While I, Cpl. Rhodes #526, was at the fuel pumps on Dunham Rd. I heard squeling tires on the Dunham Rd. Curve. Moments later Firefighters Palmer and Magruder pulled into the fuel pumps in RS1. They advised me that two vehicle were racing each other at a high rate of speed on the Dunham Rd. curve. One of the vehicle crossed over the double yellow line causing them to take evasive actions.

I responded to the area and was flagged down by the residents at 15149 Granger Rd. A beige Chevy Malibu (C365324) lost control coming around the curve and spun out in the field next to the residence. The vehicle then slid into the parking lot striking two parked vehicles. The driver stated he was speeding on Dunham Rd. and another vehicle began passing him. The driver stated he then passed the other vehicle and lost control.

RS1 responded to the scene to verify the male was not injured. The firefighters confirmed that this vehicle was the same one that almost struck them.

The driver was arrested for Reckless Operation and Drag Racing. MR#526

The complainant stated that today (08/07/2016) since 2020 hrs., she received multiple harassing phone calls from the mother of her grandchildren, Tia Farrier. The complainant stated that this stemmed off of family issues that they were having. The complainant advised me that Tia made multiple threatening remarks towards her. The complainant stated that she wanted the incident documented, as well as for me to contact Tia and advise her not to call her any more, or to come over to her house. The complainant advised me that if the problem continued, she would pursue the matter through legal action. The complainant was provided with the case number. I made contact and advised Tia of the complainant's concern. Tia told me that the complainant called earlier today and requested that Tia's son come over to help around the house. She also stated that the complainant recently called her to apologize. I advised Tia that the complainant did not want her to contact her or come over her residence. Christian Campbell told his sister, Tracie Long, he saw something shiny. Tracie took it upon herself to tell dispatch that her sister, Miyah Hines, had a butcher knife. No parties would come forward with information that would put a knife in Miyah's hand. Children, approximately 5-6 years old, told officers that Miyah did have a knife in her hand while standing in the front yard but she wasn't threatening anybody with the knife. Christian stated the argument was between Miyah and Jennifer Stokes. Miyah and Jennifer are not related and do not live together therfor there was no Domestic Violence. Jennifer did not want to pursue charges for menacing and all parties were uncooperative. Jennifer, Christian and Tracie all left the residence while officers were on scene.

William Lewis is reporting his son, Devin Ball (11), is being harrassed by a kid in the neighborhood. Devin stated him and a group of boys in the neighborhood have been playing hide and seek. While playing hide a seek, a boy in the neighborhood who he knows as "Deamonte" cheats during the game and that frustrates Devin. One day Deamonte told Devin he didn't tag him and asked Devin if he wanted to fight. The two mutually faught but since then, Deamonte has been slapping and punching Devin more and more. William is going to try and find out where Deamonte lives and wants me to notify him he made a report and if Deamonte doesn't stop, he may pursue charges. I made contact with Deamonte and his grandmother who has custody of Deamonte. I advised Deamonte of the complaint and he advised he would comply.

CALLER REPORTING SOMETIME OVER NIGHT SOMEONE BROKE INTO ABOUT 10 STORAGE UNITS AND STOLE ITEMS OUT OF THEM.

The following Units had the locks cut off from the door and entry was gained 1138, 1139, 1143, 1147, 1152, 1156, 1214, 1219, 1221, 1223, 1225, 1229, 1235, 1236. It is possible a van and a trailer was also stolen. At this time, nobody was at the business that has access to the video cameras on the property. Reddi's is in the process of contacting the owners of the units that were broken in to.

I walked through Reddi's storage lot and observed pad locks had been cut off of the storage locker doors and were laying on the ground next to the doors. I walked through the storage units that had been broken in to so I could see what type of items were inside of the units however I do not know what could have been taken. At this time it appeared most storage units were not ransacked and did not contain items that a common thief would be looking for (electronics,

power tools, etc...)

Reddi's will contact all owners and have them respond to look inside of there units to see if any items were taken.

When any further information is obtained, this report will be supplemented.

Jason Cox contacted me and advised his trailer was broken into and one of his storage units. At this time he does not know what is missing and will update me with the information when he figures out what was taken.

MALE IN THE LOBBY TO REPORT THAT THE AUTO REPAIR SHOP DAMAGED HIS STEERING WHEEL					
In October of 2015, the complainant's vehicle was at Liberty Ford for service. During the service, the complainant's steering wheel was damaged. The complainant advised he had a written agreement with "Dave" who stated he would try and fix the steering wheel, and would replace it if he couldn't fix it. Liberty attempted to fix the steering wheel unsuccessfully. The complainant stated that "Dave" is now employed at the Parma Liberty, and the current manager of the Maple Hts. Liberty will not honor the agreement. The complainant filed a claim with his insurance company who advised him they wanted a police report filed for their records. The complainant was given the complaint number for his insurance company to continue their suit. MR#526

FEMALE IN THE LOBBY TO REPORT SOMEONE USE HER CREDIT NUMBER

The complainant reported that she had several unauthorized charges to her card after using the drive through on Monday. Upon speaking with the Area Director of Operations (Randy Writz), he advised that they had a new point of sale machine that was charging customers multiple times. The store is working with their IT to fix the problem and are refunding the erroneous charges as they are reported to them. I relayed this to the complainant who will follow up with Wendy's.

DISPO: On August 12, 2016 at 1746 hours, I responded to 21007 Hansen Road for a missing Juvenile Report. Upon my arrival I spoke with Tiante' Blackman. Tiante' wanted to report her daughter, Hydeia Cyre' Blackman-Knowles, missing.

Tiante' explained Hydeia has an outstanding warrant out of the Cuyahoga County Juvenile Court. According to Tiante' on August 11, 2016 officers from the

Maple Heights Police Department responded to her residence regarding Hydeia's warrant. Tiante' stated when the officers contacted the Juvenile Detention Center the officers were advised that there was no open admit for Hydeia. Tiante' stated later that evening she received a call from the detention center, which they advised her they were able to obtain an open admit for her daughter. Tiante' stated as she waited for the Maple Heights Police Department to respond to her residence to arrest Hydeia on her warrant she had fallen asleep. Tiante' stated when she woke up on August 12, 2016 Hydeia was gone. Tiante' stated she did not know any of Hydeia's friends, but knows she hangs out with two boys from Warrensville Heights. Tiante did not know the two boys names and could not provide me any further information.

Hydeia is 16 years old, approximately 5'9", 250 lbs. with brown, box braids, shoulder length hair and brown eyes. Hydeia was last seen at approximately 1145 hours at her residence. Hydeia was last seen wearing blue jeans, a red "CC" hooded sweatshirt, black shirt with red writing and white tennis shoes. Hydeia has one piercing in each ear but does not have any tattoos, scars marks or blemishes. Hydeia does not have any physical or mental conditions and does not take any medication.

Tiante' Blackman completed a Missing Persons Packet that included a dental release form. Tiante' also signed the permission for Facebook Submission. Hydeia Cyre' Blackman-Knowles was entered into LEADS as missing.

HYDEIA BLACKMAN-KNOWLES ENTERED INTO LEADS. NIC/M273437352. AF.
