Upon arrival all children were inside of the home. Seven year old Mark was being disobedient and ran outside when told not to by his older siblings. After he ran outside, his 17yr old brother, David, did not let him back in when he wanted to come back in. David made Mark stand out on the porch while he lectured him about not following his rules. I counseled David and advised him of the danger and possible consequences of him making his younger brother stand outside in inclement weather, even if for only a short time. I also spoke with their mother, Kianna McPherson on the phone. She was advised of the situation and will be handling discipline when she arrives home. GRA519.

Complainant, Matt Fort, advised he had returned his fiance's aunt's vehicle and left his house keys and his handicap placard in the vehicle. Matt's fiance's aunt refused to return his items until he paid a camera ticket obtained when he or his fiance was using the vehicle. Matt's fiance's aunt was contacted and left a voicemail, advising her she needed to return Matt's possessions. Matt was advised to attempt to contact his fiance's aunt in the morning, when she will most likely be awake, to attempt to get his belongings.

COMPL REPORTING AROUND 10:30 P.M PARTIES CAME TO HER RESIDENCE LOOKING FOR HER SON AND HIS FRIEND (NEITHER WERE AT HER RESIDENCE). THE PARTIES THAT CAME TO HER RESIDENCE WERE AGGRESSIVE AND ACTED AS IF THEY WANTED TO COME INSIDE HER RESIDENCE. COMPL LEARNED HER SON QUESTIONED THE PARTIES ABOUT A ROBBERY THAT HIS FRIEND'S GIRLFRIEND WAS INVOLVED IN.

I spoke with the complainant, Carla Allen, who stated at 2230 hours, a male named Deandre Walker, approached her front door. Carla stated Deandre was looking for her son Tyshon Evans and his friend, Paris. Carla did not know Paris' last name. Carla stated there were also an unknown number of other males waiting in vehicles on the street. She recognized only one of the other males as Justin Walker. Carla told Deandre that Tyshon and Paris were not at the house. Deandre left the residence with the other males. Carla eventually discovered through her son that Deandre had recently robbed Paris' girlfriend while she was working in Warrensville Heights. Deandre had apparently heard Tyshon and Paris were looking for him in regards to the robbery. Tyshon and Paris were not at the residence when I arrived. I was unable to speak with anyone else regarding the matter. I advised Carla to call MHPD if she sees the males around her residence again.

CALLER REPORTING ABOUT 5 MINUTES AGO SOMEONE POINTED A GUN AT HIM. CALLER STATED IT WAS A DARK COLORED CHEVY MALIBU 4 DOOR WITH TEMP TAGS. DRIVER WAS A BLACK MALE WITH DRED LOCKS. THERE WERE ABOUT 4 TO 5 MALE OCCUPANTS IN THE VEHICLE. PERSON IN THE BACK SEAT POINTED THE GUN. CALLER STATED HE FOLLOWED THE VEHICLE TO THE AREA OF MAPLEWOOD AND DUNHAM.

At approximately 2200 hrs, the complainant, Joel Monts, was stopped at a red light on Broadway Avenue at Greenhurst. Joel stated a dark colored, older model Chevrolet Malibu pulled up next to him occupied by 4, maybe 5, black males. The driver in the Malibu began to stare at Joel. Joel noticed and looked back at the driver of the Malibu, making a shrugging motion to see what he was looking at. When Joel made the motion towards the driver of the Malibu, he stated the back seat passenger, on the passenger side of the vehicle pulled out a smaller handgun and pointed it at him. Joel stayed still. When the light turned green, he said he waited until the Malibu pulled away before he proceeded. Joel began to follow the vehicle as it turned off of Broadway onto Libby Road, westbound. The vehicle turned left onto Dunham Road and Joel continued to follow. The Malibu turned left off of Dunham Road, onto Maplewood. Joel continued on Dunham Road, to Rockside Road. Joel made a left onto Rockside Road and saw the Malibu turn onto Rockside Road in front of him. The Malibu turned right onto Lee Road South. At this point, Joel responded to the Maple Heights Police Department. Joel was not able to retrieve a plate number from the Malibu, however, he advised that the vehicle had temporary tags on it. Joel stated the only distinguishing character about the driver was his dread locks, approximately 4-6 inches long. He also stated the male who pointed the gun at him had a winter hat on and a dark colored jacket. Joel was unable to give a description of the other males in the car. The area was checked for the Malibu, however it was not able to be located. There was not enough identifying information available for continued investigation.

OFFICER CRAWFORD REPORTING A DOMESTIC DISPUTE COMPLAINT.

On November 16, 2017 I, Ptl. A. Crawford #546, responded to the Maple Heights Police Station lobby at 5373 Lee Rd. for a Domestic Dispute complaint. Upon arrival I spoke with the complainant, Marguerite Greene, from 20613 Hillgrove Ave. Marguerite stated on 10/26/2017 her sister, Jennifer Greene, came to her house and became disruptive. Marguerite stated Jennifer, who does not reside with her, started cussing at her and she asked her to leave the residence several times. Marguerite stated Jennifer reached for her during an argument. Marguerite then stated her grandson, Jeremiah Isom (DOB 8/10/2013), was between them when Jennifer reached for her. Marguerite stated Jeremiah received a small scratch under his left eye while being removed from between them. Marguerite stated there was not intent to harm Jeremiah. Marguerite stated they did not physically fight and Jennifer left the residence. Marguerite wanted the incident documented because she stated she will be pursuing an order preventing Jennifer to come around her. Marguerite stated she feels she has to look over her shoulder. No direct threats of violence were mentioned. I contacted children who witness violence hotline and gave domestic violence packet to Marguerite. ASC546

I spoke with Jamil Ousman regarding his red Chrysler Voyager that allegedly stolen yesterday. This is in reference to report number MA17-0082450.
Jamil stated on 11/17/17, at around 1630 hours, his sister called him to inform him that the Voyager was stolen from her yard. She said the theft occurred on
11/16/17 at about 2000 hours. The vehicle involved in an accident at around 1949 hours, on 11/16/17. He stated his sister, Tiesha Mitchell, had the vehicle
parked at her address on 5420 Dalewood Ave. Mitchell was the only one who should have had access to the vehicle and no one else had permission to drive
the vehicle. He was advised that there were witnesses stating that three females were seen leaving the vehicle after the accident. One of the females had left
some papers with her name on them, in the vehicle. This female was identified as a girlfriend that lives with the Teisha Mitchell. The females name was Krystle
Miller. With all this new information Ousman was unsure if the vehicle was stolen. This accident was still under investigation. He was advised to have his sister
and this female contact Ptl. Heitzer regarding the accident. He also provided his sister's phone number. AJK 544

CM WILDE TO COMPLETE DISPO

On Friday, November 18, 2017, I, Ptl. M. Wilde #543, responded to 21219 Clare for a report of a robbery. Upon my arrival, I spoke with Linda Gramm and she advised me of the following:

Linda stated she was leaving Family Dollar and she saw two black males circling the Family Dollar parking lot, appearing to be searching for someone. Both males appeared to be in their late teens, early twenties. Dark skinned, approximately 5'9"-5'10". No facial hair, no glasses, no distinguishing marks or features that she was able to recall. One male was wearing a tan or light colored hooded jacket, and blue or grey jeans. The other male was wearing all black, with a black hat. Both males had short cut hair.

As she walked towards her vehicle, she said the male wearing all black was on the passenger side of her vehicle, with another vehicle between him and her vehicle. She began to open the driver's door to her vehicle, and her dog, who was in the vehicle, started to bark. She looked behind her and the second male, the one wearing the tan jacket, was standing behind her approximately ten feet away. She immediately got into her vehicle. The males did not say anything to her, nor did they brandish any weapons. They did not take anything from her.

She thought they were acting suspicious, so after she got into her vehicle, she circled around the parking lot, keeping an eye on them. She watched them approach a male in a tan vehicle. The male in all black opened the front passenger door and got into the vehicle. The male in the tan jacket approached the driver and was standing near the door. She stated she saw the male in the passenger seat pull out a handgun and point it at the driver, and the male standing outside the driver door also pulled out a handgun. She saw the male in the tan jacket pull back the slide on his handgun, like he was loading a round into the chamber. She panicked and started to blow the horn on her vehicle to scare them away. The two males began to run towards the Pizza Hut/O'Reilly's parking lot and the driver of the tan vehicle got out of his vehicle. Linda stated she saw the driver pull a handgun out and point it at the males running away. The male told her "I got this, you go home and call the police". Linda then left, went straight home and contacted the Maple Heights Police Department.

FEMALE ON STATION TO REPORT THEFT FROM AUTO OVERNIGHT. TWENTY EIGHT AMAZON PACKAGES WERE STOLEN. AE.

Comp. stated a company she owns parks her box trucking the rear of the parking lot. Her drivers arrive around midnight and take the trucks for deliveries. When the divers of three trucks arrived at the first stop they noticed the pad locks on the back of the trucks have been cut and the contents in the trucks stolen. Once truck had 3 box's the second truck had 25 packages and it is still unknown how many packages were in the third truck. The Comp. stated they are returned packages from amazon and she does not know the content or the values of all the items stolen. The Comp. did not have any paperwork to show the number of packages or values but was attempting to gather that information. Once the paperwork is obtained, she will provide that information to MHPD. At this time there are no suspects and the incident will be documented for insurance purposes. CWF528

MALE IN THE LOBBY TO MAKE A REPORT. MALE STATES A FEMALE HIT HER CAR LAST NIGHT AND THE FEMALE WHO HIT HIS CAR TOLD HIM SHE DOES NOT HAVE INSURANCE.

On Saturday November 18, 2017, at approximately 2127 hours, I, Ptl. Augustyn #536, was dispatched to the lobby for a report of a hit skip. Upon my arrival, I met with Maurice Lett (Geico 4495700488) and his brother Macklyn Lett. Maurice advised he was in his vehicle (RIPMACK) with his brother in the Kings and Queens Parking lot (20840 Southgate Park Boulevard) at approximately 0110 hours on 11-18-17. While he was parked a black Jeep (GYD5819) side swiped him causing major damage to the driver side of his vehicle. The vehicle did not stop and he chased the vehicle to Northfield and Miles where the vehicle finally stopped. He exchanged information with the operator, Angel McMillon, who advised she would take care of the damage. Angel did not make an attempt fix the vehicle so Maurice filed a police report. I spoke with her on the phone and she advised she was at Kings and Queen on the morning of 11-18-17 but she denied being involved in an accident. Angel was issued a citation which she was served on 11-23-17. Angel provided proof of insurance (Progressive 902079098). #536

SUB/ MARCUS JENKINS 09-22-70

The complainant, Toya Talley obtained her CCW permit and bought a weapon. Her husband, Marcus Jenkins, was not happy about the fact that she bought a
weapon and told her he was going to buy a weapon. Toya believes he is going to buy a gun illegally. Marcus has not made any direct threats towards Toya,
however, due to an extensive history of domestic violence situations with Marcus, Toya is fearful. Toya was counseled on domestic violence law and given
resources she could utilize in this situation.

Marcus responded to the Maple Heights Police Department shortly after Toya had left. Marcus advised me he was shocked when Toya brought home a
weapon because they had a no gun policy in their household. Marcus mentioned buying a weapon for himself and an argument ensued. Nothing physical
occurred and Marcus stated no threats were made. Marcus was also counseled on domestic violence law and advised to find another place to stay while he
files for divorce.

VM

Compl states at approximately 1600hrs today, he was traveling westbound on Libby Rd in the curb lane. An unidentified truck in front of him pulled out in front of him and he swerved to avoid the truck. While swerving another car went through the light at Prayner Ave and that vehicle, sideswiped his vehicle. The party in the other vehicle stopped and they exchanged info, however, the other driver's physical State of Ohio ID card, showed him as a "non-driver" and they did not have an insurance card to show him. Compl stated he started to call 911, but the other party stated they did not want the police, so they agreed to not call the police to the scene. The other driver drove off after they exchanged info. Compl was later contacted by someone stating they represented the other driver in regard to an insurance claim the other driver made, so he wanted the incident documented on a call for service sheet for insurance purposes. SON INVOLVED MAURICE LYONS EWC CLEVELAND HTS PUR A ONLY.

MAURICE LYONS ADVISED OF CRIMINAL TRESPASS AND A CITATION ISSUED FOR DRUG PARAPHERNALIA.

On Monday, 11/20/17, at 2325 hrs, I, Ptl. Carmine #535, was dispatched to 16849 Libby Rd. for a report of a male who was arguing with his mother and was holding a knife. Upon our arrival, the male, identified as Maurice Lyons, was inside the residence standing by the front door. Maurice no longer had a knife in his hand or on his person. Carolyn Felton, the complainant, stated he dropped the knife by the couch in the living room. Carolyn stated Maurice did not come toward her with the knife that he was only pacing and he did not make any threats toward her. She stated Maurice was drinking and she just wanted him to leave. Ptl. Hobart #520 looked for the knife on the couch that Carolyn pointed to but he did not locate the knife, however he located a glass pipe with residue consistent with crack-cocaine. Maurice was cited for drug paraphernalia and was advised of criminal trespassing. The pipe was entered into evidence. AC535

FEMALE ON THE GROUND IN THE PARKING LOT SAID SHE WAS BEAT WITH A GUN BY A MALE WHO WENT BACK INSIDE THE BAR. DARK BLACK MALE SKINNED WEARING ALL BLACK AND A BLUE BUBBLE JACKET. THE FEMALE IS BLEEDING.

COMPLAINANT WAS ADVISED TO RETURN TO THE STATION TO SPEAK FURTHER WITH OFFICERS.

NO VICTIM WAS LOCATED. BARTENDER ADVISED THERE WAS A FEMALE AT THE BAR CAUSING ISSUES THROWING DRINKS AT A MALE. POSSIBLY THE SUSPECT.

0142HRS NO VICTIM LOCATED STILL AND NO RESPONSE TO THE PD BY THE CALLER.

Upon officers arrival, we did not locate a female in the parking lot, inside the bar, or anywhere else in the area with any injuries. There was no blood in the parking lot or anywhere else. I located a male matching the description of the male called about, identified as Derek Coie, who did not have a gun on his person and stated his child's mother was at the bar and he argued with her but that she left prior to our arrival. Derek also had a black substance on him which was also located in and on a vehicle in the parking lot. We spoke with multiple other people including the owner of the bar who all stated the only thing that happened was a verbal argument and that the female threw hair glue on Derek. Ptl. Jividen #537 was checking the parking lot and located a vehicle with a bag of marijuana on the back seat. The vehicle was a tan Ford bearing TN license #1G92A1 which was also the same vehicle that had the hair glue on it. Ptl. Hobart #520 asked all of the patrons at the bar if the vehicle belonged to them and they all stated it did not. Ptl. Hobart also asked the bar owner if the vehicle was allowed to be in his parking lot since the owner was not present and he stated the vehicle was allowed to be there. When the vehicle was searched we located two digital scales in the vehicle along with the bag of marijuana. All the items were taken as found property and entered into evidence. AC535
