OFFICER CARMINE OUT WITH A MALE WHO HAS A OPEN CONTAINER

SUBJECT WAS CITED FOR OPEN CONTAINER AND JAYWALKING.

On Monday, 8-29-16, at 0033 hrs, I, Ptl. Carmine #535, was on patrol in my marked patrol unit #4429 on Clare Ave. next to 20008 Clare Ave. when I observed a male walking in the roadway drinking something from a can. I stopped the male, later identified as Aaron Jackson, and asked him why he was in the street, Aaron stated he did not see any sidewalks near him. I pointed to the sidewalk behind him and advised him that he needed to walk on sidewalk where they were available. I also noticed the can he was drinking from contained an alcoholic beverage. I asked Aaron why he was drinking alcohol while in public and he stated he was just getting off work. I advised him he had to either be inside an establishment that served alcohol or in a private dwelling. The can was a 24oz. can of Olde English "800" Malt Liqueur. Aaron was cited for jaywalking and open container. AC535

Lt. J. Jesenovec #178 attempted to initiate a traffic stop on the vehicle as it traveled at a high rate of speed, going southbound on Mayville for loud music and excessive speed. After running the license plate, the registration came back to a green Buick, however the vehicle was tan. After he initiated the traffic stop by activating his overhead lights, the driver turned into the driveway at 19309 Stafford Ave. The driver, identified as Curtis Hinton, exited the vehicle and attempted to go into the house. Lt. Jesenovec ordered the male to stop and stopped him in the driveway. The male was wearing an empty gun holster on his right hip. As I spoke to passenger, Vincent Simpson, in the car, I saw a black semi-automatic handgun on the hump of the floorboard with the barrel facing towards the passenger side of the car. The driver was verbally combative and still attempted to walk away. He was handcuffed while being detained for the invest. The passenger in the car kept his hands in view where I could see them. He was also secured in handcuffs and was cooperative. Hinton was arrested for CCW and Improper Transport of a Firearm in a MV. During an administrative inventory of the vehicle, Cpl. Basiewicz located an open 22 oz. can of Icehouse Beer underneath the passenger seat where Simpson was sitting. Simpson admitted that the open container of beer was his. He also stated that Simpson had just taken the gun off his hip when he was stopped by officers. Simpson was found to have several EWWs. Simpson was issued a citation for the open container and was TOT Beachwood PD on one of his warrants. GRA519.

Caller: TONYA STOKOLSA 15424 LONGVALE AV MAPLE HTS 216-587-5059

FEMALE IN THE LOBBY STATING THAT A CONTRACTOR STOLE HER ITEMS THAT SHE PURCHASED TO THE PROJECT.

Compl contracted her friend's business, Create A Dream Construction Company, to do renovations to her home. She stated she has made several payments to the contractor who owns the business, Elbert Pratt, totaling \$11,671.86, between 08/03/16 and today's date, and he has not finished the job. She has several different contracts for different portions of work. They got into an argument about him not finishing in a timely manner and he walked out on the job today, taking tools he purchased for her job with him. She wanted info on how to get her money back for what he has not yet finished and the tools. She was advised on how to file a civil claim with GHMC. I also left a message with Mr. Pratt to have him contact me so that he also can be advised of his civil liability in the contract he agreed to. If Pratt does not come back today to finish the work, she will be obtaining another contractor to finish the work and filing against him in court for her financial loss.

Mr. Pratt came into the station in response to my message. He stated that Tatania

made several additions to what she initially requested and the price kept increasing. He stated that was the reason they had several different contracts drawn up. Pratt stated the complainant's husband got upset with her because she kept adding on requests which cost them more money and she in turn get upset with him and told him that if he was not finished to get out of her house. He gathered his tools, dropped her building materials and left. Pratt states there was still more charges based on her requests, but he had not yet billed her for them because he was still working on the previous additions. He will contact her to see if the can resolve the issue. If not, he is willing to go to court also. GRA519.

BLACK FEMALE SHOPLIFTER. SHE IS WEARING ALL GREY WITH A COLORFUL SHOWERCAP ON HER HEAD. SHE IS PUTTING SEVERAL ITEMS IN HER BAG IN THE SHOE AISLE. On Wednesday August 31, 2016, I, Ptl. Augustyn #536, was dispatched to Dollar General (15818 Broadway Avenue) for a report of a theft. Dispatch advised me that the caller stated a female was putting items in her personal purse and did not pay for every item. The female exited the store and got into a gold jeep. Ptl. Ponyicky and Ptl. Moore stopped the vehicle in the parking lot. I spoke with the complainant and she stated the suspect was in the cleaning isle and put some type of detergent in her purse. The suspect was identified as Imani Butler and a cleaning bottle was located in her purse. Due to the complainant stating detergent was taken and the lack of video surveillance, I was unable to determine if the item was stolen. Butler was advised of criminal trespass and no citation was issued. #536

Upon my arrival on scene I spoke to the complainant, Joirean Creel. Joirean stated to me she observed two black males attempt to gain entry to her vehicle in the driveway. Joirean described the males as one taller black male with a short afro, blue jeans and blue t-shirt. The other male was a heavy set male around 5'06 with an unknown clothing description. The males had attempted to pry open the door with an unknown tool and had run away from the driveway when they saw Joirean. I was shown partial fingerprints on the outside of the vehicle and was unable to lift them due to the moisture on the vehicle. A male was located matching the description, Jimmy Wells Jr. Joirean was taken to his location and was unable to make a positive identification. For now this matter is closed. KP 522

FEMALE REPORTING A MALE OPENED HER PASSENGER DOOR AND SNATCHED HER PURSE. THIS JUST OCCURRED. THE MALE IS ON FOOT AND WENT THROUGH THE BACKYARDS. B/M WITH DREADS AND DARK CLOTHING.

Upon my arrival on scene I spoke to the complainant, Denise Bookhardt. Denise stated the following. She was leaving her friends house and opened her vehicle's door. When Denise unlocked her vehicle she put her Peach colored Coach purse (Value \$ 200.00) on the passenger seat. When Denise put the purse down the passenger door opened and a 5'08 black male, wearing dark clothing and shoulder length dreadlocks grabbed her purse and ran. The male was last seen running westbound on Northwood Ave. Officers searched for the male but did not locate him. Inside the purse was the following: Denise's Ohio DL, PNC Bank Card (was cancelled), MetroHealth Badge, peach colored Anna Klein Wallet (\$ 80.00), peach colored Coach Wallet (\$ 80.00) and \$ 80.00 cash.

The suspect had loosened the light bulbs from the automatic light before he committed this offense. The resident's vehicle, Leroy Fazl's, vehicle was rummaged through but nothing was taken.

This information has been forwarded to the records department so they can enter Denise's Ohio DL stolen. KP 522

FEMALE REPORTING HER 13YO DAUGHTER RAN AWAY. THEY GOT INTO AN ARGUMENT AND THE DAUGHTER LEFT. 5'1 B/F WHITE LONG SLEEVED TOP WITH BLACK SKIRT AND JORDANS LONG HAIR

MAKIYA FORD 09/15/2002

Mom, Rashelle Ford, states her daughter, Makiya Ford, has shown many behavioral issues as of late. She states that Mikaya was wearing a skirt that was much too short, so she told Makiya that she had to change. Mikaya started arguing with her and refused to change. Makiya then started arguing with her Rashelle because she took her cell phone after finding that she had accumulated hundreds of dollars worth of charges on the phone. When Rashelle went to her bedroom, Makiya had taken Rachelle's keys and left. Rashelle went outside to find her keys on her car's windshield, which was still parked in the parking lot and Makiya was gone. Rashelle thinks Makiya took the keys because she thought she was taking the house keys. Rashelle took Makiya's keys because she was being irresponsible.

It is unknown where Makiya might have gone. She attends Cleveland School of the Arts and her mom does not think she knows how to catch the bus anywhere. Mom rode around attempting to find Makiya. I also checked the area. Makiya was not located. Makiya is a 13 year old black female, 5'01", 130lbs, black hair and brown eyes. She was last seen wearing a short black mini skirt, a white long sleeve shirt and carrying a pink bookbag with flowers on it. Her mom did not think that she had any clothes in her bag, only her school items. She also wears glasses, but does not have them with her. Makiya does not yet have an official diagnosis, and does not take any medication at all, but her therapist told her that she shows signs of Oppositional Defiancy Disorder. Dental form completed. Facebook submission granted, but no photo was available. Spreadsheet updated. GRA519.

@1142HRS, PRIOR TO HER BEING ENTERED INTO LEADS, MS JACKSON WITH THE CLEVELAND SCHOOL OF ARTS ADVISED THAT MAKIYA WAS IN CLASS. MRS. FORD WAS ADVISED.

--Update From Unit 4425 09/02/2016 21:58:20--

On 09/02/2016, at approximately 2119 hours, I Ptl. Wilson #534, observed a white Honda CRV (OH Reg FSR-6066) turn off of Beverly St. onto Auburn without stopping at the stop sign. I followed the vehicle down Maple Heights Blvd. where he made a left handturn onto South Blvd. without stopping at the stop sign. I activated my overhead lights and sirens conducting a traffic enforcement stop.

As I apprached the vehicle, the driver, Eddie Sigler II, had a pile of loose marijuana on his lap. A probable cause search of the vehicle yeilded another plastic baggie of marijuana and plastic container of marijuana in his backpack. I also located a metal marijuana grinder in his backpack. Eddie was issued a citation for Stop Sign, No OL, Possession of Marijuana, and Drug Paraphernalia. Total weight of marijuana came out to 77 grams. cw534
