BRIANA MARTINEZ IS RECEIVING THREATS AND BEING HARASSED BY A NEIGHBOR. THE NEIGHBOR ALLOWED BRIANA'S BROTHER JOSEPH MARTINEZ TO MAKE A REPAIR ON A PLAYSTATION. THE REPAIR WAS NEVER MADE. JOSEPH LIVES WITH BRIANA AT THIS ADDRESS.

The complainant, Briana Martinez, stated the neighbor, "Fats", had been coming to her residence and harrassing her about a debt that was owed to him by her brother, Joseph Martinez. Briana stated the issue started because Joseph was supposed to repair a Playstation that he was given by the neighbor. The neighbor was later identified as Da'Ron Butler (3-7-00) and his mother, Tiaera Butler. They both stated they gave Joseph a Playstation for him to fix the disc drawer. Joseph stated the playstation was stolen from him and he would pay them back as he could. Joseph gave his phone number to us in order to relay to Da'Ron that he would pay him as he could. Tiaera stated the playstation was actually hers and she would just write it off as a loss since Joseph had not been cooperative in the past. I advised Tiaera and Da'Ron not to go back to Briana and Joseph's residence in the future in order to stop any further problems from

arising. AC535

I spoke with the complainant, Makendy Francois, who stated he bought a new phone from Metro PCS, located at 5255 Warrensville Center RD. Makendy stated the employee was swapping over his SD card from the old phone to the new phone but he stole it. I asked Makendy how he knew the employee, later identified as Yvez Leflore, took it because when he left neither phone had the card in it. I asked Makendy if he observed Yvez take the card and he stated he did not but the security camera's could have caught it. I spoke with Yvez and he stated he did not take the card and I could not view the security camera's. I asked Yvez why he would not allow me to view the security camera footage and he stated he felt harassed. I returned to the station to advise Makendy what happened but he was already gone. If he returns this report will be updated.

On 12/09/2016, at approximately 0750 hours, I Ptl. Wilson #534, responded to 19276 Stockton Ave. for a report of a missing person. Upon arrival, I spoke to Pearl Parker who is the Great Aunt to James Allen III. Pearl stated James is a diagnosed paranoid schizophrenic, but does take his medication Resperdal in the evenings. Pearl stated that James is having a serious surgery in January 2017 and it has been bothering him and that is why she is concerned that he is gone. Pearl stated she last spoke to James as he was leaving to go to work on Wednesday, December 7th at approximately 0800 hours. Pearl did not see him, but asked if he wanted a ride to work and he stated no. James works at the Dollar Tree at 12668 Rockside Rd. in Garfield Heights.

I made contact with Elaine Dadzinski (DOB 02/17/1970) who is James' manager at work. She confirmed that James was at work on Wednesday from 0900 hours until 1400 hours. Elaine described James as a wonderful employee and he was acting normal while last at work.

Pearl stated that James did take his medication when he left the house. Pearl also stated that James is a functioning schizophrenic and is able to be on his own. Pearl is concerned for James because he is upset about the surgery and that he has never come home.

James is described as a 34 year old black male, 6'2", approximately 280lbs, with short black hair and brown eyes. It is unknown what James was wearing when he left the house. Pearl completed the missing person packet and just wants to check on his welfare. James will be entered into LEADS as a missing person to check his welfare. cw534

Mr. Clines stated his 94 year old mother that lives at 18421 Maple Hts. Blvd. informed him that a male juvenile knocked on her door on Wednesday 12-07-16. She did not answer the door and the juvenile left. He went several doors down and "hung out" in the front yard with two more male juveniles. The juvenile then returned and knocked on her door again. The complainant, Leslyanah Hicks (13 y/o female DOB: 02/20/2003), stated on Wednesday, December 7th, 2016 at approximately 2100 hrs., she was at her father's (Leslie Hicks II) house at 5229 Anthony Street, when she was hit in the face twice by her aunt, Janzona Hicks. Leslyanah said Janzona was called to the residence by Leslie's girlfriend, Ashley Vandyke to "set her straight, for being disrespectful towards Leslie. Leslyanah said she wasn't disrespectful towards Leslie. Leslyanah stated Ashley went through Leslyanah's phone and found a text to Leslyanah's mother stating "I'm ready to come home." This was taken as being disrespectful. Leslyanah said that she, Leslie, Ashley and Janzona were in the living room when Janzona yelled at her and told her "I will beat a bitch for my brother." Leslyanah said hit her in the face twice with an open hand to the left side of her face (which left a mark on her face when she went to school the

following day). Leslyanah said after she was struck she sat there and cried. I asked Leslyanah what her father did. She told me that he sat there and did not do anything. Leslyanah was told to go upstairs for the rest of the evening. Leslyanah has not spoken with her father since the incident happened. Leslyanah's mother stated she wanted the incident documented so she follow up with other legal means. Both parties currently have shared parenting.
