PRP/ DOMINIQUE A. LEEGRAND 04-23-87
SUBJECT/ LAKEESHA (NO FURTHER INFO AT THIS TIME)

On Tuesday, 8/1/17, at 1624 hrs, I, Ptl. Carmine #535, was dispatched to the MHPD Lobby for a report of child endangering. Upon my arrival, I spoke with the complainant, Dominique Leegrand, who stated her daughter, Demi Leegrand (6/9/14), had two small scratches of some kind on the underside of her right arm. Dominique stated Demi told her the teacher, a "Lakeesha", grabbed her arm and smacked her in the back of the head. There were no marks on Demi's head. I asked Demi what happened and she stated her "bunny" bit her. Dominique stated the bunny was a stuffed animal. I asked Demi again what happened and she stated her brother Julian did it. Dominique stated there had been problems in the past between Lakeesha and Demi because Demi supposedly acted out in class, but nothing ever became violent in any manner. I asked Dominique how she wanted to proceed and she stated she only wanted to document the incident because she had already filed a complaint with the corporate headquarters to the daycare and the county and the state for child care. Dominique stated she was removing Demi from the daycare and would contact us if there were any other problems that arose. AC535

CALLER STATES SHE WAS SCARED BECAUSE THE MALE AND FEMALE IN THE LOBBY APPROACHED HER.

In reference to CAD 17-0058399. Maria was threatened last night by Mr. Nero. She intends on getting a protection order from County tomorrow. She came into the lobby today to get a copy of the sheet for court tomorrow and Mr. Nero was in the process of getting bonded out by his family. His daughter, Marie and his wife Theresa were both in the lobby at the same time Maria and her husband came in to get a copy of the sheet. Maria stated that the daughter, Marie, got into her face and stated that everything her father said last night was true and that Maria deserved to die and that she was a liar and a thief. Maria wants Marie to stop slandering her. I advised Maria that she could address the court tomorrow and see if she can include Mr. Nero's entire family in the protection order. I also advised that once the protection order is in place, the courts will advise no contact.

BOB CALLED BACK TO ADVISE THE KIDS ARE NOW ON MAPLE HTS BLVD. HE GAVE A BAD ADDRESS OF 10810 MAPLE HTS BLVD. HE WAS TOLD AN OFFICER WOULD STOP BACK BY AND TALK TO HIM AT THE MINI MART.

Spoke with Mr. Marrable and got a description and location of the residence. The correct address is 19819 Maple Heights Blvd. After reviewing the surveillance footage, I was able to get good photo's of the three juvenile males and one juvenile female that was an accomplice. The three males took multiple bags of chips and beverages. The female stood at the door as a lookout and then held the door open for the males as they took off without paying for anything. I provided him photos of these juveniles.

I advised Mr. Marrable to place signs on his entrance door that states juveniles are not allowed in the store without an adult, and if they have back packs, to leave them at the counter. Also advised if a juvenile tries to come in without an adult, he has the right to ask them to leave.

| MALE HALF WAS ADVISED TO KEEP HIS COMMENTS TO A MINIMUM. RESOLVED FOR NOW. (MC) | | | | | |
| I spoke with the complainant who stated her neighbor who is an elderly white male called her small children "spooks". The male told the small children to get off of the lawn of an abandoned house. The complainant stated she tried to speak with the male earlier, but no one answered the door. The complainant wanted me to speak with the neighbor and advised him of the complaint. I spoke with the neighbor and advised him of my reason for speaking with him. The neighbor told me he never called the children "spooks", but they were all "fucking niggers." I told the male if he chooses to speak like that inside of his own home that is his prerogative. I also told the male he cannot make racial comments towards people especially small children. The male stated he understood. I met with the complainant and advised her if the situation continues or becomes worse to contact us and we would deal with the matter accordingly. DJ#537 | | | | | |

A MESSAGE WAS LEFT FOR THE ANIMAL WARDEN. (MC)

On Saturday, 8/5/17, at 1916 hrs, I, Ptl. Carmine #535 was dispatched to 21212 Watson Rd. for a report of a dog that was attacked by another dog from a residence down the street. Upon my arrival, I spoke with the complainant, who stated two dogs, a white and tan pitbull and a black pitbull, were running loose and attacked her dog. The tan dog was the only dog that actually attacked her dog, a maltese shit-tzu mix. They pointed out the residence where the dogs went back to, 21408 Watson Rd. I spoke with the owner of the dogs, Tiara Jefferson, who stated she did not know the dogs attacked anyone or any other dogs. I advised her she needed to quarantine the tan pitbull until the animal warden finished his investigation and checked for shot records and other health department procedures. I asked if the dogs had their license tags and she stated they did not. Tiara was cited for not having a license for her dogs and for animals running at large. According to Ptl. Russo #530, her dogs were not vicious and were only trying to play with the other dog but based on the severe size difference and that the tan pitbull was a puppy, the smaller dog was injured. AC535

I could hear a disturbance coming from behind Romae's Hair Salon. When I arrived in the parking lot I observed 3 black males fighting. The male in the grey shirt was yelling at the other two males. The male in the red shirt was on top of the male in the green shirt strangling him. I ordered them to stop fighting and to get on the ground. After I detained them I discovered that they were all related. | | | | | |
| PtIm. Russo advised me of the following: PtIm. Russo spoke with all three males. They all stated the two males were attempting to get the third male to leave Politics because there was a male inside Politics that wanted to fight him. The third male would not leave and in order to avoid a confrontation, they drug the third male out of the bar and walked him across the street where their vehicles were parked. All of the males stated that no one was intentionally trying to harm anyone. No one felt threatened. No one was strangled. No one was injured and no injuries were seen on any of the subjects. All of the males were advised of their behavior and sent on their way. CS 507 | | | | | |
