THE DRIVER WAS CITED FOR A TRAFFIC VIOLATION. THE 4TH PARTY WAS NOT ISSUED ANY CITATIONS AND LEFT ON FOOT.

Upon my arrival to Clare Ave., I observed the vehicle leaving the area with no headlights on and it appeared to be trying to elude Ptl. Jividen #537 and I. I followed the vehicle to Clampher Rd. from Clare Ave. where it began traveling southbound. The vehicle then turned eastbound on Gardenvue Dr. where I initiated a traffic stop. The vehicle started to pull into the driveway of 20811 Gardenvue Dr. before fully stopping. The license plate on the vehicle came back to a Mazda, however the vehicle I stopped was a Jeep. Due to the nature of the call, the driver's actions, the number of occupants (4 total), and the license plate not matching the vehicle, a felony stop was conducted by Ptl. Jividen, Ptl. Hobart #520, and I. Once all of the occupants were detained and identified I checked the VIN on the vehicle which verified that the vehicle had just been purchased, like the driver stated. I could smell the odor consistent with burnt marijuana emanating from the vehicle, so I conducted a probable cause search of the vehicle. I did not locate anything criminal at that time. The two females were identified as juveniles and were returned to their respective parents and residences where the parent of each was cited for a curfew violation. The driver was cited for driving with no headlights at night and the fourth passenger was released and he left on foot prior to finishing the traffic stop. AC535

CALLER JUST RETURNED HOME AFTER LEAVING YESTERDAY AT 5PM, WENT INSIDE AND NOTICED HER HOUSE IS RANSACKED AND THE BATHROOM WINDOW IS OPEN. SHE IS NOT SURE IF SOMEONE IS STILL INSIDE. COMPLAINANT WILL BE WAITING BLACK 2014 FORD EDGE.

The caller stated she left her residence on 11-21-17, at approximately 1700 hours. When she returned home on 11-22-17, at approximately 0740 hours, she observed her bathroom door was closed, which she leaves open. When she opened the door she observed her bathroom window was open. She looked into a main floor bedroom and observed items had been moved around. She exited the residence and called the MHPD to report the incident. Officers checked the residence without locating any suspects. The caller stated nothing was missing from the residence, but some items had been moved. No damage to the bathroom window was observed which would indicate the window was not locked. No evidence was located. STB514

SOMEONE DUMPED SEMI TRUCK TIRES BEHIND THE BUILDING.  
ABOUT 22:30 LAST NIGHT, A MAR PICKUP TK WITH NO LICENSE PLATE DROPPED ABOUT 18 TIRES BEHIND THEIR BUILDING IN A VACANT LOT.

When I spoke to the caller, she stated someone had dumped 19 semi tires on the vacant lot behind her business. The business security camera showed on 11-21-17, at approximately 2230 hours, a maroon truck pulled up next to the lot and a heavy set black male had removed the tires from the truck and placed the tires in the lot. From the security camera footage it did not appear that the truck had a license plate on the rear. The security camera footage was not clear enough for identification purposes. The caller only wanted the city aware of this to have the tires removed. STB514

The service department was notified and stated they will not be removing the tire from the vacant lot. The comp. was advised of this and will be notifying the building department to see if they can assist. BK508

SHE STATES THE TAPE THAT WAS AT THE BACK DOOR WAS LOOSE, AND THE WINDOW IN THE BACK WAS AJAR. THE CALLER STATES THE FEMALES WALLET IS THERE BUT THE AUNTS CREDIT CARDS AND ID IS MISSING. CALLER TALKED TO DET BUR AND THEY ADVISED TO HAVE POLICE RESPOND. THE CALLER IS STILL AT THE HOUSE. SHE HAS A 2016 SIERRA GMC TRUCK BLK IN COLOR IN THE DRIVEWAY.

The complainant, Alycia Bange, advised her aunt was found deceased in the home yesterday, November 21, 2017. Today, November, 22, 2017, Alycia responded to the house, 5574 Beechwood, to retrieve some of her aunt's belongings. When they arrived at the house, she saw the back screen door had been opened. The back door that lead into the kitchen of the house had a broken window. The glass from that broken window had been pushed into the house and the seal that the medical examiner had placed on the door had been moved. As Alycia went through the house, she noticed her aunt's ID, Social Security Card, Birth Certificate, Visa Card, Master Card and Discover Card were missing from her wallet. Alycia was confident that the medical examiner did not have those items and the Maple Heights Detective Bureau was contacted to verify that they did not have those items, which they did not. Alycia will attempt to cancel the cards as she sorts through her aunts paperwork.

On Wednesday, November 22, 2017, at approximately 2054 hours, I, Ptl. Powell, was dispatched to 14519 Reddington Avenue to investigate a missing person report.

I arrived at the residence and spoke with the complainant, Jacqueline Johnson, who stated her son, Jamere Sheron, was missing. Jacqueline advised she and

her daughter, Nevaeh Sheron, had gone over to a neighbor's house at approximately 1905 hours to bake for Thanksgiving. Jamere remained at the residence because he was grounded for being suspended from school. When Jacqueline returned home at approximately 2000 hours, Jamere was not at home. Nevaeh stated Jamere had told her earlier in the day he was going to go to his grandma's house. His grandma, Diana Johnson, lives at 1406 E 82nd Street in Cleveland. Jacqueline contacted Diana and Diana advised Jamere was not at her house. No one else was at home when Jamere left.

Jamere is a 15 year old black male, approximately 5'9" tall, and has a medium build. He has a curly black afro, brown eyes, and no facial hair. Jamere has no distinguishing marks or tattoos. He was last seen wearing a dark colored coat, black shirt with black shorts and red shoes. Jacqueline advised he may have taken a pair of his black pants to change in to as well. Jamere has no known medical conditions and takes no medication.

Jacqueline stated Jamere has a friend who usually picks him up in a white Chevrolet Monte Carlo. Jacqueline does not know the name of the friend.

Jamere has access to a working cell phone. Jacqueline has attempted to contact Jamere but has not been able to get in touch with him. Jamere has an Instagram account with username 1jaayy, but the account is private. I attempted to contact Jamere via his cell phone but was unable to get in touch with him.

Jamere was entered into LEADs as missing NIC #M674250469. Jacqueline completed a missing person's packet for Jamere and provided a recent photo of him. Jacqueline agreed to allow Jamere to be featured on Facebook. She did not complete or sign a dental form for Jamere. Jacqueline was advised to notify MHPD if Jamere returns home. MHPD Spreadsheet updated.

On Wednesday, November 22, 2017, at approximately 2324 hours, I, Ptl. Powell, was dispatched to 5069 Stanley Avenue to investigate a missing person report for two juveniles.

I arrived at the residence and spoke with the complainant, Tracie Singh, who stated two of her daughters, Martina Foster and Mantriana Singh, were missing. Tracie advised at approximately 2000 hours she allowed Mantriana and Martina to walk to McDonald's. Tracie laid down for a nap and woke up at around 2300 hours. Mantriana and Martina were not home yet, so she became concerned. Neither daughter has a cell phone that can make or receive calls, so Tracie was unable to contact them. She searched McDonald's and the area surrounding the business but could not find the girls.

Mantriana is a 14 year old black female, approximately 5' tall, and has a medium build. She has long dark brown hair and brown eyes. Mantriana has no distinguishing marks or tattoos. She has no known medical conditions. She was last seen wearing a dark blue/black shirt, tan pants, mid high socks and a dark blue or black coat. Tracie does not believe Mantriana has any other clothing with her.

Martina is a 16 year old black female, approximately 5'3" tall, and has a medium build. She has dark brown hair that is worn in a ponytail and brown eyes. Martina has no distinguishing marks or tattoos. She has no known medical conditions. She was last seen wearing a white shirt and dark blue pants. Tracie does not believe Martina has any other clothing with her either.

I canvassed the area surrounding McDonalds and was unable to locate the two girls. Martina and Mantriana both have Instagram accounts, but their accounts

are private. Mantriana's Instagram username is "\_\_munchie\_\_." Martina's Instagram username is "beenabouttina."

Mantriana and Martina were entered into LEADs as missing. Tracie completed a missing person's packet for both girls and provided a recent photo of each of them. Tracie agreed to allow Mantriana and Martina to be featured on Facebook. She completed and signed a dental form for both girls. Tracie was advised to notify MHPD if they return home.

MALE SAW A FEMALE TAKE A 7 YO FEMALE OUT OF THE CAR AND WAS BEATING HER. THEY WENT INTO THE HOUSE WITH 2 OTHER CHILDREN. WHITE FORD FOCUS IN THE DRIVEWAY. ITS THE LAST HOUSE ON THE LEFT HAND SIDE ACROSS FROM BRUNSWICK. WHITE HOUSE.

I arrived at the residence and spoke with Alexandria Hicks and Jaleesa Allums. Jaleesa stated she had three children and had been disciplining one at the time we received the call. Jaleesa also stated she knew the caller was a Dequan Fortson. Jaleesa advised Dequan is upset that he and her sister, Alexandria, are no longer together so he is trying to cause problems where there are none. I asked Jaleesa to see her three children, who were all sleeping, and none of them had any injuries or marks to suggest any excessive discipline. At this time the complaint is unfounded. This call is related to two other incidents reference MA 17-0083847 and MA 17-0083908. Settled, male left the area.

------------	----------	--------------------	-------------	-----------	--

CALLER REPORTING HER BOYFRIEND IS NOW CIRCLING HER HOUSE IN HIS BURGUNDY TRUCK. VEHICLE HAS A TEMP TAG. MALE IS KNOWN TO CARRY GUNS. MALE IS NOW AT E 141 HEADING TOWARD HER HOUSE.

VEHICLE HAS TAPE ON THE BACK WINDOW.

VEHICLE WENT LEFT ON E 141 AND THEN LEFT ON ROCKSIDE. VEHICLE IS NOW BACK IN FRONT OF THE HOUSE. KEEPS CIRCLING.

At approximately 2326 hours, dispatch received a call from a male reporting he had seen a female beating her child outside of 14100 Brunswick Ave reference MA17-0083907. As I responded to the residence, dispatch advised we had received a call from Alexandria Hicks inside of the residence stating her boyfriend was circling the home in his vehicle, later identified as a red Ford Explorer with a broken rear window, and that the two calls may be related.

I arrived at the residence and spoke with Alexandria and her sister Jaleesa Allums. The male involved, Dequan Fortson, had left the scene prior to my arrival. Alexandria stated she had recently been involved in a domestic violence incident with Dequan at his grandmother's house in Cleveland. Alexandria and Dequan have just recently broken up and Alexandria went there to collect the rest of her belongings from the residence when the incident occurred. She was unable to get all of her belongings. Dequan took the rest of the belongings and threw them outside of Jaleesa's residence earlier in the day reference MA17-0083847.

At the time of the call, Dequan had been circling the home in his vehicle, yelling that he was going to report Jaleesa to 696 Kids for beating her children. He made no threats to the females and the females did not report seeing any weapons. Alexandria just wanted to be as far away from Dequan as possible. She stated she was pregnant with his child and did not want another incident to occur so she called 911. I advised Alexandria to contact MHPD if Dequan returns or makes any threats towards her or Jaleesa and to follow-up with Cleveland Police to report the incident that occurred in Cleveland.

Moore #538 was dispatched to Sunoco, located at 5270 Warrensville Center Road for a call regarding a clerk who refused to give the customer her money back. The clerk then refused to return the bill to Carmen. When asked where she recieved the bill from, Carmen stated that she works at Aldi, located at 4650 Northfield Rd, North Randall, OH 44128. While at the store, Carmen got "cash back" from one of the registers and unknowingly recieved the counterfeit bill. I confiscated the bill.

On Saturday, 11/25/17, at 0008 hrs, I, Ptl. Carmine #535, was dispatched to the area of 19757 Maple Heights Blvd. for a noise complaint that included a vehicle revving its engine. Upon officers arrival, we observed smoke coming from the garage of 19762 Maple Heights Blvd. where a vehicle was parked and a male, later identified as Ahmad Smith, was located. Inside of the open garage door I could observe a large amount of smoke coming from the vehicle tires and a large amount of rubber that was on the garage floor. There were also tire marks going up the entire driveway. When I tried to explain why we were there and that driving a vehicle in that manner was illegal, Ahmad became irate and would not listen to me. Ahmad continually talked over me to the point of yelling, began cursing at me, and was visibly intoxicated. I advised Ahmad that if he did not cease his actions that he would be cited for disturbing the peace. Ahmad became even more angry and aggitated. Ahmad was cited for disturbing the peace. AC535

On Sunday, 11/26/17, at 0130 hrs, I, Ptl. The driver sat through an entire cycle of the traffic signal and was clearly asleep at the wheel. I turned on my overhead emergency lights and parked my unit in front of the vehicle. Ptl. Moore #538 arrived and he parked his marked patrol unit #4428 behind the vehicle. The doors were locked but we were able to wake up the driver, identified as Aundre Burton, and get him to open the door and shut the vehicle off. Once Aundre exited the vehicle I asked him to step to the sidewalk in order to get out of the roadway for everyone's safety. I asked Aundre to submit to SFST's and he agreed. During the SFST's Aundre did not show any signs of impairment and stated he was just tired. I followed him home back to his residence located at 15208 Rowena Ave. AC535

On Sunday, 11/26/17, at 0238 hrs, I, Ptl. Carmine #535, along with other Maple Heights officers, was dispatched to 14223 Tabor Ave. for a report of a male that was inside a residence without the resident's permission. Upon officer's arrival, we located the male inside the residence in the front bedroom of the residence where the complainant's daughter was as well. The complainant, Jamie Wright, stated she was asleep when she heard a noise downstairs and when she went downstairs she located a male, identified as James Meadows, in the bedroom with her daughter, Antwanieya Sears. Jamie stated she did not know the male and he was not welcome in her residence so she grabbed a knife and told him not to go anywhere until the police arrived. When we asked more about the knife and the involvement Jamie clarified that she did not hold the knife to his neck. I spoke with Antwanieya who stated she knew James and they were friends. She stated James was there to see her and she snuck him into her room through the window because she knew her mother, Jamie, would not allow James to come over otherwise. James stated the same thing as Antwanieya and when asked to leave by Ptl. Hobart #520 in order to alleviate the situation, he agreed. Jamie was advised of the eviction process for Antwanieya since she is 18 years old and they were both advised of domestic violence laws since they were very upset with each other. AC535

FEMALE IN THE LOBBY STATES HER EX HUSBAND BRADLEY KUZCMA IS NOT RETURNING HER DAUGHTER. THE DAUGHTER IS 6 AND FEMALE HAS PAPERWORK SHOWING AT 1900HRS IT IS HER TURN TO GET THE DAUGHTER.

On 11/26/17 at approximately 1936 hours, I, Ptl. Moore #538 was dispatched to the lobby for a custody complaint. Upon arrival, I spoke with Holly Davis, who stated that the father of her child, Brad Kuczma, would not allow her to retrieve their daughter, Makayla Kuczma. Holly explained that they had a court appointed time for Brad to have Makayla, from Friday at 1900 to Sunday at 1900; however, Brad refused to honor the agreement. I spoke with Brad over the phone, who stated that this was his weekend and Holiday times did not apply on his weekend. When Holly attempted to meet with Brad and retrieve Makayla, he refused. Holly wished to have this incident documented. Holly was advised to give this information and documentation to her attorney.

Comp. stated she was concerned that a neighbor was trying to get into her apartment. After viewing the damage it was determined to be old damage and it occurred prior to her moving in due to paint covering the pry marks. The issue with her door not closing was a loose hinge which was fixed by officers. Comp. was satisfied with the explanation and glad for the assistance. CWF528

COMPLAINANT OWNS THIS RESIDENCE WHICH HE RENTS OUT, HE STATES HE HAD THE TENANT EVICTED EARLIER TODAY, AND NOW HE WENT BACK TO CHECK ON THE HOME AND THERE IS A BROKEN WINDOW AND HE THINKS THE TENANT DID THIS. CALLER DID NOT SEE THE TENANT BREAK THE WINDOW THOUGH. SEE 170084557

Upon my arrival, the landlord showed me the living room side window was broken. The landlord had a tenant move out today and leave the keys to the residence inside. She contacted him today at 12:11 hours, stating she still had belongings in the residence and she would like to retrieve them (a couch and a stereo). The landlord advised her he was not able to come over immediately to give her access. See MA170084557The landlord was able to go to the residence at approximately 1330 hours this afternoon and the window was still intact at that time. When he came back at approximately 1800 hours he noticed the window was broken. There was nothing to determine how the window was broken, no rocks or other objects that would have damaged it. I spoke with multiple residents in the area and no one saw anything or heard anything other then noticing the trash in the back yard appeared to have been tossed around and gone through. MW543

COMPLAINANT IS IN THE LOBBY TO REPORT SOMEONE KEEPS CALLING HER AND THREATENING HER LIFE, CALLER DOES NOT KNOW WHO IT IS THAT HAS BEEN CALLING HER.

On November 27, 2017 I spoke with the Complainant, Kim Wylie-Brown, who advised that she has been receiving harassing phone calls. Brown reported that she received 11 phone calls from an unknown number on October 16, 2017. Brown received 9 phone calls from an unknown number on October 19, 2017, Brown received 1 call from (216)-415-8597 on October 31, 2017. She answered that call and the call lasted 7 minutes. She did not recognize the voice and the person said you will die over and over again. Brown was not threatened by this because she just figured it was someone playing around on the phone because of Halloween. I checked for the phone number in CAD and OLLEN and did not locate anything for the phone number. Brown stated that she received another 2 calls from an unknown number on November 4, 2017, and the most recent call from an unknown number on November 23, 2017. Brown stated that she doesn't have any enemies and does not know who may be responsible. I advised Brown that this incident would be documented for her in the case that she needed it for any reason. Brown was also instructed to not answer the phone for unknown numbers or numbers that she doesn't recognize and to let them go to voicemail. Brown was also advised on how to start telephone harrassment charges with her phone company if she wished to prosecute. (MPR530)

MALE REPORTING THE CATALYTIC CONVERTER STOLEN OFF HIS CAR. VEHICLE IS PARKED BY THE RENTAL OFFICE

SOMETIME ON SATURDAY AROUND 0400HRS TO 1030HRS LAST NIGHT SOMEONE CUT THE CATALYTIC CONVERTER OFF OF HIS VEHICLE. MANAGEMENT WILL REVIEW THE CAMERA TO SEE IF THEY NOTICE ANYTHING. THEY WILL CONTACT OFFICER IF ANYTHING IS LOCATED. (VA)

Officers later responded back and observed a maroon Chevrolet Impala enter the parking lot on 11/26/2017 at 0740 hours. The vehicle parks neat the comp. vehicle and appears to be looking under the comp.'s car. The suspect retrieves something from the trunk then goes out of view again. The vehicle then leaves the parking lot at approximately 0748 hours. Due to the camera angle I was unable to identify a license plate or suspect. The suspect is unknown at this time. If more suspect information is obtained or the vehicle is spotted in the complex again, the Comp. will provide that video to officers. CWF528

The caller stated she completed an online application for a company called AM Smart Sales as a warehouse manager. The position required her to work from home. She started receiving packages at her residence addressed to different people. The company instructed her to download shipping labels and to reship the packages to different business as part of the return process. After completing a few "returns" she was uncomfortable with this. She contacted the MHPD to document the incident. I was able to check the contents of 2 pf the packages she still had in her possession and they appeared to be legit merchandise. She had contacted the company and instructed them to stop shipping packages to her. She is going to return the remaining packages to FedEx. STB514

CALLER IN THE LOBBY REPORTING HARASSING TEXT AND PHONE MESSAGES FROM ANOTHER FEMALE.

On Tuesday November 28, 2017, at approximately 1406 hours, I, Ptl. Augustyn #536, was dispatched to 5165 Camden Road for a report of harassment. Upon my arrival, I met with Jessica Turner Smith. She advised her husband, Julius, has been using his sister's vehicle as his personal vehicle. His sister is Lueree Thomas. Yesterday, Jessica, Lueree, and Julius, went to the BMV to get the vehicle title transferred into Julius' name. While at the BMV, Lueree was yelling at Jessica stating that she owes her money, calling her derogatory names, and stating she wishes she would die. Other than being yelled at in the parking lot, Jessica has been receiving texts from Lueree stating that she owes her money. Jessica stated she has nothing to do with the vehicle and the issue needs to be settled between Lueree and her brother. Jessica wanted information on how to file for a protection order. I contacted Lueree but she did not answer. I left a voicemail advising her to contact me. #536

On Tuesday November 28, 2017, I, Ptl. Augustyn #536, was dispatched to 19216 Longview Avenue for a report of a missing juvenile. Upon my arrival I met with Jacqueline Young. She advised her daughter Destiny Young (DOB 12/20/00, 16 y.o.) had run away from the residence at 1530 hours. Jacqueline stated Destiny was recently suspended from school, T2 Honors Academy in Warrensville Heights for performing oral sex to a male on the back of a school bus. Jacqueline was notified of the suspension on 11/22/17 and Destiny has been on punishment ever since. At 1530 hours on 11/28/17, Jacqueline packed a bag and left her residence on foot westbound on Longview Avenue. Destiny's sister, Diamond Young, stated Destiny pushed past her and refused to listen to her saying to stay home. Prior to leaving, Destiny wrote a note saying she needed some time to herself and is feeling ashamed and embarrassed. She ends the note by saying she will return back home on 12/1/17 or 12/2/17.

Destiny was last seen wearing a white shirt, a blue jean jacket, a blue and red Cleveland Indians hat, black shoes, and carrying a black book bag possibly containing a change of clothes. She is a 5'3" medium skinned black female, 120 lbs, with a long black weave with a middle part. She does not have braces and has no mental conditions. She has both ears pierced.

Destiny has no vehicle and her cell phone was confiscated by her mother. Jacqueline initialed approving a Facebook submission. Jacqueline signed authorizing a release of her dental records. A photograph of Jacqueline was obtained.

Destiny was entered into LEADs as missing and given NIC # M344236740.

#536

On November 28, 2017, Jacqueline Young responded to the Maple Heights Police Department and provided us with the original letter, left by Destiny and her suspension letter. These documents were entered into evidence.

Female customer was unhappy with her original order of food, stating it was cold. Manager remade the order for free and re-delivered it. Female called back a second time stating the food was cold again. Her boyfriend then got on the phone and was making threats to come up to the store and beat up the manager. Upon my arrival, the manager pointed out the female customer as she was coming into the store. She put the food down and started complaining loudly. I had her step outside per the manager's request. I explained that the manager has the right to refuse service to anyone and that they would not be refunding her money. She was free to take both orders back into her possession. She agreed, and took the food. The manager wanted her advised of trespassing and they would not be delivering food to her address anymore. I advised her of this. The female left after she was advised. Manager did not wish to pursue charges against the male for menacing and was satisfied. MW543

Upon arrival at the residence, Sgt. Voll and I, Ptl. Powell, spoke with Gregory and Yolanda Hill inside the residence. As we spoke with them, we observed a grinder and scale associated with marijuana use sitting on top of an end table in the living room. There were also several marijuana cigarette "roaches" inside of an ash tray nearby. Gregory admitted to smoking marijuana regularly. When we opened the grinder, we discovered a small amount of marijuana, less than 100 grams, inside. We removed the grinder, scale, and roaches from the residence and transported them to the MHPD station. I photographed the grinder and the scale and entered them into evidence. Gregory was cited for Possession of Marijuana and given a Maple Heights Mayor's Court date of 12/19/2017 at 1530 hours.

CALLER REPORTING HER 21 YO DAUGHTER MCKAYLA DOB 3/1/1996, LEFT IN A WHITE VEHICLE WITH SOMEONE THE CALLER IS UNFAMILIAR WITH. HER DAUGHTER IS NOT ANSWERING HER PHONE

The complainant, Cheryl Belfiore, advised her daughter, McKayla Belfiore, has been acting out recently due to a break up. McKayla has been spending the night with friends recently and has told Cheryl she doesn't like spending the night in her room anymore. Tonight, McKayla stopped home after being out and left again. Cheryl said she saw an unidentified, black male, open the passenger side door of a white vehicle for McKayla. The two got into the vehicle and left. At approximately 2230 hrs, Cheryl asked McKayla to send her location via google maps. McKayla sent Cheryl an address in Cleveland that Cheryl was not familiar with. McKayla has not answered texts or phone calls from her mother since sending her location. Upon closer examination of the location, I was able to find that McKayla had shared a location located in Downtown Cleveland. Due to the time of night, I advised Cheryl to call the Maple Heights Police Department back if McKayla does not return home and is still not answering her phone throughout the day today.

Complainant stated on January 01, 2014 while out of state, she was involved in a motor vehicle accident and sustained a neck injury. She made a claim with workman's compensation. The complainant stated the people that follow her are black, white and Hispanic. They are also of every age and gender. The complainant continued to state even while she is on the bus while on the freeway, the employees slow down to the speed the bus is traveling in order to follow her. The employees watch her 24/7 and enter into her home when she is not there. The complainant stated today she discovered someone went into her home, took the old keys from her dresser drawer and "switched her car keys around." The complainant completed a written statement about the incident. This sheet will be forwarded to the Maple Heights Senior Center, for a representative to check in on the complainant. Tae'Von Grimes is a 17yr old black male, ~5'6", 140lbs, short cut brown hair, brown eyes. He has a birth mark on his chin, two scars on his back and a large scar on his right knee. He was last seen wearing a black jacket, dark green joggers, blue jean colored Ugg boots and a gold and wine Cavs skull cap with a ball on top. Tae'Von did take a black and orange backpack which he filled with clothes prior to leaving his home. He is diabetic and his mother does not believe he has his insulin pen with him.

Earlier today at around 0730hrs, Tae'Von's mother was verbally discipling him for not cleaning his room and he got upset with her. Shortly after, she left home to take her husband to work. Tae'Von told his younger brother he was leaving and left heading to an unknown location. Tae'Von is new to the area, and his mother stated he does not have any friends in the city. She has already contacted her friends who have son's his age and they have not seen, nor heard from Tae'Von. Tae'Von recently broke up with his girlfriend, Destiny. She was contacted and she had not spoken to him since they broke up. His Instagram account, glo.tve, was checked and he has not posted since the middle of this month.

His mother is going to their old neighborhood, Southview & E.131 area to look for him. Our city was checked thoroughly with negative results. Tae'Von was entered as missing. Photo attached. Facebook submission requested. GRA519.
