MAIL CARRIER REPORTING HE HAS NOT SEEN ANY ACTIVITY FROM THIS HOUSE IN A COUPLE WEEKS. OLDER FEMALE WITH LAST NAME WALKER LIVES AT THIS RESIDENCE ALONE. THERE IS A SMELL COMING FROM THE FRONT OF THE HOUSE. NO HISTORY FOR THIS HOUSE.

1105HRS R/S ADVISED  
OFFICER WILL FILL IN THE DISPO (VA)

Officers were unable to make contact with anyone at the residence or via phone from numbers found in CAD. The smell reported around the house was the result of a skunk and did not smell of decay. There was a large amount of mail in the mailbox listed for an Allen Walker and a Barbara Moreland. We spoke with two neighbors who stated the residents at the house are always in and out. One neighbor stated Allen drives a red vehicle, but he has not seen Allen in a few days. Allen's vehicle was not in the garage or driveway. We will check the residents again prior to the end of the shift in an attempt to make contact with someone at the residence.

CALLER REPORTING THAT HE USED TO LIVE AT THIS ADDRESS AND THE MALE THERE BY THE NAME OF ROBERT WILL NOT GIVE HIM HIS BELONGINGS. THE MALE IS WAITING OUTSIDE.

I spoke with the complainant, Nabil Mohamed, who had been recently evicted from his residence as the result of a criminal case with his landlord. For the time being, Nabil had been staying with an acquaintance, Robert Thomas, at 5205 Stanley Ave for approximately a week. Robert became fed up with Nabil and asked him to leave the residence. Nabil agreed to leave. As he was leaving, Nabil claimed Robert hid some of his electronics from him. I helped Nabil gather the rest of his electronics from Robert's residence and sent Nabil on his way. Nabil will be finding a different place to live and advised he would not return to 5205 Stanley Ave.

Officers spoke with the social worker, Tonya Owens, who stated a resident at Sunrise Pointe, Anthony Soeder, had threatened her. Tonya stated Anthony is upset because his insurance is no longer going to pay for him to live at the facility. She advised him of this, to which Anthony replied that he would shoot her. Anthony is not known to have access to any firearms. Tonya did not wish to pursue any charges, she just wanted us to speak with him about the incident. As we spoke with Anthony, he was in the process of moving his things out of his room. He denied threatening Tonya and advised he owned no firearms. Anthony

stated he was going to gather his belongings and leave the premises. Tonya was satisfied with this.

RESIDENT IN ROOM #226 STATED HE WAS RAPED BY EVERYONE ELSE IN THE BUILDING AND HE WANTS TO FILE A REPORT AGAINST EVERYONE.

CHRISTOPHER BOYD DOB/01-22-59. OFFICER TO COMPLETE THE DISPOSITION. (MG)

I spoke with Boyd, who stated he was raped by all of the employees in the facility. When asked if he could describe any of them, Boyd stated he couldn't describe anyone. He stated all of the employees tried to "bite his dick off." Boyd expressed a desire to leave the facility because he believes he is "locked in a prison and wants to find his place in the universe." Boyd has a long list of diagnosed mental illness, including a severe case of schitzophrenia. Boyd has made previous claims of sexual assault at this facility in the past and all of them have been unfounded. At this time, based on Boyd's deteriorated mental state and the lack of specificity in his statements, this claim is unfounded as well.

We spoke with the daughter, Dajanae' Hopkins, who advised she was walking home from school on Mapleboro Ave., when an older black male with a grey/black goatee, driving a black Chevrolet Impala attempted to speak with her. She had her headphones in and did not hear anything the male said to her. She did not know the male and had not seen him before. Hopkins stated she saw an older lady walking ahead of her, so she pretended like the lady was her

grandmother in an attempt to discourage the male from trying to speak with her. Upon seeing Hopkins with the other woman, the male drove off. Hopkins parents were not at home, but we spoke with her mother, Lakeisha Taylor, who wanted us to document the incident. We advised Hopkins to walk home with friends and to call us immediately if the male attempts to speak with her again.

On Monday, 11/6/17, at 2034 hrs I, Ptl. Carmine #535, was dispatched to the MHPD Lobby for a report of a juvenile who was being unruly. Upon my arrival, I spoke with the complainant, Latoya Newsome, who stated her son, Jaivion Blythewood (6/8/05), got into an altercation with his two siblings earlier in the day

and when his sister, Shontee Blythewood (9/28/03), called their mother, Latoya, Jaivion decided to leave the residence. Latoya stated Jaivion told his father that he was at a friend's residence however he did not tell him where. Latoya was at work and this incident occurred at approximately 1845 hrs. Latoya stated Jaivion was causing problems in the residence frequently and she was going to file unruly charges against him. Jaivion is 12 yo black male, approximately 502 tall and 165 lbs, with short black hair and brown eyes. Jaivion has asthma, but he only uses medication as needed. He does not have any distinguishing marks, tattoos or piercings. He was last seen wearing a black and white hoodie, black and white pants, and black shoes. Shontee told Latoya that Jaivion left on his bicycle. Latoya did not give permission for the Facebook submission. Latoya did sign the dental records release form. Jaivion was entered into LEADS as missing NIC #M914221952. AC535
