispatched to Lee Road and McCracken Road for a report of a person asleep behind the wheel. Upon arrival, Cpl. Basiewicz located the vehicle (HGV2890) on McCracken Road just off of Lee Road. The operator, Leon Hendon, woke up when officers approached the vehicle. In plain view there was a marijuana grinder and an odor of marijuana was emitting from the vehicle. A probable cause search was conducted. It yielded no other results. I spoke with Leon who advised he ran out of gas and fell asleep while he was waiting for his friend to help him. I verified that his tank was empty by the gauge on the dashboard. Leon exhibited no indicators of intoxication. He was issued a citation (MA32874) for drug paraphernalia. While on scene, his friend arrived and filled up his tank. #536

On Thursday October 12, 2017, at approximately 1132 hours, I, Ptl. Augustyn #536, was dispatched to the Maple Heights Police Department for a report of an escort. Upon my arrival, I met with Ronnie Dorsey. Ronnie advised me she recently purchased a vehicle and let her ex-boyfriend, Robert Whatley drive it the previous night. He took it to his current girlfriend's resident of 5220 Arch Street. Ronnie did not know the registration of the vehicle but had a memorandum title containing the vehicles VIN. Dispatch ran the VIN but was unable to locate the proper registration. I spoke with both Robert and Shanice, Robert's girlfriend, on the phone. Both Robert and Shanice stated Robert was in possession of the vehicle. Robert and Shanice were both very uncooperative and refused to turn the vehicle over to Ronnie. Ronnie stated she did not wish to pursue criminal charges and was going to attempt to resolve the issue on her own. She was advised of the ORC code for unauthorized use. #536

FEMALE IN THE LOBBY TO REPORT AN MVA - THE OTHER PARTY IS NOT THERE.

OFFICER FOLLOWED UP AT SPEEDWAY. AE.

On Thursday, 10/12/2017 at approximately 1900 hours, I, Ptl. M. Wilde #543 responded to the lobby for a report of an MVA. Driver of Unit #1, Angel Grant, came in to report an MVA hit/skip that occurred on Lee Road South this morning at approximately 0700 hours. She stated she was on Lee Road South at a red light, preparing to turn left onto Rockside Road. As the light changed, a light grey vehicle (Unit #2) several vehicles behind hers, went left of center to turn left into the Speedway parking lot. In doing so, he side swiped her vehicle. The damage to her vehicle was on the driver side front door, and front fender. Angel followed him into the Speedway parking lot to exchange insurance information. Because of how he was parked at the pumps, she was unable to see if any damage was done to his vehicle. After speaking to the male about the incident, they agreed to exchange information. When she walked back to her vehicle to get her phone for photos and her insurance information, the male jumped back into his vehicle and left. She was not able to get a complete license plate number and he left prior to providing her any information. She had already contacted her insurance company and had the car into the repair shop getting fixed prior to coming to the police station to report the MVA. I was not able to obtain any photos of the damage to her vehicle due to this, and she did not take any photos of the damage either. I followed up at Speedway to see if they had surveillance footage of the incident, or possibly a license plate. A manager is required to view the footage though. A message was left for the manager that comes in the morning to view the footage and see if anything can be obtained. I provided Angel the report number for insurance purposes. MW543

FEMALE IN THE LOBBY REPORTING HARASSMENT BY TRACY SMITH ABOUT A CITATION. SHE IS AN EMPLOYEE WITH THE CITY.

On 10/13/17 at approximately 1529 hours, I, Ptl. K. Moore #538 was dispatched to the lobby to speak with Veronica Dunn about harassing phone calls. Veronica explained to me that she has been involved in an ongoing civil issue with the Maple Heights Building Department regarding payment for cutting her grass. According to Veronica, she was sick and in the hospital for several months earlier this year. During that time, the Building Department cut her grass on several occasions. Veronica admits that her grass was cut by them 2 to 3 times. However, the Building Department has stated that her grass was cut multiple times from the months of May to September. Veronica informed me that she was certain that this was untrue. When Veronica asked the Building Department to provide evidence, they provided several pictures. Veronica was unsatisfied with the pictures, stating that they appeared to be unofficial. The Building Department has made several calls to the numbers provided by Veronica regarding this matter. Veronica wished to have this documented.

CALLER REPORTING THAT HER DAUGHTER AND SON IN LAW ARE VERBALLY ARGUING. THE CALLER STATED THAT THEY ARE GOING THROUGH A DIVORCE AND SHE DROPPED THE KIDS OFF EVEN THOUGH THERE IS NO COURT ORDER YET AND THE FATHER OF THE CHILDREN IS YELLING AND SREAMING. THE DAUGHTER WOULD LIKE TO GET THE KIDS BACK FROM HIM.

I arrived at the residence and spoke with Jason and Britani Kish. The two are in the process of a divorce but it has not been finalized yet. They live separately. Britani had just dropped their children, Aleah and Colton, off at Jason's house. Jason became upset because Britani's new boyfriend took Colton to get a haircut and Jason had wanted to be the one to take him. Jason and Britani argued verbally and Britani left, leaving the kids with Jason. Britani was worried that Jason was too angry to be around the children, so she called to have us check on them. As the divorce is not finalized, there is nothing in place for custody of the children yet. Jason has no history of violence or abuse towards the children. I spoke with the children separate from Jason. Colton and Aleah appeared to be OK and reported their father was just angry about the haircut and had done nothing to them. Jason showed no signs of aggression or any anger. I advised Britani that the children were OK for the weekend with their father. Jason and Britani will meet at the police station from now on to exchange their children.

SEVERAL MORE CALLERS REPORTING PEOPLE FIGHTING IN THE STREET

On Friday, 10/13/17, at 2249 hrs, I, Ptl. Carmine #535, was dispatched to the area of 14200 Krems Ave. for a report of a fight in the street. Garfield Heights PD was called for mutal aid and arrived on scene first. They located a female, identified as Dana Jolly, who was involved in the fight. When I arrived I located 4 males outside of 14206 Krems Ave. I spoke with Chase Leonhardt who stated his vehicle, a white Hyundai bearing OH license #GWW9608, was parked on the street when the fight occured between a female wearing a pink hooded sweatshirt and grey pants and another female who left in a white sedan. Chase stated the females ended up on his vehicle at some point but was unsure if there were damages, no damage was located on the vehicle. I met the GHPD officers at Dana's residence, located at 5251 Forest Ave. in order to ask Dana what happened. Dana was clearly intoxicated and the GHPD officers stated she was intoxicated as well. Dana was wearing a pink sweatshirt and grey pants, which matched with what Chase described. Dana slammed the door in my face and would not tell me what took place on Krems Ave. I spoke with Dana's mother and advised her of the incident and that Dana was being cited for disorderly conduct while publicly intoxicated. Officers responded and spoke to Paul and Kelly Brown. Paul stated he was assaulted while out on the west side of Cleveland. He had a swollen face and dried blood near his lips. Paul at first claimed Kelly had stabbed him and locked him out of the house. However, there was no blood on the bed or couch where Paul claimed he and Kelly had been laying at the time. Kelly stated she allowed Paul inside of the house to sleep off his drunkenness and because she felt bad that he had just been jumped. Kelly allowed Paul to gather the rest of his things and take them outside of the house. Paul was advised to stay away from Kelly and her home. The fire department arrived on scene and verified Paul did not need immediate medical treatment. Paul refused transport to the hospital. Paul advised he would sleep off his drunkenness in his vehicle and drive home when he sobered up. Although he was intoxicated, Paul was still aware of his surroundings and appeared to be able to take care of himself. He was not intoxicated to the point where his safety was in question.

BROWN PITBULL RUNNING LOOSE IN THE AREA

THE MALE WAS CITED FOR ANIMAL AT LARGE.  
CM

I arrived at the complainants address and observed a brown pitbull running around the surrounding area. The complainant advised this is not the first time this same dog has been loose and on his property. The loose dog was friendly, however, the complainant was worried it would cause issues with his dogs. The dog owner, Drew Arlotta, arrived at the residence and retrieved his dog. Drew stated he keeps the dogs at his car repair shop located at 15980 Broadway Ave. He stated the dog wiggled its way out of its collar and escaped. Drew tightened the collar so this would not occur again and will be keeping better care when securing his dogs. I issued Drew a citation for Animal at Large.

FEMALE SENT ANOTHER TEXT THAT SAID "THANKS FOR THE MOTIVATION"

On Sunday, 10/15/17, at 0436 hrs, I, Ptl. Carmine #535, was dispatched to 14120 Summit Ave. for a report of a female who was having suicidal thoughts. Upon my arrival, I spoke with a female, identified as Sharray Dove, who was the female who was calling about by a male not on scene, identified as Shawn Walton. Sharray stated she was not suicidal and was just angry with Shawn because he would not bring her vehicle back that he took without her permission earlier in the day. Sharray did not have any marks on her body to include her neck where she supposedly took a picture of her holding a knife to her throat. Sharray stated she was depressed about other issues but that she was not trying to hurt herself and she did not want to go to the hospital. Sharray stated she only wanted her vehicle back and to be left alone because Shawn was constantly calling her and harrassing her. Sharray was given advice on how to handle the situation with Shawn and that if she felt depressed or upset in any other way to call the police. AC535

Eric Woods had his girlfriend Torri Wimbs at his residence. His ex-girlfriend Kendra Ashley showed up, claiming to be his current girlfriend. He refused to allow Kendra into the residence, but he did come outside to talk to her after she threw a brick through one of his house windows. They had a verbal heated argument, Eric threw a brick through Kendra's back window on her vehicle, then went back into the residence and locked the door. At some point during this incident, Kendra's leg was injured. She spoke to Sgt. Swope and Lt. Grosmeier about her injury while I was speaking with Eric and Torri.

Torri remained in the residence during this incident.

Upon our arrival, we could hear Eric and Torri verbally arguing loudly in the residence. The screen door was locked so I knocked and announced Maple Heights Police Department. As I made my announcement, a loud crashing could be heard inside the residence. Eric came and unlocked the door. He stated that Torri punched a glass chandelier. She had blood on her hands from several cuts on her hands. Torri admitted to punching the chandelier.

The two females on scene were checked out by the Maple Heights Fire Department and Torri was released at the scene. Kendra was transported to Bedford.

No one wished to pursue charges against anyone else there. The two females went their own separate ways, both stating they were done with Eric. Torri took all of her belongings that were in the residence as she had been staying there, but after today's incident, did not want to be with Eric any longer. She stated she would come back at a later date with AAA to tow her vehicle out of the driveway. MW543

There are around 15-20 people there on a regular basis, there is always loud music and loud talking at all hours of the day. He stated there were always cars double parked, parked on the wrong side of the road, and parked there all night through the no-parking times of 4-6 am. I discussed the incident with Lt. Grosmeier and we made this a special attention until 10/29/2017. On Sunday, 10/15/17, at 1928 hrs, I, Ptl. Carmine #535, was dispatched to 5374 Lee Rd. Apt #301 for a report of a noise complaint. Upon my arrival, I could hear loud music coming from apartment #301. I was able to make contact with the resident, identified as Laurisha Eason, who voluntarily turned the music down. However, while I was on scene with her explaining the noise ordinance she became belligerent and began yelling and disturbing the neighbors. I advised Laurisha to go back inside her apartment and to not bother the neighbors any longer, but she continued to try to badger them. A neighbor from the second floor came out and helped calm Laurisha down. Laurisha then went back inside her apartment. The complainant was satisfied with Laurisha turning it down. AC535 dm
