Ashley VanDyke and Donita Dinkins have had several incidents with each other over the past few years. Ashley VanDyke states that she took her step-daughter, Lesleyanna Dinkins, to her mother's, Donita Dinkins, house 08/07/16 fo that Lesleyanna could get her vollyball uniform. While Ashley was waiting outside, Donita came outside yelled something at her and took a picture of Ashley's vehicle. Ashely stated she did not respond to Donita, she just rolled her windows up and turned her music up so she could not hear Donita speaking. Lesleyanna came back out hugged her mother and Ashely left with her and dropped her off at vollyball practice. Ashley stated she and Donita appeared in GHMC today and she advised them of the incident that happened on 08/07. The court addressed the parties on the issue. Ashley is not looking to puruse any charges, but wanted the court to know. She states that the victim advocate and prosecutor advised her to come and have the incident documented for a paper trail in the event that the issue is not resolved and Donita violates any of the orders issued by the court. FEMALE STATED THAT LAST NIGHT, HER EX CAME OVER AND DAMAGED HER VEHICLE. SHE DID NOT CALL US WHEN IT OCCURRED.

On 08-15-16, at approximately 2245 hours, Alex Jordan came over to her residence with them getting into an argument. When Ms. Smith exited her residence on 08-16-16, at approximately 1130 hours, she observed her vehicle was dented where Mr. Jordan had kicked it. Ms. Smith stated she did not call when he kicked the car because she did not realize the car had been dented. Ms. Smith stated she did not call when she observed the dent because she was trying to contact Mr. Jordan to pay for the damage. When Mr. Jordan did not return her messages, Ms. Smith called the MHPD to report the incident. Ms. Smith stated Mr. Jordan had a Protection Order against him protecting Ms. Smith. FEMALE IN THE LOBBY REPORTING HER GRAND-SON'S MOTHER'S BOYFRIEND HAS BEEN VERBALLY THREATENING AND HARRASSING HER.					
The subject was over the complainant's residence dropping off clothes for her son (the subjects son and complainant's grandson). The subject got upset with the complainant's son, who is also the father of the subject's son, and started to yell and swear at the complainant and her son. No threats were made. After the subject left and got home, she called the complainant. The complainant heard in the backround a male voice that sounded like the subjects boyfriend. The boyfriend was yelling that he would beat up the complainant's son. The complainant's son did not want to pursue anything and the complainant wanted the subject advised not to return to her residence. I made contact with the subject over the phone and advised her not to go over to the complainant's house. MB512

The male asked Timothy for a cigarette and Timothy told the male no. The male stated "I got something for you" and the male pepper sprayed Timothy. The male left the area walking northbound on Broadway Ave. towards Maple Heights Blvd. Officers searched the area for the male and did not locate him. The complainant stated he was not injured and if he sees the male he will call MHPD. KP 522

Emma Bennet purchased a car from Central Motor Cars. Emma put down \$500 on a vehicle and the total purchase price was \$3,000. Emma stated the vehicle worked fine until she got home and then the vehicle stopped working. Emma brought me in paperwork and was upset because the paperwork had a "No Warranty / Purchase as is" on the paperwork. Emma wanted to know what she could do and she was advised this was a civil matter and could contact a civil attorney or GHMC to file a civil lawsuit.
