NO REPORT AT THIS TIME - PTL WILDE TO FOLLOW UP (KZ)

The caller, Dwayne Crosby, contacted the Maple Heights Police department on 1/3/18. He was concerned for his cousin, Eddie Roberts. Eddie told family members he was going to visit a friend in Miami. He was last seen getting into a tan colored Nissan Altima, which he told the family was a Lyft ride that was taking him to the airport. Eddie frequently goes on vacation and when he does, he leaves his vehicle parked at Dwayne's residence. He has not been in contact with any family members since he was last seen, which is very unusual. He speaks to his 13 year old daughter and great aunt daily and he has not talked to them since 12/26/2017 when he left the residence.

Upon contacting Lyft, they have no record of any rides from that residence, nor do they have an account associated with Eddie's phone number. The family thought he flew out of Cleveland Hopkins on a Frontier flight. Upon contacting Frontier, they have no Eddie, or Edward, Roberts, flying out of Cleveland to Miami

in the entire month of December.

Dwayne contacted his friend in Miami who told Dwayne that Eddie never made it to Miami.

Eddie has no history of drug or alcohol abuse. He is a school teacher in Warrensville and he teaches Special Education students. The family is not aware of any personal issues that Eddie may have with anyone.

The family stated Eddie is due back on Friday, 1/5/18. They completed the missing person packet but stated they wish to hold off reporting him officially missing until 1/5/18.

FRONT DOOR MOTION AT HOPE ALLIANCE BIBLE CHURCH 216-469-9295

DISPATCH CONTACTED PASTOR MORRISON - HE STATES THAT SOMEONE TRIED TO GAIN ENTRY TO THE CHURCH WHILE HE AND OTHERS WERE NEXT DOOR FOR A SHORT TIME. ARRIVING IN A BUICK MURANO 10 MINS. THERE IS ALSO A BLACK WORK TRUCK IN DRIVEWAY OWNED BY CONTRACTORS ON SCENE.

5108 Stanley is a property used by the church as a classroom. After receiving the alarm, the Pastor asked a construction crew at the church to check the property. They discovered the front door was open. When I arrived on the scene, I observed the front door knob had been removed from the exterior door and the dead bolt had not been locked. When the Pastor arrived on the scene, he informed me a flat screen television that had been in the front room was missing. Nothing else appeared to be missing and no items appeared to be out of place. The Pastor believed the television was a 32 inch but had no other information on it. STB514
