SUBJECT: MAURICE YOUNG 12/29/1990 EWW WITH GARFIELD HTS-CITED

On 04/03/2017, at approximately 2341 hours, Maple Heights Officers, responded to 7-11 16303 Libby Rd. for a report of two males fighting in the parking lot. Upon arrival, two males were detained without incident. The males were identified as Darren Perkins and Maurice Young. Maurice was highly intoxicated and had a bump over his left eye that was bleeding and was having difficulty maintaining balance to his level of intoxication. When asked if he was hit, Maurice stated he was not hit and nothing was going on. Darren stated that he was inside the store with his wife and Maurice came inside the store and began to make passes at his wife. Darren stated that he tried to get away from Maurice but got backed into a corner near the front window and counter. Darren then pushed Maurice back causing him to fall on the ground, and as Maurice began to get up Darren threw a punch at Maurice. Maurice then grabbed Darren and they wrestled until the fight was broken up. I was able to view security camera footage and confirmed Darren's story of what had occurred. The video was burned onto a DVD and entered into evidence. Maurice was issued a citation for Disorderly Conduct and he was transported to Marymount Hospital for an evaluation. cw534

FEMALE IS IN THE LOBBY TO MAKE A MISSING JUVENILE REPORT ON HER DAUGHTER. HER FATHER PICKED THE 6YO DAUGHTER UP FROM HER SCHOOL. MOTHER STATES THE FATHER DOES NOT HAVE CUSTODY OF THE CHILD. CHILD GOES TO ABRAHAM LINCOLN ELEMENTARY SCHOOL

THE FEMALE HAD TO GO HOME AND GET PAPERWORK AND WILL RETURN.AB

1523 THE COMPL RETURNED TO THE LOBBY

Comp stated she received a phone call from her daughter's school stating that the child's father picked her up early. Comp. stated she has not spoken with the child's father in two months and they are going through a divorce. Comp. was upset that she did not know where her child was and that there was no communication between her husband and her. I spoke with the father who stated he picked his daughter up from school because the Comp was not allowing him to see her. He advised he was going to have the daughter home by 1600 hours. Comp. was satisfied with that. This is documented for court purposes. CWF528

FEMALE IN THE LOBBY TO REPORT HARASSING TEXT MESSAGES FROM HER EX WHO LIVES IN ATLANTA

The female advised that she had seperated with her ex-boyfriend, Andre Bell, in December. She advised that she as living in Georgia with Andre but decided things weren't working out so she moved back to Ohio. The complainant advised that Andre started sending her text messages telling her that he hoped she catches an STD and threatening to put a sex video of them online. There were no physical threats made against Mariah in the text messages. Mariah advised that she had already blocked Andre's phone but would like an officer to speak to Andre and advise him to stop calling her. She also wanted an officer to ask Andre not to post the video online. I spoke to Andre on the phone and advised him to stop contacting Mariah. Andre stated that she already blocked him so he couldn't contact her. He was still advised to cease all contact with Mariah. I also advised Andre that Mariah asked that he not put the video of them having sex online. Andre stated that he was contacting an attorney and asking the attorney about putting the sex video online. Andre advised that I was making him mad by asking him not to put the video online. I again advised Andre to cease all contact with Mariah. PH520

CALLER IN STATION LOBBY STATES HIS FRIEND WHO HE HAS NOT SPOKEN WITH IN AWHILE, JEREMY WEBB, DROPPED OFF SOME ITEMS (BELIEVED TO BE STOLEN) AT HIS HOUSE EALIER TODAY WHILE THE CALLER WAS AT WORK AND WITHOUT HIS PERMISSION.					
Complainant, Michael Maxey, reported that an old friend of his, Jeremy Webb, was on his property twice today without permission. Michael was in Columbus working and was not home when any of the events occurred. Jeremy left multiple body shop tools and a trailer at Michael's residence. Jeremy had called Michael in the morning, at which time Michael stated he would call him back in the evening. Michael's girlfriend called later in the day to inform him someone had been on the property and left several items. Michael had his brother come over to move the items in the garage as he did not know who they belonged to. Jeremy was called by the reporting officer and advised that he needed an escort to Michael's property as Michael is upset and no longer wants Jeremy on his property. Jeremy understood and stated he will come for an escort tomorrow. Michael did not wish to pursue charges and was satisfied with Jeremy being advised of trespassing. JGS542

SURROUNDING AREA CHECKED. GOA/UTL ON THE SUSPECT VEHICLE.

On Friday April 7, 2017, at approximately 1733 hours, I, Ptl. Augustyn #536, was dispatched to Sunoco (5460 Northfield Road) for a report of a hit skip. Upon arrival, I met with the caller, Robert Taylor. He stated his vehicle (ETD9263) was parked at a gas pump and he was pumping gas. A female driving a black Buick Regal backed out of a parking spot and the rear passenger side headlight struck the front passenger wheel well causing a minor dent. The female did not stop and fled the area. He gave a possible plate of GBR2899 which did not return to the suspect vehicle. I viewed video footage and was able to corroborate his story. I could not obtain a license plate of the suspect vehicle. I was able to capture a low resolution image of the suspect. She is a black female with shoulder length black hair wearing a ball cap, a dark jacket, and brown boots. A photograph was attached to the incident. #536

BAR EMPLOYEE REQUESTED AN INTOXICATED MALE BE ESCORTED OUT. THE B/M CURRENTLY IN THE KITCHEN, NOT VIOLENT

Upon Officers arrival, the male, Theodor Randle, was highly intoxicated. He had a difficult time standing, talking, and providing us with his information. The caller, Nancy, advised that he came into the bar like this and she had not served him any alcohol at today. It was obvious he could not care for himself and was taken into custody and transported to the Maple Heights Jail. While at the jail, he became combative and it was thought he might be on something more than alcohol. On his person, officers located 0.095 grams of marijuana and a marijuana grinder. The rescue squad was called and they felt he needed to be seen by a doctor. Randle was cited for disorderly conduct while intoxicated, possession of marijuana, and possession of drug paraphernalia. The male was transported by rescue squad to Marymount Hospital. A DVD was recorded of officer's interaction with Randle. JP#513

On 04/08/2017, at approximately 0246 hours, I Ptl. Wilson #534, conducted a traffic enforcement stop for a vehicle travelling northwest on Broadway Ave. driving left of center. While speaking to the driver, Keisha Billingsley, I was able to smell the strong odor of alcohol coming from her breath. After performing SFST's on Keisha, she was placed under arrest for OVI. A search incident to arrest yielded an open 16 oz can of Miller High Life on the passenger side floorboard of the vehicle and a burnt marijuana cigarette located in her purse. Keisha was given the opportunity to provide a breath sample but refused. Keisha was issued a citation for OVI, Left of Center, Open Container, and Possession of Marijuana. CALLER COMPLAINING ABOUT GARBAGE CANS STILL OUT BY THE CURB ACROSS THE STREET FROM 15500 ROCKSIDE. GARBAGE DAY WAS YESTERDAY .

RESIDENT WAS ADVISED OF COMPLAINT AND TRASH CANS WERE REMOVED. AE.

ANONYMOUS COMPLAINT THAT THE TRASH CANS ARE NOW BACK OUT CLOSE TO THE TREE LAWN.

MEGAN FRAME CITED FOR TRASH CANS OUT. AE.

On Saturday April 8, 2017, Ptl Russo #530, was dispatched to 15417 Rockside Road for a report of trash cans being on the front lawn. The caller was anonymous. Ptl. Russo spoke with the resident, Magan Dia Frame and advised her of the complaint. She then moved her garbage cans behind her residence. Approximately a half hour later, dispatch received another anonymous call stating the garbage cans were back on the front lawn. I arrived and confirmed that two garbage cans were on the front lawn. I spoke with Magan. Megan has ongoing disagreements with her neighbors and essentially stated her leaving the garbage cans on the front lawn was an act of defiance. She was issued a citation for ORD 1060.05(d) due to the garbage cans being on the front lawn not on garbage collection day. She is scheduled to appear on Maple Heights Mayors Court on April 18, 2017 at 1530 hours. #536

04/08/2017 19:43:12 5400 MAYVILLE AV DISTURBANCE 170026035

OFFICER REPORTING A FIGHT AT STAFFORD PARK. ONE SUBJECT IS DETAINED, OTHERS HAVE SCATTERED. TWO FEMALE JUVENILES INVOLVED FLED IN A SILVER AUDI SUV.

On 04/08/2017, at approximately 1943 hours, I Ptl. Wilson #534, while on routine patrol in marked Maple Heights Patrol Cart #4426, was conducting a check of Stafford Park. As I entered the park from Auburn Ave., I observed a large group of people on the east end of the parking lot appearing to be fighting. I radioed for additional officers to respond as I approached the group. As I approached the group, I observed a black male in a red Polo shirt and grey sweat pants in the group kicking at the female on the ground.

As I approached the group, the parties began to scatter, and the male in the red Polo shirt ran to a silver SUV that was parked in the parking lot. The male attempted to get into the passenger seat at which point he was detained by me. That male was later identified as Armountly May. Armountly denied striking anyone and stated he was just trying to break up the fight. Armountly stated that two other parties that were detained were involved in an altercation with two other people that had left the scene.

The female who was on the ground was identified as Rikayla Stokes and her boyfriend who was with her involved in the altercation was Danale Roberts. Rikayla stated she was at the park earlier with her two cousins (who she would not identify) and another female was trying to fight her cousin on the basketball court. Rikayla stated she took her cousin and drove her home, then returned to Stafford Park a short time later. Rikayla stated that the unknown female began to start an issue with her, and they she stated the girl threw a punch at her, and she began to fight her. Rikayla stated that the other girls boyfriend was involved and Danale was attacked by him and they began to fight. Rikayla could not identify any of the other parties involved or provide further information. While speaking with Rikayla on scene, her cousins arrived back at the park making comments that they were going to handle the situation, and when I advised them they would be charged, they stated they did not care and walked away. I attempted to obtain the identity of the other parties with no cooperation from anyone.

All three parties were issued citations into the Maple Heights Mayors Court for Disorderly Conduct. cw534

On 04/10/2017, at approximately 0058 hours, I Ptl. Wilson #534, responded to 5391 Lee Rd. for a report of theft of a TV. Tennille Oneal stated she was gone from 1500 hours till 2300 hours on 04/09/2017, and came home. When she came home she noticed her niece, Sadaysha Sharp, 48" Vizio TV was missing from the basement. Tennille stated that the doors and windows were locked, and there was no forced entry. I checked the perimeter and did not locate anything out of place. Tennille stated that the only other person who has access to the house is her son, Trevoughn Mccants.

Tennille stated he does not live there but comes and goes. Tennille stated a few days prior Trevoughn had an unknown male and female in the basement and when she came home everyone left. Tennille stated she believed her son or those parties took the TV. (It should be noted Trevoughn has a warrant out of the Cuyahoga County Sheriffs Office for receiving a stolen vehicle).

Tennille stated she wanted to have the incident documented but she wanted to speak with her son and see if he will tell her what happened. Tennille stated she would contact police if she needed any further assistance, and she was provided my business card wth the report number. cw534

FEMALE IN THE LOBBY REPORTING A COUNCIL WOMAN CAME TO HER HOUSE WITH A MALE IN A GREY CAR FOLLOWING UP ON A COMPLAINT THAT HER NEIGHBOR MADE AGAINST HER. HER NEIGHBOR KEEPS COMPLAINING ABOUT EVERYTHING SHE DOES TO THE COUNCIL WOMAN. HE TAKES PICTURES OF HER WHILE SHE IS IN HER YARD. SHE WOULD LIKE TO FILE HARASSMENT CHARGES AGAINST THE COUNCIL WOMAN AND HER NEIGHBOR. COUNSEL WOMAN MADE THREATS TO CITE THE COMPLAINANT FOR STEPPING ON HER NEIGHBOR'S YARD

COMP: MALINDA DAVIS 03/26/1976

Compl, Malinda Davis, states her neighbor at 18200 Hazelwood (who's name she does not know) has made several complaints to their councilwoman about different incidents (her cat being loose, about smoke coming from her barbeque grill and about her driving over the line where the grass and concrete meet next to the driveway.) Compl states she has never spoken to the neighbor about the issues because the man is irrational, but the neighbor continues to call their councilwoman each time they have a complaint.

Compl is upset that the councilwoman and the building department have come to her home in response to the neighbor's complaints. She is also upset that the councilwoman has told her that she would be cited about the complaints. Ms. Davis stated that she has never had a complete conversation with the councilwoman or her neighbor about this dispute because she becomes emotional and did not want to appear to be confrontational, so she removes herself from the situation and contacts her landlord when they show up. After I explained that her councilwoman was probably there to mediate the situation, she had a better understanding and stated that she is open to mediation through the legal department. She will be contacting the legal department to request mediation with the neighbor. No further police action at this time. GRA519.

SUBJECT: RANDALL THOMAS 02/24/1972

COMPLAINANT: LATONYA CUMMINGS 02/06/1978

Latonya Cummings came into our department and stated she is receiving unwanted text messages and photos from her ex-boyfriend and father of her children, Randle Thomas. Cummings showed Lt Grossmyer approximately 20 text messages, photos and videos she received from Thomas' phone today. The

messages included him stating he wanted their relationship back and that he would come and "pick her up." The messages were not threatening in nature, however, she responded with several declinations to his advances. Cummings stated she did not have time to finish a complete written statement, however, she wanted Thomas advised to stop sending her messages. I contacted Thomas by phone and advised him of the complaint. He was advised via phone to stop contacting Cummings and to have a family member make contact with her as it pertains to their children. Thomas was belligerent and disconnected the phone. I was able to get him back on the phone again and explain applicable charges before he hung up the phone a second time. This will be documented FOI at this time, unless Cummings returns to pursue charges. If she decides to sign charges tomorrow, a report will be completed at that time. GRA519

CALLER REPORTING HER 16 YO SON DIAQUAN SHELTON DOB 11/20/2000 BLK MALE WEARING WHITE TSHIRT, and TAN PANTS. SHOWED UP AT HER HOUSE CAUSING A DISTURBANCE, HE IS OUTSIDE HER HOME YELLING SCREAMING AND BEATING ON THE DOOR. HE LIVES IN CLEVELAND ON FLEET WITH HIS FATHER AND HE IS NOT WELCOME IN HER HOME. A MALE PARTY COULD BE HEARD IN THE BACKGROUND MAKING THREATS TO HURT THE JUVENILE IF PD DOES NOT GET THERE QUICKLY.

JUVENILE LEFT PRIOR TO ARRIVAL.

On Monday, 4-10-17, at 2132 hrs, I, Ptl. Carmine #535, was dispatched with other officers to 15400 Greendale Ave. for an unruly juvenile who was supposed to be staying with his father in Cleveland. I spoke with the complainant, Diamond Shelton, who stated her son, Diaquan EI (11/20/00), was supposed to be at his father's residence in Cleveland, but he showed up without notice alone and began banging on the side door of the residence. Diamond stated she would not let him in because he has tried to fight with her husband before. Diamond stated she called the police to try to difuse the situation and get Diaquan back to his father's residence because Diaquan is a frequent runaway. Prior to police arrival Diaquan ran away through a neighbors yard. We were unable to locate Diaquan. he was last seen wearing white t-shirt, red jacket and tan pants. Diamond stated Diaquan wanted his clothing that was inside the residence so she gave it to him to keep him from getting violent. Diaquan is a black male approximately 509 tall and 140 lbs with short, nappy, black hair with brown eyes and he goes by the nickname "Da Da." Diaquan does not take any medication and has a tattoo on his right arm. Diaquan does not have access to a vehicle and Diamond refused to give permission to put Diaquan on the county Facebook page. Diamond did give permission for release of Diaquan's dental records.

I spoke with Lashel. Lashel stated her a resident at Broadway Care made accusations to her daughter, Roneisha Martin that Lashel was giving her marijuana.

Roneisha confronted Lashell about the accusations on Facebook. Roneisha and Lashell appeared to come to an agreement. Approximately two days later Lashell contacted Roneisha asking her if Roneisha wanted to see her hands, meaning did she want to fight. Lashell did not say she wanted to fight Lashell, but instead she was going to respond to Broadway Care and file a complaint with the supervisor, regarding the accusations Roneisha's mom is making. Lashell and Roneisha continued to comment on each others posts on instagram. In one post Lashell threatened to beat Roneisha's head in and in return Roneisha stated she would fight Lashell. Lashell stated she wanted the incident documented for the time being. Photographs of the messages between Lashell and Roneisha will be attached to the sheet. DF#540

On Tuesday, 4-11-17, at 1721 hrs, I, Ptl. Carmine #535, was dispatched to 5540 Dalewood Ave. for a report of a juvenile that was assaulted. Upon my arrival, I spoke with the juvenile, Maurice Haggins (3-22-09), who stated he was riding his bike when another juvenile, Davaughanta Barber (2-7-05), stopped him and hit him in the stomach. I spoke with Maurice's mother, Ivy Haggins, who stated this has been an ongoing problem and she wanted Davaughanta to leave Maurice alone. I spoke with Davaughanta's mother and advised her of the complaint. She stated that Davaughanta did not do anything and she did not want anyone from Maurice's residence to come around them or to contact them I advised her that they would be advised of trespassing and that I was also advising her children of trespassing and she would be the only one allowed to go to 5540 Dalewood Ave. to speak with Ivy about any future issues. I also advised her that Ivy would be the only one who would be allowed to come to 5517 Grassmere Ave. to speak with her about any further issues and she agreed. I spoke with Ivy again and advised them of trespassing and the arrangement with her being the only person allowed to contact them. Both sides were satisfied with the outcome and will call the police if there are any further problems. AC535

I spoke with Nikkia Jones. She stated she let her boyfriend, Craig Seaborne use her vehicle, a 2005 Jeep Renegade, plate # GZJ4903, VIN 1J4GL38KX5W537969. Craig went to drop his daughter off to his child's mother, Shira Lee on Raymond St. in Maple Heights, OH. When Craig arrived, Shira kicked the front passenger door and put a dent into her vehicle. Nikkia stated she does not want to pursue charges against Shira if she pays for the damages, but if Shira does not pay for the damages, Nikkia wants to pursue charges. For now Nikkia wants the incident documented until I follow up with Shira. I will follow up with Shira at a later date and time to get a statement from her. DF#540

The caller advised that the male, Deron Evans, lives at the residence with her and that prior to tonights incident they were still dating. She stated he went out

with his friends and came home after she had gone to sleep. She stated he forgot his key to the residence and woke her up to let him in the residence. She stated Deron was highly intoxicated when he came home. She stated she laid back down but heard him arguing with someone in the kitchen. She asked him who he was talking to and he told her that he had gotten into an argument with his other child's mother (no name given). She questioned him about why he was talking to his other child's mother at 1 in the morning. They then started arguing and Deron was pointing his finger in her face while they were arguing. She stated Deron then poked her in the lip while he was pointing in her face. She believed this was an accident due to his high level of intoxication. The complainant then went into the bedroom and closed the door and locked it. Deron started kicking at the bottom of the door for her to let him in. When the complainant told Deron that she was calling the police he left the residence. The complainant did not wish to pursue any charges against Deron and only wanted him advised not to return to the residence. The complainant was advised of the residency laws and of the eviction process. She will be speaking to the landlord about evicting Deron. PH520

On Wednesday, 4/12/17, at 0345 hrs, I, Ptl. Carmine #535, was dispatched to 19291 Raymond St. for a 911 hangup call. The female stated she needed help and hung up. Upon call back the female stated the male half was sitting outside on the back porch. Upon my arrival, I spoke with the male, identified as Deron Evans, who stated he wanted his wallet out of his girlfriend's vehicle and to go back into his residence. Deron was clearly intoxicated and I could smell a strong odor of an alcoholic beverage on his breath. The female caller, identified as Tunisia Smith, stated she would look for the wallet and she was leaving for the night. While Ptl. Moore #538 was helping Tunisia locate the wallet Deron began yelling and becoming generally disorderly. When I told Deron to stop yelling because he was disturbing his neighbors he became louder and started throwing himself onto the ground. Ptl. Moore had found his wallet and returned it to Deron, at the same time Tunisia was trying to back out of the driveway in her vehicle and Deron got onto the ground in the driveway behind her vehicle. I told Deron to stop what he was doing and to get up and go into his residence. Deron went to his front porch and continued to yell for no reason. I advised Deron to cease his actions and go into his residence immediately or he would be cited. Deron refused to go inside and was issued a citation. I tried to serve Deron his citation but he refused to take it and stated I could leave the citation in his mailbox, so I did. I advised him that if he did not show up to court a warrant would be issued. AC535 (KZ)

On Thursday April 13, 2017, at approximately 0825 hours, I, Ptl. Augustyn #536, was dispatched to McDonald's (5114 Northfield Road) for a report of a MVA in the drive thru. Upon my arrival, I witnessed the two vehicles involved. The front vehicle (GVY3313) was operated by Katrina Allen. The second vehicle (FXT2378) was operated by Charles Coleman. Katrina stated she was suffering from neck and back pain and EMS was called. There was no damage to either of the two vehicles. Charles stated his foot slipped off his brake while in line and the front end of his vehicle tapped the rear end of Katrina's vehicle. Katrina refused transport to the hospital. When EMS left, she requested them to again return. She again refused transport. Insurance information was collected and both parties were advised to settle it through insurance. Allen was provided with the information on the other driver. Charles was compliant and forthcoming with providing information while Katrina was argumentative. Allen was irate with the other driver as well as police and fire personnel. Both parties were given the incident number. . POV Video of the incident was downloaded and entered into evidence. #536

On Thursday April 13, 2017, at approximately 1328 hours, I, Ptl. Augustyn #536, was dispatched to 5420 Northfield Road for a report of a hit-skip. Upon my arrival, I met with Rashad Carter (HBG5116). He stated he was the victim of a hit-skip on Saturday (4/8/17) on Warrensville Center Road and Clare Ave. He stated the suspect was a black male and operating a maroon Kia. The vehicle fled after it struck him. He witnessed a vehicle matching that description and contacted the police. I was able to make contact with the owner of the Kia, Tashara Boazman. She denied being involved in an accident and denied any male operating her vehicle on Saturday. She stated there was new damage and there was white paint transfer on the side of her vehicle. She believed Rashad pulled up and hit her vehicle. I watched Southgate USA security footage and Rashad did not strike her vehicle. I advised both parties the most I could do at this point was to document the incident and they should handle it through insurance. Both parties were given the incident number. #536

CALLER STATES HE WENT TO PICK HIS FRIEND UP AT 8AM AND HE NEVER CAME OUT. HE WENT TO THE DOOR, AND IT WAS UNLOCKED, SO HE PEEKED IN AND YELLED BUT THERE WAS NO ANSWER. HE WOULD LIKE POLICE TO GO IN WITH HIM, HE IS AFRAID SOMETHING HAPPENED TO

THIS MALE, AS HE IS QUITE ELDERLY.

THE RESIDENT'S CAR IS NOT ON SCENE BECAUSE IT IS BROKEN DOWN, WHICH IS WHY THE MALE WAS GIVING HIM A RIDE.

A GUN FROM THE RESIDENCE WAS TAKEN FOR SAFEKEEPING.

SUB/OWN OF VEHICLE:MICHAEL PIEKNY 11/19/1933  
COMP/OWN OF CHEV:JAMES GROVES 12/13/1960

GUN:9MM SMITH AND WESSON SW9VE SERIAL #FDC9478-NIF

Front door was unlocked and had been opened by the complainant. Officer made entry. Michael was inside the residence asleep in bed. He is elderly and very hard of hearing. A loaded pistol (info listed above) was on the headboard next to the sleeping male. The gun was in very poor condition. It was secured before waking him up. Michael was mentally alert, but extremely forgetful and might have the onset of alzheimer or dementia; however, he did know who the complainant was. When we attempted to give Michael his pistol back, he stated the gun was not his and he did not know where it came from. The gun was collected as found property and will be entered into evidence for safe keeping. It was test fired, entered into evidence and will be sent through NIBIN by Det. Sperie. If Michael discovers the gun belongs to him, he will be able to contact the DB to retrieve the weapon. GRA519.

On April 15, 2017, at approximately 2313 hours, I, Ptl. Moore #538, was dispatched to the lobby for a missing juvenile call.

Upon arrival, I spoke with Tiante Blackman, who stated that she received information that her daughter, Hydea Blackman had run away from her respite home. Tiante stated that Cuyahoga County felt that Hydea had behavior issues because of Tiante's care. Due to this, Hydea was been placed in the custody of Marsha Webb (216-802-9492). Mona Gray (330-904-3840), from Blair County Department of Social Services, was informed by Marsha that Hydea ran away from the residence some time on 4/15/17. Mona then advised Tiante to make a missing person's report.

I spoke with Marsha, who stated that she made a missing person's report with Canton Police Department ( Ref . Report #1704579, Officer Wilkes #186). After being given the report number, Tiante left the department.

Upon arrival, I observed a male, later Identified as Ben McWilson, sitting on the couch in the living room of the residence. The caller, Chalisa Jones was sitting down in the den of the residence.
