Complainant, Mark Dennison, stated that Riccol White was threatening him. Upon our arrival, Dennison had locked White out of the building. Dennison stated that White was upset because Redi Storage was still charging him \$146.00 for a storage unit, monthly, that he no longer uses. Dennison stated that White said you are going to have pay personally. White made a written statement advising Redi Storage that he wished to stop paying on his storage unit immediately and both parties obtained a copy of the statement. CALLED THE RESIDENCE, APRIL FLORES SOMEONE HAD BEEN TRYING TO BREAK IN . VERY DIFFICULT TO GET INFORMATION OUT OF THE COMPLAINANT. SHE HUNG UP ABRUPTLY.

On Saturday August 12, 2017, at approximately 0235 hours, I, Ptl. Augustyn #536, was dispatched to 19041 Raymond Street for a report of a panic alarm. Prior to police arrival, the caller advised someone attempted to break into her residence. Upon my arrival, I met with April Flores. She stated she was sleeping on her couch when she heard a noise at her back window. She looked out the window and saw a male wearing a black hoodie. She did not see his face. The male did

not see her and then went to the side door. She stated she hit the audible panic alarm and the male fled. Inside the residence a lamp was knocked over and there was a broken television. She stated she broke the television when she fell over. Sgt. Kevern observed the back window and observed no signs of attempted entry or footprints in the wet grass. Ms. Flores stated she chased the male on foot and saw him go into a backyard about three doors down. Both vehicles in the driveway were warm indicating the motors had been recently running. When asked about this, the female stated she started both cars in the driveway in an attempt to chase the male as he was leaving. Ms. Flores then stated that she chased the male in a vehicle. I asked Ms. Flores where her husband was and she stated she did not know. I asked if he is usually home at this time and she stated he usual is. She did not seem concerned about his where abouts. Although the evidence inside of the residence appears that there was some type of altercation, Ms. Flores did not have any visible injures and she remained consistent with someone outside of her residence. The area was searched and no male was located. #536

CALLER REPORTING OVERNIGHT PERSONS UNKNOWN THREW BRICKS AGAINST THE BACK DOOR. OCCURED BETWEEN 0600HRS THIS MORNING AND TIME OF CALL. BRICKS ARE BY THE BACK DOOR AND FOOTPRINTS LEADING THREW THE BUSHES TO THE HOUSE BEHIND THE BUSINESS. GRA2303 2013 FORD 4S3FA6POH75DR139480 OWNER: TIERRA WRIGHT 03/03/1982 COMPLAINANT: VINCENT VARIGLOTTI 03/25/1979					

Sometime between Friday, 08-11-2017 from 1800 hours until Saturday, 08-12-2017 at 0737 hours, somebody threw bricks and stones at the rear bay doors of the business. I observed fresh mud prints on the blacktop that led from the business through some bushes into the backyard of 14209 Corridon Rd. Near the garage was a patio with the same bricks at the business. I made contact with the homeowner of the residence, Tierra Wright and advised her of the situation. Tierra stated neighborhood kids use her backyard to cut through because there is an opening in the bushes. I walked in the backyard with Tierra and it did appear grass was run down behind the garages surrounding her house which would indicate numerous people cut through the yards. Due to the business

having no video footage, no suspects were able to be identified. Photographs were taken of the damage to document this incident.

FEMALE IN PD LOBBY

LYNDHURST PD SENT FEMALE TO OUR STATION TO REPORT MAPLE HTS RESIDENT DARLESE GONZALEZ IS SENDING HER HARASSING TEXT MESSAGES AND PHONE CALLS.

COMPLAINANT: AMIRA ABDUL-QAWIYY 09/16/1989

On Saturday, August 12, 2017 at approximately 0950 hours, I responded to the Police Department lobby for a person reporting harrassment. Aimra Adbul-Qawiyiy stated her former friend, Darlese Gonzalez (DOB 08/06/1987) keeps harrassing her via social media, texts and phone calls. Amira advised me she blocked Darlese's number and did not respond to any of the threats that Darlese made. Amira does not want to fight, or have anything to do with Darlese.

I attempted to contact Darlese from the police station phone. She did not answer, so I left a voicemail advising her of telephone harrassment and menacing. I advised Darlese she needs to leave Amira alone and stop making veiled threats on social media and to mutual friends.

I attempted to contact Darlese through Amira's phone next, just so I could defintely make contact with her. She answered. I attempted to advise her of menacing and harrassment. She refused to allow me to talk, and would not listen to me, and then she hung up on me. I advised Amira that if Darlese continues to harrass her, to come back in to the police station to press charges for menacing.

Darlese called the Maple Heights Police dispatch back and I spoke with her. She stated she hung up on me because she thought Amira was just messing with her and did not believe I was a Maple Heights Police Officer. I advised that I was, and she was welcome to come to the police station to meet me in person. She then advised me that Amira is also harrassing her and she has texts messages to prove it. I advised Darlese that I would also advise Amira of menacing and telephone harrassment.

Both parties have been advised to stop all communications to each other and about each other.

FEMALE IN THE LOBBY REPORTING SOMEONE USE HER CREDIT CARD ADIDAS ON LINE					

Shayla Ferguson reported she had lost her debit card and the Maple Heights PD recovered her property. I checked our records and I was unable to locate the call where she lost her property or it was returned to her. Shayla believes she lost her card on a Friday and she picked it up on a Monday/Tuesday. It was a Key Bank Debit Card that she never cancelled when it was lost. She believes somebody took a photograph of the card because she has had the card back for some time and no charges have been made until now. On her bank statement, somebody made an online purchase (unknown exactly where) on the Adidas website for \$185.74. Shayla wants this documented for bank purposes. She will be following up with credit card company to change account numbers.

Female was located walking down Dalewood pushing a cart and carrying two large kitchen knives. She immediately dropped the knives upon officers orders but kept walking. Eventually she sat down on the sidewalk and waited for the rescue squad. Female had covered herself with address labels and obviously had psych. issues but could not articulate what was going on or why she had the knives. The caller stated her sister has been over visiting from North Carolina and has had a long history of mental issues. She became upset for some unknown reason and started talking to herself. She took the two knives from the kitchen and left the house with her shopping cart. She did not threaten anybody with the knives or herself. He believes she took the knives because she is paranoid and wanted them for protection. The female went to the hospital voluntarily and the brother took custody of the property. MG503

STORE MANAGER REPORTING 2 MALES WHO SHOPLIFTED YESTERDAY ARE BACK.					
HISPANIC MALES					
1 WHITE AND BLACK STRIPED SHIRT AND JEANS 2 WHITE HAT BLUE SHIRT WITH JEANS					

The store manager advised that she observed two hispanic males come into the store and place items in their pockets. The manager stated that she had seen the same two males come into the store the day prior, 8-13-2017 reference MA17-0061087, and take beer without paying for it. She advised that yesterday the male identified as Juan Reyes Sanchez had taken the beer. She saw him put something in his pocket today but then saw him put it back when he noticed she was watching him. She stated she saw the other male, who identified himself as Eduardo Jiminez, put something in his pocket but she wasn't sure what it was. The manager also advised that both males were wearing the same clothing as they were yesterday so she recognized them easily. Juan had a passport on him and a U.S. permanent resident card. The resident card had the date of 2009 as the time that Juan became a resident however his passport was issued to him from Mexico in 2015. The Permantet resident card appeared to be fictitious. I also noticed that in the passport that there was no U.S. stamp in the book. Juan also had a social security card with his name on it. I could see that the social security card had bad ink spots on it and showed several signs of being fictitious. Eduardo had nothing on him to show his identity. While speaking to Eduardo he was unable to tell officers his last name or birth date. Both males were taken into custody so officers could conduct further investigation into their identities. I contacted the U.S. Border Patrol and advised them of the information on the two males. The Border Patrol placed a detainer on both males. The Dollar Store wished for the males to be advised of trespassing. When the identity of the males is established they will be advised. PH520

MALE IN LOBBY REPORTING HE EX-WIVES BOYFRIEND JOHN THREATENED

I spoke with the complainant, Michael Capps, who stated his ex-wife, Holly Pena, was keeping his children from him and he wanted her to abide by the court agreement. I advised him he needed to bring a copy of the court agreement that had the seal from the court in order for me to be able to verify what was set forth by domestic relations court. Michael also stated while he was on the phone with Holly that her boyfriend, John, spoke with him and stated "come over here and I'll beat your ass." Michael stated that he would return to speak with an officer about the threat at another time since he wanted to go to the domestic relations court in order to get a certified copy of the court agreement before the court closed. I spoke with Holly on the phone and she stated she would come to the police station in order have any further dealings with Michael and would bring in a certified copy of the court agreement. Holly arrived a few hours later and I viewed a certified copy of the custody agreement from the 1/15/17. The agreement was valid and current. Michael was in violation of the agreement based on the agreement and when I called him to advise him he was in violation and needed to turn their son over to Holly, he stated he would not turn over their son until he filed for a CPO against Holly and John for him and his son, and until he filed a police report with the Manaway Police regarding an incident involving Holly, John and his son. I advised Holly of the situation and she stated she would go to domestic relations court in order to resolve the issue and would contact MHPD in the event that anything changed or if she needed our help any further.
