DISPO FROM #543
VM

The complainant, Domonique Woods, stated back in August, his dog went missing. He was able to recover his dog after discovering a juvenile stole the dog from his back yard. He had posted flyers with his number on it and this juvenile attempted to contact Domonique and get reward money for the dog. The juvenile's mother is insisting the juvenile was gifted the dog and it was their dog. The two parties are going to court to determine ownership of the dog. Domonique is concerned because he has recently seen the juvenile at a vacant house across the street, lurking around, acting as if they are watching the residence, waiting for them to leave the dog outside again.

The juvenile's name is Semaj Hudson, 216-647-3926. I contacted Semaj who denied knowing where Domonique lived. I advised him of trespassing and to stay away from Domonique's residence and let the courts decide what will happen with the dog. When I asked to speak to his mother, he disconnected and would not answer again. MW543

According to all parties involved it was a very heated argument over who obtained the bacon that had been eaten by Alyshia Moore. Reginald Moore (Alyshia's brother) stated that he and his girlfriend Katrina Dowell had went to a neighbor's house and was given the bacon as a gift. Alyshia stated she had bought the bacon. Dowell was very upset that the bacon was eaten and started a major confrontation with Alyshia. Reginald reportedly told Alyshia he would beat up Donte Roberts who is Alyshia's boyfriend. Donte was outside and did not hear the threat. Dowell was arrested on the warrant. Alyshia stated Dowell was the major problem and she should be able to get along with her brother. All parties were advised of DV laws. The siblings stated they would avoid each other the rest of the day. MG503

Speaking with the owner he advised he had been trying to contact the APL to surrender the dog. The owner stated the dog is very friendly but due to having a 1 year old daughter in the house he was afraid the dog would bump into the child and knock her down injuring her. Due to the low temperature, I took custody of the dog and transported it to the cages. The owner stated he has the shot records for the dog. STB514

On Wednesday December 13, at approximately 0330 hours, I, Ptl. Augustyn #536, was dispatched to the intersection of Turney Road and Dunham Road for a report of a driver asleep behind the wheel. Upon my arrival, a black Hyundai Elantra bearing registration F115480 and VIN KMH DU4AD4AU108030 was in the eastbound lane of Turney Road. The vehicle was sitting at the green light with the transmission in drive. I was able to confirm the operator was asleep behind the wheel. As Cpl. Basiewicz entered the vehicle to put the vehicle into park, the operator, Laray Reeves, woke up. He stated he was not intoxicated and just got off work so he was tired. Laray advised me he did have marijuana in his pocket. I conducted SFST's on Laray and determined he was not impaired. He was issued a citation for possession of marijuana, DUS, and slow speed. He was given a citation to appear in GHMC. #536

1228HRS MOTHER HAS RETURNED WITH HER MISSING JUVENILE

On Wednesday, December 13, 2017, at approximately 0923 hours, I, Ptl. Powell, was dispatched to the lobby to investigate a missing juvenile report. I spoke with the complainant, Alisha Edwards, who stated her daughter left home on Monday, December, 11, 2017 and stated she was going to hang out with a male named Tevin Brown, who lives in Rockside Towers, located at 25400 Rockside Rd. in Bedford Hts., OH. Alisha's daughter did not return home and would not return any of Alisha's phone calls. Bedford Hts. PD located a last known address for Tevin at apartment 301 in Rockside Towers. Myself and other Bedford Hts. officers checked the residence and were unable to make contact with anyone. Dispatch then advised Alisha's daughter had returned home, and Alisha had brought her to the station for verification. I responded to the station and spoke with Alisha and her daughter. Alisha advised her daughter told her she had been sexually assaulted while she was staying with Tevin. I spoke to Alisha's daughter separately from Alisha, and she advised nothing sexual occurred and that she and Tevin are "just friends," but appeared to be distraught about something. She appeared to be physically unharmed. I advised Alisha to take her daughter to Hillcrest Hospital to have a SANE kit done and to follow up with Bedford Hts. PD once they had finished at the hospital. Alisha's daughter was removed from LEADS as missing.

MALE IS OVERDOSING ON GROUND OUTSIDE. NOT CONSCIOUS NOT BREATHING

MALE SUBJECT TRANSPORTED TO MARYMOUNT

THE MALE ON SCENE ALLOWED PD TO SEARCH HIS PERSON AND VEHICLE AND NO OTHER ILLEGAL ITEMS WERE FOUND.

Upon officers arrival, the male, later identified as Michael Moschella, was unconscious and was being treated by the rescue squad. I spoke with another male, identified as Trace Kirchner, who stated he picked up Michael from the Speedway, located at 16400 Rockside Rd. Trace stated they began driving westbound on Rockside Rd. and when they approached Reddis Pizza, located at 5781 Dunham Rd. he noticed Michael was turning blue and was not breathing correctly.

Trace stated he pulled over and tried to help Michael breath better. A witness, identified as Patricia Shaw, stated she observed the incident from Reddis Pizza and there was another male with Trace. I asked Trace who the other male was and why they began to drive away from where they initially parked since they were located by the rescue squad at the corner of Dunham Rd. and Maplewood Ave. Trace stated the other male was "Mark" but that was all he knew and that they were going to try to drive Michael to the fire station located at 5720 Dunham Rd. but before they arrived they stopped and tried to get Michael out of the vehicle. Trace stated Michael's head hit the ground while he was maneuvering him outside of the vehicle, accidentally. Mark left on foot and Trace stated Mark told him he had a warrant. I asked what Mark looked like and he stated he was a white male, tall, thin and with long hair. Trace also stated Mark told him he lived on Edgewood Ave. When dispatch checked for anyone matching that description they located a male, identified as Mark Chapek, who resided at 16226 Edgewood Ct. I was unable to make contact with Mark when I went to his residence. Trace allowed me to search himself and the vehicle he was driving, however I found nothing illegal on him or inside the vehicle. Michael was transported the Marymount Hospital for an evaluation and was awake and alert after the rescue squad administered Naloxone. AC535

Officers arrived on scene and spoke with both parties, Lynzee Collier and her neighbor, Warren Bowens. Warren was shoveling the snow out of his driveway, located at 5349 Thomas St., and placing some of the snow into Lynzee's yard, located at 5353 Thomas St. Lynzee and her wife, Latroya, did not want the excess snow in their snow covered yard, so they asked Warren to stop. Warren continued shoveling and placing some of the snow into the females yard. Lynzee, who stated she is 8 months pregnant became angry, so she took her shovel and went outside. She began shoveling the snow from her yard and throwing it back into Warren's driveway. Eventually, both parties became angry and started throwing snow back and forth at each other. In the process, both parties edged closer to one another ended up striking each other with the shovels while throwing the snow. Neither party reported any injures and declined EMS. Neither party wished to press charges. We advised them to avoid each other and to call MHPD if any further problems arise to avoid any physical confrontation.

MALE (RAYSHAUN PERKINS) IS EWW WITH ADULT PAROLE. OFFICERS WERE ADVISED. MALE IS NOT ON SCENE.

I spoke with the complainant, Bernita, who stated she and her ex-boyfriend, Rayshaun Perkins, had just been involved in a verbal argument, resulting in Bernita having to call 911. Bernita canceled the call because Rayshaun left the house. During the argument, Bernita's son, Brandon, became angry at her Rayshaun and defended his mom. Bernita felt Brandon became too angry and asked him to calm down. This upset Brandon even further, causing him to take his frustrations out verbally on his mother. Bernita called MHPD in an attempt to calm Brandon down. Bernita and Brandon were advised to stay to themselves as best as possible. I advised Bernita of the eviction process and Brandon stated he was currently looking for another place to live. Bernita will notify MHPD if anything further occurs.

MALE IN THE LOBBY TO SEEK ADVICE ON CUSTODY OF HIS DAUGHTER. ORIGINALLY HE WANTED TO MAKE A MISSING PERSONS REPORT FOR THE MOTHER OF HIS CHILD BUT WHEN ADVISED THAT THE REPORT NEEDED TO BE MADE IN CLEVELAND THE MALE STATED HE HAD NOT SEE THE CHILDS MOTHER IN 21 DAYS AND HE IS AFRAID SHE WILL TRY TO CHARGE HIM WITH KIDNAPPING.

The complainant, George Berry, came to the Maple Heights Police Station to seek advice on how to move forward with obtaining custody of his seven year old daughter, Jasminka Jankovic (DOB 04/14/2010). Jasminka's mother, Danica Jankovic (DOB 08/10/1979), has not spoken to George in 21 days. She does not respond to text messages or phone calls. George has seen her posting status on social media recently, so he believes she is alive and well, just ignoring his communication attempts. George is concerned that Danica might go to the police and report Jasminka as missing or kidnapped and try to cause him problems because he is currently going through the court process of establishing paternity and obtaining custody. Jasminka is currently staying with George and has been the entire time that Danica has been ignoring George. They have been sharing parenting responsibilities the entire time with no issues. George just wanted this documented. MW543

Upon my arrival, I spoke with the complainant, Cassandra Lee, who stated another student at Remington College, located at 14445 Broadway Ave., menaced her by telling her she would assault her. Cassandra stated she wanted to pursue charges. I spoke with the other student, identified as Rayshonda Thomas, who stated she was angry with Cassandra for a comment made to her 3 months prior. I asked Rayshonda what happened with this incident and what she said to Cassandra, Rayshonda stated "I told her I would drag her through the parking lot." I asked Rayshonda what that meant and she stated she was going to fight Cassandra. I advised her to stay in the administrators office while I spoke with Cassandra. As soon as I stepped out of the office Rayshonda tried to leave. I followed Rayshonda outside the building where I detained her and placed her into the back of my marked patrol unit #4428. I spoke with Cassandra again and asked her if she would sign a warrant, Cassandra declined and stated she no longer wished to pursue charges. I went back to my patrol vehicle and released Rayshonda. CALLER STATES SOMEONE JUST HIT HER AND LEFT THE SCENE. IT WAS A SILVER DODGE DURANGO THAT LEFT NB ON WARR CENTER. CALLER IS IN A BLACK YUKON AT PUMP #6. THIS OCCURRED WHEN THEY WERE PUMPING GAS.

Caller stated as she was pumping fuel, the vehicle, a silver Dodge Durango, was also pumping fuel at the pump behind her. They finished pumping and pulled away, past her vehicle. As they were attempting to pass, the Dodge hit the curb and slid into the rear bumper of the caller's vehicle. The caller's vehicle had a scuff on the rear bumper, on the passenger side, and a busted passenger tail light. I was unable to obtain a plate number for the hit/skip vehicle after reviewing

the surveillance footage. I provided the caller the report number for insurance purposes. MW543

The occupants rolled down the windows and began to ask them if they had any weed. The complainants stated no. The occupants then began to ask what they had in their pockets. The complainants then began to run away to which the occupants yelled that they had a gun and to stop. The complainants continued running and advised their mother of the incident. weeks because she needed help caring for her children while she worked. She and Ericka were involved in an argument earlier on in the day that was never resolved. Eventually, Ericka decided she was fed up and asked Whitney to leave with her children. Whitney agreed and voluntarily packed up all of her belongings. All of the belongings would not fit in the vehicle with Whitney's children, so Whitney advised it would take a few trips. This caused Ericka to become even more upset. According to Whitney, Ericka began throwing her belongings out of the house and physically pulled Whitney out of the home. Whitney advised she did not want to press charges against Ericka, she just wanted to gather all of her things and leave. She stated she had a ride coming to pick her and the kids up and that she would come back for her belongings later. Both females were advised to stay in separate areas of the residence until Whitney and her children were able to leave the home. They were also advised to contact MHPD if anything further occurs. Ericka stated that she had offered to move Whitney, but after loading the vehicle, Whitney changed her mind. Ericka denied putting her hands on Whitney and the other people in the residence confirmed Ericka's statement.

Demetrius noticed his LG cell phone, his keys and his wallet containing two \$50.00 bills, two Visa credit cards, and his ID, were missing. Demetrius believed his ex-girlfriend, Shawnae Ford, was the one who stole the items because she was the only other person with a key to his apartment. Demetrius did not wish to pursue charges against Shawnae at the moment, he wanted the incident to be documented and have someone from the Maple Heights Police Department contact Shawnae, telling her to return his possessions. I was provided a phone number for Shawnae, however, it was inactive when I attempted to call it. I attempted to call Demetrius' cell phone in hopes that Shawnae would answer. FEMALE REPORTING HER EX BOYFRIEND IS TRYING TO HIT HER. HER FRIENDS ARE ON SCENE AS WELL. MALE IS KNOWN TO CARRY A GUN.

THERE WAS NO PHYSICAL VIOLENCE, COMPLAINANT IS LEAVING FOR NOW AND THE MALE STATES HE WILL BE FINDING ANOTHER PLACE TO LIVE TOMORROW.

Dispatch received a call from Delia stating she was at 5381 Sunnyslope Rd. Apt 4 and Aaron was trying to fight her. While officers were still in route dispatch advised that Delia stated she could not walk away and the police needed to come to where she was. Upon officer's arrival to Sunnyslope Rd. I located Aaron and Delia outside the residence along with other people who were there with Delia. I asked Delia why she was there and she stated she was there to meet her friend's. I asked her why she did not wait for officer's to go with her on an escort when she told me earlier in the day she was afraid to go home. Delia could not answer me. I spoke with Aaron and asked him what happened regarding the incident as a whole. Aaron stated he and Delia were arguing recently and during the argument he told her he was going to "eff her up" because he thought she was cheating. I advised Aaron he have a warrant issued for his arrest and upon being notified he would need to turn himself in at that time. AC535

FEMALE IS REPORTING HER EX JUST SPIT ON HER. SHE IS IN THE GARAGE. HE IS IN THE APARTMENT. LAMAR HEWITT

Upon officers arrival the complainant would not come to the door. After several attempts to make contact with the complainant she came to the door and advised officers that nothing had happened and that she did not need police assistance. Speaking to the female more she advised that she had an argument with her boyfriend but nothing further occurred. The complainant did not want to give officers her name or the name of her boyfriend. Later the complainant advised that she was arguing with her boyfriend, Lamar Hewitt, and during the argument he spit on her. She felt disrespected and called the police. She stated Lamar then left the apartment. LEADS showed that a Protection Order was on file with Cleveland Police. Checking with Cleveland they advised that the protection order was no longer good. The complainant only wished for the incident to be documented so she could speak to Lamar's probation officer about getting him to not contact her. She wished no further assistance from the police. On 12/20/17 at 0111 hrs., I, Ptl. Jividen #537, observed a red SUV travel westbound on Raymond Street near Prayner Avenue with very dim rear license plate lights. The lights could not be seen from a few feet away. I activated my emergency lights on Raymond near Warrensville Center Road. The vehicle came to a slow stop and then pulled into Platnum Auto Parts parking lot. As I approached the vehicle, it rolled forward for approximately 10 feet. I approached the vehicle from the passenger's side and viewed fresh green trace amount of Marijuana all over the front of the operator, Deondre Smith's pants and on the side of the driver's chair. Smith admitted to smoking Marijuana earlier. The Marijuana observed could not be collected due to it being an immeasurable amount. My POV was entered into evidence.

The complainant, Robert Oneal, advised his step-son, Daryl Haynes, twisted Robert's wrist when he attempted to discipline him. The two began to argue when Robert confronted Daryl about why a storm window belonging to the house was laying in the front yard. At one point Daryl began calling Robert obscene names. Robert began to gesture close to Daryl's face as the verbal argument ensued. Robert then disciplined Daryl by smacking his face several times for use an obscene name at Robert. Daryl grabbed Robert's wrist to keep from being smacked after being struck several times. The two parties were counseled on Domestic Violence Law and advised to keep their distance from one another for the remainder of the day. Daryl and Robert were advised of parental right in regards to discipline. Neither party had any visible marks or complained of injury.

MALE PASSED AWAY OF NATURAL CAUSE. CONTACT WAS ALREADY MADE FOR THE DOCTOR TO SIGN THE DEATH CERTIFICATE

Upon my arrival, the FD informed me they had already checked the male and did not detect any evidence of life, rigor had set in, lividity was on the left side, and the male was cold to the touch. Speaking to the staff they informed me when they were doing rounds at approximately 0525 hours, they did not hear the male snoring. When they checked they observed the male was lying on his left side and was unresponsive. They started CPR and contacted the Maple Heights Fire Department. I observed rigor had set in and the lividity was consistent with the description the staff had provided on how they had found the male. The staff also informed me the male normally slept with the window open, which they had closed. The staff had contacted the male's attending physician, who stated he would sign the death certificate. There were no signs of foul play or anything out of the usual. STB514

The other juvenile, a shorter, dark skinned black male, took a yellow shopping basket and walked around the store for a few minutes, placing food items in the basket. MALE CALLED BACK AND STATES AS HE WAS WALKING BY THE ABOVE ADDRESS, HE HEARD A NOISE THAT SOUNDED LIKE SOMEONE FELL

FEMALE AT 15412 NORTHWOOD AV GOT A CALL FROM HER 16 YO SON, WHO IS AT HOME ALONE. HE SAID THE BOY WHO LIVES AT 15413 NORTHWOOD RAN TO THEIR HOUSE AND ENTERED, RUNNING THROUGH AND YELLING THAT HIS MOTHER WAS TRYING TO KILL HIM.

The caller was a juvenile at 14312 Northwood Ave. The juvenile stated he found his neighbor, Andre Jackson (9), inside of his residence. When he questioned Andre on why he was in his residence, the juvenile stated his mom tried to stab him. Andre denied ever being inside of the juveniles house or stating his mother tried to stab him. We contacted mom, Lateeka Jackson via phone who was in Cleveland at work at the time. I pointed out cameras around the home and asked Andre to be honest with me. Andre stated he did go inside of the house to see if the juveniles inside of the house wanted to play. It is unknown why the juvenile went inside of the house but we contacted the home owner, Malinda Iacano to see if she wanted to pursue charges. Malinda did not want to pursue criminal charges at this time. DZ532

CALLER REPORTING A WHITE CAR OCCUPIED BY THREE PEOPLE, PARKED ON THE STREET. THE VEHILCLE LIGHTS ARE OFF AND HE CAN SEE SOME FLASH LIGHTS COMING FROM THE INSIDE OF THE VEHICLE AND ITEMS BEING PASSED AROUND.

Upon arriving on scene, Ptl. Moore #538 and I observed a white vehicle parked on the south side of Mendota, the vehicle was occupied by two white male

passengers and a white female operator, Erin McAndrews. Ptl. Moore spoke with the passenger's while I spoke with McAndrews. I asked McAndrews to step out of her vehicle and speak with me which she did without an incident. I asked McAndrews what she and her passengers were doing on the side of the road with no lights on. She told me she was giving her friends a ride and got lost so she was looking for directions. I observed one of the occupants to possibly be an individual I dealt with recently for drug activity. I requested another officer to respond. Ptl. Russo arrived to assist. Dispatch advised one of the male occupants had two warrants. We stood by while dispatch confirmed the warrants. While speaking with the males, Ptl. Russo observed a moderate amount of fresh wet blood, a hypodermic needle cap, and piece of tin foil on the driver's side of the vehicle where McAndrews was sitting. All of the occupants of the vehicle were detained and a probable cause search was performed on the vehicle. A small rolled up tin foil ball with what appeared to be black tar heroin residue. The amount on the tin foil was immeasurable and could not be sent to the lab for testing. All of the parties in the vehicle accused the other of "shooting up" and trying to put the blame on the other person. No narcotics were located in the vehicle. McAndrews was issued a citation for drug paraphernalia and given a Garfield Heights court date. Dispatch made contact with the agency of want for the male passenger and stated to advise and release him. All parties were released.
