On Sunday, 12/24/17, I, Ptl. Carmine #535, was dispatched to 19409 Fairway Ave. for a report theft from a residence. Upon my arrival, I spoke with the complainant, Neil Kotich, who stated on Friday, 12/22/17, sometime between 2100-2300 hrs he had a friend named April Brooks visiting at his residence. Neil stated there was no one else in the residence before April and no one else since she left. Neil stated he went to the bathroom for a short time and when he returned the computer was missing from the living room where it was normally sitting. He stated he asked April about the computer but she stated she did not take it. Neil stated he did not want to pursue charges, he simply wanted his item back. The computer was a Mac Book Pro valued at \$1868.00. I attempted to make contact with April by a phone number with provided by Neil, however no one answered. AC535

On Monday December 25, 2017, at approximately 2050 hours, I, Ptl. Augustyn #536, was dispatched to Marathon Gas Station (5012 Warrensville Center Road) for a report of theft. Upon my arrival, store manager, Nasser Wahdan, was standing by Denangelos Mitchell. Nasser stated Deangelos took a three pack of Natural Ice beer, valued at \$3.00, and left the store without paying. Nasser had to run out of the store and physically grab Deangelos to keep him from walking away. Nasser advised this is a constant problem and Deangelos has stolen from the store multiple times. I spoke with Deangelos who was intoxicated. He stated he drank a bottle of liquor and some beers earlier in the night. Denangelos was issued a citation (MA20386) which was signed by Nasser. Deangelos was advised of criminal trespass. #536

On 12/26/2017 I, Ptl. A. Crawford #546, responded to the intersection of Mapleboro Ave. and Clement St. for a hit-skip MVA. While en-route dispatch advised the complainant, Ricky Nichols, was at the crash scene in a grey Hyundai Elantra, Unit #1 bearing OH Dealer Plate 14-4689. Upon arrival, I spoke to the driver of Unit #1, Ricky Nichols, who stated while approaching the southbound stop sign on Clement St. at Mapleboro Ave. a blue four door car, Unit #2, was traveling west on Mapleboro Ave. turned wide right onto Clement St. and struck the front of unit #1. Ricky stated that Unit #2 fled the crash scene immediately after. Ricky stated the license plate was HBX7364 and described the driver of Unit #2 as a younger black male. The plate was registered to a Deasya Jones at 18300 Mapleboro Ave. A blue chunk of a bumper was lying in front of Unit #1. I photographed and collected the wreckage for evidence. I responded to 18300 Mapleboro Ave. to look for the vehicle. Upon arriving, I observed Unit #2, a blue Mercury Sable, bearing OH PC HBX7364, parked in the driveway. I observed two people run into the house and close the door. I approached the house and knocked on the door several times. Unit #2 had front end damage and was missing the bumper piece that I had recovered from the crash scene. Deasya matched the driver's description of Unit #2, admitted to driving Unit #2, and admitted hitting "something" and leaving. Deasya has a temperary permit on file with the BMV and stated the only other person in the car was her juvenile sister. ASC546

On Tuesday December 26, 2017, at approximately 1955 hours, I, Ptl. Augustyn #536, was dispatched to Prime Station (5321 Lee Road) for a report of two males who took items from the store. The caller advised the persons fled westbound on Maple Heights Boulevard. Upon my arrival, I spoke with the store employee. The second suspect was a 5'7" light skinned black male wearing a grey hoodie and jeans. Both suspects are approximately 18 y.o. The employee stated they are frequent visitors to the store and always cause a disruption and take small items. He was unable to provide any security footage of the incident. He did not wish to pursue criminal charges but does not want them to return. He was advised to call back the next time they are in the store so they can be identified and advised of criminal trespass. #536

Madeline Linder stated she was involved in a vehicle accident on December 26th, around 0200 hours. A black vehicle (unknown make/model) with the license plate HEE7766. Madaleine was in the right lane and the other vehicle was in the left lane. The vehicle made an improper right hand turn from the left lane on Northfield Rd., onto Franklin Rd. That vehicle struck Madaleine's vehicle and the two exchanged information. The driver advised Madaleine her name was "Leah Jackson" but would not show them her license. The two exchanged phone numbers and the driver advised she would contact Madaleine later with her insurance information. The driver stopped responding to Madaleine's calls/texts and wishes this be documented. I ran HEE7766 through LEADS and it did not come back to a black vehicle it came back to a gold SUV. Dispatch located a "Leah Jackson" who lives in Richmond Heights. I had Richmond Heights attempt to do a notification however no vehicles were there at the time. They will stop by later in shift if they are able to make contact. FOI at this time. DZ532 (KZ)

At approximately 1350 hours, I was dispatched to Walgreens for two juveniles who just stole several bags of candy. Two other Maple Heights Police officers located the juveniles at the library. A uninvolved male, Michael Hollins (community outreach worker), offered to pay for the candy if he could speak to the children and open their minds to the wrong they committed and hopefully have a positive impact. I allowed Mr. Hollins to speak to the children. He then paid for the candy they stole and allowed the children to keep the candy. The store manager, Christopher Catchings, was satisfied with that arrangements. Mr. Catchings also advised the juveniles they were no longer welcome at the store and they were advised of trespassing. I took them to their residence and spoke with their mother and advised her of the incident. Mom will take care of discipline. MW543

CALLER STATES A KNOWN PARTY ENTERED HER MILK CHUTE AND STOLE HER PURSE. THIS IS A 3RD PARTY CALL WHO IS RESPONDING TO THE HOUSE TO BE WITH HER COUSIN

I arrived at the residence and spoke with the victim, Lauren Davis, who stated her ex-boyfriend had just stolen her purse from her home. Lauren refused to provide the male's name or any other identifying information for him. She stated she broke up with him yesterday, 12/28/2017, and he was upset. He came over to her house today and was banging on the door asking her to let him inside. Lauren did not want to speak with him so she did not let him in. He became angry and more aggressive. She stated she was scared so she made sure all of the doors were locked and went into her room. When she came out a few moments later, she observed the milk chute going into the kitchen was open and her purse was missing off of the table. No one had gained entry into the home, however, she assumed her ex-boyfriend had used some sort of stick or pole to grab her purse and take it. She called him via telephone and he refused to give it back unless she met with him in person. Lauren stated she did not wish to press charges and that she did not wish to provide any of his information. I provided Lauren with contact information for MHPD and advised her to contact me if she wished to move forward with charges.

On December 30, 2017 at approximately 1721 hours, I, Ptl K. Moore 538, was dispatched to the lobby for a theft complaint. Upon arrival, I spoke with the complainant, Dennis Yeckley. Dennis explained that sometime in March he left his vehicle at Platinum Auto, located at 5081 Warrensville Center Rd. Recently, Dennis received his vehicle only to find that different wheels had been put on the vehicle. The driver's side mirror on the vehicle was also damaged. Dennis wished to have this documented for insurance purposes.

AUXILIARY HANTAK HAS ONE MALE DETAINED THAT POSSIBLY HAS A PISTOL - TOWARDS THE BACK OF THE HIGH SCHOOL IN THE WRESTLING ROOM

THE MALE WAS CITED FOR POSSESSION OF AN AIR GUN. THE MALE WAS SENT ON HIS WAY AND ADVISED OF TRESPASSING AT THE HIGH SCHOOL. THE AIR GUN WAS RECOVERED AND ENTERED INTO EVIDENCE.

CM

Upon arrival at the high school, Auxiliary Hantak and Security Officer Reed had one male detained in the gym locker room. The male, Mahdi Saffar, was found in the locker room using a vape, which Auxiliary Hantak and Security Officer Reed, initially thought was a cigarette. Upon searching Saffar, a black Sig Sauer airgun was located inside of his right pants pocket. Saffar stated he had the airgun because he did not want to leave it in his vehicle while his brother drove it. Saffar was cited for Possession of an Airgun and given a Garfield Heights Municipal Court date of 1/10/2018 at 0830 hours. The airgun was transported to the MHPD station, photographed, and entered into evidence. I entered the photos into the computer database.

FEMALE REPORTING AN ARGUMENT WITH HER 17YO DAUGHTER. DAUGHTER TRIED TO CUT HERSELF WITH A KNIFE. SHE NO LONGER HAS THE KNIFE. NO WEAPONS, POSSIBLE PSYCH SITUATION.

DAUGHTER: DIAMOND ALLEN.

On Monday January 1, 2018, at approximately 0209 hours ,I, Ptl. Augustyn #536, was dispatched to 5605 Kenton for a report of a juvenile with a knife. Upon my arrival, I met with Jolinn Allen. She advised her daughter, Diamond Tanjanae-Allen (17 y/o), was upstairs and no longer had a knife. Jolinn stated Diamond was in trouble for staying out to late at her boyfriend's house. Diamond became upset and went to the kitchen and grabbed a knife. Jolinn stated Diamond has a history of cutting herself. Ptl. Faunce spoke with Diamond and she stated she only grabbed a knife to eat some pie. At no point did Diamond cut herself or attempt to cut anyone in the residence. All parties were advised of domestic violence laws and Jolinn was advised to contact us back if needed. #536
