ASSISTANT PRINCIPAL REPORTING A STUDENT STATED A RELATIVE FORCED HIMSELF ON HER AGAIN AND NOW SHE IS PREGNANT.

The principal, Ms. Price, informed me the juvenile had walked up to the secretary waving an early pregnancy test box saying her uncle had molested her again and that she was pregnant. When I attempted to speak to the juvenile, she informed me nothing had occurred and she was not pregnant. The juvenile also denied having a pregnancy test. I was informed a counselor, Ms. Gary, who was working with the juvenile, was at the school. Ms. Gary informed me she could not discuss the juvenile's history with me. I spoke to the juvenile's mother by telephone and she related the following: Recently they had discovered that the juvenile been sexually molested for several years by an uncle, which was reported to Cleveland P.D. The uncle had recently bonded out of jail and the juvenile was upset by this. The mother stated there is no way the uncle has had any contact with the juvenile since this had come to their attention. The mother informed me the incident has caused emotional issues with the juvenile which today's incident was further manifestation. The school security informed me they were told that a pregnancy test had been located in a staff bathroom on the first floor. I viewed the pregnancy tests and observed both were negative for pregnancy (NOTE: It was not determined if this was the pregnancy test the juvenile had shown to the secretary). No new crimes were discovered and nothing criminal occurred in Maple Hts. STB514

HNH

On 11/09/17 at about 2133 hours, Ptl. Konieczka, and I, Ptl. Ponyicky, responded to 5069 Stanley Ave. Maple Heights, OH for a report of a missing juvenile. The caller, Tracie Singh, advised her 16 year old daughter, Martiana Foster, and her got into a verbal argument. After the argument Martiana voluntarily walked away from the home. Tracie walked after Martiana but was unable to get her to come back to the residence. Tracie advised she has been having ongoing problems with Martiana and it not new for her to walk away from the residence. Tracie advised Martiana does have cell phone but it only works with a Wi-Fi connection.

Martiana is a black female, about 5'5", 160 lbs., poofy black shoulder length hair, and brown eyes. She was last seen wearing a black hoodie, grey jogging pants, and Nike flip flops.

While Tracie was completing the missing person's packet officers drove the area to look for Martiana. We checked with the clerk at Food Deals who knows Martiana but has not seen her. We also drove north on Lee Rd. into Cleveland to find Martiana but we were unsuccessful. Ptl. Ponyicky direct messaged Martiana using Tracie's Instagram account. Tracie later told Ptl. Ponyicky Martiana said she was hit by Tracie.

Tracie completed a missing person's packet which included a dental form and agreed to feature Martiana as a missing person on the CCSO's Facebook

page. She was as able to provide a current photograph of Martiana which was attached to this sheet.

Martiana was entered into the LEADS database as missing and was assigned NIC #M154220607. Martiana was added to the Maple Heights PD Missing Persons Work Sheet. Martiana is a frequent runaway.
