CALLER STATES THE NEIGHBOR DOG BIT HIS GIRLFRIEND EARLY SHE HAS ALREADY BEEN TO THE ER					
HELD DUE TO MA170028122					
The complainant advised that her neighbors dog, at 5344 E. 141, had bit her in the left breast while she was speaking to the homeowner's aunt. She advised that the dog was in the fenced in backyard of 5344 E.141 while she was speaking to the female. She advised that the dog had bit her on the breast without describing how the dog came across the fence. The female had went to Marymount Hospital and received an unkown amount of stiches and a tetanus shot. I spoke to the dog owner, Garrett Laster, who advised that he saw the incident. He advised that his aunt was speaking to the complainant about a relative who recently passed away. He advised that the complianant was intoxicated and kept leaning on the fence. He stated she leaned over the fence to put her hand on his aunt as a consoling gesture. He stated when she leaned over the fence his dog bit her while she was hanging over the fence. Garrett advised that his dog was up to date on his shots and that he had all the paperwork for the dog. He advised that he had just moved into the residence a few weeks ago and has not unpacked yet. He stated he will locate the records for the dog and have them ready to show the animal warden on Monday. This incident will be forwarded to the Animal Warden to follow up with both parties. On Wednesday April 19, 2017, at approximately 0936 hours, I, Ptl. Augustyn #536, was dispatched to the area of Warrensville Center Road and Hillgrove Avenue for a report of two unsupervised juveniles. Upon my arrival, I met with an employee at a barber shop at 5413 Warrensville Center Road. He advised me he witnessed the two children walking and did not see any adults around. One child was a male and the other was a female. Neither child could tell me their last name or where they lived. After being in the area for several minutes, neighbors approached us and advised us the children lived at 20605 Hillgrove Avenue. While at the house a neighbor called the children's mother, Donshell Manuel. Donshell stated we could enter in the house to speak with the children's father, Carlton Wilson. I entered the house and it smelled like marijuana. Carlton was asleep on the couch and had a baggie of marijuana next to him. We woke him up. We advised Carlton why we were there. At no point did Carlton ask about his children, he was only concerned about why police were in his living room. Donshell returned home and advised us she left for school at approximately 0830 hours. She stated Carlton was sleeping when she left. She was given a citation for child endangering. Carlton had an outstanding warrant and was arrested. 696 Kids was contacted and given incident # 12973793. #536

CALLER REPORTING A BLK MALE WEARING RED AND BLK KICKED HER DOOR IN AND TOOK OFF RUNNING IN AN UNKNOWN DIRECTION

Sabrina Williams reported that at approximately 1500 hours, she was upstairs in her residence getting ready to go out. Sabrina heard a loud bang followed by her alarm panel chirping to indicate the rear door had opened. Sabrina ran downstairs to see a male running from her back door to her driveway where she lost sight of him. Sabrina described the male as dark skinned with short hair, wearing black jeans, a red hoodie and black tennis shoes with real shoestrings. Upon seeing the male, Sabrina ran upstairs to call the police. The male never entered the residence and nothing was taken. The rear doorframe was damaged near the deadbolt plate. The plate from the frame was missing. There appeared to be old damage to the door frame as well as there was no wood on the floor in the immediate area, and the trim around the door had a seam at the dead bolt. Photographs were taken, and added to the report. JGS542 (ANB)

On 04/20/2017, at approximately 0212 hours, I, Ptl. Moore #538, was dispatched to 5989 Dunham road for a call regarding a male who was being threatened by another male on scene.

Upon my arrival I spoke with William Taylor, who stated that while he was at the residence with Christina Kinsella, Lorenzo Graceffo arrived at the residence and began yelling at William. William stated that Lorenzo attempted to fight him, so William left the residence. While en route to the call, dispatch put over the radio that Christina and Lorenzo both had open warrants. I attempted to make contact with Christina and Lorenzo by knocking on the door. However, after knocking several times, there was no answer. When questioned about the incident, William stated that Lorenzo was let inside by Christina and that there was no physical fighting between her and Lorenzo prior to William leaving. William stated that he did not wish to press charges. There were no signs of violence at the residence. Officers could not confirm that Lorenzo was still at the residence. KM538

CAROL WAS ENTERED INTO LEADS AS MISSING AND PRINTED TO THE STATION. SEE REPORT (ANB)

On Thursday, April 20, 2017 at approximately 1339 hrs., I, Ptl. M. Russo responded to the Cato House at 5260 Cato St. for a staff member, Elizabeth Safady, who reported that a patient, Carol Goss, was missing.

Upon arrival, I spoke with Safady who stated that Carol was last seen at the Maple Heights branch of the Cuyahoga County Public Library at 5225 Library Ln. Carol left on foot from the Library on 4/19/2017 at approximately 1245 hrs. On 4/20/17 at approximately 0120 hrs. Carol called the Cleveland State campus radio station at which time the radio DJ called mobile crisis. On 4/20/17 at approximately 0152 hrs. Cleveland State campus police made contact with Carol and at that time they determined that she was able to care for herself and she was sent on her way.

Carol is 5 feet tall, 110 pounds with brown eye and gray hair which has been dyed purple. Carol's hair is gray at the roots. Carol was last seen wearing a purple floral top, black slacks, black socks, and black/white sandals.

Carol has been diagnosed with manic bipolar disorder with psychotic features. Carol often exhibits manic episodes when she has been off her meds for more than a day. Carol has missed one day of her prescribed medication. Safady stated that she does not believe that Carol would be a danger to others or herself. Safady did state that Carol has been known in the past to abuse crack cocaine and it is likely that she would be somewhere on Cleveland's west side abusing crack cocaine.

Carol was entered into LEADs as missing NIC/M283837379.

On Friday, 4/21/17, at 0223 hrs, I, Ptl. Carmine #535, was in my marked patrol unit #4426 in the parking lot of Mapletown Plaza when I heard two gunshots coming from the area of the Libby Rd. and Broadway Ave. intersection. After I called out to dispatch that shots were fired I immediately tried to stop one of the vehicles that was leaving the area. All the vehicles that were in the area were unable to be located. Officers spoke with the employees at All Stars and they stated they were inside the bar and heard the shots but that was all they knew. When we were checking the area for any evidence a truck driver who was in the McDonald's parking lot stated he heard the shots come from the area just east of McDonald's behind the parking lot. No evidence was located in the intersection or in the area near McDonald's. Sgt. Berger #512 checked the security camera footage for the area, however there was no other evidence of the incident located. AC535

FEMALE IN THE LOBBY TO REPORT HER DAUGHTER WAS ASSAULTED AT SCHOOL TODAY. DAUGHTER: INDIA BARNES 6/2/2004 NO REPORT. THE PARENTS WERE HIGHLY UPSET THAT THE SCHOOL DID NOT HANDLE THE SITUATION. CM Patrice and Frederick Barnes brought their 13yr old daughter, India Barnes, into the station because while India was in 7th period Language Arts class, a boy named "Dejohn" threw a large binder across the room, which struck India in the face, causing her left jaw to swell. India stated the binder was not thrown specifically at her and that Dejohn and other classmates were horseplaying when Dejohn threw the binder. She was sitting at her desk doing her work when she was hit. Mr. Barnes called police when he was en route to the school so that officers would be there when he spoke to school staff. Officers responded but were told by staff that no one arrived who called police. Mr. Barnes stated that he saw officers and asked about them, but was told that officers were not there because of his complaint. The Barnes' are upset because they feel like appropriate action was not taken by school staff to make sure Dejohn was removed from class and or punished for his horseplay that caused an injury to their daughter. They will follow up with the Board of Education. No police action required. GRA519

I spoke with Amari Pickens (2/16/02), who stated her mother, Lisa McKissic, was yelling at her and causing the problems between them. Amari stated she was only there for the evening, that her sister who is an adult has custody of her, but she is at work and needed Lisa to watch Amari. Amari stated her father had come by to give them money for clothes and Lisa used it for alcohol instead. I advised her that Lisa could use the money as she saw fit but that it would be notated in the report. Amari stated she did not want to be there and I convinced her to sit outside on the front porch until her sister arrived. I spoke with Lisa and she stated she was tired of Amari being disrespectful. Lisa stated she only bought groceries with the money that she had which was on the EBT card for the child support. Lisa stated she was going inside and if there were any other problems she would call us. Nothing physical occurred and no threats were made. AC535

TWO STUDENTS WERE FIGHTING AT REMINGTON COLLEGE ANNEX, AND ONE OF THE COMBATANTS HIT THE OTHER WITH A CHAIR. NO INJURIES, PARTIES ARE SEPARATED NOW.

BOTH SUBJECTS WERE ISSUED DISORDERLY CONDUCT CITATIONS, FOR THE OUTBURST IN CLASS. SCHOOL WILL HANDLE FURTHER DISCIPLINE ON THE SUBJECTS.

Upon arrival we spoke with both parties. Both parties admitted to engaging in a verbal argument that lead to pushing and picking up a chair to throw. The chair was not thrown but the actions of the two girls interrupted the class. Due to the subjects engaging in turbulent behavior, they were each issued a citation for disorderly conduct. Remington is sending both students home and will review the incident before either is allowed back in school. CWF528

On 04/27/2017 at approximately 1834 hours, I, Ptl. Frazier #540 responded to 15039 Janice Dr. for a report of a missing juvenile.

Upon arrival I spoke with Katurah Johnson, the foster mother of the missing juvenile, identified as Mariana Melton. Katurah stated Mariana has lived with her for approximately two days. When Katurah took Mariana in, she was advised by case workers that Mariana was a habitual runaway. Due to previous issues, Mariana is not allowed to use the phone, or internet per her case worker. Katurah began cooking dinner when she heard Mariana on the phone talking to an unknown party. Katurah asked Mariana to give her the phone and she told her no. Katurah stated she did not argue with Mariana, she was going to advise the case worker, in which she did. Approximately five minutes after Mariana was heard on the phone, Katurah heard the front door open and observed Mariana walk out of the residence and get into a red car, occupied by two black males. Katurah was unsure make and model of the vehicle and the plate number on the vehicle. Mariana was entered into LEADS as missing. NCIC/M073879684.

OFFICER WILSON IN FOOT PURSUIT OF POSSIBLE SHOOTER FROM MA170030950

ARA: TRAYSHON HALE 03/13/1999 CITED FOR LOITERING AND RELEASED.

On 04/27/2017, at approximately 2109 hours, I Ptl. Wilson #534, was being dropped off to my patrol car on Hillgrove Ave. after it was left there from a prior call. As we pulled onto Hillgrove Ave. from Warrensville Center Rd. I observed a male standing in front of 5171 Warrensville Center Rd. The male matched the description of a suspect from a shots fired call on 04/26/2017, and the suspect allegedly spends time at the apartment building at 5171 Warrensville Center Rd. I opened my passenger side door and exited my patrol car to speak to the male. As I exited my vehicle, the male began to back up as if he was going to run away. I told the male I just wanted to talk to him, and asked him to come to me. The male then turned around and began to run across Warrensville Center Rd. towards Clare Ave. I gave chase, and while running behind him, I observed him holding the front left pocket of his pants. The male was given several commands to stop, and he ran into the apartment complex at 20101 Clare Ave. where he I apprehended him. After searching the male, I located a cell phone in his left pocket which was what he was holding while running. The male identified himself as Trayshon Hale. Trayson was transported to the Maple Heights Jail so I could speak to him. Trayson was read his Miranda Rights and he stated he would talk to me. Trayshon stated that he had no involvement in the shooting, and he only ran because he was stopped once before by police who accused him of stealing a car, but he was not positively identified by the victim. It was determined that Trayshon was not involved in the shooting. Trayshon was issued a citation for Loitering and released. cw534

MALE IS IN THE LOBBY, HE STATES HE WAS BIT BY A DOG ON CATO .
REF 170031703

While doing door to door sales for AT&T, Anthony Mazila, knocked on the door at 5065 Cato. After he walked away and started walking up the sidewalk to the next door neighbor's house, a medium sized Rottweiler barged out of the front door and bit him, tearing his pants and causing a bite mark on his right thigh. A very young school aged child came outside of the house and attempted to grab the dog, neighbors also came out and helped to corral the dog. The dog owner, Allysa Jordan, then arrived home and an argument ensued. Jordan's older brother, who is disabled was watching her nephew, and he was not fast enough to grab the dog before the dog ran out. Jordan was issued citations for Mayor's Court. Animal warden to follow-up. Photo of injury attached.

COMPLAINANT IS IN THE LOBBY & STATES SHE DROPPED HER ATM CARD ON THE FLOOR, SHE WENT TO PICK IT UP, AND A MALE STEPPED ON IT AND SAID IT WAS HIS NOW AND WOULD NOT GIVE IT BACK. THIS TOOK PLACE AT 1600 HOURS THIS AFTERNOON.

On Saturday, 4/29/17, at 1900 hrs, I, Ptl. Carmine #535, was dispatched to the MHPD Lobby for a report of a theft of a credit card. Upon speaking with the complainant, Daesha Jenkins, she advised me that while she was at Villa Clothing, located at 21658 Libby Rd. at approximately 1600 hrs when she dropped her credit card and when she returned to look for her card it was gone. Upon speaking with the employees at Villa Clothing I was able to view the security camera footage. I observed a black male with a red jacket, blue jeans, dark boots and a dread locks that were in a wrap on his head. The male placed his foot on the card when it was on the floor by the counter and after a short time he picks up the card, walks around the store for a short time then he leaves the store. There was no way to identify the male and there was no information from Daesha's bank at the time of the report. Daesha stated she would come back when she was able to obtain that information. AC535

On April 30, 2017 at approximately 1528 hours, I, Ptl K. Moore 538, was dispatched to 5328 Cato Street for a call regarding a group of juveniles making threats outside the caller's residence.

Upon arrival, I spoke with Tisa Thompson, who stated that Deario Gunn and his brother Rashawn Carter had run up her drive way and attacked her son, Demario Thompson, in an attempt to retrieve Deario's phone. I spoke with Demario, who stated that he stayed at Deario's residence the previous day. But sometime today he was jumped by Deario and Rashawn for some unknown reason. While fleeing, Demario grabbed Deario's phone and went home. Tisa did not wish to press charges and told the party not to return.

I spoke with Deario, who stated that the previous day, Demario slept at his residence. Upon waking up, Deario realized that both Demario and his phone were gone. Deario used an app to track his phone to Demario's residence. Charles Carter, Deario's father, drove Demario and Rashawn to the re residence to retrieve it.

ELDERLY MALE JOSEPH CONNORS IS LOST AND TOLD THE COMPLAINANT HE IS TRYING TO GET TO KENSINGTON. THE MALE IS VERY CONFUSED

On Sunday, 4/30/17, at 1925 hrs, I, Ptl. Carmine #535, was dispatched to 17703 Libby Rd. for a report of a male who was lost. Upon my arrival I spoke with the male, identified as Joseph Connors, who stated he thought he was in Tampa Bay, FL. I asked Joseph where he was living currently and he stated he was staying with his aunt in FL. I found an address in Bedford Heights on Joseph's driver's license. I transported Joseph to that address, but no one was home. Joseph then gave me information for his sister, Joann Benner. Dispatch located Joann's information and called her. Joann responded to the station. Upon my arrival to the station with Joseph I was advised that two other females that were care takers for Joseph were in the lobby and he lived at 5144 Thomas St. I spoke with the females, identified as Lakisha James and Antwanya Allen. Lakisha stated Joseph is his own person and he was allowed to leave the residence. I advised them what happened and they needed to keep a better eye on him. I also spoke with Joann who arrived shortly after. Joann stated Joseph's niece was the one who put Joseph in the home. I advised Joann to go to the court and file for guardianship and power of attorney for Joseph since his mental state had degraded. Lakisha transported Joseph back to 5144 Thomas St. for the night and Joann stated she would make sure the situation was taken care of so that Joseph did not end up lost like that again. AC535
