Angel stated the two have never lived together and they do not have children together. Angel did not wish to pursue charges at this time but wanted this incident documented. CALLER SAID THERE ARE 2 DOGS LOOSE ON ANTHONY BUT OWNER TOOK THEM IN AT 5248 ANTHONY.					
On Saturday December 2, 2017, I, Ptl. Augustyn #536, was dispatched to the Maple Heights Police Department for a report of an animal complaint. Upon my arrival, I met with Paul Pannell. Paul was waking the neighborhood passing out flyers for Councilman Jackson and had three separate animal complaints. He stated he walked to the side door of 5201 Theodore Street. While he was at the door, an unchained brown Labrador ran after him. He ran away and fell on the driveway. The dog did not bite him however he stated he injured his back. The dog went back to its house and its owner let it in. Next at 16725 Libby Road, he went to the front door and a large dog was in the yard unchained. Neither dog had left its property and the dog at 16725 had a collar on that appeared it had an electric fence. At a third residence on Anthony Street with an unknown address, he was in a yard with two dogs that were unchained. Paul stated he wished to sign citations against all parties involved. I spoke with Rhonda, the owner of the Labrador at 5201 Theodore. She stated the dog was not outside at any point during the morning. I was unable to make contact with the owner at 16725 Libby Road. Paul has not yet contacted me back about signing a citation against Rhonda. #536

Sophia left the residence and Victor could not locate his firearm. Victor believes that Sophia took his gun and left. I asked Victor why he told dispatchers that Sophia was going to harm herself. Victor stated in the past Sophia has made comments she would harm herself. I asked Victor if she made any such comments today and Victor stated no. I had Victor call Sophia by phone and Sophia answered. I asked Sophia if I could speak with her and she advised she would respond to the police department to speak with me. Sophia came to the police department and stated she had no intentions of harming herself and denied taking Victor's firearm. Sophia gave me consent to search her bookbag and her vehicle. I did not search her belongings. It did not appear Sophia had any intentions of harming herself.

The security guard picked up the phone and asked an unknown female walking by if the phone was hers. The female stated yes and took the phone. The security guard was unable to provide further information on the female. Kirby advised her phone was a new iPhone 8 worth approximately \$700.00. She attempted to locate the phone using Find my iPhone, but the program stated her phone was offline and unable to track. On 12/03/17, at 0831 hours I spoke with Elizabeth Dixon at the Maple Heights Police Station regarding, theft of items from her vehicle, a Kia Soul ,(Ohio registration GJY-4992). She last drove the car between 1900-2000 hours last night and parked it in the driveway of her residence. She left the vehicle unlocked. At 0745 hours today she noticed her glove box was open. She reported her wallet containing her SSN card, Blue Bird credit card, and \$800.00 in cash were taken. The wallet had been left under her driver's seat. There is no suspect in this case and she was advised to contact her bank, Blue Bird, SSN, to advise them of the theft of these items. FEMALE REPORTING SOMEONE BROKE THE FRONT WINDOW TO THE RESIDENCE OUT YESTERDAY EVENING

I spoke with Sylvette Williams regarding her front window that was broken on 12/02/17. She and her family heard a loud noise come from the front of her house at around 2200 hours and thought it came from the neighbor's house. At 1000 hours today, Sylvette noticed the upper left portion of her front window had been broken out. She believed the noise she heard last night was actually the sound of the window being broken. Glass was present on the ground in front of the window and it appeared a large piece of wood was used to break the window. A black male in a dark colored car was observed parked in front of the residence approximately ten minutes before the loud sound last night. It is unknown if it had anything to do with the window being broken. The resident was advised to contact police if they see anything suspicious. There is no identifiable suspect in this case. Mitchell does not live with his mother, but states he is over at her residence on a daily basis. He advised Marlene has dementia and bipolar disorder, making her very difficult to deal with. MALE IN PD LOBBY REPORTING THE MOTHER OF HIS CHILDREN DANIELLE PATTERSON IS CALLING HIS PAROLE OFFICER AND MAKING THREATENING PHONE CALLS TO HIM. HE IS RECENTLY RELEASED FROM JAIL.

I, Ptl. Powell, responded to the lobby to speak with the complainant, Johnny Williams. Johnny stated his child's mother, Danielle Patterson, has been calling his probation officer and filing false complaints in an attempt to have Johnny arrested for a probation violation. Johnny and Danielle do not live together and Johnny advised he does not have any contact with her. There is no protection order on file between them. Johnny stated the reason he is concerned is because if he accrues too many complaints while on probation, he could be arrested. Johnny spoke with his probation officer, Jonathan Dawson, who now understands the situation between Johnny and Danielle. Jonathan advised Johnny to file a police report to document the incident in order to have a record on file if anything should happen in the future.

FEMALE STATES AN OLD HIGH SCHOOL FRIEND NAMED JASON SMITH IS MAKING SUICIDAL THREATS ON FACEBOOK. FEMALE STATES HE IS FROM THE CLEVELAND AREA, FACEBOOK SHOWS BUFORD, GEORGIA. HE HAS PRIVACY BLOCK ON, UNABLE TO GET A BIRTHDAY. SHOULD BE BORN POSSIBLY IN OR NEAR 1971.

The male who is posting suicidal comments on facebook: Jason Smith. DOB 09/12/1968. Our female caller went to high school with him but hasn't seen or spoken to him in twenty years. She was concerned about his posts and was not sure who to notify. She reached out to a few mutual friends, one of whom stated the suicidal posts are common for Jason to make on a frequent basis. Another mutual friend stated he thought Jason was back in Cleveland and no longer in Georgia but could not confirm because he has not seen or spoken to Jason recently. She did not want to fill out a statement about the posts, she just thought someone should be made aware of the situation. Jason's number is on his facebook page, 678-910-3173. While I was speaking to the female, and we were looking at his Facebook page, he was "active" on Facebook but not responding to the private message she sent to him. MW543

On Wednesday December 6, 2017, at approximately 1909 hours, I, Ptl. Augustyn #536, was dispatched to the Maple Heights Police Department lobby for a report of a missing juvenile.

Upon my arrival, I met with Karen Smith-Noisette. She advised the juvenile is Desiree Davenport-Williams and that she is ward of the state. Karen was transporting county children around when they arrived at 20802 Kenyon Drive to drop off a juvenile. Coincidentally, Desiree has a 2 month old daughter that was being watched at 20802 Kenyon Drive. Desiree told Karen she wanted to go into the residence to see her child. Desiree then ran off of the porch of the residence toward Warrensville Center Road. Desiree is a frequent runaway and last ran away approximately two weeks ago.

Desiree is dark skin black female, approximately 5'5", 110 lbs, has black and red hair with a French braid, and was last seen wearing a black or blue jacket and a red shirt. Desiree is diagnosed with PTSD and takes medication including Vivance, Abilify, Prozac, and Zuanfacineer. Karen did not have a photograph of Desiree. Desiree does not have access to a vehicle and did not have a change of clothes with her.

Desiree's county worker is social worker Rufus Cook (216-561-5435) and the on call at Beech Brook can be reached at 216-701-4139.

Desiree was entered into LEADs as missing and given NIC # M284250750 #536

Tondlaya explained to me that sometime on 12/5/17; one of her sons was involved in a physical altercation in her front yard. All three of Tondlaya's children were present; however, only one participated in the conflict. The other party, 3 juveniles in total, attempted to jump Tondlaya's son; however, Tondlaya's other son and daughter separated them and prevented it. Sometime later, the second party returned with an adult and approximately 8 other juveniles. When Tondlaya stepped outside and observed this, she brought her children inside. Tondlaya contacted the middle school and high school about this issue and stated that they will be handling the issue. Tondlaya wished to have this documented. KM538

On Friday, 12/8/17, I, Ptl. Carmine #535, was on patrol in marked patrol unit #4428 traveling westbound on Libby Rd. stopped at the traffic signal at Broadway Ave. in the curb lane. The vehicle I stopped was in the middle lane on Libby Rd. headed westbound as well. When the traffic signal changed I attempted to travel westbound on Libby Rd. across the intersection. The other vehicle veared into my lane nearly striking my vehicle. I was able to stop in time to avoid an accident after hitting my siren and braking. I subsequently stopped the vehicle, the driver stated her rear view mirror fell off and that was the reason she veared. I cited her for lanes of travel and reasonable control. AC535

FEMALE IN THE LOBBY TO REPORT SOMEONE SHOT HER BACK WINDOW OUT OF HER CAR WHILE SHE WAS AT WORK.

I spoke with Delishia, who stated she parked her vehicle in the employee parking section at Signature Health at approximately 0730 hours, and walked into work. At approximately 1520 hours, a coworker came inside and notified Delishia that the rear passenger's side window to her vehicle had been cracked by something. No one witnessed the incident. Delishia stated she has no problems with anyone who would want to damage her vehicle. The damage appears to be from a small projectile. Delishia advised Signature Health has video surveillance cameras, but they will not allow employees to view the footage without a police report. I attempted to contact Signature Health to view the footage, but they are closed for the weekend. I will contact them about the footage when they are open. If anything pertinent is found by viewing the security video, I will complete a report on the incident. For now, Delishia wanted the incident document for insurance purposes.

ANONYMOUS CALLER REPORTING THERE HAS BEEN A DOG OUT ALL DAY WITH NO FOOD OR WATER.

THE DOG IS A BROWN/WHITE PITBULL. CONTACT WAS UNABLE TO BE MADE WITH THE OWNER. DISPATCH LEFT A MESSAGE FOR DENISE UTER. THE DOG WAS OUTSIDE WITH NO FOOD,WATER, OR SHELTER. THE DOG WAS TAKEN TO THE KENNEL. MESSAGE LEFT FOR THE ANIMAL WARDEN.

I arrived at the residence and attempted to make contact with the owners of the dog. No one was home, so I went to the backyard to check on the dog. I found it, a brown and white pitbull, with his leash tangled underneath a trampoline, preventing the dog from moving more than a couple feet in either direction. There was no food or water available to the dog. The dog had no adequate shelter and the temperature outside was 25 Degrees Farenheit. I once again tried to make contact with the owners, but was unable to. Dispatch called a recent number we have on file for the residence and there was no answer. For the safety of the dog, I removed it from its leash and transported it to the dog kennel where it was given food, water, and shelter. Dispatch left a message with the Animal Warden and the number we have on file for the owners.

MALE: DONOVAN GAYLE 10/02/1997 FEMALE: DOSHANAY LYMAN 08/13/2001 OIV: DAVID SULLIVAN 05/12/1986					

I spoke with the complainant, Donovan Gayle, and his sister, Doshanay Lyman. Donovan stated he and his sister were at the Church of the Lion of Judah when church staff forced them to leave the building. Donovan admitted he and his sister have had previous issues with the church and had been asked to leave the premises and not return on a separate occasion. He stated an employee there had assaulted him in the process of escorting them from the building. I spoke with David Sullivan, the church employee who had escorted Donovan and Doshanay out of the church. David stated Donovan and his sister have caused many issues with the church in the past and had been asked to not return. When Donovan and his sister showed up to church this morning, they were asked to leave and Donovan refused. David then attempted to escort Donovan out without any physical force, but Donovan shoved him, and a physical altercation ensued. Neither male reported any injuries. Neither Donovan or David wanted to press charges. Doshanay was not involved in the altercation, and left without incident. Donovan and Doshanay were advised of criminal trespassing at the church. David and the other church staff were advised to call MHPD before attempting to handle unwanted persons in the future.
